Visitors: Ruling elders W. L. King and Garland Dallas were present from Mebane Memorial Church. The Rev. John A. Garber, D.D., a member of the Presbytery of Atlanta, now serving as interim pastor of the First Church, Durham was presented to the Presbytery and invited to sit as a visiting brother.

EXCUSED

The following ministers were excused from attending this meeting of the Presbytery: John S. Brown, Russell Fleming, Russell Buffaloe, Galen Elliott, and E. L. Barber.

THE CALL

The call for this meeting of the Presbytery was read and found in order as follows: "The constitutional requirements having been met, I hereby call the Presbytery of Granville to meet on Monday afternoon, November 26, 1962, at 3:00 o'clock at Trinity Avenue Presbyterian Church, Durham, North Carolina for the purpose of:

1. Receiving ministers into the Presbytery by letters of transfer.
2. To dissolve the pastoral relationship of the Reverend H. P. Ruppenthal and Mebane Memorial Presbyterian Church, Roxboro, North Carolina, if the way be clear.
3. To transact any other business growing out of the above.

W. D. McInnis, Moderator."

RECEPTION OF MINISTERS

The Rev. T. T. Traynham, chairman of the Commission on the Minister and His Work, presented Dr. Stuart Henry, a professor at Duke

Divinity School, with a recommendation that the Presbytery proceed to examine him for reception into the Presbytery and read a certificate of dismissal from the Presbytery of South Mississippi.

The Presbytery proceeded to examine Dr. Henry. The moderator conducted the examination on his Christian experience. In the absence of the Rev. John Brown, the Rev. Charles E. Johnson conducted the examination on his views of theology. The Rev. W. C. Bennett conducted the examination on his views of Church Government and the Sacraments. The examination was sustained and upon motion Dr. Henry was received into the Presbytery of Granville and was instructed to sign the book when it is available.

Upon motion, which was passed, Dr. Henry was granted permission to labor outside the bounds of the Presbytery.

DISSOLUTION OF PASTORAL RELATION

The Rev. T. T. Traynham, chairman of the Commission on the Minister and His Work, presented the following report for the information of the Presbytery relative to the request of the Rev. H. P. Ruppenthal for the dissolution of his pastoral relation at Mebane Memorial Church, Roxboro, N. C.: "The Commission on the Minister and His Work met in the Office of the Presbytery November 13th, 1962 with the following being found present: E. J. Agsten, Sam Burgess, Norman Cole, T. T. Traynham, and E. L. Barber.

The first matter claiming the attention of the Commission was in regard to the Rev. H. P. Ruppenthal and the Mebane Memorial Church, Roxboro, N. C. The Rev. E. J. Agsten reported to the Commission of a visit that he, T. T. Traynham, and E. L. Barber had with Mr. and Mrs. Ruppenthal on Friday afternoon, November 9, 1962, at 4:00 o'clock, at the rest home in Durham. It was brought out that both Mr. and Mrs. Ruppenthal thought that the pastoral relation existing between Mr. Ruppenthal and the Mebane Memorial Church should be dissolved and that the church should proceed to secure a new pastor.

The committee that visited Mr. and Mrs. Ruppenthal for this conference expressed its gratitude to Mrs. Ruppenthal for the fine attitude she manifested for opening the way for these discussions with Mr. Ruppenthal.

Mrs. Ruppenthal expressed the desire for Mr. Ruppenthal to have plenty of time to rest and recuperate and the committee felt that an indefinite time may be needed for his recovery.

Upon motion the Commission voted to request the moderator to call a meeting of the Presbytery for 3 o'clock in the Trinity Avenue Church, Durham for the purpose of dissolving the pastoral relation between Mr. Ruppenthal and the Mebane Memorial, if the way be clear. This is pursuant to an order of the Presbytery at its last meeting on October 16, 1962.

The chairman met with the officers of the Mebane Memorial Church November 15th discussing with them the procedures to follow to call a congregational meeting to act on the resignation of Mr. Ruppenthal and report at this meeting of the Presbytery.

Mr. Garland Dallas, Mr. W. L. King and Mr. Millard Abbitt, ruling elders of the Mebane Memorial Church, were present. Mr. Dallas re-

ported on the congregational meeting held on November 25, 1962, and stated that the congregation had reluctantly concurred in the request of the pastor, the Rev. H. P. Ruppenthal that due to his physical condition it was necessary for him to offer his resignation as pastor. These men spoke of the fine work that Mr. Ruppenthal was doing before he became incapacitated and how difficult it was for them to give him up.

The congregation requested that the pastoral relationship end December 31, 1962.

Following this report the Presbytery dissolved the pastoral relation between Mr. Ruppenthal and the Mebane Memorial Church effective December 31, 1962.

The Presbytery voted to give Mr. Ruppenthal the status of "Honorably Retired" by the Presbytery of Granville as of December 31, 1962.

The Presbytery instructed the Stated Clerk to write a letter to the congregation of the Mebane Memorial Church expressing its gratitude for the fine spirit and generosity it has shown its pastor during this time of illness. The Stated Clerk was also instructed to write a letter of encouragement to Mr. and Mrs. Ruppenthal.

CLOSING ACTION

The minutes were read and approved and the Presbytery adjourned with prayer for Mr. and Mrs. Ruppenthal by the Rev. Robert T. Henderson.

COMMITTEE ON WOMEN'S WORK

Rev. Charles E. Johnson, chairman, presented Mrs. R. N. Barringer of Durham, president of the Women of the Presbytery, who gave the following report, which was adopted:

"As the Women of the Church have used the Assembly-wide theme, "Christian Vocation," they seem to have become more conscious that every vocation should and can be "Christian." They realize that more young people are needed in Church vocations.

The 1961 annual meeting was held in Roanoke Rapids—one of the last assemblies in the Sanctuary, as it was destroyed by fire soon thereafter. Perhaps the inspiration of that meeting was thus more deeply impressed upon those who were present. There were 219 registered and the attendance held up through the closing session.

The Rev. E. L. Barber was presented an Honorary Life Membership.

District Conferences were held in November. Once more the attendance and offerings were on the decrease, as only 367 women attended and offerings amounted to \$182.00.

The Presbyterial-District Conference offerings were combined to buy a much needed file for our records in Presbytery's Office. The remainder was added to our Scholarship Fund, which we hope to make self-sustaining.

Since Fellowship and Willow Springs Churches were combined, becoming New Hope, we have 48 organized Women of the Church groups. The reported enrollment is 5,105 in 194 circles. That is a net gain of 14 women in 5 circles less than last year.

In January, the local presidents were invited to meet in Oxford with the Board in its regular winter session.

The information exchanged and the inspiration experienced were helpful.

The Board met in May at Milner Memorial and in October, immediately preceding Presbyterial at West Raleigh.

In mid October, District and Committee Chairmen met with the President in Raleigh. Plans for the District Conference were completed and the year's work planned.

The General officers have been faithful and efficient, as have committee chairmen. Their work would be considerably expedited if officers and chairmen in local churches would send in their reports as they are scheduled. It seems that more women are becoming aware of their relationship with and responsibility to Presbyterial.

The Historian secured the history of every local Women of the Church (quite a feat!) and brought our file at Montreat up to date. There are still some churches which need permanent binders in the Historical Foundation.

The impression formed from the reports of Committee Chairmen is encouraging in many ways. Many women are active in various phases of the church program who are not active in circle, as such. They teach Sunday School classes, serve as sponsors for youth groups, sing in the choir, help with church suppers and are generally busy in essential church work.

Perhaps Stewardship is harder to evaluate than other "Causes." It is hoped that our women will be more continuously aware that Stewardship involves the whole life. They are meeting their financial obligations, contributing to the budget and practicing a better Stewardship in the whole of life. It was discouraging to see the Birthday offering less than it was last year; but encouraging that more groups paid Presbyterial obligations. All reporting organizations contributed to church budget.

The Annuities and Relief Chairman reports a number of groups interested in the Fellowship of Prayer and in work with senior citizens, as well as in the traditional phases of that work.

Apparently there is deepening interest in World Missions among all our people, including the youth. We see that in the way they respond to calls for help and in their interest in missions programs.

White Cross quota, as usual, was met on time. The response to pleas for Overseas Relief has been generous. More churches are sending the requested eight cents per pound for clothing sent. At least 12 missionaries spoke in our Presbytery during World Mission season. Mr. Walter Shepherd of Congo was in our midst 3 days, speaking 3 or 4 times each day. Miss Rose Cameron of Ernest Myatt Church, was home on furlough from Brazil. She spoke in a number of churches.

All our churches participate in the Church Extension program. Nearly

all have some type of visitation program. Much work is done on local level to meet spiritual and physical needs. The "Speaker's Bureau," composed of ministers and laymen and women of our own Presbytery was a success in providing speakers during Church Extension season.

There is an increased interest in the Fellowship of St. Barnabas, "Granville's own answer to Home Missions Needs."

Christian Education in all its phases is of concern to all our churches. Learning opportunities are being offered to the entire age span. Many, but not enough, take advantage of those opportunities. One church has developed an excellent Guidance program for its young people.

In 1961-62 school year, we gave 3 scholarships of \$300.00 each. This year, Melanie Bryan, a junior at Florida Presbyterian College, is the recipient of the one scholarship we have.

Synodical Board approved a request from St. Andrews to form an Advisory Council. The President and Chairman of Christian Education in each Presbytery will compose that council.

The attendance at Synodical Training School at Davidson College increased from 25 last year to 39 in 1962. Districts I and II sent nearly all those delegates.

Churches using Every Family Plan for "Survey" subscriptions increased from 21 to 30.

On the whole, and considering its many facets, interest in General Fund Agencies has been good. There seems less knowledge of and therefore less interest in General Council, than in the other agencies. The interest in Presbyterian School of Christian Education has been quite pronounced. Visits to it were made by 18 circles and \$119.00 contributed by "Sponsors." The filmstrip, "The Anatomy of Gefunda," was well received, highly recommended by the churches that used it.

Friends of the Seminary have increased as interest has been cultivated. \$251.00 was contributed. This represented 14 churches.

The Inter-group chairman has been busy on behalf of Inter-denominational, Inter-racial, and International work. World Day of Prayer was observed by 17 reporting churches. The Inter-denominational Christian Conference at Winston-Salem had 14 women sent by our churches and 10 churches gave money to it.

Interest was shown in Migrant Work by at least 13 churches. Families in 5 churches entertained foreign students.

Since Spiritual Growth is one of the intangibles, one can hardly pin point growth, but it is evidenced by what is seen.

The moderator system was used in more circles, which means more women are leading Bible Study. As that method becomes more widely used, good results are showing. The same is true of the Every Member Bible Study. The study of I Corinthians was conducted in various ways at different times . . . Sunday evenings, mid-week, at church, in homes. It was led by ministers, lay men and women. Numbers in the Every Member Study have increased.

There are more prayer groups. Some of the most effective meet just prior to Executive Board or General Meetings for informal prayer in small groups. On the whole, our women seem to be growing more deeply

conscious of their Christian responsibilities, more eager to grow in grace themselves so that not only will their own lives be enriched but that they will be equipped to meet the needs of others who are their responsibility.

As we come to the end of our special emphasis on Christian Vocation, may we become deeply aware of our need for unity in Christ and may we continually press toward the Goal of being one with Him and in Him."

COMMITTEE ON CHRISTIAN EDUCATION

Rev. Alfred Thomas, chairman, distributed a calendar of Christian Education events of interest to the Presbytery, calling attention to several of these dates and events.

Rev. Clyde Robinson, chairman of the Sub-Committee on Christian Action, spoke briefly on Christian Action Institute to be held at the First Presbyterian Church, Raleigh, on March 5.

Mr. George Brinkley, chairman of the Sub-Committee on Men's Work, spoke on the Men's Convention to be held in Dallas, Texas June 20-23 and urged the men of the Presbytery to register for this meeting.

The Presbytery voted to excuse those representing their churches in the Covenant Life Curriculum in order that they may attend a discussion group on the subject of the Covenant Life Curriculum during the afternoon to be led by Dr. Wm. B. Kennedy.

EXCUSED

The following ministers were excused from attending this meeting of the Presbytery: Marshall Tobias, W. F. Stinespring, W. H. Jarrett, C. Lynn Brown, W. D. McInnis and H. H. Thompson. Ruling elder Robert Shoffner also was excused from attending the afternoon session.

COMMUNICATIONS

The Stated Clerk read a letter from the Session of the First Church of Durham requesting that the Presbytery hold an Adjourned Meeting on February 5, 1963 at 3 p.m. in the First Presbyterian Church of Durham for the purpose of receiving the Rev. David M. Currie from the Presbytery of Brazos, if the way be clear. The request was granted.

The Stated Clerk also read a communication from Rev. H. H. Thompson requesting that he be granted the status of honorably retired, retroactive to January 1, 1963. The request was granted.

MINISTER AND HIS WORK

Rev. T. T. Traynham, chairman, presented the following report with recommendations, which were adopted: "The Chairman of the Commission on the Minister and His Work attended the meeting of Synod's Committee on the Minister and His Work, October 25, 1962 in the Board Room of the Synod's office, Raleigh. A report of a special committee to study the training of lay preachers was given. No action was taken, but will be considered again at the next meeting of Synod's committee.

The Commission, being instructed at the fall meeting of Presbytery to investigate the reason why White Oak Church's Sessional records were not presented at the fall meeting, wrote Mr. S. C. Jordan, Clerk of the Session, and has received a letter explaining why the Church's records

have not been presented for review. I will read the letter to you now. (Mr. Jordan's letter was read.)

Mr. Jordan has been written by the chairman urging him to see that the Session meet quarterly as provided for in the Book of Church Order. The Commission recommends that Mr. Jordan's letter be accepted by Presbytery as a satisfactory answer for not having Sessional records presented to Presbytery for examination.

The call to Rev. David M. Currie from the First Church, Durham and the call to Mr. Lawrence Wells, a senior at Union Theological Seminary, from the St. Andrews and Nut Bush churches, have been reviewed and found in order with the recommendation that at the proper time these calls be placed in the ministers' hands.

At the request of the Presidents of our Seminaries urging presbyteries not to receive candidates for ordination until they have successfully completed their courses of study, the commission makes the following recommendation to Presbytery that men coming from our seminaries to serve in our presbytery ordinarily be examined and received after they have successfully completed their courses of study.

The Commission has expressed its appreciation to Rev. E. J. Agsten, Robert Schoffner, and Norman Cole, whose terms on the Commission expired in 1962, for the splendid service they have rendered to the Presbytery.

The Commission has met with the Committees to Nominate a Pastor of the Roxboro and West Raleigh Churches, and reports that they are at work to locate a pastor for these churches.

The Commission recommends that the request of the Fuller Memorial Church to raise the pastor's annual salary to \$5,600.00 be granted, and that the church be commended for its action.

The call of the Rev. Don W. Shriver to become Campus Christian Life Minister, in Raleigh from the Campus Christian Life Committee of the Synod of North Carolina has been reviewed and found in order."

The chairman reported that he had received the annual reports of Chaplains Charles R. Love and Rufus Gerald Smith.

RECEPTION OF MINISTER

The chairman of the Commission on the Minister and His Work presented a letter of dismissal of the Rev. Donald W. Shriver from the Presbytery of Kings Mountain and recommended that Mr. Shriver be examined by the Presbytery. Mr. Shriver was presented and the moderator conducted the examination on his experience of God's Grace. Rev. John S. Brown conducted the examination on his views of theology. Rev. Wm. C. Bennett conducted the examination on his views of the Sacraments and Church Government. These examination were sustained and Mr. Shriver was received as a member of the Presbytery, and the following Commission was appointed to install Mr. Shriver as Campus Christian Life Minister at the West Raleigh Church on February 24 at 11:00 a.m.: Rev. Charles Johnson to preside and propound the constitutional questions: Rev. Vance Barron to preach the sermon: Rev. Robert Bluford to charge the minister: Ruling elder Cary Bostian to charge the con-

gregation: Rev. Clyde Robinson, Rev. H. J. Dudley, and ruling elder Edward Hipp to complete the Commission.

DISMISSAL OF MINISTER

Rev. John S. Brown requested that the pastoral relation between him and the West Raleigh Church be dissolved in order that he might accept a call to the Ginter Park Church, Richmond, Va. Ruling elder Robert Shoffner of the West Raleigh Church reported that the congregation of the West Raleigh Church had concurred with Mr. Brown in his request. Mr. Shoffner spoke very highly of Dr. Brown's ministry at the West Raleigh Church.

The Presbytery expressed profound gratitude to Dr. Brown for the vision and new life he has brought to the Presbytery, the Raleigh Council of Presbyterian Churches and to the congregation of the West Raleigh Church. Upon motion the Presbytery granted the request of Dr. Brown.

COMMISSION ON MERGER OF FELLOWSHIP AND WILLOW SPRINGS CHURCHES

Rev. E. J. Agsten, the chairman of this Commission, presented the following report, which was admitted to record: "As the record will show the work of this Commission has extended over many months. There have been numerous meetings and a number of conferences with individuals and groups involved. More anxiety than one could ever put into a record and much ardent prayer have been a part of the birth pangs of the New Hope Presbyterian Church.

Rather detailed accounts of proceedings are found in Presbytery's records. It is not necessary or proper that this report should again record these actions. For the sake of a necessary report, however, it is well to include an outline of proceedings and progress.

On July 18, 1961 Granville Presbytery voted unanimously to merge the Fellowship and Willow Springs Churches into one congregation. This step was taken in response to separate actions of the two congregations in regularly called congregational meetings in which both voted by majority vote to merge.

In the October 17, 1961 Stated Fall Meeting, Presbytery constituted the "Commission on Home Missions as a Commission" to effect the merger and to conclude any other business growing out of the merger.

On November 6, 1961 the "Service of Union" was conducted. In a "Charter Membership Service" held on January 7, 1962 a large number of persons signed the "Charter Roll." Unanimous action was taken by all present in this service to name the merged church, "The New Hope Presbyterian Church."

Thus the New Hope Presbyterian Church came into being. Under the leadership of the Reverend Arthur G. Courtenay as pastor, a fine, organized, working church has been established. With the help of the Home Mission Committee a beautiful site for the New Hope Church has been purchased. Plans for building are under way. We rejoice that a fine spirit is manifested among the people.

It is with regret that we must report that in spite of constant, patient and cordial invitation a certain group in the former Fellowship

Church have seen fit to remain outside the merged church. This group, therefore, has formed the Fellowship Baptist Church.

These people have insisted on laying claim to their proportionate share of all properties and monies involved. The Commission has realized that the law was strongly on the side of Presbytery in the matter of ownership. If the matter were taken to court the probability is that we would gain possession of all properties and monies. Realizing that going to court is costly in money and that such suits result in ill feeling and unpleasant publicity your Commission after much prayer and deliberation decided to attempt to arrive at terms of settlement agreeable to all concerned. This was done.

The end results, therefore, are these: 1. The New Hope Church now has clear title to the former Willow Springs Church property and the manse which was formerly owned jointly by the two churches. 2. The Fellowship Baptist Church was given clear title to the former Fellowship Presbyterian Church building and lot. 3. The property held by the former Fellowship Presbyterian Church with the provision it to be used as the site for a new building was returned to the original owner. 4. All monies belonging to the former Willow Springs Presbyterian Church and its organizations along with the current expense fund of the former Fellowship Presbyterian Church has been given to the New Hope Church. 5. All other funds of the former Fellowship Presbyterian Church, including the building fund with accrued interest thereof, and the Phipp's Memorial Fund were divided on the basis of contributions made by individuals and/or families and other sources represented in the New Hope Presbyterian and Fellowship Baptist Churches.

All transactions were made by duly appointed representatives of the organizations and people involved. They were made upon proper advice and counsel of legal representation. All transactions, where necessary, were notarized, all deeds properly recorded and delivered in the presence of witnesses. Records of all such proceedings are on file in Presbytery's Office.

Your Commission, therefore, would offer the following recommendations: FIRST, that the Rev. Arthur G. Courtney be commended for his patience, perseverance and demonstration of Christian love manifested in so many ways during days of trying circumstances, and that he be assured of the complete confidence of Presbytery as he continues his ministry at New Hope Church. SECONDLY, that the New Hope Church be commended for its splendid progress and that Presbytery assure these people of its continued interest and support; THIRDLY, that even though we had hoped all the former Fellowship Presbyterians would have joined forces with the New Hope Church, they can be assured of our spiritual interest in and prayers for them. FOURTH, that Granville Presbytery admit this report of this Commission in its entirety to record and dismiss the Commission.

Respectfully submitted, Your Commission (Rev. A. R. Buffaloe, Mr. George Elliott, Mr. Graham M. Connell, Dr. George M. Cooper, Mr. Robert Phipps, Jr., Mr. A. M. Cunningham, Rev. W. D. McInnis, ex officio, Rev. E. L. Barber, ex officio," Rev. E. J. Agsten, Chairman.

Rev. Arthur G. Courtenay, the pastor of New Hope Church, stated to the Presbytery that without the fine work of this Commission he could not have done his work.

RECESS

Presbytery recessed for ten minutes at 11:25 a.m.

PRESBYTERIAN DEVELOPMENT FUND

Rev. Frank Lemmon, chairman of Presbyterian Development Fund for the Presbytery of Granville, addressed the Presbytery calling attention to the fact that January 20, is the day designated for ministers to speak on the Presbyterian Development Fund in their churches. He also stated that a Presbytery-wide meeting will be held on February 5 at 6:30 p.m. with supper at White Memorial Church, Raleigh and that churches are urged to send four or five leaders from their congregations to this meeting.

PRESBYTERY'S MANUAL

Rev. Robert Blumer proposed that the Manual Committee report at the next meeting of the Presbytery and, if possible, to have the Manual printed and distributed to church Sessions by the end of the year. This was put in the form of a motion and passed. A motion was made and passed that it be recommended to the Manual Committee that more than one minister serve on each committee and that the chairman of each committee be nominated by the committee itself.

COMMITTEE ON SESSIONAL RECORDS

Upon motion the Presbytery constituted itself as a committee of the whole to examine the sessional records. Rev. Raymond Lord, the chairman, called attention to the rules for examining sessional records, and that a request had been made that church rolls be included with the minutes.

RECESS FOR LUNCH

The Presbytery recessed for lunch with prayer by Rev. J. W. McGinnis at 12:50 p.m.

AFTERNOON

Presbytery reconvened at 2:00 p.m. with prayer by Rev. Charles Hasty.

ORDER OF THE DAY

Rev. Alfred Thomas, chairman of the Committee on Christian Education, introduced the Rev. Wm. B. Kennedy, professor of Christian Education, Union Theological Seminary, Richmond, Va. who spoke on the Covenant Life Curriculum and specifically as it relates to Adult Education. Dr. Kennedy gave a most inspiring address; after which he withdrew for discussion of his address with those who had come in the interest of Covenant Life Curriculum.

CHURCH EXTENSION

George Elliott, chairman of Presbytery's Committee on Church Extension, called on the Rev. E. J. Agsten, to present a request of the North-

gate Church that had been approved by the Committee on Church Extension that the Presbytery approve a \$10,000.00 loan for the Northgate Church from Synod's Committee on Church Extension. The request was approved.

Rev. Adlai Boyd gave a brief report on the Radio and TV Seminar he attended at Camp Stuart, Mecklenburg Presbytery, in November. He stated that he plans to share more of this experience with the Presbytery at a later date.

Rev. Russell Fleming informed the Presbytery that a site had been purchased in Rochester Heights, Raleigh, by the Presbyterian Council of Raleigh for a Negro church.

Rev. Robert T. Henderson, chairman of the Sub-Committee on Evangelism, reported as follows, which was adopted: "This report will acquaint the Presbytery of the diligence and progress of the Committee on Evangelism, and comes with two recommendations.

First, the committee has sought to meet quarterly, even if for no other purpose than to pray for the evangelistic enterprises of the congregations of the Presbytery. The meeting in the fall was not held because of a conflict with the Ministers' Retreat sponsored by the committee.

The committee met just prior to Christmas at the Presbytery's Office. I trust you appreciate the responsibility and the problem that is ours in trying to understand how we can motivate the communicants of the churches of Granville Presbytery to a lively concern for those who are yet outside of Christ and thus outside of the Church.

We believe that the evangelistic enterprise of the Church is part and parcel of the Great Commission and is the responsibility of every person who accepts Jesus Christ as Lord. As Archbishop William Temple has well said, "the Church is the only institution that exists solely for those who are outside of it."

Several lay members of the committee expressed the concern for more leadership from the ministers in this area. But it was also noted that many ministers are also in need of help in this area. In that a seminary education and the laying on of hands in ordination does not necessarily make one an evangelist or a soul-winner.

Therefore, three plans of action were conceived. The first is the compiling of a list of "contact persons" in the local churches with whom the committee can correspond and to whom the committee can channel helpful literature on evangelism.

The second plan was to recommend that Presbytery give the committee the order of the day at the Spring Meeting in 1963 to present its cause.

The third plan of action was to recommend to Presbytery that the committee be allowed to conduct an evangelistic rally or conference on the order of the "Cavalcade Rally" of a couple of years ago, to include both inspirational addresses and classes on a Sunday afternoon and evening. The purpose of this conference would be to bring our people together with Christian persons whom God is using in the field of evangelism for instruction and inspiration. The conference to be conducted during the Assembly's season for Evangelism (March) of 1964.

I move the adoption of this report with the two recommendations"

BILLS AND OVERTURES

Rev. Clyde Robinson, chairman of the Committee on Bills and Overtures, presented the following overture to the General Assembly, which was approved by the Presbytery: "Whereas the Presbytery of Granville believes the following to be true: "1. The Lord Jesus Christ took upon himself the form of a servant, humbling himself, claiming no privileges, and he called on his followers to imitate his example. 2. The Apostles considered it their highest honor to be called "slaves of Christ," and the ordained ministry of the church is intended to continue in that tradition. 3. The Church is the Body of Christ and is intended to continue the work of Christ as the suffering servant of God in the world. 4. The use of the word "reverend" as a form of address and as a designation of title for ordained ministers is ungrammatical and suggests a "holiness" that draws a false distinction between the ministry and the laity, who, as well as ministers, are called to be imitators of Christ. 5. The use of the "reverend" as a form of address or title cannot be justified by Scripture, nor is it consistent with our Reformed doctrine of the priesthood of all believers. 6. The use of academic degrees such as "doctor" as titles for ministers creates and sustains an artificial distinction between ministers in the Church, indicating little or nothing about the individual's commitment to the Lord Jesus Christ or his suitability to minister in the Church. 7. The Church has as part of its mission in the world to eliminate false distinctions between men and to place no value on man made status symbols. 8. The Church in our time faces a serious threat posed by its easy acceptance by the world and by our culture, with the world seeing little difference between its standard of values and the church's, and if the Church is to bear witness to the Lordship of the Suffering Servant Jesus Christ, and do this by emulating his example, the leadership of the Church ought to forego gladly the use of status titles which hinder the true witness of the Church. 9. If the Church wishes to make any distinction as to the duties and responsibilities of ministers within the context of the Church's total life, the adjective "reverend" and title "doctor" accomplish neither of these purposes. 10. Some other title such as "pastor" is a much clearer designation of function and removes much of the distasteful effects of the adjective "reverend" and title "doctor."

Be it therefore resolved that the Presbytery of Granville overture the General Assembly:

1. To declare its position on the use of the word "reverend," believing that it can no longer be justified in the life of the church and that the word "reverend" should no longer be used in church courts or Minutes of church business at all levels, and that the laymen of the entire church be encouraged to forego the use of same.

2. To discourage the use of titles based on academic degrees as titles for ministers in the church and that the General Assembly order that all use of degrees in the Minutes of the General Assembly be discontinued.

Bostian charged the congregation, and Robert Bluford gave the charge to the pastor. The Reverend Donald Woods Shriver, Jr., being duly installed as

Campus Christian Life Minister of the college community of Raleigh, gave the benediction.

Following the formal services of installation the Commission assembled in the library of the West Raleigh Presbyterian Church and the minutes of the service were read by the Clerk and approved by the Commission on motion by Edward Hipp, seconded by Clyde O. Robinson, Jr. The clerk was instructed by the moderator to send the report of the Commission to the Clerk of Granville Presbytery. The meeting was adjourned with a prayer by Robert Bluford.

Milton R. Gibson, Jr., Clerk."

SESQUI-CENTENNIAL COMMITTEE OF SYNOD

Mr. Ted L. Daniel director of Radio and Television for the Synod of North Carolina, spoke to the Presbytery on Project 150, the Sesqui-Centennial Celebration for the Synod of North Carolina urging the churches to make use of all media of communications that are being offered today.

A motion was made and carried that the Presbytery express its appreciation to WTVD Durham and radio stations that are giving time for the special programs that have been presented for the Sesqui-Centennial Celebration for the Synod of North Carolina.

