Rev. Petteway stated that he had received a request from Mrs. Walter Jensen for permission to use two rooms on the first floor of our educational building for 30 days for Adult education. Mr. Petteway said that two classes for 20 adults had been meeting at the Durham Techinical Institute, but would have to move by July 15 because the rooms now occupied would be needed for other purpose after July 15. He stated that the classes would graduate by August 15. Dr. Glasson said that he did not think we should allow any group to use our building unless we had some control over them. Therefore, he moved that the request be dissapproved. This motion was 2nd by C. J. Jones and carried.

Chas. E. Jordan reported that Mr. McLean, Dr. Byerly and Mr. Few had a request to make to the Board of Trustees, he recognized Mr. McLean who stated that a group of people composed in part of our church members were considering establishing a private school for the sixth, seventh and eighth grades. This school would consist of three classes of not more than 26 pupils per class. The proposed school would be approved by the State Board of Education and would employ only experienced and highly qualified teachers. The purpose of the school would be to furnish high quality education. They requested permission to use three rooms on the third floor of our educational building.

The school would agree to pay for utilities the a amount to be agreeable with the church, estimated to $1,200.00 to $1,500.00 for a year. This request was discussed at length by those pre-

sent following which a motion was made by Judge Spears further consideration of this request be deferred until we can get a larger attendance of our board and specified that another meeting be held not later than 5:00 p.m., Tuesday, July 14. This motion was seconded by Dr. Glasson and carried.

Chairman Jordan had received a court summons asking us to advise the court what our interest was in the estate of Miss Carrie Burch. This paper was given to Judge Spears for a reply.
