C. Report of Committee to district Association.

J. G. BRYAN, *Chairman.*

D. Report on Missions.

DEAR BRETHREN:—As the cause of Missions is the cause of God, and all christians should enlist in the cause of God for the promotion of the Kingdom of God and his Christ. Dear brethren, God has put the means in your hands, and he requireth you to aid, not to withhold your means, for the furtherance of the gospel of Christ.

Brethren, don't withhold your means, but give of that that the good Lord has bestowed upon you, or placed in your hands. Remember God loveth the cheerful giver.

WM. POOL
J. G. BRYAN.

E. Report on Periodicals.

DEAR BRETHREN:—We are glad that we can heartily recommend the Recorder as a good organ, and a faithful exponent of orthodox principles and doctrine. It is our own State paper and worthy of our patronage. But we are sorry that it is no better sustained by our denomination, and do hope our ministers will urge its claims upon the churches generally.

I. OXFORD, *Chairman.*

F. Report on Sabbath Schools.

It is a source of gratification to every christian heart, to know that the cause of Sabbath Schools is advancing, not only in our own body, but among christians everywhere. At the same time we have to lament the fact that there is not still more interest taken in this important enterprise than there is. We would therefore recommend to the churches comprising our Association, the following course:

Every Church should have a Sabbath School, with a regularly appointed Superintendent, whose duty it shall be to open and close the School and act as teacher in the school. The sessions of the school should be short, not more than two or three hours. Some inducement should be held out to the children, by way of promise, to cause punctual attendance and diligence in study. We regard the Sabbath School as next in importance to the church of Christ, and therefore

appeal to the ministry and the churches to unite their efforts in the advancement of this glorious enterprise.

We most cordially recommend to every Sabbath School, the Children's Friend, a paper published by Graves, Marks & Co., Nashville, Tennessee. Every family should have a copy.

Respectfully submitted.

F. A. BELCHER,
S. R. SHERRELL.

G.

Report on Colportage.

The subject of Colportage is one eminently entitled to our highest consideration, as it possesses many and superior advantages to almost any other system in disseminating the glorious gospel of the blessed God. This enterprise proposes in its operations to carry the gospel to every family, which we believe is strictly the Apostolic plan in promoting the Redeemer's kingdom: For it is said of them, that they went from house to house, and preached the gospel. Moreover, while this enterprise carries the Word of God to the destitute, it also proposes to carry with it many good religious books, disseminating our principles as a denomination, thus making them known in places where they are not understood. Moreover, it is believed that the Word of God is the chief means of enlightening the great masses of the people; often they have no other. Hence this enterprise is peculiarly an enterprise of mercy; and he who engages in it, while he aims mainly at the spiritual improvement of the people, to a large proportion he brings almost the only supply of knowledge which they receive as thinking beings. Therefore we recommend to this Association to commence a system of colportage at once.

Respectfully submitted.

R. L. STEELE, *Chairman*.

H.

Report on Temperance.

Temperance has been truly defined to be the moderate use of all things necessary to our health and well-being, and a total abstinence from all things that are hurtful or pernicious in their effects. And whereas common sense, common observation, sad experience and God's Word all teach us that ardent spirits are an awful curse to the church; and, notwithstanding much has been done, yet much remains to be done to get rid of intemperance,—therefore ministers should be united, and preach, pray, and strive against it. Churches should deal with, reclaim or exclude all makers and venders; this done and the church will shine forth as the morning, fair as the moon, clear as the sun, and terrible as an army with banners.

Respectfully submitted.

L. LAND, *Chairman*.

Report on Resolutions.

Whereas, in the providence of God our country has been permitted to become a scene of war and bloodshed, brought about by the unprovoked jealousies, angers and despotism of a sectional party, in the North, who are bent on our subjugation and destruction:

Therefore, *Resolved*, That we deplore the unhappy state of our country, and invoke the presence and assistance of the King of Nations in our behalf, and pray that this most unhappy and uncalled for strife may be brought to a speedy and honorable close.

Resolved, That while we are not the devotees of war, but at the same time it is a source of great gratification to know that the Baptists of our country have taken a noble stand in defence of our rights and liberties.

Resolved, That having learned that our beloved brethren, Elders J. G. Bryan, R. L. Steele and James Reed have succeeded in raising a volunteer company, composed mostly of Baptists, and commanded by the above mentioned brethren; we take great pleasure in recommending them to the favorable consideration of the Baptist denomination, wherever their lots may be cast during the service.

Resolved, That this Association set apart Thursday the 7th day of November next, as a day of public fasting and prayer to Almighty God, for the building up of Zion, the peace and prosperity of our country, and a speedy deliverance from our present condition.

Resolved, That this Association tender its thanks to the citizens and tent-holders of this vicinity for their hospitality in entertaining the delegates and messengers in attendance on this body. All of which is respectfully submitted.

J. McNEIL, *Chairman.*