PRESBYTERIAN DEVELOPMENT FUND

Mr. H. Dermont Hedrick, co-chairman of the Presbyterian Development Fund of the Granville Presbytery, addressed the Presbytery urging all churches to participate in the Campaign. He informed Presbytery that 80% of the twelve million dollar goal for the General Assembly has already been subscribed and that for the Presbytery of Granville 17 of the 51 churches had subscribed \$142,854.00, which is 60.8% of the goal of the Presbytery. He expressed his conviction that the Presbytery of Granville will reach its goal of \$206,000.00 shortly.

Rev. Frank Lemmon, chairman of the Presbyterian Development Fund for the Presbytery, urged the churches which have not yet made commitments to this Fund to do so by April 20 in order to be included in the committee's report to the General Assembly.

The following recommendations were ordered sent to the churches: 1. That the session of each church discuss the Presbyterian Development Fund. 2. That each session take definite action. 3. That this action be recorded in the minutes of the session. 4. That a communication concerning the session's action be sent to the chairman of the Presbyterian Development Fund by June 1, 1963.

RECESS

The Presbytery took a fifteen minutes recess at 10:45.

ORDER OF THE DAY

The 11:00 a.m. hour being reserved for the Committee on Evangelism, Rev. Robert Henderson, chairman, presented Dr. Merle C. Patterson, chairman of the Assembly's Committee on Evangelism and pastor of the Druid Hills Presbyterian Church in Atlanta, who gave a very inspiring address on the subject of Evangelism with special emphasis on the experience of conversion.

Mr. Henderson gave a verbal report of the work of the Committee on Evangelism in the Presbytery.

SESSIONAL RECORDS

The moderator called for sessional records that were not reviewed at the last meeting of the Presbytery that they might be examined by Rev. Raymond Lord, chairman of this Committee.

PRESBYTERY'S COUNCIL

Rev. Albert G. Edwards, chairman of Presbytery's Council, reported for the Council. Inasmuch as a part of the report concerned the executive secretary, Rev. E. L. Barber was excused from the floor of the Presbytery. The following report and recommendations were presented and adopted: "As instructed by Presbytery, your Council appointed a committee which will report to the July 1963 meeting concerning a successor to our retiring executive secretary. Its members are Mr. R. B. Sydnor, deacon, First Church, Henderson, and W. D. McInnis and Alfred Thomas. The committee now is working diligently to complete its purpose.

Your Council is asking that the proposed dates for all activities of Presbytery be reported to the office of Presbytery in order to avoid conflict.

Your Council has considered the problem of afternoon absenteeism from the meetings of Presbytery and has instructed the chairman of the council to present this problem to Presbytery.

RECOMMENDATIONS

1. That the Presbytery of Granville approve as retirement salary for Mr. Ernest L. Barber the sum of \$125.00 per month for the period of his earthly existence, and that if the present Mrs. Barber survive Mr. Barber that she be paid \$62.50 per month for her earthly life.

2. That at Mr. Barber's retirement as executive secretary that the churches of the Presbytery be encouraged to make a love offering for Mr. and Mrs. Barber.

3. That due to the increasing difficulty in finding churches willing to entertain Presbytery, and with the hope that more churches will be encouraged to extend invitations, that Presbytery become self-entertaining on the basis of \$1.00 per representative. The money will be paid to the host church.

4. That the minutes of the morning session of Presbytery be read for approval prior to recess for lunch, and that the minutes of the afternoon session be read for approval prior to adjournment.

READING OF MINUTES

The minutes of the morning session were read and approved.

LUNCH

Presbytery recessed for lunch with prayer by Rev. Charles R. Hasty at 12:30 p.m.

AFTERNOON SESSION

Presbytery reconvened at 1:35 with prayer by the moderator.

Rev. Dan Evans was presented to Presbytery and invited to sit as a visiting brother.

THE COMMISSION ON THE MINISTER AND HIS WORK

Rev. T. T. Traynham, chairman, presented the following report of the Commission:

"The Commission held a conference with the Rev. Gerald Lee Stewart, a young Baptist minister who desires to enter the Presbyterian ministry. Mr. Stewart informed the Commission that he has an A.B. degree from the University of Western Texas, El Paso, Texas, and a B.D. degree from Southeastern Baptist Theological Seminary, Wake Forest, N. C. Mr. Stewart having stated his reasons for a transfer, and having answered pertinent questions asked by members of the Commission to their satisfaction, the Commission suggested that Mr. Stewart attend Union Seminary for one semester, and that he do one summer of field work, and when he has successfully completed both of these that he will be available for a call and the Commission will see that his name is placed before other commissions. Mr. Stewart has been informed that in the event he receives a call to a church in our Presbytery that he will be examined on his knowledge as well as his views on the subjects of theology, the Sacraments, Church Government, and the English Bible.

Mr. Stewart is following our suggestion and entered Union Theological Seminary, Richmond, Va., for this semester on January 22, and the commission is trying to find suitable field work for him for this summer.

The call of the Church Extension Committee of Presbytery to the Rev. Charles Williams of Mt. Olive, N. C., to become pastor of the new church in the Hope Valley area of Durham has been reviewed and found in order. We recommend that at the proper time that Presbytery proceed to examine him, and that the call be placed in his hands.

The Commission recommends that Presbytery proceed to ordain Mr. Benjamin W. Farley, a candidate under its care, when he completes his Seminary work, as he has requested since he has received a fellowship from the Seminary and will continue his studies next fall. This is permissible under Chapter 27, paragraph 2, Book of Church Order.

The Chairman attended the meeting of Synod's Committee on the Minister and His Work on March 26. Growing out of this report came a discussion of an orientation conference for young ministers from the Seminary coming into the Presbytery. Other Presbyteries have this program and it is being found helpful.

The chairman has been instructed to develop such a program beginning this fall—the time and place to be announced later.

The Kenly and White Oak Church have issued a call to a senior at the Seminary. We hope that he will see fit to accept it.

The Committees to nominate a pastor for Mebane Memorial and West Raleigh churches are busy seeking a minister. We are grateful for the work of these committees and their fine spirit of cooperation with the Commission on the Minister and His Work.

The Commission recommends that the request of Mr. Dwight Chalmers, member of Enoree Presbytery, and Book Editor of the John Knox Press, Richmond, Va. to become a member of Granville Presbytery, so that he will not have to drive so far to attend Presbytery meetings, be

granted. Mr. Chalmers was at one time a member of Granville Presbytery while he served as pastor of the Trinity Avenue Church, Durham. The Commission recommends that Presbytery proceed to examine him for reception at the proper time, and that he be granted permission to labor outside the bounds of Presbytery."

DISMISSAL OF MINISTER

Rev. Levi Himphreys requested that the pastoral relation between himself and the Gruver Memorial, Littleton and Warrenton churches be dissolved and that he be dismissed to the Presbytery of Orange in order that he might accept a call to the Piedmont Presbyterian Church, Burlington, N. C.

Ruling elder Harold Skillman representing the congregations of the three churches, reported that congregational meetings had been held by each church and that they had reluctantly concurred with Mr. Humphreys in his request. Upon motion the Presbytery voted to grant this request and his pastoral relation was dissolved, effective April 18, 1963, and the stated clerk was ordered to forward his certificate of transfer to the Presbytery of Orange.

RECEPTION OF MINISTER

Rev. Dwight M. Chalmers was presented to the Presbytery for examination. The moderator conducted the examination on his experience of God's grace. Inasmuch as Dr. Chalmers was a member of the Presbytery of Granville for many years, the Presbytery voted to dispense with further examinations and Dr. Chalmers was received into the membership of the Presbytery upon his signing the book and was granted permission to labor outside the bounds of the Presbytery.

CHRISTIAN EDUCATION

Rev. Alfred Thomas, chairman, distributed mimeographed copies of the report of the Committee on Christian Education and called the attention of the Presbytery to this Committee's activities in the Presbytery. Included was a report of the area director of Christian Education. The following recommendations were adopted:

"1. That, effective September 1, 1963, groups using camp facilities for the day (non-overnight use) will be charged at the rate of fifty cents per person up to 10 persons and a flat rate of \$5.00 for groups having more than 10 persons. This does not apply to those using the grounds for picnics, but rather the use of the Units, Dining Room, and Recreation Hall, etc.

2. That in determining the cost of any group, pre-school children not be charged.

3. That the month of August no longer be reserved exclusively for ministers, but rather made available on a first come-first served basis, and furthermore, a reasonable charge (yet to be determined) will be made for those who wish to reserve the camp for a week of family camping."

The moderator expressed his gratitude for all those who served as leaders in the School of Christian Growth in the Smithfield area.

CHURCH EXTENSION

Mr. George Elliott, chairman of Presbytery's Committee on Church Extension, made a verbal report on the work of Church Extension in the Presbytery. He presented Rev. Adlai Boyd, chairman of the Sub-committee on T.V. and Radio, who spoke to the Presbytery on the Communications Seminar sponsored by the North Carolina Council of Churches last November at Camp Stewart, which he and the executive secretary attended. He gave a very interesting report of the Seminar and urged all churches to make use of the helpful suggestions concerning the use of Audio Visuals in communicating the Church's message.

Rev. D. D. McInnis, chairman of the Sub-Committee on Home Missions, reported verbally on the Home Mission work of the Presbytery, which was received as information. He presented the following recommendation, which was adopted: "The Home Missions Committee recommends that Presbytery borrow up to but not to exceed \$37,000 and that \$13,000 be raised from the following sources: \$4,000.00 from the New Church Fund, \$3,000.00 from the Equalization Fund, and approximately \$6,000 to be raised by two calls on the members of St. Barnabas Fellowship, aggregating \$50,000 to be divided 50% each to Buffaloe and Garner, and that the money for Garner be allocated immediately provided they are ready to start work, and that the money for Buffaloe be allocated when they are ready to begin work.

Any funds for these two churches will be added to the above amount

SESQUI-CENTENNIAL COMMITTEE

The moderator appointed the following as members of the Sesqui-Centennial Committee of the Presbytery: Rev. John M. Walker, Jr., chairman; Rev. W. D. McInnis, Rev. E. L. Barber and ruling elder George Elliott.

The Reverend E. L. Barber,

Granville Presbytery
Raleigh, North Carolina

We have examined the records of the Granville Presbytery funds listed below for the year ended December 31, 1962. We examined evidences of receipts where available and traced the receipts into the bank deposits. We also examined cancelled checks and invoices supporting disbursements. We reconciled cash balances as of December 31, 1962, with amounts confirmed to us by the depositories.

We have prepared statements of Receipts and Disbursements for:

Benevolence Fund	— Exhibit A
Stated Clerk Fund	— Exhibit B
Office Fund	— Exhibit C
Christian Education Fund	— Exhibit D
Camp Development Fund	— Exhibit E

We did not confirm the cash remittances from the member churches by direct correspondence with the churches. Except for the confirmation of cash receipts, it is our opinion that the exhibits in this report fairly

reflect the results of the recorded financial transactions of the funds for the year ended December 31, 1962.

21. The Clerk should sign the minutes of each meeting. (BCO 13-5)

22. The Session is responsible for maintaining up to date rolls: a. of all baptisms; b. of all those admitted to the Lord's Supper; c. of all active, inactive, and non-communing members; d. of all deaths; e. of all marriages; f. of all receptions from other congregations; and g. of all dismissals to other congregations. (BCO 8-7; 15-8)

23. The minutes shall state that the three membership rolls have been reviewed annually and that all rolls required by the Book of Church Order are accurate and current. (BCO 8-8)

DISSOLUTION OF PASTORAL RELATIONSHIP

The Rev. W. D. McInnis requested that the Presbytery dissolve the pastoral relationship between himself and the First Presbyterian Church of Henderson and that he be granted the status of "Honorably Retired," effective June 30, 1963.

Ruling Elder J. C. Cooper of the First Presbyterian Church reported to the Presbytery that a congregational meeting of the First Church Henderson was held on May 26; at which time it voted to concur with Mr. McInnis in requesting the Presbytery to dissolve the pastoral relationship.

Mr. Cooper presented the following resolution: "WHEREAS, the Rev. William Donald McInnis has served as pastor of the First Presbyterian Church, Henderson, N. C., faithfully and well for the past 23 years,

THEREFORE, BE IT RESOLVED, that the First Presbyterian Church, Henderson, N. C., hereby express to Mr. McInnis their deep appreciation for his patient and diligent services during the time of his ministry. We wish them God's speed and an early return to Henderson.

BE IT FURTHER RESOLVED, that this congregation concur with Mr. McInnis in his request to Granville Presbytery that his pastoral relations with the First Presbyterian Church, Henderson, N. C., be dissolved effective June 30, 1963."

After several members of the Presbytery had expressed their warm appreciation for the many years of fine service of Mr. McInnis to the First Presbyterian Church, the Presbytery of Granville and to the Synod of North Carolina, the Presbytery voted to concur in his request and the pastoral relationship between Mr. McInnis and the First Church of Henderson was dissolved and Mr. McInnis was given the status of "Honorably Retired," effective June 30, 1963.

**RECOMMENDATIONS OF THE STEWARDSHIP
COMMITTEE TO THE CHURCHES OF
THE PRESBYTERY OF GRANVILLE—1964**

1. That the Stewardship Emphasis Season begin October 21, 1963 and continue through November 17, 1963; that November 10 be designated as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "In Loving Obedience."
2. That as the work of the Church must go on throughout the year, the Presbytery urge all local treasurers to remit their benevolences as collected—monthly if possible, in order that our agencies may meet fixed monthly obligations without the necessity of borrowing money.
3. That, following the request of the General Assembly, ministers and sessions keep before their congregations their primary responsibility for support of the official program of the Church, including its regular benevolence causes.
4. That each church be reminded that its benevolence responsibility has not been completely met until each cause has received the designated amount assigned to it by the Presbytery.
5. That Presbytery direct the Stewardship Committee to conduct an Every Church Canvass; visiting each church in the Presbytery during the period September 1 to October 15.
6. That Stewardship be recognized not merely as a means of raising money to support the Church but as a way of life in which one realizes that all he possesses has been given to him by God to be used in His service and in which one realizes that the tithe is the minimum Biblical standard of giving for the Christian who would adequately express his gratitude to God for all His mercies to him.
7. That "The Pre-Budget Canvass Manual," now available from the General Council, be commended to all churches as a helpful tool for the successful conduct of the Every Member Canvass.
8. That supplemental offerings for the Church's agencies be applied against that portion of the budget which represents that agency's share, and that supplemental offerings not be considered as over and above regular budgeted percentages. The offering for Over-Seas Relief is a special offering.
9. That the Equalization Fund be used to bring Presbytery's Causes up to the budgeted figures.
10. That Presbytery request all executive committees and agencies participating in Presbytery's Budget to hold a meeting before June 1 each year for the purpose of arriving at their budget request. That further the Chairman of the Stewardship Committee be invited to attend these budget meetings and the final budget be presented to the Chairman not later than June 1. Chairmen of the various committees which submit askings to Presbytery are requested to meet with the Stewardship Committee at the time the Committee considers the askings for 1965.
11. That all financial matters such as special campaigns for fund raising programs which affect the total Stewardship Program of Presbytery, be

referred to the Stewardship Committee before reaching the floor of the Presbytery.

12. That the Presbytery of Granville accept and make every effort to raise the amount of _____ \$124,314 for General Assembly's Causes
104,092 for Synod's Causes, and

REPORT OF COMMISSIONS

Minister and His Work: Rev. T. T. Traynham, chairman, reported for the Commission on the Minister and His Work, as follows, which was admitted to record:

"1. Dismissal of ministers—The Commission on the Minister and His Work dismissed Rev. Clyde O. Robinson September 10 to Winston-Salem Presbytery in order that he might accept a call to the Trinity Presbyterian Church. The request of Mr. Robinson that the relationship as Assistant Pastor of White Memorial Church be dissolved, and that he be granted a certificate of dismissal to Winston-Salem Presbytery was read. As the Session of White Memorial Church had concurred with

Mr. Robinson in his request, the Commission dissolved the relationship and granted him a letter of transfer.

The request of Rev. A. Russell Buffaloe that the pastoral relationship between himself and the Milner Memorial Church be dissolved was presented at the meeting on October 8, and that a certificate of dismission be granted to Westminster Presbytery in order that he might accept a call to the Bee Ridge Church, Sarasota, Florida. The chairman reported that the congregation of Milner Memorial Church, in a meeting on September 22, had concurred with Mr. Buffaloe in his request. The request was granted and the Stated Clerk was instructed to forward a letter of commendation as to his character and service with the certificate of dismission to Westminster Presbytery.

2. Interim Supply—Rev. Dr. Samuel L. Hiebert of Fayetteville Presbytery began serving the First Church, Henderson, on September 1, as Interim Supply. The Rev. William Donald McInnis, a member of Granville Presbytery, began serving the Milner Memorial Church on October 13th as Interim Supply.

3. Retreat for Orientation of New Ministers of Granville Presbytery—A retreat was held at Presbyterian Point October 7-8 for pastors of churches who have come into Granville Presbytery during the past 18 months using the theme "Members of Granville Presbytery Look At Their Task." Seven new ministers and seven leaders of the Presbytery took part in this retreat. Many have expressed the helpfulness of the retreat, and the Commission has voted to hold such retreats for new ministers as needed. The Commission is grateful to Revs. Ed. Agsten, Alfred Thomas, Albert Edwards, E. L. Barber, and ruling elders Braxton Flye and George Elliott who contributed so much to the conference, to David Currie who led our devotions, and to all the other men who came and shared in it.

4. The following calls have been reviewed by the Commission and found in order and as the Certificate of Dismissal for each is in hand, the Commission recommends that at the proper time Presbytery proceed to examine these ministers for reception into the Presbytery and that the calls be placed in their hands:

The call of the West Raleigh Church to Rev. Albert E. Dimmock, Columbia Presbytery, as pastor;

These examinations were sustained as satisfactory and the examination was discontinued for the Order of the Day.

REPORT OF THE COMMITTEE ON WORLD MISSIONS

Rev. Robert Blumer, chairman of the Committee on World Missions, made a brief report and the following recommendations were adopted:

1. That the World Mission Season, February 1-March 1, be observed in all churches as a time for Church-wide dedication to the world task of Christian Missions; that every church seek to increase in its members the sense of responsibility and privilege in the world-wide mission of the Church.

2. That the World Mission Programs for the year 1964 be carried on at the local church level—using missionary speakers, films, etc., provided by World Mission Committee. Special effort should be made to instruct children and youth.

3. Because of the increased responsibility and opportunity being given to World Mission Committee in Presbytery, that Presbytery be encouraged to select the best possible persons to serve on this committee.

4. That, in so far as possible, missionaries and missionary candidates, should be used as resource persons during the camp and conference season, and as speakers for Youth Rallies in 1964.

5. That the Committee on Candidates in each Presbytery vigorously

present the challenge for world mission service to the students and young adults.

6. That local churches make every effort to get young people to attend the Youth Programs at the World Mission Conference.

7. That collections of used clothing, blankets, etc., be made by churches at least twice a year, and that they be sent, designated as contributions from the Presbyterian Church, U.S., to Church World Service, New Windsor, Maryland.

8. That limited funds be made available to World Mission Committee for the purpose of meeting operating expenses.

9. That Presbytery hear an address by Dr. George T. Brown, Presbyterian Missionary and President of Ho Nam Theological Institute, Kwangju, Korea.

10. That a World Mission conference be held in the Presbytery and all churches be urged to participate in it.

11. That a supplemental offering be received in each church during World Mission Emphasis. The recommendation that Presbytery give consideration to enlarging the World Mission Committee to include three ministers, each to serve three years and only one minister retiring from the Committee each year was referred to the Committee to Revise the Manual.

COMMITTEE TO REVISE THE MANUAL

Rev. Robert Blumer, chairman, stated the problem of revising the Manual of the Presbytery, which is almost ten years old and, on his recommendation, the Presbytery voted that the present committee rewrite the Manual.

CHURCH EXTENSION

Ruling elder, George Elliot, chairman, presented the following report embodying the preliminary suggestions for a survey of the churches of the Presbytery, which was adopted:

PRELIMINARY SUGGESTIONS FOR THE NORTH CAROLINA SURVEY

Following a letter from the Department of Survey and Church Location to the Executive Secretary and Chairman of Church Extension of each Presbytery requesting:

1. A list of all the churches which they believe need to be surveyed.
2. A short statement explaining the major problems of each church, a letter should then go to each church in each Presbytery, either from this office or from the Presbytery office asking the pastor and the session to evaluate the future of their church at its present location. (This will enable this office, in conference with the Presbytery office, to determine which churches need to be surveyed and in what aspect the survey should be made.)

At this point the following information should be compiled at Presbytery's office and then returned to this office for evaluation:

1. On local city or town maps, county highways maps or similar good

maps, show precise location of all Presbyterian Churches (US, UPUSA, etc.) and all Presbyterian Chapels and missions so that a stranger can drive right to the church.

a: in urban areas—show street and nearest intersection.

b: in rural areas—show route number and nearest marked intersection.

2. On a sheet accompanying maps list all churches, their street addresses, telephone numbers, ministers names and present church memberships, if such memberships are materially different than those in the last minutes of General Assembly.

3. Provide a list of all church groupings or church fields and the present membership of each church or chapel within the field.

4. In places where several churches in the same city, town or lesser area need to be surveyed, have the same person secure the information called for in nos. 3, 4 and 5 below for the total area so that there will not be a duplication of efforts by one or more persons and so that there will be a continuity of information.

For Each Church that is to be surveyed:

1. Secure two good maps showing the city and surrounding area or county in which the church is located.

2. Spot on one map:

a: Your church and other churches within a one mile radius of your church.

b: indicate the location and name of all schools in this same area.

c: indicate the downtown business area and all shopping centers.

d: draw quarter mile squares on the map and place in each square the number of church members and the Sunday school membership.

NOTE: In rural areas draw a five mile radius around the church and divide into quarters and place the same membership figures in each quarter.

3. What are the growth projections for your city, town or area?

a: In the way of new streets, thoroughfares and highways

b: present and proposed zoning changes

c: new subdivisions, shopping centers and industrial developments.

NOTE: Contact your city planner, city engineer or Chamber of Commerce for data and obtain reports or studies dealing with population, Economy, Land Use, Major Thoroughfares, Community Facilities and the like.

4. Secure from the Utility concerns their thinking as to where and in what numbers the city will grow in the next one, three, five and ten year periods. Your telephone company might have their long range main station forecast for your area broken down by exchanges which will give a good insight as to what will happen in your community. You can assure them that we will not divulge their name in our study and will only use the information as a base for our projections.

5. Secure from the city and or county school board (a) not only where they have new schools either on the drawing board or have sites already purchased, but where, in their minds, they think they will be purchasing sites for future schools.

6. HOME MISSIONS

Rev. E. J. Agsten, chairman, gave a brief oral report and presented the following recommendations, which were adopted:

"1. After careful thought and study, the Church Extension Committee recommends that Presbytery request Synod that it earnestly consider the possibility of placing a qualified minister in Butner, working closely with the local church, whose primary responsibility would be an institutional ministry; facilities for his work to be provided in the local church.

2. The Church Extension Committee recommends to the Presbytery that it approve the following request for the Butner Church: First, that Synod's Church Extension Committee be requested to make a grant in aid for \$20,000, secondly, a grant in aid from General Assembly amounting to \$20,000, and thirdly, that Presbytery provide a grant in aid amounting to \$15,000 to be paid over a period of three years at the rate of \$5,000 per year, if the way be clear, beginning with 1964."

The Presbytery appointed the following Commission to install the Rev. I. M. Bagnal as Executive Secretary of the Presbytery at Westminster Church, Raleigh, on October 27 at 7:30 p.m.: E. L. Barber to preside and propound the constitutional questions; W. D. McInnis to preach the sermon; Albert G. Edwards to charge the minister; ruling elder Mallie Hinnant to charge the Presbytery and ruling elders H. B. White and Graham Connell to complete the Commission.

The Commission to install the Rev. Albert E. Dimmock as pastor of West Raleigh Church on November 17 at 11:00 a.m. is as follows: Rev. Don W. Shriver, chairman; Rev. W. D. McInnis, Rev. W. C. Bennett, ruling elders J. Bryant Kirkland, George Elliott and Edward Hipp. Rev. John Bright, of Union Seminary, was invited to preach the sermon.

Upon motion, the Presbytery voted to instruct the Committee on Examinations to meet with candidates for ordination at a date previous to the meeting of Presbytery; at which time candidates shall be examined in order to appraise them of the character of the examination to discern areas of weakness, so that candidates appearing before Presbytery will have every opportunity and encouragement to adequately prepare themselves to give clearly stated answers in testimony of their Christian faith and knowledge.

REPORT OF AD INTERIM COMMITTEE

Rev. Donald W. Shriver, chairman of Ad Interim Committee on Amendments to the Form of Government, reported to the Presbytery that the Ad Interim Committee recommends the approval of amendments

to the Book of Church Order, Sections 9-2 and 12-7 to permit the ordination of women as elders and deacons. After full time for discussion, upon motion, the Presbytery voted as follows: Forty-nine for the recommendation and twenty against. Upon motion the Presbytery voted unanimously for amendment Section 15-6 (15).

PRESBYTERIAN SURVEY

Rev. James Pippin, chairman, stated that 47.1% of the churches of the Presbytery are not enrolled in the Every Family Plan, and that is the lowest percentage of any presbytery within the Synod. He made an appeal for churches not enrolled in the Every Family Plan, to become enrolled.

RECRUITMENT AND CARE OF CANDIDATES

Rev. J. M. Walker, Jr., chairman, presented a request from candidate William Leach to transfer to the Presbytery of Mecklenburg, which was granted.

Mr. Walker stated that this committee is giving three students aid this year amounting to \$1350 including aid to Kenneth Hung, who is at Union Seminary, Richmond.

REPORT OF PRESBYTERY'S COUNCIL

Rev. Albert G. Edwards, chairman of Presbytery's Council, called the Presbytery's attention to the tribute that had been prepared in recognition of the fine services of Rev. E. L. Barber to the Presbytery of Granville during the years 1953 to 1963. Dr. Edwards presented the request of the Rev. E. L. Barber to be given the status of "Honorably Retired," as of November 1, 1963. The request was granted. The chairman and other members of the Presbytery expressed their gratitude to Mr. Barber for the dedicated service he has rendered the Presbytery of Granville during the last ten years as Executive Secretary.

REPORT OF COMMITTEE ON CHRISTIAN EDUCATION

Rev. Alfred Thomas, chairman, distributed mimeographed copies of the report of his committee, calling attention to various aspects of it. He presented Mr. Mallie Hinnant, business manager of the camp, who spoke briefly of the program, use, and future plans for Presbyterian Point. The following recommendations of the Committee on Christian Education were adopted:

"1. That Miss Helen Jackson be commended for discharging her responsibilities faithfully and conscientiously, many times doing that which is over and above normal expectations, and that this commendation be communicated to the Regional Director by our Stated Clerk.

2. That Rev. E. L. Barber be commended for 10 years of faithful service as an Advisory Member of the Christian Education Committee, with special reference to his wise and sage counsel and to his forward-looking views in the area of Christian Education.

3. That Mr. Mallie Hinnant be commended for conscientiously fulfilling his responsibilities as Camp Business Manager and for his concern

that Presbyterian Point truly be a place where people of all ages can know Christ and grow in that knowledge.

4. That the following persons be given an expression of appreciation by Presbytery for their services as directors of camps and conferences during the summer; Mr. Bill Byrd, Rev. James Lloyd, Rev. Clyde Robinson, Rev. Charles Hasty, Rev. Russell Fleming, and Rev. Adlai Boyd."

The recommendation 5, "That Presbytery authorize the expenditure of \$50 a month for rent for the office of the Camp Business Manager" be referred to the Committee on Christian Education, with power to act.

Concerning recommendation 5, the reason for referring this recommendation to the Committee was that it might be possible for a church in Raleigh to give office space for the Camp Business Manager. If this cannot be worked out, the Committee is free to take action.

THE WORSHIP AND WORK OF THE CONGREGATION

Rev. Albert E. Dimmock, by the request of the Inter-Agency Committee of the General Council, gave a very helpful presentation on the worship and work aspect of the Covenant Life Curriculum, which was received as information.

Following a discussion as to the wording of the overture, the Presbytery voted to send the following to the General Assembly: "That since there is a lack of conformity by Southern Presbyterians in using the Apostles' Creed, the phrase 'descended into hell', the Presbytery of Granville overtures the General Assembly to give guidance that will make for uniformity in the use of the Creed."

COMMITTEE ON RESOLUTIONS

Rev. E. J. Agsten, chairman, offered the following resolution, which was adopted:

"In the providence of God we are met today in this beautiful spot. Out of the goodness of God we enjoy these fine facilities. Out of the love of God provision has been made for our physical and spiritual needs this day. Out of the guidance, we believe of the Holy Spirit, we have been led to our present Camp Director.

Therefore, be it resolved: First, that we lift our hearts in gratitude to God for Presbyterian Point and all that it means to the ongoing program of our Church; secondly, that we express our appreciation to our director, Mallie Hinnant, for his continued devotion to His Lord and our Presbytery and to him and his staff for making provision for our needs today.

Respectfully submitted, E. J. Agsten, Chairman.

The One Hundred Twenty-Sixth Stated Meeting of the Presbytery of Granville was held in the Northgate Presbyterian Church, Durham, N. COMMITTEE ON ORDERS

Rev. E. J. Agsten, chairman, and host pastor, welcomed the Presbytery to Northgate Church. He spoke briefly of the history of the church,

which was organized twenty years ago under the leadership of the Rev. H. P. Ruppenthal, and of the new educational facilities of the church. Mr. Agsten spoke affectionately of Mr. Ruppenthal, now retired and in ill health, who lives across the street from the church, suggesting that the men who knew him stop by to speak to him, and that prayer be offered by the Presbytery in his behalf. He also presented the docket which was adopted with one exception, that the Bills and Overtures Committee report immediately after lunch.

COURTESIES

The following visitors were presented and extended the usual courtesies: W. T. Baker, Curtis H. Batten, James T. Clark, Ernest Dixon, George Elliott, W. L. King, and J. D. Lambert. Ruling elders attending Presbytery for the first time were introduced.

LOVE GIFT

Ruling elder George Elliott, chairman of the Church Extension Committee, paid warm tribute to the Rev. E. L. Barber, former executive secretary of the Presbytery, and presented to him a "Love Gift" in behalf of a number of the churches and individuals within the Presbytery. Mr. Barber expressed his sincere thanks.

STANDING COMMITTEES

The moderator appointed the following standing committees:

1. Bills and Overtures—Rev. Joseph H. Lansinger, chairman, Rev. Robert J. Blumer, and ruling elder David Clark.
2. Resolutions—Rev. E. L. Barber, chairman, Rev. J. M. Walker, and ruling elder Thomas Nelson.

EXCUSED

The following were excused from this meeting of the Presbytery: Rev. W. D. McInnis and elder Fleming Wily were excused from the entire session. Rev. Donald W. Shriver was excused from the morning session. Rev. David Currie, and Rev. James Reaves were excused from the afternoon session. Elders Carl Harris and James Baker were excused from the afternoon session.

COMMUNICATIONS

Presbytery received as information the annual reports of the two ministers of Presbytery that are serving as chaplains of the armed forces—Rev. Charles Love, Korea, 51st Signal Battalion (Corp) APO 358, San Francisco, California, and Rev. Rufus G. Smith, 4500 (C), Langley AFB, Virginia.

The stated clerk announced the resignation of the Rev. C. Lynn Brown as chairman of the Commission on the Minister and His Work. Dr. Brown was present and stated that his duties in the Synod and in the General Assembly were such that he did not feel he could serve the Presbytery in this capacity at the present time. He requested that his resignation be accepted. The request was granted and the matter was referred to the Committee on Nominations.

COMMITTEE ON WOMEN'S WORK

Rev. Charles E. Johnson, Jr., chairman of the Committee on Women's Work, presented Mrs. Russell N. Barringer, Sr., president of the Women of the Church of the Presbytery of Granville, who spoke briefly. The women were commended and the following report was adopted:

"With a keen awareness that each year is indeed a new year, the officers, committee chairmen and district chairmen have been in close contact with every woman in Granville. As president, it has been a real privilege to work with this group of women and to compile this report from information obtained from the local presidents.

Granville Presbytery had a total of fifty-one churches and just recently the newly organized Westminster Church in Durham made a total of fifty-two, with forty-eight organized Women of the Church groups, a total membership of 5,141 Women and 195 circles. These totals are less than they were last year—however, the count varies each year due to the reports not getting to the Recording Secretary in time to be counted. The churches which have no organization of Women's work are very small. We do list a "key woman" in each of these churches.

The Thirty-eighth Annual Meeting of the Women of the Church was held at West Raleigh Church, Raleigh, October 9-10, 1962 with an attendance of 264 and an offering of \$242.05, which was added to our quota for the Synodical Project, the Student Center in Greensboro.

Tribute was paid to Mrs. N. V. Daniel, the immediate past president, with thirty-five dollars added to the Scholarship Fund in her honor. A book, "The Church and Fine Arts" was also presented to Mrs. Daniel in appreciation of her leadership.

Andirons and a firescreen were presented to the Presbyterian Center at Duke University by the Women of the Church of Granville Presbytery.

For the past several years some of the designated funds have not been used until the Board felt this surplus should be put to work. Therefore, \$500 is to be transferred to the Scholarship Fund.

The Women of Granville have co-operated with the plans in carrying out the program of the church. Through the church-wide emphasis, "Our Unity in Christ," the women seem to have a better understanding of the "GO—That We May Know" emphasis. Through this study many of our women have felt personally a closer concern and love for their neighbor, family, and fellow-Christian.

District Conferences were held the week of March 24-29 with exceptionally good attendance of 438 and offering of \$262.22. The offering was added to the Synodical Project and the Scholarship Fund. The highlight of the conference was the information and inspirational message by Mrs. LeRoy Campbell from Hickory. Mrs. Campbell was a member of the caravan to Brazil. The response to her plea for Evangelistic work in Brazil and Medical work in Mexico was rewarding. The Birthday offering was the largest ever given by the women of Granville. North Carolina had the largest offering reported at Montreat.

In the field of Spiritual Growth one never knows how to tabulate the far-reaching results of such an important part of the program of the

Church. The dedication of the women as they worked in promoting World Day of Prayer and week of Spiritual Enrichment was rewarding. Many churches reported the moderator plan of Bible Study in the circle developed greater interest. The monthly Bible leaders met prior to circle meetings to discuss teaching plans. A sincere effort to present the "Go-Know" emphasis was made by local groups meeting regularly for special prayer meetings with heartwarming results. A Retreat was held at Presbyterian Point with inspirational speakers on Evangelism and the Go-Know emphasis. These two talks go hand in hand in making Evangelism a task of every Christian a "person-to-person contact."

World Mission study books were read and reviews were given in circle groups, men of the church, by youth and children in Sunday School groups during the season. Some saw film strips and slides in connection with the study. During the month of February many churches had family night suppers and heard missionaries who were here on furlough. There was much interest shown during the week of Prayer and Self-Denial with neighborhood prayer groups. Some wrote letters each month and sent requested items overseas. Others took an offering during Bible School and sent to aid the building of Friendship Corner Presbyterian Church in Taiwan.

Church Extension has been emphasized in many different phases with special interest shown in the homes of our Synod. Almost all reported a supplemental offering at Thanksgiving for Barium and on Mother's Day for Presbyterian Home at High Point. Barium was visited by many church groups. One cottage was presented a TV, and individual gifts were taken to each child. Service men were remembered with church papers, letters, and "Day by Day". There are over four hundred enrolled in the Fellowship of St. Barnabas.

Seventeen women from Granville Presbytery visited the Presbyterian School for Christian Education on Sponsor's Day, April 18th. A trip to the school is the best way to know of the work it is doing in preparing men and women for service in the Church. Each visitor felt that such a visit should be required of every woman in Granville.

Thirty-one women attended Synodical Training School from our Presbytery. Two of them are to be congratulated for completing required credits. Mrs. A. R. McRacken from Kenly received a diploma and Mrs. J. Lyle Kimble, Raleigh was given a certificate. One church, with the aid of the pastor, sponsored a delegation to the World Mission Conference at Montreat. Donations from the circles, Sunday School classes, and Women of the Church organizations paid the expenses for four youths, three children, four women and two men for a week.

The Historian and Spiritual Growth Chairmen went to Montreat to examine and make necessary corrections of the Histories of Granville for the files at the Historical Foundation. The Historian secured 44 histories from the 48 churches. Four Honorary Membership were given in local churches.

The Intergroup Chairman reports World Day of Prayer was observed by twenty-four churches, Race Relation Sunday by six, May Fellowship Day by four and World Community by seven. Nine churches sent

delegates to the Interdenominational Women's Conference in Winston-Salem. Three sent contributions to pay the expenses of other delegates. Nine sent aid for Migrant Workers by sending money and clothing. One church sent clothing and health kits to the Indians at Pembroke, N. C.

There has been a good response in filling the White Cross quotas.

It is encouraging to see an increase in Senior Citizens work and in the Fellowship of Prayer. The "over and above" gift, which we call Joy Gift, shows concern for the true meaning of Annuities and Relief and the promotion of this work.

Each officer and committee chairman is to be commended for the fine spirit in which she has worked this year in keeping the interest of the local women inspired with news letters. May we seek continually the strength of our Goal—"Every Woman Enlisted for Christ" and so order our lives to open our hands and hearts to God and to those who need our help. With all our heart may we ask God to help us to be good witnesses to the life of our Lord in our own day and time, realizing anew "Our Unity in Christ."

CHRISTIAN EDUCATION

Rev. Russell B. Fleming, chairman, distributed calendars of the Christian Education activities of the Presbytery through September, and also a financial statement of the Camp Development Program. The following report of the committee was adopted:

The Christian Education Committee seeks to serve the Presbytery, fulfilling its responsibilities as an executive committee. Though the whole committee confirms and seeks to project the plans made in its name, the activity of the committee is expressed in several areas of responsibility. Thus, this report will reflect these areas as the programs of its subcommittees are herein stated. Dates for all events are shown on the Calendar of Events at the end of this report.

Children's Work

Two Junior Camps are planned for the summer of 1964. These camps are for those boys and girls who have completed the 5th and 6th grades in school. Vacation Church School Workshops are planned this year for the Smithfield area and the Raleigh-Durham area of the Presbytery. These workshops will include the regular Lab Session for Kindergarten, Primary and Junior teachers and a section for Vacation Church School Directors.

Youth Work

In keeping with the projection of CLC, the work of Junior High and Senior High young people is now under one sub-committee.

For the summer of 1964 two Pioneer Camps are planned. These camps are for those who have completed the 7 and 8 grades in school. For Seniors there will be the Work Camp and the Senior Conference. Seniors, in the camping program, are those who have completed the 9th grade through Senior High.

Additional young people are being brought on this Sub-Committee in an advisory capacity. The Vocational Guidance Program is a part of this committee's responsibility. Plans are underway for a Presbyterian

Guidance Program Workshop to be held at Presbyterian Point on April 25-26. Further information will be given the churches as plans are completed.

Adult Work

You will be hearing from this committee in the near future in an attempt to know ways and means whereby we may assist the churches of the Presbytery in moving into the Covenant Life Curriculum. This committee is making preliminary plans to make possible two Family Camping experiences at Presbyterian Point this summer. Further information will be forth coming. The Men-of-the-Presbytery Spring Rally is planned for Sunday afternoon, April 12th, to be held in Raleigh.

Christian Action

This committee continues to seek ways and means whereby the witness of our faith can be brought to bear on our everyday living in the world of which we are a part.

Camp Committee

Work is in full swing at Presbyterian Point as we continue to improve and enlarge the facilities for a camp and conference programs. Restroom facilities in the Lodge of Unit 1 are being enlarged. Plans for Unit 3 Lodge have been submitted to the Corps of Engineers for approval. It is anticipated that these improvements will be complete for the 1964 Camping Season.

Mr. H. Mallie Hinnant, who has served efficiently as our Camp Manager, has submitted his resignation. He has served our Lord well in guiding the development of our Camp during these infant days of operation. His devoted service during these five years has served to pave the way for his successor. It is with regret that we report this development to the Presbytery. The following action was taken by the Christian Education Committee: "The Christian Education Committee accepts with regret the resignation of Mr. H. Mallie Hinnant as Camp Manager; and, does hereby express sincere appreciation to him for his services during these five years. The termination of this relationship shall come when a successor is found or when his personal plans shall dictate it should cease."

A committee is moving with all haste to find a successor.

A new set of slides, with accompanying script, is now available through the Camp Manager. These slides will bring your congregation an on-the-spot visit to Presbyterian Point and the summer Camping program. We encourage you to use them.

Higher Education and Campus Christian Life

Granville Presbytery has within its bounds two significant centers of campus ministry. The Presbytery is urged to take note of the opportunities at Duke University and N. C. State. Attention is also called to the coming emphases on Christian College Day and Higher Education Month to be in March and April respectively.

This committee functions with representation from the local CCL Committees and the advice and counsel of the CCL ministers and staff.

RECOMMENDATIONS:

1. That Granville Presbytery take note of the resignation of Mr. H.

Mallie Hinnant as Camp Manager at Presbyterian Point; and, that the Presbytery express appreciation to Mr. Hinnant for his efficient and dedicated service during the five years he has served in this capacity. And, that Presbytery express appreciation to Mrs. Hinnant for the invaluable service she has rendered in working with her husband in this endeavor.

2. That the churches of the Presbytery be made aware of the necessity that the balance of all camp fees must be paid on the day of arrival of the camper.

3. That the Christian Education Committee be granted the Order of the Day, eleven o'clock in the morning, at the Spring Meeting of Presbytery for a 30 minute presentation pertaining to Higher Education and Campus Christian Life.

4. That the following men be appointed as Directors for the various camps planned for 1964: Junior Camp—Rev. James Pippin, Mr. Wm. Byrd and Rev. Marshall Tobias-Co-Directors; Pioneer Camp—Rev. Alfred Thomas and Rev. Charles Hasty; Senior High—Work Camp, Rev. Adlai Boyd and Rev. Don Shriver, Co-Directors, Conference—Rev. Roy McCormick.

5. That pending the adoption of this report Presbytery hear the Rev. Mr. Charles Johnson for ten minutes on work of Campus Christian Life.

COMMISSION ON THE MINISTER AND HIS WORK

Rev. T. T. Traynham, chairman of the commission, presented the following report:

"The Commission on the Minister and His Work met with the Committee to Nominate a Pastor for the Mebane Memorial Church on November 12 to discuss the possibility of calling a pastor.

INTERIM SUPPLY

Rev. James G. Carpenter of Montgomery Presbytery began serving as interim supply at the Milner Memorial Church on January 1.

The following calls have been reviewed and found in order:

- (1) The call of the First Presbyterian Church, Henderson, to Rev. James B. Storey of Brazos Presbytery.
- (2) The call of the Mebane Memorial Church, Roxboro, to Rev. Charles A. Norwood of Concord Presbytery.

Both of these men have indicated their acceptance of the call, effective February 1, 1964. The commission recommends that at the proper time that these men be examined for reception into the Presbytery and that calls be placed in their hands.

DISMISSAL OF MINISTER

At the meeting of the commission on January 2, a communication, addressed to the commission from Rev. William H. Jarrett; requested that the pastoral relationship between himself and the Center Rdige, Mizpah, and Oak Grove churches be dissolved and that he be dismissed to Fayetteville Presbytery in order that he might accept a call to the Sunnyside Church, was read by the chairman. Another letter from Mr.

Jarrett was read stating that on December 22 each congregation had a congregational meeting at which time each had concurred with him in his request to Granville Presbytery. The commission granted Mr. Jarrett's request and the stated clerk of Presbytery was instructed to forward a Certificate of Dismission to the stated clerk of Fayetteville Presbytery.

The commission met with the Committee to Nominate a Pastor from the Center Ridge, Mizpah, and Oak Grove churches on January 2, at 7:30 P.M. o'clock. They are working with the commission to secure a pastor.

The chairman would like to commend the Committees to Nominate a Pastor from the Henderson and Mebane Memorial churches for their diligence and their cooperation with the Commission on the Minister and His Work. He would like to express his gratitude to ruling elder, John Powell, whose term on the commission expired in 1963, and to all other members of the commission who have served faithfully with a deep sense of responsibility and concern for its work. BULLETINS FOR ORDINATION AND INSTALLATION OF MINISTERS

Rev. Robert J. Blumer spoke of his concern for an impressive service, with an attractive bulletin on the occasion of the ordination and installation of ministers. Churches which are unable to put this item in their budgets will be aided by the Presbytery.

SPECIAL PRAYER

CAMPUS CHRISTIAN LIFE

Charles Johnson, Campus Christian Life Minister at Duke University, addressed the Presbytery on the dialogue that should be going on between the churches and the academic community for the enrichment of both. He stated that he is available for this, as is Rev. Donald Shriver, Campus Christian Life Minister at State College, and that they would gladly serve as middle men to co-ordinate a more structural program of interchange between the churches and the academic community.

PRESBYTERY'S TAX

Rev. Russell B. Fleming spoke of the basis for figuring the Presbytery's tax as being the membership of the previous year, and how this hindered the churches in preparing their budgets. The motion was passed that Presbytery's tax be computed on the basis of membership, not for the last year but for the year before; namely, the tax for 1964 will be based upon the statistical summary for the year 1962.

STANDING COMMITTEES

1. Bills and Overtures: Rev. Joe H. Lansinger, chairman, presented the following overtures which were adopted and ordered sent to the General Assembly for due consideration at its next meeting.

a. "Whereas there are taking place at the present time conversations between official representatives of the Presbyterian Church, U.S., and the Reformed Church in America looking toward a union of these two communions;

And whereas union between the Presbyterian Church, U.S., and any other body will undoubtedly affect ultimate union with the United Presbyterian Church in the U.S.A.;

And whereas the 1963 General Assembly of the Presbyterian Church, U.S., expressed its desire for an ultimate union of all Presbyterian bodies;

And whereas it seems evident that the nature of our conversations with and commitments to the UPUSA do not approach in depth those with the R.C.A. at this time;

Be it, therefore, resolved that the Presbytery of Granville overtures the General Assembly of the Presbyterian Church, U.S., meeting in Montreal, April 1964, as follows:

To direct the Committee on Interchurch Relations to enter without delay into serious conversation with designated representatives of the UPUSA Church.

or

To elect an ad hoc committee for the same purpose (note General Assembly minutes 1962, p. 121), looking toward union with the UPUSA Church."

b. "The Presbytery of Granville respectfully overtures the 104th General Assembly to amend "The Directory for the Worship and Work of the Church" as follows: Part I, Chapter I, **The Lord's Day, A Holy Day**, add paragraph 201-5 following 201-4 to read: "No one shall be excluded from participation in public worship in the Lord's house on the grounds of race, color, or class."

CHURCH EXTENSION

Ruling elder George Elliott, chairman, gave the report of this committee and the following recommendation was adopted: "Our committee recommends that the Home Missions Committee be arranged in classes of three each with a total membership of nine and that the Committee on Nominations arrange these classes with terms expiring in consecutive years."

SUB-COMMITTEES

1. Evangelism—Rev. Robert Henderson, chairman, spoke of the conference on Evangelism to be held on March 1, and urged all churches to be represented.

2. TRAV—Rev. Adlai Boyd, chairman, stated that his committee's report is found in "The White Book."

3. Home Missions—Rev. E. J. Agsten, chairman, reported for the committee and the following recommendations were adopted:

a. That Presbytery express its appreciation to Mr. A. M. Cunningham and to Mr. Robert Phipps for their efficient and faithful service and dedicated time given to their respective offices.

b. That Presbytery authorize the Home Missions Committee to approve the site for the location of the Westminster Church, Durham, if, and when, the way be clear.

c. That Presbytery authorize the former executive secretary, Rev. E. L. Barber, and the chairman of the Home Missions Committee, Rev. E. J. Agsten, to sign notes and/or all papers necessary to complete the loans, authorized by the Presbytery for the Buffaloe and Garner churches, from the Board of Church Extension of the General Assembly.

d. That the chairman of the Home Missions Committee, Rev. E. J. Agsten, and the executive secretary, Rev. I. M. Bagnal, be authorized to sign the notes for the New Hope Church in the amount of \$25,000.

e. That any and all future applications by the Presbytery for loans, and any and all legal matters negotiated by the Presbytery be placed in the hands of trustees to act as regularly appointed agents of the Presbytery.

RECRUITMENT AND CARE OF CANDIDATES

Rev. John M. Walker, chairman, presented the following report which was adopted:

"Your committee is pleased with the continued progress made by our candidates in their academic work and in their devotion to the full goals of their preparation. We are also glad to report that the vision of Presbytery in providing this committee with working funds to aid our candidates in the increasing load of educational costs has been fully justified. A wise stewardship of this fund will do much future good. Your com-

mittee would urge local churches to match this kind of support when they are blessed with a candidate from their congregation.

For the first year in a long time no candidates were added to Presbytery's roll. Sessions of the churches of the Presbytery are reminded of their responsibility to serve the whole church in the recruiting of able young men and women. Presbytery is fortunate that the work of the committee will be under the direction of its new chairman, William Bennett, whose experience on the committee and outlook on this work will prove most valuable to Presbytery.

Since the last meeting of Presbytery information has come that Mr. Edgar Hollowell, Jr. of the White Memorial Church in Raleigh, and a middler at Union Theological Seminary, has decided to transfer to an Episcopal Seminary. In the light of this decision your committee recommends that he be dropped from Presbytery's list of candidates."

 "The Commission on the Minister and His Work met three times since the last meeting of Presbytery, in regular meetings on February 3, and March 3, and in a called meeting on March 16.

There is only one vacant field in our Presbytery, the Oak Grove, Mizpah, and Center Ridge field, and the Commission is working with the Nominating Committee of the group to secure a minister.

At a meeting on March 16, 1964 the Commission granted a letter of

dismissal to the Rev. John David Stewart, Assistant Minister of the White Memorial Presbyterian Church of Raleigh, to the Presbytery of Albemarle in order that he might accept a call extended by the Edgemont Presbyterian Church of Rocky Mount, N. C.

The Commission heard a report by the Reverend James Carpenter, interim minister of the Milner Memorial Church, concerning his work at Milner since January 1, 1964. Mr. Carpenter has been serving the Milner Church as interim supply in accordance with the Book of Church Order, 21, 21, paragraph 3. The Commission took cognizance of the genuine progress that the Milner Church has made, and commendation was expressed to Mr. Carpenter, and the officers and members of the Milner Church.

At its regular meeting on March 3, 1964 the Commission appointed an interim committee comprised of ruling elder Henry Shannon, chairman, Reverend Sam Burgess, and ruling elder Ed Hipp, to study the salaries of the ministers of self-supported churches in Granville Presbytery. This committee is to make its report to the Presbytery Council in July.

The Commission also approved the names of two ministers and would commend them to the Presbytery. They are the Rev. Charles William Bridges of Alexandria, Va. and the Rev. Morton R. Kurtz of our own Presbytery. Both of these ministers are seeking pastorates. Mr. Bridges is returning to the ministry after an absence of seven years, and Mr. Kurtz has resigned as Executive Director of the North Carolina Council of Churches and is available for a call to a church.

AN ITEM OF PARTICULAR INTEREST

The Commission would like to direct the attention of Presbytery to the Bible Conference at Montreat, August 17-22. The general theme of the Conference will be, "The Word of Life and the Minister of Today," and will be directed by Dr. Charles King, Dr. William McCorkle, Dr. William Benfield, Dr. J. Randolph Taylor, and Dr. Wellford Hobbie. The concerns of this conference seem to be of particular moment for ministers, and the Commission would commend this conference to the ministers of the Presbytery."

AUDITOR'S REPORT

Dr. I. M. Bagnal,
Executive Secretary
Granville Presbytery
Raleigh, North Carolina

We have examined the records of the Granville Presbytery funds listed below for the year ended December 31, 1963. We examined evidences of receipts where available and traced the receipts into the bank deposits. We also examined cancelled checks and invoices supporting disbursements. We reconciled cash balances as of December 31, 1963, with amounts confirmed to us by the depositories.

We have prepared statements of Receipts and Disbursements for:

Benevolence Fund	— Exhibit A
Stated Clerk Fund	— Exhibit B
Office Fund	— Exhibit C
Christian Education Fund	— Exhibit D
Camp Development Fund	— Exhibit E

We did not confirm the cash remittances from the member churches by direct correspondence with the churches. Except for the confirmations of cash receipts, it is our opinion that the exhibits in this report fairly reflect the results of the recorded financial transactions of the funds for the year ended December 31, 1963.

RECESS

Presbytery recessed at 10:45 a.m. for 15 minutes.

SPECIAL ORDER—CHRISTIAN EDUCATION COMMITTEE

Presbytery reconvened at 11 o'clock to receive the report of the Christian Education Committee.

Rev. Russell Fleming, chairman, presented Rev. Donald W. Shriver, Director of Campus Christian Life, State College, Raleigh, who addressed the Presbytery on "The Church and N. C. State." This excellent address is to be mimeographed and made available to pastors and churches of the Presbytery.

Miss Helen Jackson, Area Director of Christian Education, made announcements concerning the district rallies of the Senior High Fellowship. Mr. Fleming spoke of the plans for a Covenant Life Curriculum Conference to be held May 31, 1964 at 2:45-7 p.m. in the Ernest Myatt Church, provided qualified leadership can be secured. Rev. James Reaves, chairman of the Sub-Committee on Children's Work, told of the Presbyterian Guidance Program Workshop to be held April 26-27, 1964 at Presbyterian Point, and urged churches to send two delegates.

The following recommendations of the committee were adopted:

"1. The Christian Education Committee would call Presbytery's attention to the crucial issue of racial justice in our time. It feels that all Christians should concern themselves with the Civil Rights Legislation now before the U.S. Senate.

Jesus Christ and His Apostles on occasions made their witness in the halls of government and John Calvin urged Christians to take their share of responsibility in the civic arena.

Several contemporary political commentators have expressed the view that the influence of churchmen may prove to be a decisive factor in the passage or defeat of Civil Rights legislation.

Therefore, we call upon members of Presbytery, both ministers and elders, to express their opinions concerning Civil Rights Legislation to the two North Carolina Senadores and to urge members of their congregations to do likewise.

2. The Christian Education Committee recommends that Presbytery encourage members of its congregations to inform themselves about the candidates for public office in the forthcoming primary and general elections and to question the candidates about issues of Christian concern, such as: (i) Practical measures for the relief of poverty, (ii) Racial justice, (iii) Maintenance of the political and intellectual freedom of the State University, and (iv) Standards for determining conflict of interests.

3. Through the Christian Action Committee the Christian Education Committee has received statements by local sessions regarding the observance of Sunday. We, therefore, recommend that the moderator appoint a special committee to study current practices of Sunday observance in the area encompassed by Granville Presbytery and suggest positive standards for this observance to the July meeting of Presbytery.

4. This summer the Campus Christian Life Department and the Campus Minister's Association of our denomination will sponsor a

campaign for Responsible Citizenship in the Raleigh Area. The Campaign for Responsible Citizenship will have as its dual purpose encouraging pastors and the office bearers of particular churches to recognize the need of involvement by their congregations in the democratic processes; and to assist members of these congregations in exercising the responsibility of registering and voting. This campaign will be done in co-operation with and support of local groups in the Raleigh Area.

Following orientation, the participants will begin a systematic visitation of pastors and/or governing bodies of churches asking information on the number of registered voters in the congregation, and offering assistance in the registration of the church's members. With the aid and advice of the pastors and office bearers a campaign will be developed to best meet the needs of a particular church.

The Christian Education Committee recommends that Presbytery commend this Program to the members and churches for their interest and co-operation.

5. That the churches and members of Granville Presbytery be made aware of the critical need for counselors in the expanded and important summer camping program of this Presbytery."

RECESS

Presbytery recessed for lunch at 12:25. Prayer was offered by Rev. Robert T. Henderson.

AFTERNOON SESSION

Presbytery reconvened at 1:50 p.m. with prayer by Rev. E. L. Barber.

SPECIAL ORDER—CHURCH EXTENSION COMMITTEE

Ruling elder George Brinkley, chairman, was excused and Rev. E. J. Agsten made the report.

A. COMMITTEE ON HOME MISSIONS

The following recommendations were adopted:

1. That Presbytery hear Rev. James L. Doom, Secretary, Church Architecture Department of Assembly's Board of Church Extension.

2. That the petition of the Oak Park area group to Presbytery to organize be granted and that a commission be appointed to organize the church.

3. That Presbytery request sessions of all churches in the Presbytery to elect a representative or representatives to organizational meetings of all new churches within the bounds of Presbytery.

4. That Presbytery be led in a prayer of thanksgiving for the late Dr. Hall and for God's blessings on his loved ones.

Mr. Agsten presented Rev. James L. Doom, Secretary of the Department of Church Architecture, Board of Church Extension, Atlanta, Ga., who spoke of the service that the office gives to churches with their building programs, stating that many mistakes may be avoided by working with the office in the early stages of planning. He offered his service to all who contemplate building programs.

COMMISSION TO ORGANIZE CHURCH

Rev. E. J. Agsten gave a brief survey of the work that has been done in the Oak Park area of Raleigh. Mr. James H. Anderson, chairman, Mr. Fred H. McBryde, Mr. William A. Teague, members of the Steering Committee, were presented and given the privileges of the floor. They presented a petition and Charter Member Roll containing the signatures of 68 individuals requesting that Presbytery appoint a commission to organize the group into a church. The request was granted and the following commission was appointed to organize the church May 3, 1964, at 7:30 o'clock in the "Church House" on the corner of Oak Park Road and Lancaster Drive, Raleigh.

Rev. I. M. Bagnal to preside; Rev. E. J. Agsten to preach the sermon; ruling elder Graham Connell to read the Scripture; ruling elder George Brinkley to bring greeting from the Presbytery; ruling elder Daniel T. Pope to offer prayer; ruling elder W. C. Pressly to offer prayer and ruling elder James Davidson, alternate.

Pending the organization, Presbytery approved the request that the church be named St. Giles Presbyterian Church.

Rev. I. M. Bagnal led the Presbytery in prayer on behalf of this group soon to be organized as a church.

Rev. Alfred E. Thomas led Presbytery in a prayer of thanksgiving in memory of Dr. W. D. Hall, who served the Presbytery of Granville faithfully, and for God's blessings upon his loved ones.

B. COMMITTEE ON EVANGELISM

Rev. Robert T. Henderson, chairman, presented the report; and the following recommendations were adopted:

RECOMMENDATION: That during, or not later than, the General Assembly's season on Evangelism in March of 1965, the congregations of the Presbytery engage in a specific program of Christian outreach culminating in a week of public proclamation of the gospel (defined as "kerygma") by the ministers, the purpose of which will be the seeking of decisions to become disciples of Jesus Christ and communicants in the Christian church.

RECOMMENDATION: That the congregations, i.e. the ministers, be encouraged to engage in more specific evangelistic preaching, the aim of which will be to make converts to the faith of Jesus Christ.

RECOMMENDATION: That ministers of the Presbytery who will volunteer their services for evangelistic preaching, give their names to the chairman of the Committee on Evangelism or to the Stated Clerk, and that the congregations encourage their ministers to engage in this work."

SPECIAL COMMITTEE

The moderator appointed the following to serve on a special committee to "Study the Observance of the Sabbath Day:" Rev. Alfred E. Thomas, Rev. Frank Lemmon, ruling elder Braxton Flye, and deacon John R. Hawes.

COMMISSION ON THE MINISTER AND HIS WORK

Rev. Richard L. Morgan, chairman, presented the following recommendation, which was adopted: That Rev. I. M. Bagnal serve as occasional supply for the new church in the Oak Park area of Raleigh until June 2, 1964.

COMMITTEE ON RECRUITMENT AND CARE OF CANDIDATES

The report of the Committee on the Recruitment and Care of Candidates, Rev. W. C. Bennett, chairman, was adopted as follows: "Presbytery's Candidates' Committee has met, noted with pleasure the improved academic standing of all seminary students, approved grants of \$250.00 each to those making requests, sent letters of concern and guidance where needed, interviewed prospective men for the ministry, and urges sessions to take seriously the previous Presbytery recommendation concerning the responsibility of the local congregation in actively seeking candidates amongst the youth of its membership.

Members present: William C. Bennett, Isaac Wright, Albert Dimmock, Frank Lemmon, Donald Shriver, I. M. Bagnal.

Candidates receiving grants: Kenneth Hung, Carl Uzzell, Alton Lee, Harold Stone.

Other candidates from whom reports were received: Pansie Neal Cameron, Martha Perry, Kenneth Woodward, Jr.,"

SESSIONAL RECORDS

In the absence of Rev. Raymond L. Lord, chairman, Rev. James Lloyd presented the report of this committee and the following recommendations were adopted:

1. That Presbytery give serious attention to the matter of major violations of the requirements of the constitution of the Presbyterian Church, U.S., and the requirements of the Presbytery of Granville and congregations within the Presbytery.

2. That the Committee on Sessional Records be enlarged to include three persons who can give serious continual thought to the matter of compliance with church requirements and who can work to devise means of assisting the churches in meeting these requirements.

3. That Presbytery consider seriously the possibility of a workshop for ministers and clerks of sessions for assistance in the understanding of constitutional requirements and the preparation of records.

4. That the chairman of the committee, Raymond Lord, be permitted to resign effective with the spring meeting of Presbytery."

Mr. Lloyd, who served as chairman of the Sessional Records Committee for the meeting of Presbytery, presented the report and the following recommendation was adopted: That the Sessional records of named churches be approved with exceptions: Center Ridge, Covenant, Fairview, Goshen, Grassy Creek, Hudson Memorial, Oak Grove, and Oak Hill.

The Commission has reviewed the following calls and found them in order:

(1) The call of the North Carolina Council of Churches to the Rev. Samuel S. Wiley to become executive director of the Council. Mr. Wiley was received into Granville Presbytery from Knoxville Presbytery at a called meeting of Presbytery at Synod.

(2) The call of the White Memorial Presbyterian Church of Raleigh to the Rev. James Polk Moffett to become associate minister. Mr. Moffett is at present a member of Southwest Oklahoma Presbytery. Mr. Moffett has indicated his acceptance of the call and the Commission recommends that he be examined for reception into the Presbytery and that the call be placed in his hand.

MINISTER DISMISSED

At the meeting of the Commission on May 5, 1964 the Rev. James

Frisby, minister of the Buffalo Presbyterian Church, requested that the pastoral relationship between him and the Buffalo Church be dissolved and that he be permitted to labor outside the bounds of Presbytery. This request was granted after hearing from the representatives of the Buffalo congregation. Mr. Frisby will be a student at Miami University at Oxford, Ohio. The Commission has met with the newly formed nominating committee of the Buffalo Church and will assist them in securing a new minister.

The Commission approved Dr. I. M. Bagnal as occasional supply for the St. Giles Presbyterian Church, Raleigh, for one month, and Mr. James Black, recent Th.M. graduate of Princeton Theological Seminary, as occasional supply for the summer for the St. Giles congregation.

The Commission consulted with representatives of the Fairview Church and advised the Session to secure the Rev. Roy McCormick, or some other nearby Presbyterian minister, to act as moderator of the Session while the church is without a minister. (BCO, 15-4; p. 42).

The Commission received as information word from the Rev. J. Raymond Lord that he has received a teaching appointment in the Department of Religion at Duke University for next year.

At the meeting of the Commission on July 7 Rev. James A. Pippin requested, by letter, that the pastoral relationship existing between the Spring Hill Church and himself be dissolved as of midnight July 31, 1964. The clerk of the session, J. G. Renfrow, certified, by letter, that the congregation concurred with the request of Mr. Pippin. The Commission granted this request.

At the request of the St. Giles Presbyterian Church, Dr. I. M. Bagnal was granted permission to serve the said church as occasional supply from September 1, 1964 to the October, 1964 meeting of the Commission.

The Commission met again on July 13, 1964, at which time the call to Rev. J. L. Brooks, Port Sulphur, La., Presbytery of New Orleans, from the Campus Christian Life Committees of the Synod of North Carolina and of Raleigh, to become the associate University pastor at State College, was found in order and approved.

Finally, in remembering the words of the apostle Paul, "And, apart from all other things, there is the daily pressure upon me of the anxiety for all the churches" (II Corinthians 11:28), the Commission would commend the following churches, which are without ministers, to the concern of the Presbytery: Center Ridge, Fairview, Milner Memorial, Mizpah, Oak Grove and St. Giles.

cerning the educational requirements for the Presbyterian ministry.

Those present at the meeting were: Rev. Don Shriver, Rev. C. E. Johnson, Rev. Al Dimmock, and Rev. I. M. Bagnol.

Mr. Leonard Thomas was presented for examination as a candidate for the ministry under the care of the Presbytery of Granville. The moderator, Rev. Sam Burgess, conducted the examination on his Christian experience and it was sustained as satisfactory. He also propounded the constitutional questions. Each of these was answered in the affirmative. Prayer was offered by Rev. Adlai Boyd and the charge was delivered by Rev. Albert G. Edwards, pastor of the First Presbyterian Church, Raleigh, the church of which Mr. Thomas is a member. Mr. Thomas was then enrolled as a candidate for the ministry under the care of the Presbytery.

PRESBYTERY'S COUNCIL

Presbytery's Council, Rev. Albert G. Edwards, chairman, presented the report of the Council and the following recommendations were adopted:

1. That the Council continue to study the overture from the Session of the Blacknall Memorial Church pertaining to the agenda of the meetings of Presbytery and make a full report at the October meeting.

2. That the Equalization Fund be continued, but, beginning January 1, 1965, it be administered by the Council of the Presbytery.

3. That the Presbytery use the 1962 giving of the churches to budgeted benevolences, plus 10%, as a basis for the askings from the churches for 1965, and that the requests from the General Assembly, Synod, and Presbytery be reduced accordingly.

4. That the recommendation of the Stewardship Committee to Presbytery be approved.

MANUAL OF THE PRESBYTERY

The proposed revision of the Manual of the Presbytery was referred to the Council of the Presbytery for action at the earliest possible date.

RECESS

Presbytery recessed at 10:55 a.m. and reconvened at 11:20.

STEWARDSHIP

Ruling elder Braxton Flye, chairman of the Stewardship Committee, presented the following report and the recommendations were adopted with this amendment: In recommendation 2 insert after the word "possible" the following: "And that the treasurer of Presbytery send statements quarterly to every congregation in the Presbytery on the basis of askings indicated by the Session as accepted."

1. That the Stewardship Emphasis Season begin October 18, 1965 and continue through November 21, 1965; that November 14 be designated

as "Dedication Sunday" for the Every Member Canvass; and that the theme of the Canvass be "He Calls Us to the Service of Man."

2. That as the work of the Church must go on throughout the year, the Presbytery urge all local church treasurers to remit their benevolences as collected—monthly if possible, and that the treasurer of Presbytery send statements quarterly to every congregation in the Presbytery on the basis of askings indicated by the Session as accepted, in order that our agencies may meet fixed monthly obligations without the necessity of borrowing money.

3. That each church be reminded that its benevolence responsibility has not been completely met until each cause has received the designated amount assigned to it by the Presbytery.

4. That Presbytery use the Every Church Canvass in 1965 to emphasize the benevolence program of the Church and the congregation's responsibility to that program.

5. That churches use the Every Member Canvass Manual published by the General Council to conduct Every Member Canvasses in which every family in the congregation is visited and that each church be asked to:

- a. Commission adequately trained visitors to visit every family.
- b. Make every family aware of its responsibility for the total program of the Church both on the local and benevolence level.
- c. Urge every family to adopt the tithe as its minimum goal and to begin to move towards it by increasing in 1965 the percentage of its income which it gives to the church.

6. That Stewardship be recognized not merely as a means of raising money to support the Church but as a way of life in which one realizes that all he possesses has been given to him by God to be used in His service and in which one realizes that the tithe is the minimum Biblical standard of giving for the Christian who would adequately express his gratitude to God for all His mercies to him.

7. That supplemental offerings for the Church's agencies be applied against that portion of the budget which represents that agency's share, and that supplemental offerings not be considered as over and above regular budgeted percentages. The offering for Overseas Relief is a special offering.

8. That the Equalization Fund be used to bring Presbytery's causes up to the budgeted figures.

9. That Presbytery request all executive committees and agencies participating in Presbytery's budget to hold a meeting before June 1 each year for the purpose of arriving at their budget request. That further, the chairman of the Stewardship Committee be invited to attend these budget meetings and the final budget be presented to the chairman not later than June 1. Chairman of the various committees which submit askings to Presbytery are requested to meet with the Stewardship Committee at the time the committee considers the askings for 1966.

10. That all financial matters such as special campaigns for fund

raising programs which affect the total Stewardship Program of Presbytery, be referred to the Stewardship Committee before reaching the floor of the Presbytery.

11. That the Presbytery of Granville accept and make every effort to raise the amount of \$92,805 for General Assembly's causes; \$81,232 for Synod's causes, and \$76,990 for Presbytery's causes, making a total of \$251,027.

The breakdown of askings for these causes, and the askings from each church were adopted as follows:

BUFFALOE CHURCH

The congregation of the Buffaloe Church requested the change of name to the St. Barnabas Presbyterian Church, effective immediately. The request was granted.

CHURCH EXTENSION

Rev. E. J. Agsten, chairman of the Home Missions Committee, presented the following report, which was adopted:

COMMITTEE ON HOME MISSIONS

This report comes to the Presbytery by way of information. We believe we should keep you informed concerning this branch of our work.

Recently a re-study of salaries of our pastors has been undertaken. The findings and recommendations have been submitted to Presbytery's Council. It is sometimes difficult to distinguish between "self-supporting" churches and so called "home mission" churches. For this reason,

we may at times report on the progress of churches not definitely within the circle of our concern. Having said this, we would note the progress being made in some churches into which you are putting your financial help.

Buffaloe has broken ground for a new education building. New Hope, likewise, is in the process of building. Cary and Garner hope to be under way at an early date. Westminster of Durham has purchased property and is planning toward its building. Our newest church, St. Giles, is moving along in a very fine manner. At this juncture, elders and deacons have been elected. Soon it will start the search for a full-time pastor.

Your committee feels the weight of its responsibility and the enormity of its task. Please give us your prayers.

REQUEST FOR LOAN BY CHRISTIAN EDUCATION COMMITTEE

Rev. Russell B. Fleming, chairman of the Christian Education Committee, requested, by letter, a loan of \$3,000 from the Church and Manse Loan Fund, the said fund administered by the Church Extension Committee, to pay off the indebtedness for the new Unit 3 Lodge at Presbyterian Point. As the requested amount is insufficient to equip the lodge, Presbytery voted to permit the Christian Education Committee to borrow up to \$4,000 from the Church and Manse Loan Fund upon the proper signing of a note by the chairman of the Christian Education Committee.

The note will be re-paid from money received on pledges to the Camp Development Program, and if necessary, from funds allocated to the Christian Education Committee in the benevolence budget for 1965.

CHRISTIAN EDUCATION COMMITTEE

In the absence of Rev. Russell Fleming, chairman, the report was made by Rev. Adlai Boyd. It was received as information.

COMMISSION TO ORGANIZE ST. GILES CHURCH

The report of the commission to organize St. Giles Presbyterian Church was admitted to record, as follows:

The commission appointed by Granville Presbytery to organize the St. Giles Presbyterian Church met on Sunday, May 3, 1964, at 7:30 p.m. at the temporary church building. The following were present: Ministers, the Rev. I. M. Bagnal, chairman, the Rev. E. J. Agsten, the Rev.

C. Lynn Brown; Elders, James A. Davidson, George Brinkley, Daniel Pope, W. C. Pressly, and Graham Connell. The meeting was opened with prayer by Rev. I. M. Bagnal.

Dr. W. C. Pressly was elected secretary of the commission. Upon motion, Miss Lynda Diane Tart, 4112 Blue Ridge Road, Raleigh, N. C. and Mr. Jesse Graham Brinkley, Jr., 3614 Swan Drive, Raleigh, were received into membership of the St. Giles Presbyterian Church upon profession of their faith in Jesus Christ pending their baptism.

Upon motion, permission was given Rev. I. M. Bagnal to call a congregational meeting of the St. Giles Presbyterian Church in about two weeks for the purpose of electing elders of the church and also for him to request the elders on the commission to assist at their ordination and installation at a later date.

After prayer by Mr. Pope, the commission adjourned to attend the ensuing service.

Rev. I. M. Bagnal presided at the evening service and led in the opening prayer.

Mr. Graham Connell, of the White Memorial Presbyterian Church of Raleigh, read the scripture lesson (Matthew 16:13-20), and Dr. W. C. Pressly of the Raleigh First Presbyterian Church, led in the prayer of confession. The Rev. Edward Agsten, pastor of the Northgate Presbyterian Church, preached the sermon from Matthew 16:18.

Elder George Brinkley, of the Hudson Memorial Presbyterian Church of Raleigh and chairman of the Committee on Church Extension of Granville Presbytery, brought greetings from the Presbytery of Granville.

Rev. I. M. Bagnal, Executive Secretary of Granville Presbytery and supply minister of the St. Giles Presbyterian Church, told of the interest and devotion of the group which has formed the church and of their need of the support of all Presbyterians in the Raleigh area. He told of the plan for the election of elders at a later date and of their ordination at a still later date. He announced that while sixty-eight individuals had signed the petition to organize the church and were thereby Charter Members of the church, others might be added to the list shortly.

Rev. Lynn Brown, pastor of the White Memorial Presbyterian Church of Raleigh, asked the Covenant questions of the group. And he then stated that the group, having answered the questions, is now constituted as a Presbyterian Church (St. Giles).

Mr. Daniel T. Pope, an elder of the Western Boulevard Presbyterian Church, Raleigh, led the prayer of dedication.

Upon motion, those who presented evidence of membership were received into the St. Giles Presbyterian Church.

The service was adjourned after the singing of the doxology, and the pronouncing of the benediction by Mr. Agsten.

The commission met following the service and, upon motion, approved the minutes of the meeting.

The meeting was adjourned after prayer by Mr. Connell.

3. Amendment to the Form of Government, sec. 29-11, so that the first sentence reads: "Instead of electing Ruling Elders and Deacons for an indefinite period of active service, a particular church, by a majority vote at a congregational meeting, may adopt a plan for the election of either Ruling Elders or Deacons or both for limited terms of active service."

4. Amendment to the Directory for the Worship and Work of the Church, by adding a new sec. 201-5 to read as follows: "No one shall be excluded from participation in public worship in the Lord's House on the grounds of race, color or class."

McGinnis, chairman, presented the report of the Committee on Resolutions, which was adopted: "The Presbytery of Granville meeting in the Ernest Myatt Presbyterian Church July 21, 1964, for its One Hundred Twenty-Eighth Stated Meeting expresses its deep appreciation to Rev. Charles Hasty, pastor, the Session, the Diaconate, Women of the Church, and members of the congregation for their several labors in providing for the convenience and comfort of the Presbytery. ANNUITIES AND RELIEF

Rev. Reuben J. Wallace, chairman, presented the report of the committee, and the following recommendations were adopted:

1. That presbytery urge all churches and the Church Extension Committee in determining the basis for payment of dues to the M A F to add 15 per cent for free use of the manse and also to include any other fixed cash commitments, such as automobile or utilities allowances, etc., in order that ministers may build larger earned annuities.

2. That presbytery urge all churches to adopt the plan of remitting the minister's 2½ per cent dues and the church's 7½ per cent dues in one check.

3. That presbytery, through the Commission on the Minister and His Work, study the possibility of requesting churches and Church Extension Committee to pay the full 10 per cent of M A F dues for their pastors.

4. That sessions of all churches in Granville Presbytery urge a generous Joy Gift this Christmas season since this supplemental offering is a major source of income with which the Board of Annuities and Relief ministers to the aged servants of the Church. The continued rise in the cost of living is making increasing demands upon the resources of Ministerial Relief, and this responsibility of the Church can only be met with a gracious supplemental Joy Gift Offering.

1. Bills and Overtures—Rev. Joseph H. Lansinger, chairman, Rev. J. W. McGinnis, and ruling elder Burney Britt.

The Commission appointed by the Presbytery of Granville to install Reverend J. P. G. Moffett as associate pastor of the White Memorial Church, Raleigh, met at the White Memorial Church, August 30, 1964 at 7:00 p.m., and was opened with prayer by ruling elder Lee Terry.

PRESBYTERY'S COUNCIL

Rev. A. G. Edwards presented the report, and the following recommendations were adopted:

1. That Presbytery approve the formation of an Interim Committee on Inter-Church Relations to keep open the avenues of communication between UPUSA ministers and Presbyterian U.S., ministers in the geographical area of the Presbytery of Granville; that the committee be evaluated by the Council at the end of one year, and that the Council then recommend to Presbytery if the committee should become a permanent one.

2. That the overture from the session of the Blacknall Memorial Church be answered in the negative.

3. That the Presbytery instruct its moderator to write Mrs. Louisa Buffaloe, former secretary-bookkeeper of the Office of the Presbytery, expressing the gratitude of the Presbytery for her valuable service during her eleven years as an employee of the Presbytery.

WOMEN'S WORK

Rev. Charles E. Johnson, Jr., chairman, spoke in highest terms of the work of the Women of the Presbytery as reflected in the report of the

retiring president, Mrs. R. N. Barringer. Mrs. L. A. Buffalo, recently elected president of the Women of the Presbytery was present, and spoke briefly. She brought to the attention of the Presbytery the fact that Mrs. J. C. Taylor, Jr. is now a deacon in the Milner Memorial Church.

The following report was adopted and presbytery was led in prayer by Mr. Johnson:

Granville Presbytery has a total of fifty-three churches, including the newly organized St. Giles Church in the Oak Park section of Raleigh, with forty-nine organized Women of the Church groups with a total membership of 5,141.

The Thirty-ninth Annual Meeting was held October 8-9, 1963 at the First Presbyterian Church in Henderson with an attendance of 271, representing 38 churches and an offering of \$230.76. The offering was divided so that the first \$100 went to establish a chapel in Brazil and the balance went to Presbyterian Point.

The Theme "Christian Worship" was selected for the 1964 emphasis to present an opportunity for us to examine the widening role and increasing responsibilities of women as Christians to meet the many challenges of our churches' life of tomorrow. The Circle Bible studies in Psalms and the Every Member Bible Study "This We Know" were studied with much interest. There has been much praise of the selection for study of the beautiful Psalms. Members reported they had read many of the suggested books "toward an understanding of worship."

The reports of the Spiritual Growth chairman reveal that many organizations have no prayer groups, while others report glowingly of the great blessing received in church and circle prayer groups and in small neighborhood prayer bands. Presbyterian Woman's Workbook and the moderator system of Bible study in the circle was used by all groups with the moderators attending classes held by the minister prior to the circle meetings. Other printed material used was the Prayer Guides for the Week of Prayer for World Missions and the Pre-Easter devotional guides. Some reported they did not use "Come, Creator Spirit" booklets while others were enthusiastic with the study.

Reports indicate growth in quantity and quality of the promotion of Evangelism. A Presbyterian Rally on Evangelism was held March first at Milner Memorial Church in Raleigh. Church Extension chairmen in local churches assisted with the publicity. The attendance was good. Mr. Gordon Hanson, Secretary "Division of Homes and Christian Welfare," Atlanta, visited Granville during Church Extension season. He spoke in Raleigh and Durham at Trinity Avenue.

Several groups visited the Home in High Point and Barium Springs.

There has been no sizable gain in members enrolled in Fellowship of St. Barnabas. This is one way members may help in small ways, but together makes big ways for the help of building new churches in our presbytery to prepare for the growth for coming years.

District Conferences were held in the spring with good attendance of 456, and an offering of \$264.96. Part of this money was used to send three Caravaners to Minden, Louisiana and the rest went to Pres-

byterian Point. A role play of the reorganization was given by the district chairmen and officers.

The Christian Education chairman sent copies of "Going to College Handbook" to each church for distribution. St. Andrews had 890 students enrolled this year. A list of scholarships available for young people was sent to all the churches. There are 45 Field Representatives ready to start to work to encourage more students to attend St. Andrews. It is gratifying to note the increase in Sunday school teachers, particularly men and couples teaching together in departments.

The response to the request for clothing for overseas has been most generous. Books of green stamps have been sent to help buy a plane for missionary work in Mexico. Christmas cards, seeds, and sample medicines have been sent overseas. Miss Ruth Worth from the Congo was home on furlough and many were privileged to hear her speak. World Mission season was observed in all churches by having a missionary to speak, a film shown, or a special sermon on missions.

Sixteen women made the trip to visit Presbyterian School of Christian Education in Richmond, Virginia on Sponsor's Day, April sixteenth. Approximately one hundred twenty-five pounds of clothes were taken with them for the Mission Closet.

Forty histories have been sent to Montreat in 1964. The newly organized church in Durham, Westminster, has already started a history.

There was active participation during the month of December with an increase in giving of the Joy Gift.

The three women speaking on the Birthday Objective for thirty-six combined meetings enabled 100 per cent of the churches to hear the reports and see the slides. One chairman traveled 608 miles and spoke to 906 women with a total of 60 hours used for the cause. Due to the loyalty and dedication of these caravaners, \$2,821.57 was realized. This was divided equally between Evergreen School and for training workers for Presbyterian Home.

\$839.24 was used for White Cross work. Surgical supplies valued at \$705.24 were sent at a cost of \$134 to Graham Memorial Hospital in Korea.

Granville had 13 delegates to attend the Interdenominational Women's Go Conference in Winston-Salem.

Granville is to be congratulated in giving to Synodical Project \$264.00 over and above their Synodical askings for Presbyterian Home in High Point.

At Synodical Training School the following from Granville received certificates after completing six required courses and two electives: Mrs. Clyde H. Garner, Raleigh; Mrs. B. L. Holman, Raleigh; and Mrs. Roy Leggett, Raleigh.

Montreat Conference used as its Theme "God Speaks to His People". Presbytery chairmen of Women's Work were invited to attend the 1964 Montreat Women's Conference. Several men attended. This was to give the chairmen an opportunity to hear first hand the discussions on the Revised Plan of Organization and program for the Women of the Church which went into effect the first of October.

May we have deep concern as we go into the Reorganization Plan, and take advantage of the opportunity this plan provides in examining the present and the future course of the Women of the Church. It is not a set of promises but a set of challenges to reaffirm our Christian Heritage. Thinking back over the early days and through the years of our organization, one cannot help but sympathize with the frustrations they must have experienced just as we do today. One is reminded of the French saying—"the more it changes—the more it is the same".

CHRISTIAN EDUCATION

In the absence of Rev. Russell Fleming, chairman, Rev. Charles Williams presented the report of the committee. The personnel of the Youth Council for 1964-1965 was given:

Moderator, Miss Pam Greer; Vice-Moderator, Mike Anderson; Stated Clerk, Miss Acora Jackson; Editor, Miss Emily Morgan; District chairmen: I, Kenneth Mays; II, Miss Lynn White; III, Harvey Jackson; IV, Miss Darline Creech; Members at large: Miss Janis Blake, Miss Sandra Bolt, Bobby Ray, Miss Martha Jane Wilson, Billy Roberts, Gus Anderson, Miss Gwen Hightower. Mrs. Edward M. Isbell is one of the Advisors with the other to be named replacing Rev. Adlai Boyd.

The following recommendations were adopted:

1. That presbytery express sincere appreciation to the following men who served as Directors in our summer Camp Program of 1964: Mr. William Byrd, Rev. Marshall Tobias, Rev. Charles Hasty, Rev. Alfred Thomas, Rev. DeWitt Helm, Rev. Adlai Boyd, Rev. Donald Shriver, Rev. Roy McCormick, and express appreciation to the churches from which they come.

2. That presbytery express sincere appreciation to Miss Helen Jackson, our Area DCE, for the invaluable service she renders in the work of the Kingdom as she goes to and fro among us.

The minutes of the morning session were read and approved.

RECESS

CHURCH EXTENSION

A. HOME MISSIONS

Rev. E. J. Agsten, chairman, made the report for the Committee on Home Missions, giving special emphasis to the St. Barnabas Fellowship. The following recommendations were adopted:

1. That the Presbytery of Granville convey the title to the property of the New Hope Church to the trustees of the New Hope Church.

2. That the Presbytery of Granville convey the title to the property of the St. Giles Church to the trustees of the St. Giles Church.

3. That whereas presbytery's endorsement is required, and, in case of default, presbytery is responsible for repayment of all loans to churches from Presbytery, Synod and General Assembly, we recommend to presbytery that any church anticipating seeking the endorsement of presbytery on any such loans, grants or other financial assistance, consult with and provide such information as the Home Missions Committee may request prior to the church making any commitments or obligations.

4. That the presbytery recommend to the presbytery approval of a loan to the Selma Church from the Synod for not more than \$7,000.

B. EVANGELISM

Rev. Robert F. Henderson, chairman, presented the report urging each church to put forth a prospective evangelistic effort during the year 1964-1965.

HOMES

Rev. Galen Elliott, chairman, gave a brief report, and the following recommendation was adopted, "That members of presbytery, especially ministers, be thorough in presenting to their respective congregations the importance of the Thanksgiving Offering for the support of Barium Springs Orphanage."

WORLD MISSIONS

Rev. R. J. Blumer, chairman, gave the report, and the following recommendations were adopted:

1. That the Assembly call for special prayer to be made throughout the churches in behalf of the Church of Christ in the Congo, as that nation begins its fifth year of independence this summer. That the Day of Prayer be set as Sunday, June 28 (Citizenship Sunday), which is the closest to the Congolese Independence Day on June 30, and that earnest petitions be offered to God for His blessing and guidance for the nation, for its leaders and its people, and especially for His Church in that land.

2. That the synod and this presbytery declare anew that material relief to those in need is an important part of our Church's missionary outreach, and that it calls on congregations to receive a special Easter offering for alleviating, in the name of Christ, human suffering and need throughout the world.

3. That, as a part of our ministry of relief, congregations continue to collect used clothing, blankets, etc., for distribution through Church World Service.

4. That the presbytery and every session consider anew that "there are many parts of the world where the good news has not been told, that there are many sectors of life and culture in which the Lordship of Christ is not acknowledged, that there are millions of people all over the world who are estranged from the Christian faith.

5. That the churches of the presbytery support missionary rallies that are planned for Sunday, November 28, in three population centers—Raleigh, Durham and Henderson.

6. That the World Mission season February 1-28, 1965, be observed in each congregation; that February 21-February 28, 1965, be set as the week of Prayer and Self-Denial for World Missions, as a time for special preaching and special prayer and supplementary offerings for world evangelization.

7. That presbytery hear the Reverend Mr. William F. Junkin, Missionary to Taiwan, at this time.

MISSIONARY RALLIES

After much discussion the following recommendations were adopted concerning missionary rallies planned by the Committee on World Missions:

1. That the presbytery proceed with plans to implement the missionary rallies on November 28, 1964.

2. That the Committee on World Missions request the congregations that participate to seek means to meet the expenses of the particular missionary who is their guest, (either by special offering for this purpose, or by use of non-designated church funds, or other means).

3. That the Committee on World Missions seek sources to make up the total amount of these expenses from the proper agencies or presbytery, interested individuals, or staff.

COMMITTEE TO STUDY OBSERVANCE OF THE LORD'S DAY

Rev. A. E. Thomas, chairman, presented the report, and the following recommendations were adopted:

1. That the report of the Ad Interim Committee to the Ninety-Eighth and Ninety-Ninth General Assemblies on the Biblical Teaching and Proper Use of the Lord's Day be studied by every session in the presbytery.

2. That the attention of the presbytery be called to the fact that the Board of Christian Education incorporates in its education literature, at least annually, appropriate material concerning the right use of Sunday.

3. That a report to the session of the West Raleigh Presbyterian Church by the Christian Action Committee of that church on The Christian and the Lord's Day be given to members of presbytery, as indicative of what has been done in one church.

4. That local churches make known through the news media any actions taken relative to the matter of observance of the Lord's Day.

5. That the Granville Presbyterian be utilized as a means to keep before the churches the matter of observance of the Lord's Day through articles, quotations, relevant committee reports, etc.

6. That the Christian Action sub-committee of the Executive Committee of Christian Education make this a matter of continual concern and study, in order that it might speak through the presbytery to the churches at large with regard to the Lord's Day Observance.

WOMAN'S WORK

Rev. Sam C. Smith, Chm., presented Mrs. J. G. Walker, President of the Women of the Church in Kings Mountain Presbytery, who made the report of the Woman's Work. Presbytery adopted the report together with recommendation of the Committee as follows:

"Under the guidance of God, the past year has been one of opportunity and progress for the women of Kings Mountain Presbytery. An overall picture of the work would indicate that there has been an enthusiastic response to appeals for increased activities, and self improvement. Once again we can report a Women of the Church organization in each of the 43 churches of our Presbytery. Our newest organization being that of the Westview Church. Kings Mountain Presbytery is the only Presbytery in the Synod with such a record. The 3126 women, with gifts of over \$33,000 have carried out the program of the church as directed by the General Assembly. There was 100 per cent participation in gifts to White Cross, William Black Home furnishings, and in birthday offerings.

Realizing that the strength for our work depends upon the spiritual life of the individual, we are encouraged to report a deepening interest in Bible study, prayer, and family worship, and Visitation Evangelism.

Under the loving and consecrated leadership of our chairman of Committees and four District chairmen we are able to list the following fruits of dedicated lives: \$300 scholarship at Montreat College, gifts to a home missionary in Kentucky, quilts to Barium Springs

and the Home for the Aged, books for home mission pastors of North Carolina, bags to Church World Church Service, Korea and home missions schools, 22 Negro women sent to conference, and gifts to the American Bible Society and to Friends of the Seminary. In the three districts, 22 local groups attended an officer training class. Other meetings were attended by 24 at Montreat and by 19 at Synodical Training School in Raleigh.

Interest and encouragement was shown by such phrases as: better attendance at all meetings, increased loyalty and desire to cooperate, growth in spiritual life of women, increased interest in worship and Bible study.

Appreciation is expressed to all the women of Kings Mountain Presbytery who by their prayer and loyal cooperation have made possible the progress shown in this report. Today we face opportunities, responsibilities, and problems such as few women of any generation have faced. Truly, for each of us, "Now is the Time for Witnessing".

Respectfully submitted,

OLIVE J. (MRS. J. G.) WALKER

BUDGET

Rev. A. L. Bixler, Chairman, made the following report which, pending an address by Rev. H. J. Dudley, General Secretary of Synod of North Carolina, was adopted.

Your Budget Committee presents to Kings Mountain Presbytery meeting at Eilenboro Presbyterian Church, October 16, 1951, the following report:

We rejoice and give thanks to Almighty God for the abundant evidences of His blessing among the churches of the Presbytery.

We call to the attention of the Presbytery the fact that in its contributions to all causes, Kings Mountain Presbytery rose from twentieth place among all the presbyteries of our Assembly to the twelfth place. In the year 1949-1950 we gave \$62.11 per member to all causes, and in 1950-1951 our gifts rose to \$70.31 per member. However this increase has been in gifts for current expenses alone, for we have unfortunately dropped in our giving to the benevolent causes of our church from \$19.48 per member to \$18.02, a difference of \$1.46 per person. This means that in our standing among the presbyteries we descended from the fourth to the sixth place.

We take pride in calling attention to the fact that the Belmont First Church led the General Assembly in per capita giving to benevolent causes. We also congratulate the Saluda and the Springwood churches on their fine record in total gifts, leading the entire Presbytery.

It is encouraging to take note of the fact that in the year 1950-1951, 30 churches in our Presbytery gave in full or exceeded their quotas for the benevolent causes of our Church. Six churches gave from 75% to 99% of their quotas; three churches gave from 60% to 74% of their quotas; and two gave from 20% to 59%. We hope that all churches will make an earnest, prayerful effort to meet their quotas so that none of the agencies of our church must suffer and be forced to curtail their efforts in behalf of the work of the Kingdom of God.

USE OF KINGS MOUNTAIN PRESBYTERY CAMP

Kings Mountain Presbytery Camp is under the di-

To that end, the following regulations have been adopted.

1. The camp shall ordinarily be reserved for Kings Mountain Presbytery Presbyterian groups and organizations.

2. Only one group may use the large kitchen and dining hall at any one time; except, that if the group holding a reservation will share the use with any other group, dual use will be permitted.

Rev. S. C. Smith, Chairman, presented Mrs. Paul Mauney, President of the Women of the Church, Kings Mountain Presbytery. Mrs. Mauney read a report of the work of the women. The report was adopted by Presbytery, and is as follows: "Guided by God's Holy Spirit, the 3241 women of Kings Mountain Presbytery have been 'doers of the word and not hearers only.' This report shows the major accomplishments. Our Board of Women's Work prepared for us a full year's program for our education and spiritual growth.

For spiritual enrichment we studied the Ten Commandments, The Epistle of James and "Christian Patterns of Life."

To increase our knowledge of the work in both Home and Foreign Missions many speakers were invited into our churches. 19 churches held schools of missions studying "By Faith," "We Americans, North and South" and "He Wears Orchids."

Reports from local women's groups show increase in every field of endeavor. 1090 women read the Bible daily; 1776 studied the Bible in some class. 680 are tithers; 554 have family worship. Gifts to benevolences were \$13,885 and to local causes \$24,274. Total gifts \$38,159, an increase of \$5,000.

During the year we welcomed the women of the Robinson Memorial Church as a new organization. We regret the loss of the unit in Machpelah Church and pray that God will lead the way to a renewing of interest in this group.

We are grateful to God for the accomplishments of the past year, but we realize we still fall far short of the service and Christlikeness God has planned for our lives. In this new year we are striving to make Christ preeminent in all things.

Respectfully submitted,

Mrs. Paul (Lillian R.) Mauney

COMMISSION ON THE MINISTER AND HIS WORK

Rev. W. L. Brown, Chairman, made the following report which was adopted. The service which the commission is rendering to churches and ministers is far from what it might be, and we hope that it will continually improve as time goes on. However, we are happy to say that we have been able to be of help to the vacant churches in the Presbytery, and to ministers seeking a change in pastorates.

The work of the Commission is better understood by most churches and pastors now than it has been in the past. But some churches still do not use it as much as they should and others do not counsel with it before calling a pastor. This fact is called to the attention of the churches in order that the Commission may serve them more effectively, and is not intended to be a rebuke.

We recommend:

1. That the following churches be allowed to amend the calls to their pastors, as follows: Rev. A. C. McSween at Lincolnton, from \$4,800 to \$5,400; Rev. John E. Stauffer at Dallas First, \$200.00 per year; Rev. W. L. Brown at Shelby from \$3,400 to \$4,300; Rev. D. O. McInnis at Mount Holly an increase of \$200.00 per year; Rev. George L. Appendix I

THE REVEREND FRANK BISANER RANKIN

The Reverend Frank Bisaner Rankin, born in Gaston County, N. C., on May 14, 1878, a son of the late Colonel and Mrs. Richard Rankin, died at his home, "Willowside", near Mount Holly on December 29, 1951.

Mr. Rankin received his education in the schools of Gaston County, at Davidson College and received his B. A. degree from the University of North Carolina in 1901. Before entering Union Theological Seminary in 1903 he served two years as Superintendent of the Gaston County Schools. Upon receiving his B. D. degree from the Seminary in 1906 he became Secretary of the YMCA at Chapel Hill, N. C., where he remained until he became pastor of the First Presbyterian Church of Hamlet, N. C., in 1909. After serving the Hamlet church for three years he accepted a call from the Presbyterian church at Rutherfordton, N. C.

During World War I, in 1917, he gave up his pastorate in Rutherfordton to devote himself to YMCA work with the soldiers at Columbia, S. C. At the close of that work in 1919 he returned to Gaston County and became pastor of Unity, Machpelah, and Castanea churches. His last pastorate was that of Stanley and Shilo churches.

He gave up his pastorate in 1923 to devote his full time to educational work. For five years he served as Principal of the Stanley High School. Becoming Principal of the Mount Holly High School in 1927 he remained as Principal and teacher until his retirement in 1946. During the years he was engaged in educational work he was not unmindful of his calling as a minister. He brought to his classroom and to his administrative work in the schools the same sterling qualities of character and high ideals that marked him as a minister of Jesus Christ. Not only did he minister through his work, but he gave much time to the work of the church which included supplying pulpits, teaching Sunday School classes, taking part in the church courts, serving as superintendent of Sunday School, and in numerous other ways.

Mr. Rankin and Miss Oneta Battley of Hamlet were married in 1909. He is survived by Mrs. Rankin, two sons and three daughters—Attorney Frank B. Rankin and Dr.

Richard E. Rankin of Mount Holly, Mrs. W. H. Jarman, and Mrs. T. C. Watson of Gastonia, and Mrs. Landon Roberts of Asheville, N. C.

As a preacher, an educator, and a Christian gentleman, Mr. Rankin won for himself a place of high esteem in his community. He was respected, honored, and loved in the community in which he was born and in which he spent the greater part of his life. Among his many friends were people of all stations in life. His influence will long survive in the lives of those to whom he preached, whom he taught, and among whom he lived.

3. That the pastoral relations between Rev. Walter L. Brown and the Shelby church be dissolved, and that a letter of transfer be granted Mr. Brown to Upper Missouri Pres-

bytery, in order that he might accept the call of the Independence, Mo., Church.

Presbytery, hearing from the churches that they reluctantly concurred with these requests; the pastoral relations were dissolved, and the letters of transfer granted.

Presbytery extended its sincere appreciation to Rev. Walter L. Brown for his selfless and excellent leadership of this Commission and extended its best wishes for continued success and happiness in the new field to which he is moving.

Rev. J. E. Craig, Chairman of Candidates, presented Mr. Clifford Cox Clark with the committees' recommendation that he be received as a candidate for the Ministry. Mr. Clark was examined according to the Book of Church Order, and answering all questions in the affirmative, and a charge being given him by the Moderator, he was enrolled as a candidate for the Ministry.

Presbytery asked the Committee on Candidates to bring in a full report on the status of Candidate Clark at the October meeting of Presbytery. Rev. J. E. Craig, for the committee on Candidates, recommended that John A. Cannon, Jr., Joseph A. Wagner and T. C. Bailey, be examined for licensure.

Presbytery's sub-committee on Candidates reported that written parts of the examination, presented as Exegesis, were not really in the nature of an Exegesis, but more of an Expository nature. Hearing explanations from the candidates, these parts were approved. Presbytery instructed the Stated Clerk to write to the Theological Seminaries of the Church, re instructions concerning Exegesis as a required part of examinations.

Presbytery proceeded with the examination of the Candidates as required by the Book of Church Order; Rev. Park H. Moore, Jr., examining them on their experimental religion and motives for seeking the Gospel Ministry. Rev. W. L. Brown conducted the examination in Theology. Rev. J. E. Craig conducted the examination on Church Government.

1:30 Presbytery resumed its work, being led in prayer by Rev. W. H. Pruitt.

As the first order of the day, Rev. A. C. McSween invited Presbytery to meet with the Lincolnton Church for its October meeting.

As the second order of the day, Presbytery nominated

Rev. Harry M. Moffett, Jr., as Moderator of the October meeting.

Presbytery resumed its examination of Candidates. Rev. J. E. Craig conducted the examination on Sacraments. Rev. R. H. Ratchford conducted the examination in English Bible. Presbytery approved each examination, then approved the whole. Mr. Bailey preached a sermon, using as his Scripture, Rom. 5:1-11. Mr. Cannon preached, also using Romans 5:1-11; Mr. Wagner preached using as Scripture, Isaiah 6:1-8.

All sermons were of an excellent nature and approved by Presbytery.

Moderator W. P. Booth asked Candidates T. C. Bailey, John A. Cannon, J., and Joseph A. Wagner the questions required; and they having signified their full assent to all questions, gave them a charge, and after a prayer declared that having met all the requirements they were duly licensed by the Presbytery to preach the Gospel, and so recorded in the rolls of the Presbytery.

Presbytery voted that the examinations for Licensure, be accepted also for the Ordination of the Candidates.

FIFTIETH ANNIVERSARY OF PRESBYTERY

Rev. A. C. McSeen, Chairman of Special Committee on Presbytery's Fiftieth Anniversary, introduced Rev. Henry S. Robinson, Moderator of Mecklenburg Presbytery. Mrs. J. A. Lore, daughter of Rev. R. Z. Johnston, pastor of the Lincolnton church at the time of the organization of the Presbytery was introduced to the Presbytery.

Rev. W. S. Patterson delivered the Anniversary Address, using as his subject, "Kings Mountain Presbytery, on its Fiftieth Anniversary, an Example of Vision and Progress."

November 18, 1902, a new Presbytery was born in Lincolnton, N. C.

This promising Presbytery was named KINGS MOUNTAIN. The name was indicative of the character and spirit of its members. As Kings Mountain Battle was the turning point in the Revolutionary war, so Kings Mountain Presbytery was to be the champion of Presbyterianism and the foe of sin and ignorance in Piedmont Carolina.

As early as 1898, in a meeting of Mecklenburg Presbytery, held at Waxhaw, the formation of this Presbytery was dis-

cussed. A small minority caused a delay, but in October of 1902 in a meeting of Presbytery at Albemarle, N. C., Mecklenburg Presbytery overtured the Synod of North Carolina, to form a new Presbytery west of the Catawba River. The Synod of North Carolina, meeting October 24, 1902, at Winston, N. C., did order that such Presbytery be formed. Synod ordered the ministers and representatives of the churches in Gaston, Lincoln, Cleveland, Rutherford, and Polk counties, to meet in Lincolnton, November 18, 1902; and that Rev. R. A. Miller convene the meeting.

Kings Mountain Presbytery was organized as ordered by Synod. Rev. S. L. Cathey was elected Stated Clerk. Mr. John F. Love, was elected Treasurer. Fourteen ministers, thirty one churches, with two thousand one hundred and eighty members, and four candidates for the ministry, were listed.

Ministers and Churches were:

Rev. R. Z. Johnston; Lincolnton,, Ironton, Dallas.
 Rev. J. J. Kennedy; Hephzibah.
 Rev. R. A. Miller; Lowell, Belmont.
 Rev. G. A. Sprrow; Olney, Union.
 Rev. R. C. Morrison; Britain, Duncans Creek.
 Rev. M. McG. Shields; Gastonia.
 Rev. T. C. Croker; Columbus, Sandy Plains.
 Rev. W. R. Minter; Shelby, Henrietta, Mooresboro.
 Rev. S. L. Cathey; Rutherfordton, Cherryville, Forest City, Waco.
 Rev. W. L. Wilson; Castanea Grove, Stanley Creek Macpelah, Unity.
 Rev. J. R. Millard; Kings Mountain, Long Creek, Bessemer City.
 Rev. J. T. Wade; New Hope.
 Shiloh and Mt. Holly Churches were without pastors.

Ministers without charges: Rev. M. A. Henderson, Rev. T. F. Boozer.

Candidates for the Ministry: D. S. Crook, H. W. Shuman, F. B. Rankin, J. A. Morrison.

A tidal wave of emigrants was crossing the Catawba, seeking homes in the foot hills. A fine climate and fertile fields were calling to ambitious people from the less fortunate sections. These were pioneer days with roads little more than wagon trails. But they led to health and prosperity.

Little Britain, second Presbyterian Church to be organized

in territory now known as North Carolina (I. S. McElroy, D.D.); Goshen, Unity, Olney, Long Creek and Shiloh, had long been centers of religion and culture; and has given to the section a fine Presbyterian atmosphere. Twelve new churches were organized in the first twenty-five years. Gastonia, Shelby, Belmont, Kings Mountain, Forest City, Cherryville and other established churches continued to grow and exert a fine influence. In recent years, Rev. P. D. Patrick, Chairman of Home Missions for the Presbytery, has been a wise leader, and the Home Mission work of the Presbytery, has been recognized one of the best in the Synod of North Carolina. Under his leadership, ministers and devoted laymen have sought strategic points, establishing chapels and churches that could meet and care for the rapidly growing industrial development of the territory. Expansion and not concentration is the policy of the Presbytery.

Early in the history of the Presbytery, ministers of Cleveland, Rutherford, and Polk Counties formed an organization. Under their leadership a Parochial School was formed, known as Westminster. Catalogues of the school show a very high standard of scholarship, culture and religion. A high goal was set; "Second to no school of its kind in the South." Westminster, as a child of the Presbytery did its work well. But when the state took over the High School system, there was no longer need for such schools. But Westminster had trained many leaders of churches, business and education who have served the Synod and Assembly. Many are proud to say, "I went to school there."

At its twenty fifth anniversary Kings Mountain Presbytery had doubled its membership; had increased its general benevolences 1,400 per cent; its Foreign Mission work, 3,000 per cent. In its fiftieth year, the Presbytery reports, 8,388 members, nearly four times its original membership.

As an illustration of the changed times, we mention one item from minutes of the first meeting of the Presbytery organized in this church. Presbytery permitted the Lincolnton Church to change the terms of its call to Dr. R. Z. Johnston, the pastor; changing from two Sundays a month to four Sundays; and changing the salary from four hundred to five hundred dollars a year. Kings Mountain Presbytery now has forty four churches, thirty one ministers and candidates for the ministry.

Rev. R. L. Berry; East Belmont.
 T. C. Bailey; Columbus.
 C. R. Bixler; Armstrong Memorial.
 W. P. Booth; Northside.

REPORT OF THE EDUCATION COMMITTEE TO KINGS MOUNTAIN PRESBYTERY

Meeting at Lincolnton, October 14, 1952

Detailed reports have been received from directors of both Senior and Pioneer camps which will be given full consideration in making plans for the next session. These reports include an evaluation of the program and work of the last season and suggestions for planning the next session. Your committee would express sincere appreciation to Rev. Park H. Moore, Jr., and to the members of his staff for the fine work done at the Senior Camp, and to Rev. G. T. Brown and to his staff for the fine work done in the Pioneer Camp.

There were in attendance at the Senior Camp 81 girls, 63 boys, and 22 staff members, making a total of 166. At the Pioneer Camp there were 150 campers with 25 staff members making a total of 175. It was also noted that fifteen Pioneers expressed a desire to make a profession of their faith. Attention is called to the fact that it may be advisable to have two periods for the Pioneer camp next season instead of the one as in the past. Both groups attending camps or conference have shown a marked increase in recent years.

We were pleased to note that the Senior Camp had as special guests Rev. Paul B. Freeland, Rev. Eugene L. Daniel and Dr. D. J. Cumming each of whom spoke to the group. Also, Miss Grace Mizuno from Japan was present and took part in the entire conference.

Thirty three churches reported on Vacation Bible Schools this year, two of these reporting that they had no school. The total enrollment was 2065. If any churches within the Presbytery desire help in putting on a vacation Bible school next summer your committee will endeavor to secure help for you provided the request is made in time.

For the information of Presbytery:

1. The dates for the camps this summer will be worked out with the directors and the Committee.
2. The cost for the camps as announced by the Special Camp Committee will be \$7.00 per camper per week. This includes insurance.
3. That W. Roy Robinson be elected for another term as
4. Rev. A. R. Craig of Rutherfordton will direct the Pioneer Camp.
5. The First Presbyterian Church of Gastonia extends an invitation to the men of the Presbytery to attend an organizational dinner meeting at their church on November 20th. Dr. S. J. Patterson, Jr., will be the speaker. Time 6:30-8:00 p. m. Those planning to attend are requested to notify the church not later than the preceding Wednesday.
6. The conference of the Sunday School Superintendent's Association will be at the First Presbyterian Church of Lincolnton at 2:30 p. m. Sunday, November 2nd.
7. The Fall district rallies of the Youth of the Presbytery are as follows:
Eastern district, Belmont First Church, Oct. 23, 7:30 p. m.

Central District, Cherryville First Church, Oct. 28, 7:30 p. m.

Western District, Rutherfordton, Oct. 19, 2:30 p. m.

RECOMMENDATIONS ADOPTED:

1. That each church in the Presbytery have a Vacation Bible school next summer.
2. That each church in the Presbytery observe Youth Sunday November 9th.
3. That W. Ray Robinson be elected for another term as treasurer of the Education Committee.
4. That Presbytery hear the report of Mr. Ennis Jackson for the Camp Committee.
5. That Presbytery, by rising vote, express to Mr. Jackson and his committee appreciation for their splendid work in connection with facilities for our camp program.

Respectfully submitted,

D. O. McINNIS, Chairman.

SYNOD'S WORK COMMITTEE

Rev. J. W. Young, Chairman, asked Elder Fred Arrowood to report for the committee. The report was received as information and the following recommendations were adopted:

"In view of the alarming shortages of money to adequately meet the great needs and opportunities that face our committee on Church Extension; the Committee urges that each minister in our Presbytery take to heart these facts and take them to God in prayer; and then very earnestly present them to his Congregation."

BARIUM SPRINGS ORPHANAGE

Rev. George L. Riddle, Presbytery's representative on the Synod of North Carolina Commission to report on the Orphanage, reported his attendance at meetings of the Commission. Mr. Riddle reported that the Regents of the Orphanage had full control of the institution, and that they would continue the support of "Little Joe's Church," which was a part of the property of the Orphanage.

SPECIAL COMMITTEE ON STATED CLERK AND TREASURER

Rev. P. D. Patrick, Chairman of Special Committee, re-

ported the nomination of Rev. W. C. Neel to fill the unexpired term of Rev. W. S. Patterson, as Stated Clerk and Treasurer of Presbytery. The report was adopted.

The Committee also offered the following report which was adopted: "Upon the occasion of his retirement as Stated Clerk and Treasurer of Kings Mountain Presbytery, the members of this court wish to express to Mr. Patterson their heart felt gratitude for the diligent faithfulness with which he has performed the duties pertaining to the office. For a dozen years he has served in this pivotal position, and we regret that he feels it necessary to relinquish his duties as such. We assure him of our continued prayerful interest. We commend him and his wife to the steady and happy providence of God."

CHURCH EXTENSION

Rev. P. D. Patrick, Chairman of Church Extension asked that Rev. A. R. Craig, Chairman of sub-committee on Evangelism be heard. Mr. Craig gave to Presbytery an inspiring report of successes and opportunities in the field of Evangelism.

STEWARDSHIP AND BUDGET

Mr. W. Roy Robinson, Chairman, reported on the work of the Stewardship Committee. The report with its recommendations, A Chart of Five Years gifts, and the proposed budget from April 1, 1953 to December 31, 1953, was adopted.

REPORT OF BUDGET COMMITTEE

Your Budget Committee presents to Kings Mountain Presbytery meeting at First Presbyterian Church, Lincolnton, N. C., October 14, 1952, the following report:

We rejoice and give thank to Almighty God for the abundant evidences of His blessing among the churches of the Presbytery.

We call to the attention of Presbytery the following facts concerning contributions. In the year 1949-50 we gave \$62.11 per member to all causes, in 1950-51 our gifts rose to \$70.31 per member, and in the year 1951-52 the average was \$73.56 per member. In 1950-51 our average gifts per member to benevolences was \$18.02, and in 1951-52 the average rose to \$21.56 per member. In 1951-52 Presbytery's total gifts to benevolences were \$180,871.00.

We believe that we have reached a new high in our benevo-

lent giving. Forty of our forty-four churches paid 100 per cent or over of the total benevolent askings for 1951-52. One church paid 99 per cent, one church paid 94 per cent, one church paid 93 per cent, and one church paid 78 per cent. We hope that all churches will make an earnest and prayerful effort to meet their quotas for the coming year so that none of the agencies of our church will suffer or be forced to curtail their efforts in behalf of the Kingdom of God.

RECOMMENDATIONS

1. That the Presbytery accept the askings of the General Assembly, Synod, and Presbytery for the nine months' period April 1, 1953, through December 31, 1953, and endeavor to raise the total amount, which is \$114,979.00, broken down as follows:

GENERAL ASSEMBLY'S CAUSES	
Board of World Missions.....	\$ 23,349.00
Board of Church Extension.....	12,200.00
Board of Christian Education.....	4,308.00
Board of Annuities & Relief.....	3,672.00
The General Fund.....	6,413.00
Inter-Church Agencies.....	196.00
TOTAL GENERAL ASSEMBLY ASKINGS.....	\$ 50,138.00
SYNOD'S CAUSES	
Church Extension.....	\$ 5,579.00
Homes	
William Black	737.00
Presbyterian	1,660.00
Barium Springs	10,802.00
Educational	
Institutions	12,995.00
Religious Education	1,475.00
Campus Christian Life	955.00
Inter-Church Agencies	138.00
TOTAL SYNOD ASKINGS.....	\$ 34,341.00
PRESBYTERY'S CAUSES	
Church Extension	\$ 16,750.00
Religious Education	13,750.00
TOTAL PRESBYTERY CAUSES.....	\$ 30,500.00
TOTAL ALL CAUSES.....	\$114,979.00

2. That February, 1953, be approved as Stewardship Emphasis Season, and that March 1, 1953, be designated as Every Member Canvass Day for the nine months' period, April 1, 1953-December 31, 1953, and that the theme of the Canvass be "Thy Will—My Command," and that November 9, 1953,

be designated as Every Member Canvass Sunday for the twelve months' period, January 1, 1954-December 31, 1954.

3. That since Stewardship is an integral part of Christian experience, it would seem wise that there be a continual emphasis on Stewardship throughout the year both by the ministry and lay leadership. The special seasons and programs here recommended are not intended to take the place of, but to augment, a continuing, year-round Stewardship program.

4. That the period of October through December, 1953, be set aside as season in which we encourage tithing.

5. That those churches which have made progress during the past year in their per capita gift increase to benevolences be commended.

6. That every church be reminded that its benevolence goal has not been completely met until each cause has received the designated amount assigned to it by the Presbytery.

7. That every church be urged to use Presbytery's central treasurer, Rev. W. C. Neel, 1019 W. Franklin Avenue, Gastonia, North Carolina.

8. That laymen, gifted with stewardship talents, be enlisted in promoting stewardship.

9. That financial campaigns to be launched by Peace College and Flora MacDonald College be approved.

10. That Presbytery adopt church calendar of special seasons and special days for 1953 and 1954 as printed in minutes of General Assembly. (See General Assembly Minutes.)

STATEMENT CONCERNING BUDGET

The askings of this budget include supplementary (or special) offerings, as well as regular offerings.

Respectfully submitted,

W. ROY ROBINSON, Chairman
Presbytery's Budget Committee.

BILLS AND OVERTURES

Rev. W. P. Booth, Chairman, reported, recommending that all seven proposed Amendments to the Book of Church Order, be answered in the affirmative.

Presbytery studied each proposed amendment and approved them all.

The following Overture was approved and ordered sent to the General Assembly:

Overture from Kings Mountain Presbytery, to the Ninety Third Meeting of the General Assembly, Montreat, N. C., June 4, 1953. The Book of Church Order, Paragraph 109, reads: "The candidate continues to be a private member of the church and subject to the jurisdiction of the Session——." A Candidate for the Ministry therefore is also a private member of the church. When does this dual relationship terminate, and what is the proper recording of the Session relating thereto?

January 10, 1953

Dear Brethren:

This note is an inadequate but sincere effort to express the appreciation of the Trustees, Administration, Faculty and Students of Union Theological Seminary, Richmond, Virginia, for the splendid and heartening response in prayer, work and giving made by you during our campaign in September.

Area Nine, which is Kings Mountain Presbytery, has invested \$115,156.62 to date in the present and future training of ministers for our Church. The influence of this investment cannot be measured by us. However, we are confident that the power of God will work through these gifts to the progressive aid of our Church in a time of great opportunity.

Please accept this expression of my personal appreciation, as well as that of Mr. Fred Smyre, co-chairman, and the members of the Steering Committee. We would consider it a favor if you as Minister or Ruling Elder would convey this appreciation to the membership of your congregation.

Most cordially yours,

J. Walter Dickson, Jr.

(The above communication was overlooked at the January meeting of Presbytery and is inserted here as a matter of record).

REPORT OF COMMISSION ON THE MINISTER
AND HIS WORK

Rev. R. L. Berry, member of the commission, presented the report which was adopted and is as follows:

The Commission is continuing to submit its offices for aid to all Churches within the Presbytery that are without the regular ministry of a pastor. It is our desire to assist in the work of the several pulpit committees as they make inquiries regarding prospective pastors and to suggest, wherever possible, the names of men who might be considered.

We have met on several occasions during the interim of the Stated Meetings of Presbytery for the purposes outlined above as well as to transact other matters falling within the responsible jurisdiction of the Commission.

For information, we report that the Commission, acting under assigned authority of Presbytery, dismissed the Rev. Sam Smith from Forest City, N. C., Piedmont Presbytery in order to accept the call to the Easley, S. C., Presbyterian Church, effective Dec. 15, 1952, and a letter of transfer and of commendation was sent by Stated Clerk to the proper authorities in Piedmont Presbytery.

We call attention of all Elders present, and request that they in turn inform the Board of Deacons in their churches of Recommendations 5 and 12 on page 161 of the Minutes of General Assembly, 1952. The first refers to the advisability of appointing women to serve as Manse Committees of local churches. Recommendation 13 calls attention to the need for realistic study being made to the salaries paid employees of local churches, that these salaries may be in line with the cost of living and fall within the doing of those things that give honor to the name of religion.

We recommend:

A. That every Session, in its joint study of proposed budgets for the coming Church Year, pay special attention to the salary paid the minister and other employees of the Church, and that in every instance where possible that the salary be adjusted upward to meet rising costs.

B. That the Call of the Northside Church for the pastoral services of Rev. Mr. Thomas Henderson be found in order and placed in his hands, following examination by Presbytery and that the Commission for Installation be established.

C. That the call of the Olney Presbyterian Church for the pastoral services of Rev. Mr. J. E. Anderson be found in order and placed in his hands, following his examination by Presbytery.

CHURCH EXTENSION

P. D. Patrick, chairman, presented the report of the Committee on Church Extension, which included a Communication from Stillman College, read as information; the following Recommendation, which was adopted: "That the Home Mission Committee of Church Extension be authorize dto grant the Linwood Church \$100.00 per month beginning with the April 1, 1953; and a report on Evangelism by A. R. Craig, chairman, which was adopted and is as follows:

REPORT ON EVANGELISM

We, as a Presbytery, believe in Evangelism and long for the saving of souls. We realize that Evangelism is the main business of the Church. While rejoicing in our successes, we confess in humility—recognizing that our birth rate last year was only 2¼%, requiring forty of us to win one, and that 11 out of forty-four churches had no additions on profession of faith—that we need to more fervently pray, more zealously work, and preach with a greater Evangelistic emphasis, perhaps more often giving the Gospel invitation in our regular preaching services. Let us remember the goal of our Synod to double our membership in ten years.

Recommendations:

1. That our Presbytery welcomes Rev. Milton B. Faust as the Director of Synod's Evangelism, and extend to him a cordial invitation to work in our Presbytery when he can.
2. That the months of March-April and August be considered special months for evangelism; and that March 15 - April 5 be set apart as a special Evangelistic Season.
3. That we urge our churches to stress in Evangelism: Prospect Lists, Prayer - Personal Plea - Preaching; and that each church have at least one week of Special Evangelistic meeting a year.

PRESBYTERS EXCUSED

The request of R. T. Baker, and Ruling Elder Fred Long and J. W. Young, to be excused from further attendance upon this meeting of Presbytery was granted.

REPORT ON CHRISTIAN EDUCATION

D. O. McInnis, Chairman, presented the report of the Committee on Christian Education, which was received and recommendations adopted as follows: 1. The Presbytery endorses February 15, 1953 as World Day of Prayer for Students; April 19, 1953 as National Christian College Sunday (Educational Institutions Sunday); and April 26, 1953 as Assembly's Training School Day. 2. That three additional members be appointed for this Committee.

(See report of Committee on Nominations).

REPORT ON WORLD MISSIONS AND OVERSEAS RELIEF

S. Dwight Winn, Chairman presented the report of the Committee on World Missions which was adopted as follows:

We are in the midst of another season of special emphasis on World Missions, and the Week of Prayer and Self-Denial for World Missions is January 25 to February 1st, 1953.

Three major objectives are in mind for this season:

FIRST: That church members be informed by an intensive study of Missions. This may be accomplished by special schools of missions, or by Missions Study Classes for the various groups; by sermons on Missions by the pastor; and by visits from missionaries and the use of motion pictures. The pastor is urged not to let the visits of the missionaries take the place of his preaching mission sermons.

SECOND: Each church member and each group in the church, praying for Missions. "Pray ye the Lord of the harvest." In this crisis, as always, "our help is in the name of the Lord who made heaven and earth."

THIRD: An offering of self and all that God has given us as His Stewards. That is a self-denial offering for foreign missions. Let it be just that—a self-denial offering—let us deny ourselves some things definite and costly. Let us say "No" to our desire for something and give what that would cost, to give the knowledge of the Saviour to some one in Africa, or Brazil, or China, or Formosa, or Korea, or Japan, or Mexico, or Portugal. "God spared not His Own Son."

Dr. Darby Fulton says: "If we are to meet our obligations in this day, or even continue our Foreign Mission work on its present basis, we shall have to put more prayer and sacrifice into this coming week of prayer and self-denial than we have ever invested before." The Foreign Missions spending budget approved by the General Assembly for 1952-1953 is \$2,278,694. Last year the receipts for this cause were \$2,021,305, but this included \$442,123 which came through Program of Progress — the regular receipts were only \$1,579,182. The Program of Progress is over. (It came within \$700,000 of its five-year goal of \$4,000,000).

Reports from the various Missions of our Church abroad are, without exception, such as call for great thanksgiving to God. In the Congo the work is developing with remarkably rapidity. The ten stations reach out into more than a thousand villages with evangelism educational, medical, social, and industrial activities. In Mexico, the reports show many new places occupied, while as yet scores of towns and villages lie untouched by the gospel. In no other nation of South America has the impact of Protestantism been felt so strongly as in Brazil. From Formosa one of our missionaries writes: "In our many years on the mission field we have never seen a field more ripe for sowing and reaping for the Kingdom of God."

The outstanding characteristic of our work in Japan is seen in the eagerness and avidity with which the people respond to the Christian message.

From Korea word comes of the organization of many scores of new churches, and of many new Christians, many from among the Communist prisoners of war. In the territory occupied by our Mission alone are nearly a thousand active Presbyterian churches and congregations.

The department of Overseas Relief and Interchurch Aid continues its service of love and mercy in war-torn countries. Material and spiritual aid has been sent to Korea, Palestine and Europe. The total amount allotted to this work in World Missions falls far short of meeting tremendous and tragic world needs.

Your committee reports that at the close of this season twenty-three visits to churches in the Presbytery will have been made by missionaries. The missionary speakers were: Miss Florence Root of Korea; Rev. William A. McIlwaine, D. D., Japan; Rev. Bill Washburn, Africa; Rev. Joseph Hopper, Miss Emily Winn and Rev. S. Dwight Winn, Korea. In addition to addresses in the churches, 8 talks have been made to schools and one radio broadcast made.

The Committee regrets that all the churches could not be reached. This was due to a scarcity of missionaries on furlough and the great demand for them all over the Assembly at this season.

Recommendations: 1. That pastors be requested to preach several sermons on Foreign Missions during this period, and to lay special emphasis on prayer and self-denial.

2. That the attention of the churches be called to the fact the per capita giving in the Presbytery has been almost static for two years at a time when the cost of the work abroad has been rapidly advancing.

W. S. Patterson, Chairman, called attention to the omission of the name of W. D. Ratchford in the list of Ministers present in the minutes of the July 1952 meeting of Presbytery.

REPORT OF PRESBYTERY'S COUNCIL

H. M. Moffett, chairman, presented the report of Presbytery's Council, which was received and recommendations adopted as follows:

Presbytery's Council met at the First Presbyterian Church, Gastonia, North Carolina on March 17, 1953 at ten (10) a. m. Present were eleven (11) members of the Council. The Reverend H. M. Moffett was elected chairman and the Reverend W. C. Neel, clerk. The chairman of the Council and the Clerk were authorized to address a letter to the chairman of the Board of Commissioners of Henderson County stating that Presbytery's Camp be used only for religious services. This has been done. The policy regarding the sending of flowers upon the death of Ministers or members of their family was given considerable discussion. The council was of the opinion that the expression of sympathy on such occasions should be confined to telegrams, letters, and such messages and urges Ministers and churches most closely associated with such families to act promptly to see that such expression is sent from the Presbytery.

W. Roy Robinson and Raiph Falls were appointed by the Council to confer with the stated clerk about the purchase of such equipment as may seem necessary for the safe keeping of the records of Presbytery.

The following recommendations are submitted to Presbytery:

1. That, on recommendation of Synod's Council, Presbytery bond all treasurers of Presbytery and recommend to the sessions of local churches that they do the same.

2. That the trustees act as a committee on guidance in giving information about wills conveying property or funds to church causes and that they draw up such information and that it be published in the Minutes of Presbytery.

3. The Council recommends that the Moderator of Presbytery bring greetings to the Women of Presbytery at their annual meeting May 1, 1953.

REPORT OF THE WOMEN OF THE CHURCH

In connection with Presbytery's Council report, Mrs. Paul Mauney, president of the Women of the Church of Kings Mountain Presbytery was presented and gave the report of the Women of the Church, which is as follows and which was adopted with a vote of appreciation to Mrs. Mauney for her presentation of the report and God's blessing upon their work.

God has richly blessed our efforts during this past year. 3,246 women have worked together with our faces set toward our theme for the year, "Christ Preeminent."

Using the fine material prepared for us by the Board of Women's Work, we have gone forward in every field of endeavor and feel a grater spiritual awakening among our women.

For our Bible studies we have used "The Holy Spirit and Today," by Jas. A. Jones and a study of the Book of Colossians prepared by Joseph M. Gettys. "Great Protestant Leaders" by Alison and Thomas W. Currie was the background for our general programs.

Many outstanding missionary speakers came to our Churches to inform us of work being done in both home and foreign fields. 24 Churches held schools of missions and 13 others read and reviewed our mission books, "Frontiers of Hope," "Africans On Safari" and "Led In Triumph."

Reports of local groups show gains in spiritual endeavor. 1,146 women read the Bible daily, 1,893 studied the Bible in some class, 727 are tithers and 694 have family worship.

The financial report is also gratifying. The Women of The Synod, having undertaken to raise in two years \$50,000 to endow a Chair of Bible at Presbyterian Junior College, gave the women of our Presbytery \$3,500 as our quota. To date we are over the top with \$3,714.24. Also noted is the fact that last year our gifts to local expenses almost doubled gifts to benevolences. This year this is exactly reversed. Gifts to local Churches were \$14,514 and to benevolences \$26,041—total gifts \$40,555, an increase of \$2,396.

We regret we now have two Churches without organized women's groups, Machpelah and Duncan's Creek. We pray that we may soon reorganize these.

Thanking God for His blessings on us, we pray His continued guidance as we strive to follow our theme for the New Year "Not to be served, but to serve."

Respectfully submitted,
Lillian R. Mauney.

REPORT OF THE MEN OF THE PRESBYTERY

Also in connection with the report of Presbytery's Council, Mr. Bruce Thornburn, president, reported attending the Men's Council with S. J. Patterson, Director of Men's Work of the Assembly, at which time plans were made for the men's work of the Presbytery, and the importance of getting a large delegation from the Presbytery to attend the Synod's Men's Convention at Montreat, June 19-21, was stressed.

REPORT OF CHURCH EXTENSION

Faust, secretary of evangelism for the Synod, and a presentation of the Negro work campaign by Robert A. Gordon, the layman chairman of the Presbytery's committee of the Negro campaign. The report as adopted is as follows:

CHURCH EXTENSION COMMITTEE REPORT

We are very proud of the fact that the study of the Home Missions program of our Synod made last summer by Dr. Ralph A. Felton, Professor of Rural Sociology of Drew Seminary and Dr. James M. Carr, our Church Secretary of Town and Country Work, revealed the fact that Kings Mountain Presbytery led the Presbyteries of our Synod in Home Mission Churches coming to self-support.

While making this survey, the Town and Country Church Institute for our Presbytery was held in the Kings Mountain Church. Twenty pastors of the Presbytery were present for this meeting.

Your committee is glad to report to Presbytery that at the beginning of this Church year, another of our Home Mission Churches, namely Dallas, became self-supporting.

We would call special attention to the place Outpost Work has meant in the growth of our Presbytery and note with deep concern the lack of Outpost Work at present.

RECOMMENDATIONS:

1. That we express our sincere appreciation to the Matthews-Belk Company of Gastonia for their gift of \$2,000 to aid our Churches in their building programs and that the following divisions be made of this gift:

- a. \$500 to Dallas for manse repairs,
- b. \$500 to the Linwood Church in Gastonia on condition that they raise \$1,000 immediately for their new manse,
- c. \$500 to the John C. Robinson Memorial Church to be applied to their church debt when they raise an additional \$1,000,
- d. \$300 to Hephzibah for a heating plant in the church,
- e. \$200 to Columbus on condition that they liquidate their debt on the manse.

2. That Presbytery write a letter of appreciation to Mr. Houston Matthews and Messrs. Tom and Irwin Belk and their sisters, Mrs. Charles Gambrell, thanking them for their gift and interest in our Home Mission Work.

3. That a letter of appreciation be written to Mr. R. C. Dixon, Treasurer of the Home Missions Committee, expressing our appreciation for the time given as treasurer of the Committee and for his help in erection of Home Mission Churches and Manses.

4. That the following appropriations be made from the balance in our treasury:

- a. \$500 to Goshen for their new church building when they raise an additional \$1,500.
- b. \$500 to Bessemer City when they raise an additional \$1,500 for their educational building
- c. \$500 to Castanea for their educational building when they raise an additional \$1,500,
- d. \$500 to Westview on condition that they raise an additional \$900 for their new church building.
- e. \$1,500 to Columbus Church when they raise an additional \$3,000 for the much needed educational building,
- f. \$2,000 for the new work at Shelby, made conditionally that additional sufficient funds are raised locally for this new work. In making this recommendation, we call special attention to the splendid survey that required a month's service of Miss Mildred Mallard of the Synod's Office. The survey revealed the need and opportunity for this new work.

5. That a loan of \$1,500 be made for one year to the Linwood Church from the Church and Manse Fund.

6. That the following appropriations be made for this year: Columbus, \$1,125; Saluda, \$1,125; Duncan's Creek and Ellenboro, \$663.75; Hephzibah, \$675; Castanea, \$750; Springwood and Westview, \$675; John C. Robinson Memorial, \$675; Linwood, \$900; Vacation Fund, \$500; M. A. F. Fund, \$700; Outpost Work, \$400; Committee Expense, \$700; Miscellaneous, \$100.

7. That we commend our Home Mission Churches and pastors for the splendid progress made during the past year.

SUGGESTED CHANGES

Suggested changes in the plan of union adopted by Presbytery and ordered forwarded to the joint-negotiating committee are as follows:

1. That in the Plan of Union there be included the action of our General Assembly (Presbyterian Church in the U. S.) in 1939 which reads as follows: "That the General Assembly declare that it regards the acceptance of the infallible truth and Divine authority of the Scriptures, and of Christ as very and eternal God, Who became man by being born of a virgin, who offered Himself a sacrifice to satisfy divine justice and to reconcile us to God, who rose from the dead with the same body with which He suffered, and who will return to judge the world, as being involved in the ordination vows to which we subscribe."

2. Supplemental Covenant and Agreement, (Page 21).

That the paragraph on page 22, beginning: "If three-fourths of those present and voting, etc." be changed to read: "If a majority of those present and voting. . . ."

3. Directory of Worship, (Chapter 8 and 9).

That to chapter 8, section 3 there be added to the questions found there, questions (1) and (2) given in the Book of Church Order (Presbyterian Church in the U. S.) paragraph 356 viz. (1) "Do you acknowledge your child's need of the cleansing blood of Jesus Christ and the renewing grace of the Holy Spirit?" (2) Do you claim God's covenant promises in (his) behalf, and do you look in faith to the Lord Jesus Christ for (his) salvation, as you do for your own?"

That the section concerning the questions asked a candidate for baptism (chapter 8, section 4, page 96) be returned to the joint negotiating committee, requesting it to strengthen them concerning the atoning work of the Lord Jesus Christ.

That following section 3, chapter 9, page 97, there be added a form of profession of faith.

4. Form of Government, (Chapters 9, 10, and 34).

That the committee on the plan of union reconsider item 3, chapter 9, and item 2, chapter 10, and bring the qualifications for the office of Ruling Elder and Deacon into harmony with the Word of God.

That section 11, chapter 34, be deleted from the plan of union, viz, "A particular church shall not sell, mortgage, or lease any of its real property used in connection with the work of the church, except in consultation with the presbytery of jurisdiction."

We call to the attention of Presbytery the following facts concerning contributions. In the year 1949-1950 we gave \$62.11 per member to all causes, in 1950-1951 our gifts rose to \$70.31 per member, in 1951-1952 the average was \$73.56 per member, and in 1952-1953 the average was \$93.23 per member. In 1950-1951 our average gifts to benevolences was \$18.01, in 1951-1952 the average was \$21.56 per member, and in 1952-1953 the average rose to \$22.30 per member. In 1951-1952 Presbytery's total gifts to benevolences were \$180,871.00 and in 1952-1953 the total gifts to benevolences rose to \$187,675.

We believe that the churches in our Presbytery are making progress in their benevolent giving. Thirty-eight of forty-four churches paid 100 percent or over of the total benevolent askings for 1952-53. We are asking all churches to make an earnest and prayerful effort to meet their quotas for the coming year and that they give to each cause the amount apportioned by Presbytery, so that none of the agencies of our church will be forced to curtail their efforts in behalf of the Kingdom of God.

REPORT OF COMMISSION ON THE MINISTER AND HIS WORK

Rev. J. Walter Dickson, chairman, presented the report of the commission on the minister and his work, which was adopted and is as follows:

The Commission has been engaged to the best of its ability in assisting churches who need such help in securing ministers. This involves much letter writing and office work, and is carried on with the swiftest dispatch of which we are capable. Delays are often met, however, due to a tardiness on the part of some one to whom letters of inquiry, etc. have been sent. Necessarily, all men whose names are submitted to the Commission by Nominating Committees of vacant churches must be investigated and voted on by the Commission, which procedure takes place in stated meeting the first Tuesday night of each month in the Chairman's office.

We offer our continued services to all vacant churches and will be happy to assist in every way possible in the important work these committees are assigned to do.

We recommend the following:

I. That the Elders present return to their respective churches and urge upon the Deacons a straight-forward appraisal of the sufficiency of the salary being paid your minister in these times of high costs for nearly all commodities. It remains true that the Gospel Ministry is one of the lowest paid professions in terms of dollars and cents in our country. The very honor of religion demands that in some instances necessary steps be taken to allow the minister greater financial freedom.

II. That the Call of the Saiuda Church to Mr. Curtis Goodson be found in order and placed in his hands after he has successfully completed examination for ordination.

III. That the Call of the Dallas Church to Mr. Samuel McKay be found in order and placed in his hands upon the successful completion of the examination by Presbytery.

IV. That Rev. T. E. Henderson continue as Stated Supply of the John C. Robinson Memorial Church until the January meeting.

REPORT OF THE WOMEN OF THE CHURCH

Mrs. Paul Mauney, president of the Women of the Church of the Presbytery of Kings Mountain, was presented and gave the report of the Women of the Church, which is as follows and which was adopted with a vote of appreciation to Mrs. Mauney for her presentation of the report and God's blessing upon their work. The report is as follows:

There are 3274 women in 43 organizations in Kings Mountain Presbytery. Only one Church, Machpelah, has no women's organization.

Reports from every women's group show that women, taking as their theme "Not to be served, but to serve", have been busy during this short church year doing much to further God's kingdom.

In order to keep informed we have read church papers and studied materials prepared for us by church agencies. For our programs in general meetings we have used the booklet "My Church" by Margaret and Kerr Taylor. In circles we have studied different phases of the work of the church as presented in "Presbyterian Women", our own little news sheet, augmented by articles from the "Presbyterian Survey". During Church Extension season in October we studied "Jacob's Ladder" by Alex R. Batchelor. Many churches had schools of Missions during this season. Rev. Dayton Castleman of the Chinese Mission in New Orleans and Rev. Charles Gibbons of the Board of Church Extension spoke in several of our churches giving information and inspiration.

That we might grow spiritually many women have read the Bible and prayed daily and faithfully tithed. For our group Bible study in circles we have studied the Book of Mark as presented to us by Robert A. Lapsley, Jr. in "Portraits of the Master". As an intensive study in Psalms we used "Mirror of the Soul" by Wallace M. Alston.

In local churches women have given many hours of loving service in visitation evangelism, teaching in Sunday School and Bible Schools, acting as leaders of Young People's groups and Girl Scout troops, preparing church suppers, helping in planning for and paying for new church equipment and other ways. Women are greatly interested in the Campaign for Negro work.

In interchurch work our women have helped in Negro Bible schools, sent Negro women to the Negro Women's Conference in Winston-Salem, taken part in World Day of Prayer, World Community Day and May Fellowship Day.

In wider service groups of women have sent clothes and support funds to children at Barium, sent financial support to individual

missionaries as well as warm clothing to be distributed by them. For Overseas Relief we sent more than 3,000 pounds of clothing as well as some grains through Crop. Our White Cross gift was 40 cotton dresses, 50 cotton baby blankets, 400 rolled bandages and \$208 in cash. Our Birthday Gift of \$2,313.09 went toward establishing Furlough Homes for Missionaries. This was 71c per capita as against 49c per capita in the Synodical.

Financial reports show women gave \$12,376 toward local expenses and \$18,954 to benevolences, a total of \$31,330.

We give God the praise for things accomplished and ask His guidance as we go forward into a new year.

Respectfully submitted,
Lilliam R. Mauney
(Mrs. Paul Mauney)

REPORT OF THE COMMITTEE ON CHURCH EXTENSION

Rev. George L. Riddle, chairman, presented the report of the Committee on Church Extension which was adopted:

Realizing that the health, growth and power of the church largely depends upon its Home Mission emphasis, we are glad to report that our Presbytery is making continued progress in its Home Mission Work.

Your chairman in his efforts to meet the needs and the challenges of the work, traveled over 5000 miles in nine months. We are glad to report that all of our Home Mission Fields except two has pastors and they have temporary supplies.

We are deeply grateful for the continued support of our work by the Matthews of Gastonia and the Belks of Charlotte in a gift of \$2,000 each year for building purposes. These gifts have been used as challenge funds and have been a great factor in our building program in the past few years. They request that as far as possible that the grants from this fund be made to churches in Gaston County.

We'd like to again call the attention of Presbytery to the great worth of our Church and Manse Loan Fund. This fund that has been a blessing to so many churches was started with a gift from the Presbyterial of \$750. It has grown through the years to \$5600. There are so many calls upon the fund that it should be increased to \$10,000. By order of the Presbytery, the loan is made the first year without interest. If not paid the first year, then four per cent interest is to be charged.

We Recommend:

- That this fund be kept before the Women of the Church as their special Home Mission objective.
- That \$500 be given to the Linwood Church as they have completed raising \$1,000 and we had assured them when they raised one thousand, we would give them \$500 to pay in full the \$1500 loan from our Church and Manse Fund.
- That \$550 be given to the John C. Robinson Church to enable them to pay \$1500 on their loan from Synod's Loan Fund.
- That \$1500 additional be given to the Shelby Church to enable them to erect the Chapel in West Shelby at an early date.
- That we commend our Home Mission Churches and Pastors for the splendid progress made during the past year.
- That Presbytery give a rising vote of thanks to Mr. R. C. Dixon for his faithful and untiring labors as treasurer of the Home Mission Committee. Mr. Dixon will remain on the committee, but the duties of treasurer will now be performed by Mr. Roy Robinson, newly-elected central treasurer.

g. That the following appropriations be made:

1. Castenea	\$1000
2. Columbus	1650
3. Hepzibah	900
4. Saluda	1500
5. Linwood	1200
6. Springwood and Westview	900
7. Ellenboro and Duncan's Creek	875

We wish to express our appreciation to the various Nominating Committees which have counseled with us during the past months. These Committees have seriously undertaken the task appointed to them and by working with the Commission have accelerated the work from the point of view of all concerned.

The Commission meets the first Tuesday at 7:30 p. m. in the office of the Chairman and will be glad to have any committee to meet with it at that time. It is well to notify the chairman in writing 10 days prior to the meeting of your intention to be present.

2. That Presbytery concur with request of Rev. Edward Craig that the Pastoral Relationship between himself and Hephzibah Church become effective June 1, 1954, that he may assume the pastorate of the Effingham (S. C.) Stewardship Committee, who presented some facts about the stewardship progress of the Presbytery along with the apportionments to the individual churches, which were accepted and which you will find attached to the inside back cover of the Minutes.

Report on Stewardship:

We rejoice and give thanks to Almighty God for the abundant evidences of His blessing among the churches of the Presbytery.

We call attention of Presbytery to the following facts concerning contributions. In the year 1949-1950 we gave \$62.11 per member to all causes, in 1950-1951 the average rose to \$70.31 per member, in 1951-1952 the average was \$73.56 per member, in 1952-1953 the average rose to \$93.23 per member, and in the nine month period ending December 31, 1953 we gave \$72.57 per member, which would be at the rate of \$96.76 per member on a full year basis. In 1950-1951 the average gifts to benevolences was \$18.01 per member, in 1951-1952 the average was \$21.56 per member, in 1952-1953 the average was \$22.30 per member, and for the nine month period ending December 31, 1953 the average gift was \$18.94 per member or at a rate of \$25.25 per member on a yearly basis. In 1951-1952 Presbytery's total gifts to benevolences were \$180,871.00, in 1951-1953 the total gifts to benevolences rose to \$187,675.00, and for the nine month period ending December 31, 1953 the total gifts to benevolences were \$162,249.00.

We believe that the churches in our Presbytery are making progress in their benevolent giving. We are asking all the churches to make an earnest and prayerful effort to meet their apportionments for the year 1955 and that they give to each cause at least the amount asked by the Presbytery so that none of the agencies of our church will be forced to curtail their efforts in behalf of the Kingdom of God.

REPORT OF COMMITTEE ON CHRISTIAN EDUCATION

Rev. D. O. McInnis, Chairman of the committee, presented the report of the committee to Presbytery which is as follows:

To King's Mountain Presbytery, Meeting at Union Church, September 21, 1954.

FOR THE INFORMATION OF PRESBYTERY

During the past year God has richly blessed the work of Christian Education through varied opportunities for inspiration, instruction, and Christian fellowship. There were provided this year for the Presbytery an Institute for Daily Vacation Bible School leaders, one Senior Fellowship Conference, two Pioneer Camps and a Pioneer Conclave, one Sunday School Workshop, and one Men's Rally in addition to other opportunities which were not Presbytery wide in scope.

It will be of interest to the Presbytery to compare the youth conference program for this year to that of 1950—the last year before the purchase and use of Kings Mountain Presbytery Camp. In 1950, 90 seniors attended the Youth Conference held at Montreat at a per person cost of \$18.50, and 98 Pioneers attended the Pioneer Conference held at Camp Hope near Canton, N. C. at a per person cost of \$15.00. This year 127 senior young people attended the conference at a per person cost of \$7.00 and 243 Pioneers attended Pioneer Camps at a per person cost of \$7.00. Aside from the cost, the increase in the number of youth participating is significant.

The Senior Youth Conference was directed by Rev. Park H. Moore, Grover, N. C. and was attended by 127 youth with 17 adult leaders. This conference brought to the youth and leaders alike a high spiritual experience.

For the first time this year we held two Pioneer Camps, both under the direction of Rev. Holmes Smith of Forest City, N. C. These camps were attended by 243 campers and forty two adult leaders. For all there was a rich experience of fellowship with God and with one another.

The second Sunday School Workshop was held this year with a registered attendance of 106 from 19 churches. We were again this year very fortunate in securing outstanding leadership for each division of study.

In May a Vacation Bible School Institute was held for leaders in this field. To date, ten churches have reported their schools with an enrollment of 1,003 pupils.

A Men's Rally was held at the First Presbyterian Church of Shelby in July at which time special emphasis was placed on training men for their specific job in the church. This rally was well attended and was of real value to the men in the Presbytery.

This year the Presbytery Camp has been used more fully than in any previous year. Five hundred fifty three people attended the four

Presbytery conferences at the camp. In addition forty two smaller groups representing 20 churches have used the camp during the season. While the spiritual results of this work cannot be accurately measured, from reports of those taking part, we may safely assume that the spiritual life of the Presbytery has been greatly enriched through the opportunities offered by the camp.

RECOMMENDATIONS

1. That Presbytery offer our grateful thanks to Almighty God for His blessings on this work during this year, particularly for His spiritual blessings, and also for His care throughout all the conferences and camps that no serious injury or illness has been sustained by any camper or leader.
2. That Presbytery express our appreciation to those who have done so much to make the camp and conference program a success:
 - To Rev. Park H. Moore and his staff of leaders for the Senior Youth Conference.
 - To Rev. Holmes Smith and his staff of leaders for the Pioneer Camps.
 - To Miss Soonie Stroup and her staff who prepared and served all the meals.
 - To Rev. George L. Riddle who served as Business Manager for all the camps.
 - To Mr. Ennis Jackson and the Camp Committee who maintain the camp facilities.
3. That the dates set aside for Christian Education emphasis during the year be observed.
 - a. That December 26, 1954 be observed as Christian Student Sunday.
 - b. That January 20, 1955 be observed as Youth Sunday.
 - c. That the week of January 20 - February 6 be observed as Youth Week.
 - d. That February 20 be observed as a Day of Prayer for Students around the world.
 - e. That April 17 be observed as Assembly's Training School Day.
 - f. That April 24 be observed as a Day of Prayer for Schools and Colleges.
 - g. That May 1-8 be observed as Christian Family Week.
 - h. That September 25 be Rally Day in our Sunday Schools.
 - i. That September 25 - October 1 be observed as Christian Education Week.
 - j. That December 25 be observed as Christian Education Week.
 - k. That December 25 be Christmas Student Sunday.

REPORT OF SPECIAL COMMITTEES

Presbytery's Camp, Ennis Jackson, chairman, made the following report to Presbytery, which was received:

REPORT OF KINGS MOUNTAIN PRESBYTERY CAMP COMMITTEE

The Kings Mountain Presbytery Camp Committee presents to the 129th session of Presbytery, meeting at Union Presbyterian Church, September 21, 1954, the following report:

We are so grateful for the many rich experiences this year both spiritual and material. This year was the first time Kings Mountain Presbytery held two pioneer camps. Our hearts were warmed with the numbers that took advantage of the opportunities made available at the camps and conferences this year.

We wish to thank the ministers, youth advisers, group leaders, and all others who helped us make it possible to report another all-time high camp attendance in the history of Kings Mountain Presbytery. Presbytery's senior groups held a one week camp. Presbytery's pioneers group held two one week camps. Presbytery's Sunday School work shop was held. Presbytery's council of the women of the church held their retreat. Several churches of the Presbytery held camp retreats for their membership. A majority of the churches of Presbytery used the camp facilities for various groups: Congregational retreats, Sunday School classes, youth groups, Scouts, and individual families. Often this year two, three, and sometimes more different groups enjoyed the camp at one time. It was with regret many request for a specific time had to be denied and a second choice reservation made. We must confess we were pleased to learn of the large number of demands for the camp facilities. It has been our goal to build a camp with facilities to serve either a large group, or serve conveniently many smaller groups at the same time. For example, we have added a kitchen to the rear of the infirmary. This is an asset to the infirmary during large camps and makes it a complete unit for smaller groups or a family. We promise more smaller group facilities as soon as finances permit more kitchens to be built.

Our balances at the beginning of this year were		\$1,572.31
Receipts for the year	\$3,401.84	
Disbursements this year for camp operation	3,145.33	
Leaving a profit of this year's operation of		256.31
Making balances on hand		\$1,828.62

We wish to add the profit again this year to our reserve and operating fund.

We are grateful to be able to report we only owe a balance of \$15,000.00 to date on the purchase price of \$75,000.00 for the camp properties. This balance is payable \$5,000.00 per year plus interest. Our next payment is due April, 1955, which we expect to meet. We have camp budget apportionments unpaid that totals \$23,000.00. We are so happy and grateful for the large amounts received this year on camp apportionments. We thank you so much. We trust in the not too distant future these apportionments will all be paid which would clear our properties of any indebtedness and enable us to install more facilities.

We wish to report the completion of the amphitheater. This was made possible by a gift from our friend and brother Mr. W. S. Patterson, in honor of his wife, Mrs. W. S. Patterson. We are now in the process of installing lighting facilities at the amphitheater. This was made possible by a friend and supporter of the camp. We wish to thank Oiney Church for their gift of the Scout building which had to be moved to make way for school class rooms at Robinson School. Also, we wish to thank Mr. John Akers and Akers Motor Lines for hauling the dismantled building to Presbytery Camp site. We are proud of this building which we re-erected at the head of the lake. It will serve many uses for camps and retreats. We wish to thank Mr. George Riddle who served as Business Manager for all three weeks of camps again this year. His contribution of time, talents, and labor is acknowledged and appreciated. We wish to commend Miss Sonie Stroupe, our camp dietician; also all of our staff of co-workers for preparing and serving our food. We want to thank everyone who enabled us to make known "God's plan of redemption for the world" to so many of our Presbytery.

RECOMMENDATIONS

1. That our Presbytery change Presbytery's camp year to coincide with our church year which is January 1, December 31.
2. That the name of Kings Mountain Camp Amphitheater be Wose-Pat in honor of Mr. and Mrs. Patterson, who gave us the seats for the amphitheater.

Respectfully submitted,
Kings Mountain Presbytery Camp Committee
Ennis Jackson,
Chairman

Craig, chairman, presented to Presbytery the resolution that Presbytery express its gratitude to the pastor and the members of the Union Church for inviting Presbytery to meet with them, and to express a special note of thanks to the ladies of the Church who spread such a bountiful meal before the brethren. These four sons all survive the deceased.

He attended Union Theological Seminary in Virginia, 1892-94; Louisville Presbyterian Theological Seminary 1894-1895. Graduating with a Bachelor of Divinity degree. Davidson College conferred the Doctor of Divinity Degree in 1941.

He was licensed in April of 1895 and ordained to the Gospel Ministry in September of 1895 by Missouri Presbytery. Dr. Akers served the following Churches: Stated Supply, Deer Park Indian Grove and Bethpel in Missouri 1895-96; Pastor of Lauderdale Street Church, Memphis, Tennessee 1896-1905; Stated Supply McMinnville and Woodbury Churches, 1905-1906; Pastor Mayesville Kentucky 1906-1910; Pastor Crescent Hill Church, Louisville, 1910-1916; Pastor Blackshear, Georgia, 1916-1918; Pastor First Presbyterian Church, Fayetteville, Tennessee, 1918-1922; Pastor of First Presbyterian Church, Lincolnton, North Carolina, 1922-29; Pastor of West Avenue Presbyterian Church, Charlotte, North Carolina, 1929-1941. He served as supply Pastor for churches in and around Gastonia as long as his health permitted. He was a loyal Presbyter.

Dr. Akers was a Christian Minister of deep earnestness, broad sympathies, high ideals of loyalty to both God and Man and definite convictions as to the supreme authority and plenary inspiration of the Scriptures of the Old and New Testaments. He was also a man who knew the Lordship of Christ, the power of Prayer, and joy of service and blessings of a spirit filled life. He loved his Presbyterian Church and served her faithfully right up to the last. A month or six weeks before he was called to his eternal reward he was at a Called Meeting of his Presbytery and let his voice be heard on the vital issues facing the Church of the Lord Jesus Christ today. His mind was clear and his fervor for the Kingdom never wavered.

As Preacher, Teacher, Pastor and Friend—Dr. Akers was all of these as he moved in and out among all classes, colors and creeds. He was "beloved by all" because he loved all. His unselfishness, his thoughtful consideration, gentleness and friendliness, and sympathetic understanding endeared him to all who knew him.

**EXECUTIVE COMMITTEE OF
CHRISTIAN EDUCATION**

Rev. John S. Brown, Chairman, presented the report of the Committee of Christian Education, which was taken up section by section discussed, and acted upon, as follows:

General Recommendations: 1. That the Chairman of the Camp Committee, and the Woman Adult Adviser to the Presbytery Youth Council, be added regular members of the Committee of Christian Education. Adopted. 2. That pending the adoption of this report, the report of the Presbytery's Camp Committee be heard. Adopted.

CAMP COMMITTEE

Mr. Ennis Jackson, Chairman, presented the report of the Camp Committee which was received and recommendations adopted as follows:

The Kings Mountain Presbytery Camp Committee presents to the 130th session of Presbytery, meeting at Shelby, January 18, 1955, the following report:

We thank God for the many blessings the camp has enjoyed the past year. We had no serious sickness or accidents. We give thanks for the interest so many different groups and individuals have shown in desiring to make use of the camp facilities. For the many material gifts we have received. We, the committee, say thank you Lord, and ask that you join us in giving thanks to Him.

Our camp facilities were in much demand the past season by many church groups. Your committee has for its goal, a camp with facilities for a large Presbytery Camp group, or several smaller groups enjoying the camp at the same time.

We reported at the fall meeting of Presbytery the completion of our amphitheater, and now we are happy to report the insulation of lighting is completed and ready for use. The lake has been drained and the Parrot feather or sea weed along with the silt has been shoveled out and over the dam. The area above the foot bridge has been leveled off to where no water is over four feet deep. We are in the process of securing some folding chairs, more area lighting, and curtains. Our much needed kitchen at the Millar House has not been accomplished, but we are happy to report we have some building material and kitchen equipment for same. We hope this year, to find funds to build this building which, when completed, would let us hold a Junior Camp at the same time one of the other camps were being held.

Kings Mountain Presbytery Camp Site Had A Balance	
On Hand As Of December 31, 1953	\$ 8,423.79
Receipts for the Year	13,966.44
Making a Total of	22,410.23
Disbursements	17,051.74
Balance on Hand January 10, 1955	5,358.49
Making a Total of	\$22,410.23

We still owe \$15,000 to Mrs. F. C. Waters on the purchase price of our camp. All bills are paid up to date. We are planning to make a \$5,000 payment April 1, 1955, which will leave us owing \$10,000. Your committee is grateful for the interest and efforts made by churches of the Presbytery toward their camp apportionments the past year. We still have camp apportionments to the churches of the Presbytery to the amount of \$17,099.67 unpaid and are eagerly looking for the time when every church will have paid in full. This will enable the camp to render a better service to all.

RECOMMENDATIONS

1. That the Presbytery appoint a committee to dedicate the Wose-Pat Amphitheater.
 2. That the new building at the head of the lake be named The Dixon Memorial Building in the memory of Mr. W. A. Dixon's father and mother. Mr. Dixon has made a gift to the camp covering the cost of same.
 3. That the Presbytery appoint a committee to dedicate The Dixon Memorial Building.
 4. That the beneficiary for the camp insurance policies be changed to Treasurer of the Kings Mountain Presbytery instead of Trustees of the Kings Mountain Presbytery.
 5. That we secure the full time services of a resident care taker for our camp for the months of June, July and August. The maximum cost not to exceed \$500.00.
 6. That the camp fee be \$7.00 per person including insurance.
- Respectfully submitted,
Kings Mountain Presbytery
Camp Committee
Ennis Jackson, Chairman

PRESBYTERY'S COUNCIL

Rev. P. D. Patrick, chairman, presented the report of the Council, which was confined to the introduction of Mrs. R. L. Ellis, President of the Women of the Churches of the Presbytery, which was approved by standing vote and is as follows:

WOMEN OF THE CHURCH

The work of the Women of the Church, of Kings Mountain Presbytery, has been richly blessed as they have worked together during the past year, using as their theme "The Field Is The World". There were 3456 women in 132 circles in the forty-three organizations. All but one, Macpelah, has an active organization. An increase of 182 in membership over the previous year has been made with 8 new circles being formed.

For our Bible Study we have used "Acts-Words About Deeds" by Dr. Price H. Gwynn, Jr., in our Circle Study and "The Glory of the Church" by Dr. James Appleby, based on the letter to Ephesians, for our Intensive Bible Study.

Reports from the forty-three organizations show many more wom-

en leading in Bible Studies, an increase in daily Bible Readers, Tithers and Family Altars.

Our general programs concerning "The World Church" have given the women a deeper understanding and appreciation of the Church around the world. For our Circle Studies we have used "Let's Talk About It" in our monthly newspaper "Presbyterian Women" and related articles in the Survey.

During the World Mission Season, many held "Schools of Missions" using the literature prescribed by the Board of World Missions. Many were visited by active and retired missionaries who served and are serving on our Mission fields. Film strips were shown in many churches. All contributed through special offerings. One organization contributed to the partial support of a Missionary.

In October, during the Church Extension season, many churches were visited by the Reverend William C. Brown, of Guerrant Presbytery, Kentucky, giving much information concerning the work there. The Study Book "Man And God In The City" was widely used.

In Interchurch work our women have helped in Negro Bible Schools, sent 16 delegates to the Conference for Negro Women in Winston-Salem, 5 delegates to the Women's Training School at Stillman College and 2 delegates to the Christian Conference for Negro Youth. Help both spiritually and materially was given to Negro churches.

In local churches the women have given many hours of loving service in visitation evangelism, teaching in Sunday Schools and Bible Schools, as Adult Advisors for Young People's Groups and Girl Scout Troops, preparing church suppers, helping in church nurseries, helping in Blood Bank Centers and helped in planning for and paying for new church equipment.

Having been concerned for some time over the fact that so many of our youth of the church do not attend our church schools, the Women of the Church established two \$150.00 scholarships to be given annually to the youth of Kings Mountain Presbytery. It is earnestly hoped that more and more scholarships may be offered as the fund increases thus encouraging and enabling our youth to attend church supported schools.

Clothes and support funds to children at Barium Springs, financial support of missionaries, many pounds of clothes for Overseas Relief were contributed. Our White Cross gift was 12 bedspreads, 48 bath towels, 6 dozen diapers, 24 baby blankets, and 24 baby jackets plus postage were sent to Ecuador plus \$200.00 in cash. Our Birthday Gift of \$1,874.73 was given for the Evangelistic Expansion Program in Guerrant Presbytery, Goodland Indian Orphanage at Hugo, Oklahoma and the Division of Radio and Television of the Board of Church Extension. Our gifts to benevolences this year more than doubled gifts to local expenses, \$26,775.00 to Benevolences and \$10,750.00 to Local Expenses, a total of \$37,525.00 or an average of \$10.85 a member.

The Women of the Church, entering this New Year accept the "Forward With Christ" three year program. We are deeply conscious of the united effort of every church member it will take to achieve the goals suggested. We pledge you the pastors and elders, our prayers and loyal support. We seek your prayers and interest in the Women of the Church, for God's blessing to use every woman in our Presbytery to be an active witnessing member for Christ Kingdom.

Respectfully,

Mrs. (R. L.) Eleanor J. Ellis

COMMISSION ON THE MINISTER AND HIS WORK

Rev. D. O. McInnis, chairman presented the report of the

Commission on the Minister and his work, which was approved as presented and is as follows:

The Commission on the Minister and his work is happy to report that we now have only three vacant churches within the Presbytery and three others with either temporary or Stated Supply. There are no churches, so far as we can learn, without regular ministerial services. We would also express our appreciation to the Nominating Committees of churches who have recently called ministers for their splendid cooperation with the Commission in our efforts to discharge our responsibilities to the Presbytery, and to the churches and ministers concerned.

For the benefit of those who may now be seeking a minister, or who may have to do so in the near future, the Commission has been elected by Presbytery to aid you in this extremely important work. In an effort to make the meetings as convenient as possible for the members of the Commission and for those who may wish to meet with the Commission, they are held at the First Presbyterian Church of Cherryville, N. C. at 7:30 p. m. on the first Tuesday each month.

We also call to the attention of the churches the action of Presbytery last October establishing a minimum salary for ministers of the Presbytery. The minimum set for a single minister is \$3,300 per year and for a married minister \$3,600 per year. It is assumed that a manse is to be provided. The great majority of our churches exceed this minimum and we are sure that those who may not have reached it as yet will wish to take immediate steps to bring the salary paid their ministers at least to this figure.

We report to Presbytery the dissolution of the pastoral relationship existing between the East Belmont Presbyterian church and the Rev. R. L. Berry and his dismissal to the Presbytery of Granville, effective November 15, 1954.

We make the following recommendations:

1. a. That the call of the First Presbyterian Church of Belmont to the Rev. W. Priestly Conyers III be found in order.
- b. That the call of the Cramerton Presbyterian Church to the Rev. C. D. Patterson be found in order.
- c. That these men be admitted to examination. And, that, upon successful completion of the examinations, they be enrolled in Presbytery, and their respective calls be read and placed in their hands.
2. That Presbytery name Rev. Burton Sherrod Stated Supply of the Ironton Presbyterian Church for a period of one year.
3. That Presbytery approve William Jenkins, a student (senior) at Davidson College and a ministerial student, as Temporary Supply for the Springwood Church.
4. That the following increases in salaries be approved: Tryon, \$300 per year; Shiloh, \$300 per year.

D. O. McInnis, Chairman

PRESBYTERIAN SURVEY

A letter from Theodore B. Pratt, Promotional Director of the Presbyterian Survey, was read, extracts ordered printed, and a recommendation adopted as follows:

Extracts from Letter:

"Call attention to the steady improvements being made in PRESBYTERIAN SURVEY, describe the type and scope of articles that are offered and give the value of our Every Family Plan. This is the plan by which a church subscribes for every family on its rolls, thus getting a 20% discount. Point out that a Survey-reading member is a better church member and a more effective Christian. How the official magazine undergirds and supports the total program of the church. Urge each church to set up a Survey committee of one elder, one deacon, and one Woman of the Church, and to send their names and addresses to the Survey office in Richmond. Then we can regularly supply them with sample copies for new members, subscription blanks and promotional materials."

Recommendation: That churches use one of the two plans suggested in the above quotation.

MEMORIAL TO THE REVEREND CHARLES RICHMAN BIXLER (1913 - 1955)

MEMORIAL TO THE REVEREND CHARLES RICHMAN BIXLER (1913 - 1955)

(Prepared By A Special Committee Of Kings Mountain Presbytery
And Read Before Presbytery On May 17, 1955)

Richness of life is not measured in worldly honors or length of days but in the integrity and charm of a Christlike spirit. Charles Richman Bixler lived richly, and when his Lord came for him early in the morning, he was ready.

He had been ready since childhood, for he was born the seventh of the nine children of the Rev. and Mrs. C. E. Bixler, pioneer missionaries of the Presbyterian Church in the USA on the Brazilian frontier. Charles Bixler had always known his Lord.

In September 1929, just a few days before his sixteenth birthday, Charles Bixler arrived in the United States and joined his older brother at the Stony Brook School, Stony Brook, Long Island. Although Portuguese was his native tongue and although he spoke English with great difficulty, he rapidly achieved distinction as a Christian campus leader and outstanding athlete. He exerted a profound and lasting influence on his contemporaries and was accorded by them the highest of student body honors.

From 1934 to 1938, Charles Bixler was a student at Davidson College where he grew in a Christian usefulness that was enhanced by his athletic skills by which he earned letters in football and wrestling. The following two years he spent in business, living at home and bringing joy to his aged parents who by this time had retired from the mission field.

Yet these were trying days for Charles Bixler. Business was not to be his vocation, and he knew it. More than anything else in life, he wanted the Lord to lead him back to his beloved Brazil. But the way was blocked, for he had contracted the incurable diabetes and in addition was struggling with a hyperthyroidism which eventually resulted in the removal of his goiter.

It was a hard discipline, yet one which was accepted gracefully. In 1940 Charles Bixler was enrolled at Columbia Theological Seminary. In the spring of the following year he began his work where he was to end it—in Kings Mountain Presbytery. He served as the student assistant to the Rev. P. D. Patrick in the First Presbyterian Church of Kings Mountain. Here he was quickly beloved, and the session of the church invited him to come back the next summer. He accepted the invitation.

Upon graduation from Seminary Charles Bixler was called to Blountville, Tennessee, but ere June was out, he married the attractive Miss Sarah Bond Matthews who has since worked loyally and

cheerfully with him in four pastorates. Holston Presbytery ordained him on October 5, 1943. The Bixlers stayed in Blountville until the following fall. While there, Florence Ann, their daughter was born.

The next field was a hard one; there were three churches and a fourth to supply. Yet so well did the Reverend Mr. Bixler do his work that when he left in 1947, the young Mallow Church became independent of the grouping with Oakland and Low Moor, and each of the two fields achieved self-support.

When the citizens of Sharon, S. C. learned some four years later that the Bixlers were leaving the Woodlawn Church there, they planned a gigantic community party. It was a fitting and eloquent testimony to one whose ministry had included all the people of the town.

Five Bixlers came to the manse of the Armstrong Memorial Church in Gastonia, for there were now two boys in the family—Charles Edwin, born in April 1947 and Joseph Bond who arrived in September 1950. It was a happy occasion, for the Rev. Alfred Bixler, a younger brother, was then pastor of the Olney Church in Gastonia.

And it was a happy pastorate. And a busy one. Schism in the church was healed. An education building was completed. There was new lighting installed in the sanctuary and a new organ. Although still dogged by ill health and suffering at one time from a severe heart attack, Mr. Bixler was active not only in his church but in the Gastonia community and in the Presbytery which he moderated in the summer of 1953.

Mr. Bixler was a faithful interpreter of the Scriptures which he deeply loved. He preached with the power of simplicity. Commanding respect and evoking love, he was particularly effective as a leader of young people and of men. His highly competitive spirit had been tempered by disappointment and suffering until he possessed a singular winsomeness, a deep understanding of people, and great patience.

The Reverend Charles Richman Bixler lived only 41 years, but he lived richly in the grace of our Lord Jesus Christ.

In connection with expense of above publication in the Christian Observer, the Stated Clerk was directed to report later. (See Unfinished Business.)

Also in connection with the above memorial, a verbal report was given on the amount of the Memorial Fund in lieu of inability of Mr. Bixler to get insurance, and announcement made that the Fund is still open for contributions, which should be sent to Rev. P. D. Patrick.

WORLD MISSIONS

Rev. Howard McE. Wilson, Chairman, presented the report on World Missions which was adopted and is as follows:

"Almost 2,000 years have passed since the Master gave us His Great Commission, yet the missionary outreach of the Church remains in its pioneer stages. Every passing century adds new generations to the earth's population, and there actually more people today unreached by the Gospel than there were in the time of Christ. More than one-half of the world still lies in unbelief. The aggregate population of those areas committed to our denomination alone is 40,000,000."

"Our Church is represented today by 448 missionaries in the fields abroad. This is the largest number of missionaries on the roll in twenty-seven years. In no other decade of our Church's history have so many answered the call. Yet this record falls far short of meeting the insistent plea that comes from every field for more workers. Actually, the splendid companies of young people who have been set apart to this service . . . have represented less than one-fourth of the number requested in the personal askings of the Missions and recognized by the Board as urgently needed."

"The General Assembly of 1954 took cognizance of this situation, and resolutely wrote into the Forward with Christ Program as one of its goals a net increase of 168 missionaries in three years . . . making allowance for losses by death, retirement and other causes, approximately 70 new missionaries will have to be commissioned each year from now until 1958. This is double the rate of the past ten years. Here is a challenge to our youth, to the homes and firesides of our Church, to our congregations and pulpits, to the Board and to the entire Church."

"The Board reports with gratitude that the regular receipts for 1954 totaled \$2,733,728.36, and were sufficient to cover the actual expenditures, although they fell short of the approved spending budget by \$141,171.64. The total expenditures were \$2,732,996.30, leaving a small surplus of \$732.06 on the year's operations."

"To make the advance authorized by the Assembly, contributions to World Missions during 1955 must exceed by \$300,000 the receipts of 1954. This is not an unreasonable goal; but it will demand the dedicated enlistment of us all."

"Though this year has been one of the best we have ever enjoyed in recruiting, it still falls far short of the annual goal set by the General Assembly in aiming for a net increase of 168 new missionaries by 1958. This gives some indication of the job that is before us. It is one that should summon us to our very best in faith and effort."

REQUEST TO BE EXCUSED

The request to be excused from attendance upon the afternoon session by the following was granted: Rev. Hoyt Evans, Mr. C. Q. Huffstetler, and Rev. Howard McE. Wilson.

REPORT OF PRESBYTERY'S COUNCIL

In the absence of the Chairman, Rev. J. B. Bradley, presented the report of Presbytery's Council, which included: 1. Preparation of the Proposed Docket, which has been presented to Presbytery and adopted as amended. 2. Two items of business referred to the Executive Committees. 3. Two Recommendations.

This report was received and the recommendation regarding Ministers Salaries held in obedience pending the report of the Commission on the Minister and his work and the other adopted as follows:

That the Moderator appoint a committee of three members, on Divorce and Remarriage to study and report to Presbytery rules for the Manual and that the committee also act on such cases as may be brought to their attention until Presbytery takes action on their report.

Committee named by the Moderator: Rev. D. O. McInnis, Chmn., Rev. R. T. Baker, and Mr. Hugh Arrowood.

COMMISSION ON THE MINISTER AND HIS WORK

Rev. D. O. McInnis, Chairman, presented the report of the Commission on the Minister and his Work, which was received and the parts adopted as follows:

The Commission is ready to serve the churches or the ministers of the Presbytery whenever the occasion arises.

We report to Presbytery the following actions:

1. The conclusion of the financial matters concerning Licentiate Henry Robards, Jr.
2. William Jenkins continues to serve as student supply of the Springwood Church.
3. Jack Sadler is serving as student supply of the John C. Robinson Memorial Church.

4. The dissolution of the pastoral relations between Rev. Fred R. McAlister, Jr. and the Linwood Presbyterian Church.

The dismissal of Rev. Fred R. McAlister, Jr., to Atlanta Presbytery.

We submit the following recommendations:

1. The dissolution of the pastoral relations between Rev. Park H. Moore, Jr. and the Shiloh Presbyterian Church, Grover, N. C. effective June 30, 1955.

In connection with this recommendation Rev. Park H. Moore personally requested that Presbytery dissolve the pastoral relations and Mr. Sam Stain, representing the Shiloh church, stated that the church had concurred in the request. The request was granted.

2. The approval of the Call of the Armstrong Memorial Presbyterian Church, Gastonia for the ministerial services of Rev. Park H. Moore, Jr.; the placing of the call in his hands; and upon acceptance the appointment of a Commission for his installation.

In connection with this recommendation, Rev. Park H. Moore signified his acceptance of the Call and requested that the Commission be appointed as follows; which request was granted.

COMMISSION TO INSTALL

Rev. Park H. Moore, Jr., Armstrong Memorial Church
Sunday, July 3rd, 1955 — 8:00 P. M.

Rev. Hoyt Evans to preside and propound the questions.

Dr. J. N. Brown, to preach the sermon.

Rev. J. Eade Anderson to charge the pastor.

Rev. P. D. Patrick to charge the congregation.

Ruling Elders C. L. Spencer and Robert Brandon to complete the commission.

2. That Presbytery grant permission to the Union Church to increase their minister's salary by \$400 per year.

CONCERNING MINISTERS SALARIES

According to the reports made to the General Assembly at the end of the year one third of our ministers are now receiving either the minimum salary recommended by Presbytery or less than that amount. None of these churches requested permission to increase their minister's salary for this year. While some few of these men may receive an additional amount in the form of "expenses" or "utility allowances" the great majority of them receive no additional income from their churches. We wish to call to the attention of any church within the Presbytery who has not yet reached the minimum salary standard, the action of Presbytery establishing such a standard. This amount is \$3,600 per year, a manse, and participation in Ministers Annuity Fund for a married man. This, we would emphasize, is regarded as the minimum and each church is encouraged to do their very best to provide an adequate salary for their minister based on his requirements.

We would further call to the attention of all the churches within the Presbytery the fact that a minister's real income (or net salary)

is usually much lower than his gross salary figure reported to Presbytery. (The exceptions being the churches where adequate expense allowances are provided.) This is true because the ministr pays his own transportation expenses and other expenses incurred in doing the work of the church. In the lower salary brackets this often amounts to twenty-five percent or more of his gross income, thus reducing his real income by that amount. We believe that the interests of the Kingdom of God can better be served if the church will assume all, wherever this is possible, or at least a part of the expense required in doing the work of the church. This would provide the minister with a higher net income and make his "salary" figure more realistic. We believe our ministers deserve adequate remuneration to meet their modest requirements.

Recommendation

1. We therefore recommend that the session of each church investigate the net salary your minister now receives and, where this is found to be inadequate to meet his just requirements, that immediate steps be taken to bring his net salary in line with his requirements.

2. We further recommend that a copy of this part of our report and this recommendation be sent by the Stated Clerk to the Clerk of the Session and the Chairman of the Board of Deacons of each church within the Presbytery.

REQUEST TO BE EXCUSED

The request of Rev. John S. Brown and the Ruling Elder from the Shelby Church, Mr. Everett Pruden to be excused for the afternoon was granted.

REPORT OF COMMITTEE ON CANDIDATES

Rev. J. N. Brown, Chairman, presented the report of the Committee on Candidates, which was received and the following actions of the committee approved:

During the few days that I have served as Chairman (an emergency caused by the death of Rev. Charles R. Bixler and the moving of Rev. Fred McAlister to Atlanta Presbytery) I have assigned the Parts of Presbytery to Candidate Grady E. Dixon, who is a Senior at Columbia Seminary and who has informed me that he expects to accept work in Mecklenburg Presbytery.

Mr. Robert S. Link of Rutherfordton, N. C., a Senior in Presbyterian College, Clinton, S. C., has appeared before the Committee with application blanks properly filled out, and requested that he be examined by Presbytery as a candidate for the ministry.

Mr. Samuel Curtis Patterson of Cramerton, N. C., a Freshman at Davidson College also appeared before the Committee with application blanks properly filled out, and requested that he be examined by Presbytery as a candidate for the ministry.

EXAMINATION OF CANDIDATES

The young men named above, Robert S. Link and Samuel Curtis Patterson, appeared before Presbytery, were examined by the Moderator, which examination was sustained. A suitable charge was then given to them by the Moderator and Prayer offered by Ruling Elder Harvey Carpenter of the Rutherfordton Church and Rev. C. D. Patterson, father of Samuel Curtis Patterson; and on motion Robert S. Link and Samuel Curtis Patterson were ordered enrolled as Candidates for the Ministry under the care of Kings Mountain Presbytery.

CANDIDATE DISMISSED

On information furnished by Rev. J. N. Brown from the files of the Committee on Candidates, Candidate James Moss was granted a letter of dismissal to the Presbytery of Concord and a copy of Parts of Presbytery assigned were to be included.

REPORT ON CHURCH EXTENSION

Rev. Geo. L. Riddle, Chairman, presented as information a letter regarding the Negro Work Campaign, which was received.

REPORT ON CHRISTIAN EDUCATION

In the absence of the Chairman, Park H. Moore reported on the Junior Camp scheduled for June 13-18th; J. Eade Anderson on the Senior High Camp, June 20-25th; and J. Holmes Smith on the Pioneer Camps, June 27-July 2nd and July 18-23rd; which were received as information.

REQUESTS TO BE EXCUSED

Rev. S. L. McKay and Ruling Elder Robert A. Grier, Rev. J. H. Buzhardt and Ruling Elder W. D. Lewis made requests to be excused, which were granted.

REPORT ON RECORDS

Rev. W. S. Patterson, Chairman presented the report of the Committee on records which was adopted and is as follows:

Your committee has examined the minutes of the One Hundred and Twenty-Eighth Stated Meeting; the Ordered Meeting, at Synod July 14th, 1954; the One Hundred Twenty-Ninth Stated Meeting; and the Called Meeting, West Avenue Presbyterian Church, September 21, 1954; the One Hundred Thirtieth Stated Meeting; and the Called Meeting, First Presbyterian Church, Gastonia, March 8, 1955.

The Minutes appear to be well and neatly recorded. We recom-

mend that the two bound copies of these minutes examined be the official record of Presbytery.

The two volumes of the Ninety-Fourth General Assembly and Volume II of the Ninety-Fifth General Assembly have been examined. We find no matters that should be brought to the attention of the Presbytery, other than those the Stated Clerk has already brought to our attention.

BILLS AND OVERTURES

Rev. R. H. Ratchford, Chairman presented the following Overture on the Amendment to become a new Chapter in the Book of Church Order, which was adopted and ordered sent to the General Assembly.

"Kings Mountain Presbytery overtures the General Assembly to restudy the Proposed Amendment to the Book of Church Order entitled

"Our primary objection to the proposed amendment lies in our belief that the proposal sets up a graduated scale of 'Orders' and therein is out of harmony with the doctrine of vocation and orders now expressed in the Book of Church Order. The Book of Church Order now sets minimum educational standards for ordination, requires examination by Presbytery and a call to a work. But no graduated scale of orders within the order of Teaching Elder is recognized. We believe the same concept of vocation should find expression with regard to Directors of Christian Education."

RESOLUTIONS

Rev. D. O. McInnis, Chairman, presented the following Resolutions of Thanks, at the noon hour while Presbytery was gathered for lunch in the dining room of the camp; which was adopted by a rising vote.

Be it resolved that Kings Mountain Presbytery express appreciation:

To Almighty God for His bountiful provision for our every need of body and spirit.

To our host, the Kings Mountain Presbytery Camp Committee and to the Chairman Ennis H. Jackson, for the very comfortable provisions for this meeting of Presbytery and for the very delicious dinner.

To those who have added so much to our pleasure by their service in preparing and serving the dinner.

We would also commend the Camp Committee on the continuing improvement of the facilities of Camp including the beautiful Wose-Pat amphitheater to be dedicated this afternoon.

UNFINISHED BUSINESS

The Stated Clerk reported that he had made a check on cost of printing the Memorial in the Christian Observer and recommended that the Publicity Chairman be authorized to send a copy to the Christian Observer with an accompanying statement that no funds were available for the cost of printing.

MINUTES READ AND APPROVED

REPORT OF PRESBYTERY'S COUNCIL

Rev. P. D. Patrick, chairman, presented the report of Presbytery's Council, which included reference to approval of the council for the presentation of the proposed docket, the communication from the office of the Stated Clerk of the assembly in regard to the publication of the book: "The Office of Clerk of Session" by Frank M. Beatty, and the old deeds now in the hands of the Stated Clerk, for advice and adoption.

REPORT ON STEWARDSHIP

We rejoice and give thanks to our heavenly Father for His blessings upon the churches in our Presbytery. We delight to call the attention of Presbytery to the fact that Kings Mountain Presbytery led our Synod in the percentage of gifts to assembly causes last year. Most of our churches gave in full or exceeded their quotas for the benevolent causes of our church. We prayerfully urge that all of our churches

make a determined effort to meet their quotas, so that none of the agencies of our church need suffer, and be forced to curtail their work.

Recommendations:

1. That Presbytery accept the askings of the general assembly, synod and Presbytery for 1956, and make an earnest prayerful effort to raise the total amount, which is \$176,997.00 broken down as follows:

FACTORS USED IN DETERMINING 1956 APPORTIONMENTS:

(1) 1/3 for 1955 Membership; (2) 1/3 for Benevolence Contributions to Assembly and Synod the last three years; (3) 1/3 for Total Contributions, less Building Expense, for the last three years.

PRESBYTERY'S CAUSES:

Church Extension\$ 18,059
Christian Education 14,715

\$ 32,774

TOTAL BENEVOLENCES\$176,997

2. Due to increased askings from the Contingent Fees by the assembly and synod, and due to our Presbytery's increased needs, that we increase the Presbytery's tax to (\$.40) forty cents per capita, which will make our Presbytery's tax askings (\$3,499.00).

3. That Presbytery adopt the following calendar of special emphasis:

January—Christian Relations; February—World Missions; March—

Evangelism; April—Christian Higher Education; May—No major emphasis; June—General Fund Agencies; July—Christian Citizenship; August—Evangelism; September—Religion Education; October—Church Extension; November—Stewardship and Every Member Canvass; December—Annuities and Relief.

4. That Presbytery print the record of giving during last five years showing standing of churches.

5. That the council call to the attention of Presbytery the fact that it endorses the report of the Presbyterian Synodical Foundation.

6. That the recommendation of the Executive Committee on Higher Education to Synod, urging a campaign in 1956 for \$3,500,000 (\$3,000,000 for the proposed consolidated college and \$500,000 for Campus Christian Life) be approved.

7. That Presbytery approved of the proposed campaign by Queens college for 1957-1958, beginning not earlier than June 1, 1957.

8. That the Stewardship Emphasis Season begin October 1, 1956 and continue through November 18, 1956, with November 11 being designated as Every Member Canvass Day, with the theme of the canvass being "Christ-First-Now".

9. That since Stewardship is an integral part of the Christian experience, churches should be reminded that it is something more than underwriting the annual budget of the church. "The Stewardship Committee in the local church", available without cost from the general council, offers helpful suggestions on how this cause may be kept continually before the people. "Planning and conducting the Every Member Canvass", a manual on canvass procedure, was distributed to all pastors last year, and additional copies are available, at a nominal price, from the general council.

10. That the council assures the Presbytery and local churches that the greatest care has been taken to present realistic budgets. We consider the amounts recommended as the absolute minimum amounts needed for the security of our work. It is therefore highly essential that all efforts be concerted to see that the full amount is secured for each agency. We would call to the attention of every congregation the needs of all the agencies of the church, as represented by the amount apportioned to it by the Presbytery's Stewardship Committee or Council. The responsibility should be fully met before over and above gifts are made to any cause or causes, etc.

That Presbytery, following the example of synod and the general assembly, reaffirms its position that the foregoing apportionments shall be the total minimum amount expected from the church by the Every Member Canvass and supplementary gifts, and recommends that each church choose either of the following methods best suited to raise its funds:

(a) By including in its local budget a certain portion of its benevolence apportionment to be contributed through the budget, with the balance to be secured by supplementary offerings to certain causes, or

(b) By including the total apportionment in the budget without supplementary offerings.

In making the above statement, the General Council calls attention

to the church, and to local congregations, that the annual Birthday Offering of the Women of the Church, the Negro Work Campaign, and the Easter Offering are not for budgeted causes and should be handled as special offerings separate and apart from the budget.

As the work of the church must go on throughout the year, we urge all local church treasurers and central treasurers to remit their benevolences as collected—monthly if possible. This will enable all agencies to meet fixed monthly obligations without the necessity of borrowing money.

11. That a special Easter Offering be received for alleviating suffering and need in the name of Christ throughout the world; the funds to be administered by the Board of World Missions through its Department of Overseas Relief and Inter-Church Aid for work not included in their budget, working cooperatively with other Protestant denominations in Church World Service, C. R. O. P. and the World Council of Churches.

12. That the program emphasis for 1958 be "The Church."

13. That the Presbytery urge every church to enlist and participate in the "Forward With Christ" program.

14. That the calendar of special days and seasons recommended by the General Assembly for observance by the church, be adopted, and likewise the customary three emphases of the Synod be approved. (Thanksgiving—Barium Springs Orphanage; Mother's Day—Presbyterian Home; and a day in April for emphasis in Sunday Schools for promotion of Vacation Bible Schools.)

15. That the action of the 1955 assembly commending to Presbyteries their consideration of the following procedure be adopted: That the Presbytery keep before the pastor and the session of each local church its primary responsibility for support of the official program of the church, including its regular benevolence causes.

The above report was adopted as submitted by the chairman of the council.

REPORT OF COMMISSION ON THE MINISTER AND HIS WORK

Rev. D. O. McInnis, chairman, presented the report of the Commission on the Minister and his Work which was approved as amended and is as follows:

The Commission on the Minister and his Work has met regularly and handled all matters brought to their attention. While we have not solved all the problems of the Presbytery, we have been of some service to some of our churches and ministers.

The commission meets each month on the first Tuesday evening at 7:30 o'clock at the Presbyterian church in Mount Holly to consider any matters that may be brought before us. The commission is available to any church or minister in our Presbytery for any service we may be able to render.

We report the following actions to Presbytery:

1. The dissolution of the pastoral relationship existing between

Rev. James L. Mays and the First Presbyterian church, Lincolnton, effective June 30, 1955

2. The dissolution of the pastoral relationship existing between Rev. Thos. E. Henderson and the Northside Presbyterian church, effective July 31, 1955.

3. The dissolution of the pastoral relationship existing between Rev. W. C. Neel and the West Avenue Presbyterian church, Gastonia, N. C., effective September 15, 1955.

We offer the following recommendations:

1. That the calls of the Duncan's Creek and Ellenboro churches to Rev. Thos. E. Henderson be found in order and placed in his hands and that arrangements be made to install him as pastor of these churches.

2. That the call of the Saluda church to Rev. W. C. Neel, be found in order and placed in his hands and that arrangements be made for his installation.

(At this point in the consideration of this report time for recess for lunch arrived and on motion, Presbytery took recess.)

REPORT OF COMMITTEE OF CHRISTIAN EDUCATION

Rev. John S. Brown, chairman, presented the report on Christian Education which included announcement concerning Men's Rally at the

First Presbyterian church, Belmont, Sunday afternoon, October 2nd and two recommendations. The report was received and the recommendations adopted as follows:

2. That Presbytery authorize the Camp Committee to purchase 4.4 acres of land which includes the source of water supply of the Camp Lake, from the Lake Summit Corporation, with the understanding that the cost of same will not involve Presbytery's funds. (A friend of the camp has promised to purchase this land for Presbytery if Presbytery is willing.)

COMMISSION ON THE MINISTER AND HIS WORK

Consideration of the report of the Commission on the Minister and his Work which was unfinished at the morning session was now resumed.

Recommendation 3 adopted as amended is as follows: "Kings Mountain Presbytery defines its policy regarding temporary supplies in the following matters:

(1) That a temporary supply be defined as a supply not to exceed the time between stated meetings of Presbytery.

(2) That no church enter into a temporary supply relation without the approval of the Commission on the Minister and his Work and the counsel of the Church Extension Committee. A temporary supply to be only while a church seeks a minister.

(3) That college students be allowed to serve as temporary supply on no more than a weekly basis except during the summer months, and in no case without the approval of the commission.

(4) That the commission be instructed by Presbytery to inform the churches now having college students as temporary supply, of this policy and to conclude all present relationships with college students by June 1, 1956."

Recommendation 4. Adopted as amended to include motion that the committee on nominations study the request for laymen to promote the policy in the Presbytery and is as follows:

That in accord with the action of Synod, the minimum salary for this Presbytery be set at \$3,800 per year, with a Manse provided and 7 1/2% annuity payments, and that the Presbytery consider increasing the minimum salary to \$4,000 per year in 1956.

REPORT OF COMMITTEE OF CHURCH EXTENSION

Rev. George L. Riddle, chairman of the Committee of Church Extension, presented the report of the committee which was adopted and is as follows:

The Church Extension Committee of Kings Mountain Presbytery met at the First Presbyterian church, Cherryville on September 12. To this meeting were invited representatives of all aid receiving churches

and pastors. Reports from the churches were received and all showed encouraging growth. We are grateful for our pastors that serve churches receiving aid from Presbytery.

Your committee is grateful for those who have made special gifts for the work of Church Extension in our Presbytery.

The attention of Presbytery is called to the church and manse fund. There are many calls from the churches on this fund. There is need for more and better facilities in all our Home Missions Churches. This fund needs strengthening.

Your committee is grateful for the fine support of the churches for the Work of Church Extension in our bounds.

We would call to the attention of pastors the fact there are Sunday School Extension Workers that are available for surveys, where there is a possibility of outpost work or the organization of chapel work. You may contact the Church Extension of your Presbytery and arrangements will be made for you to secure such worker.

We make the following recommendations:

1. That a grant of \$600 for 1956 be made to the Northside Presbyterian church on condition that they keep up their benevolent askings of Presbytery quarterly.
2. That a grant of \$1,500 be made to the Goshen Presbyterian church on condition that they begin construction March 12th, 1956.
3. That the loan of \$1,500 for the construction of manse at Westview Presbyterian church be cancelled on condition that they pay off their Building and Loan debt by June 30, 1956.
4. That grant of \$750 be made to the Saluda Presbyterian church to repair manse on condition that they match dollar for dollar of the committee.
5. That grant up to \$500 be made to the Saluda Presbyterian church on condition that they raise \$500 for the installation of furnace in the manse.
6. That a grant of \$500 be made to the Long Creek Presbyterian church on condition that they raise \$1,500 in one year from this date September 12, 1956.
7. That Vacation and Christmas gifts to the pastors of aid receiving churches be approved for 1956.
8. That Presbytery approve the Church Extension Committee of Synod's plan for campaign for funds in the near future to be conducted on Synod wide basis.
9. That Presbytery approve the action of Synod with regard to minimum salaries of pastors for the Synod.
10. That the following budget be approved:

REPORT OF COMMITTEE ON CANDIDATES

Rev. Jas. N. Brown, chairman, presented the report of the Committee on Candidates, which was received as information with the understanding that a more complete report will be given at the January meeting.

REPORT OF COMMITTEE ON NOMINATIONS

Rev. R. H. Ratchford, chairman, presented the report of the Committee on Nominations which was adopted and is as indicated in the directory.

COMMITTEE ON NOMINATIONS

Rev. A. H. Key and Ruling Elder M. R. Patrick were elected as members of the Nominating Committee to take the place of those whose terms have expired.

REPORT OF COMMITTEE ON WORLD MISSIONS

Rev. Howard McE. Wilson, chairman, presented the report of the Committee on World Missions which was adopted and is as follows:

Your chairman attended the World Mission Conference at Montreat, July 28-August 3rd.

The increasing popularity of our annual Missions Conference in Montreat is a matter of gratification to the board and to the friends of World Missions throughout the church. There has been a steady growth in the patronage of this conference from year to year during the past decade. Only a few years ago, there was deep concern on the part of the board in the scant attendance. Even the popular sessions in the evening sometimes drew not more than three or four hundred people, and most of these were elderly folk; few young people were in evidence. This situation was made a matter of special study and prayer.

The change that has come during the past ten years has been evident to any one who has attended the Montreat Conference with any regularity. Almost five hundred young people registered for the World Mission Conference this past summer. All in all the attendance at the conference appears to be the best we have ever had.

At the impressive Commissioning Service, which was held on the last night of the Mission Conference, August 3, thirty-one new missionaries were formally set apart for their chosen work. Most of these have sailed for their respective fields by this time. Dr. Fulton says, that it appears likely that the total number of new missionaries sent

out during 1955 will come to thirty-seven.

While this compares favorably with the records of past years, it will leave us far short of the goal we have set for ourselves in the Forward With Christ Program. The board, through its Candidate Department, is doing every thing possible to stimulate and broaden its recruiting program.

The treasurer of the board gives the following report of World Mission receipts:

Budget for 1955	\$3,050,000.00
Receipts, January 1-August 31	1,593,635.28
Percentage of Annual Budget Received to Date	52.25%
Balance Needed for 1955	1,456,364.72

The Birthday Offering of the Women of the Church breaks all records. The 1955 Birthday offering for the building of the Yodogawa Christian Hospital in Japan has now passed the mark of \$202,000, by far the largest amount in all the history of these offerings.

On September 5, Mr. Charles F. Davis, Jr., member of the American Institute of Architecture and elder in the South Highland Presbyterian church of Birmingham, Alabama, left by plane for Korea where he will guide our mission in the plans for the erection of a Presbyterian college at Taejon.

The Taejon institution will be the first college established by our Mission in Korea. The need for such an institution has become especially acute since the war. Many of the institutions of higher learning formerly maintained by the Japanese authorities are no longer in existence. The acute need in this field offers a great opportunity to the Christian church to influence and mold the future leadership of the Korean people.

Your Committee reports that Dr. L. Nelson Bell, a former missionary to China and now a member of the Board of World Missions has been secured to speak at a special meeting for the Presbytery, in the interest of World Missions, to be held on February 15, at 7:30 p. m. in a place to be selected by the Presbytery.

Your Committee recommends that at this meeting and the meetings in which Dr. and Mrs. Hopper speak that a free will offering be received for World Missions.

We further recommend that after this report is acted upon that we be led in prayer for our missionaries and the important cause of World Missions.

At the conclusion of the report, Rev. A. R. Craig led Presbytery in prayer in behalf of World Missions.

REPORT OF COMMITTEE ON ASSEMBLY'S SPECIAL CAUSES

Rev. J. H. Buzhardt, Chairman, presented the report of the Committee on Assembly's Special Causes, which included a report of the Birthday Offering of the Women of the Assembly, the Negro Work, the Joy Gift, and the Special Offering for Overseas Relief at Easter, all of which are not in the regular budget apportionments.

REPORT OF COMMITTEE ON ANNUITIES AND RELIEF

Rev. R. T. Baker, Chairman, presented the report of the Committee on Annuities and Relief, which was received as information.

SYNOD'S HOMES

Rev. Burton Sherrrod, Chairman, presented the report of the Committee on Synod's Homes, which was adopted and is as follows:

The William Black Home is located at Montreat. While the Home receives nothing from the Synod's benevolence budget, it is giving Home Mission workers and all Presbyterians of the Synod of North Carolina accommodations equal to any at Montreat at a saving of several dollars for room and board, and offers free entertainment to nine Home Mission workers each season for an entire week. All obligations have been met in full and the Home is debt free.

The Presbyterian Home at High Point is meeting a very real need. It is providing a home for older people who have no home of their own. During 1954, there were an average of 41 members in the Home with only three deaths and one withdrawal. The capacity was reached in November, with sixty persons enjoying the comforts of the Home. A new unit of the Home was completed in July of 1954. As the need arises, and as quickly as money is made available, plans will be made to construct additional facilities. The need is already great for a third unit of the Home and the Board is most anxious to make plans for this unit. But the present debt must be retired first.

The Presbyterian Orphan's Home at Barium Springs is certainly worthy of our prayerful concern and financial support. A perennial false rumor that Barium has more money than it needs is disturbing to the Board. You have only to visit Barium, observe the buildings in a much needed state of repair, observe the lack of furniture and equipment in the rooms of the children to discover that Barium is not wealthy and that it does still have needs yet to be met.

Your committee would like to make the following recommendations:

1. That the work of all three of these Homes be remembered in prayer.
2. That we do all possible to support all three of these Homes financially.
3. That the churches of Presbytery make use of the sixteen mm. color, sound film, "When the Bow Breaks", which tells the story of the Presbyterian Orphan's Home. This film may be obtained from the Home.
4. That a Thanksgiving offering be received for the Presbyterian Orphan's Home, and that the ministers of Kings Mountain Presbytery endeavor to lay this need on the hearts of their people.

REPORT OF COMMITTEE ON RECORDS

Rev. W. S. Patterson, Chairman, presented the report of the Committee on Records which was adopted and is as follows:

Your Committee on Records has examined Volume I Minutes of

the Ninety Fifth General Assembly. All matters pertaining to work of the Presbytery, are being handled by proper committees, therefore need no special mention here.

Minutes of the One Hundred and Thirtieth and One Hundred and Thirty-First Stated Meetings of Kings Mountain Presbytery have been examined. Records have been neatly and properly kept. Index and Directory are arranged in a helpful manner.

The Committee recommends that the volumes as examined, be approved as the official records of the Presbytery.

REPORT OF SPECIAL COMMITTEE ON FORWARD WITH CHRIST

Rev. J. Eade Anderson, Chairman, presented the report of the Special Committee on Forward With Christ, which included mention made that six churches in the Presbytery had not given indication of having adopted the Forward With Christ Program.

Mr. Jack Sadler, who had previously been introduced to Presbytery gave a very encouraging report of the Forward With Christ progress in the John C. Robinson Presbyterian Church.

The report of the Committee was received as information.

REPORT OF SPECIAL COMMITTEE ON MARRIAGE AND DIVORCE

Rev. D. O. McInnis, Chairman, presented a report on the Remarriage of Divorced Persons, which was adopted and is as follows:

1. In view of the potential number of requests coming to ministers of King's Mountain Presbytery for the remarriage of divorced persons:
2. And in view of the apparant lack of a clear understanding or interpretation of the law of the Church regarding the remarriage of divorced persons:
3. And in view of the need of divorced persons for the ministry of the church and of their rights to a clear understanding of and to the full benefits of the law of the Church regarding divorce and remarriage:
4. And considering that the decision of a minister regarding the remarriage of a divorced person may not be a purely private affair but is one involving the Church:
5. And further considering that a minister sometimes is not free to decide such matters entirely on the basis of Church Law but is often influenced by other factors:
6. Hence, we believe it would be helpful to the ministers concerned and beneficial to the Church for Presbytery to have a permanent committee on THE REMARRIAGE OF DIVORCED PERSONS.

WE, THEREFORE, OFFER THE FOLLOWING RECOMMENDATIONS:

- a. That Presbytery set up a permanent committee on THE REMARRIAGE OF DIVORCED PERSONS and that the Manuel

- be amended to make provision for such a committee.
- b. That this committee be composed of six members; three of whom shall be ministers and three ruling elders one of whom, insofar as it is practical, shall be an attorney at law.
 - c. That this committee be elected by Presbytery from nominations made by the Committee on Nominations, and that the chairman be named by the Presbytery.
 - d. That the term of service on this committee be for three years with each member eligible to succeed himself; that the original committee be set up in classes as follows: one class for 1956, one class for 1957, and one class for 1958 with each class being composed of one elder and one minister. Thereafter one class shall be elected each year as their terms expire.
 - e. The function of the committee is to advise with the ministers concerned and the parties desiring such remarriage whether or not the contemplated marriage is within the law of the Presbyterian Church in the United States. Ministers may not be required to submit any case to the committee for decision, but may do so if they desire. When a case is submitted to the committee and a decision rendered the decision is to be considered as advice and is not binding upon the minister.
 - f. The procedures of the committee in reaching a decision may be determined by the committee.
 - g. We would also suggest to Presbytery that members of this committee be selected from an area that would facilitate their attendance at committee meetings.
 - h. This committee shall not be required to report to Presbytery.

REPORT OF PRESBYTERY'S COUNCIL, was presented by Rev. P. D. Patrick, Chairman.

The following recommendation was adopted: That the Manual of Presbytery be amended to make Presbytery's Camp Committee a part of the Committee of Christian Education.

Mr. Patrick presented Mrs. R. L. Ellis, president of the Women of the Church in the Presbytery, who gave the report on Women's Work, which was approved and Mrs. Ellis was asked to thank the Women of the Church in the Presbytery for their fine work.

WOMEN OF THE CHURCH—KINGS MOUNTAIN PRESBYTERY MRS. R. L. ELLIS, President

3,573 members of the Women of the Church of Kings Mountain Presbytery, in 140 circles and 44 organizations, one in each church of the Presbytery have responded to the overall emphasis for 1955, "Personal Christian Faith", with increases both in membership and gifts. Most churches reported an increase in Sunday School attendance of the women and also an increased responsibility in church and community activities. We are happy to report that Macpelah the only church in our Presbytery without an active organization, now has a key woman who keeps the six members informed of the work. Four of the six members attended the District Conference.

An increase in tithers and family altars was noted. An effort was made to get the women to complete the reading of the New Testament during the year. Widespread use was made of "Day by Day."

For their Bible Study, the women have used "Living the Faith", "Studies in Romans", by J. P. Love, for Circle Bible Study and "Love in the New Testament" by D. M. Chalmers, for the special Bible Study. General programs for the year have been based on "Released Power for Today" by T. H. McDill also a series of programs on "The Presbyterian Church". In the circles the women used survey articles and "Let's Talk About It" in "Presbyterian Women".

The "Cause of World Missions" has been well presented to the Women of the Church of Kings Mountain Presbytery. Moving pictures, missionary speakers, letters from missionaries, reading of World Mission, study materials, sermons on missions, gifts to missions, seasons of prayer and self denial and the special birthday offering to Yokagawa Hospital in Japan were methods used in keeping interest active in the mission fields. The birthday offering of \$2,012.47 was the second largest in our history. Mrs. William Worth of Belgian Congo was guest speaker at the three district conferences.

Seventeen (17) women attended the North Carolina Training

School, Raleigh, North Carolina, fifteen (15) attended the Women's Training School, Montreat, North Carolina and fourteen (14) churches helped send delegates to the Negro Women's Conference at Winston-Salem, North Carolina.

In October, during the church extension season many churches held Schools of Missions. Dr. and Mrs. S. Brooks McLane, of "Tex-Mex" and Miss Amy Robinson of Oklahoma Presbyterian College, spoke to every church in the Presbytery.

In interchurch work, our women have helped in Negro Bible Schools, helped furnish a kitchen for a local Negro church, one organized a junior choir, four (4) gave clothing and literature to Negro churches. Several helped send delegates to the Negro Conference at Stillman College.

Again this year, two (2) \$150 scholarships were given by the Women of the Church to two students at Montreat College.

Clothes and support funds to children at Barium Springs, financial support of missionaries, many pounds of clothing for Overseas Relief were contributed. Our White Cross gift this year was 348 yards of home made rolled bandages, 6,300 yards of gauze bandages, 6 feather pillows, 12 pillow cases, 24 bath towels, 18 boys "T" shirts, 40 men's handkerchiefs, 34 pieces used children's clothing, which was sent to Maboi Dispensary, Africa plus \$319.60 in cash.

Total gifts this year amounted to \$38,153 with benevolences receiving \$27,339 and local expenses, \$10,814. This is an average of \$10.68 per member.

As we enter this second year of the "Forward With Christ" movement the Women of the Church of Kings Mountain Presbytery seek to strengthen their lives by stressing the development of "Christian Family Life" in all lines of service.

At the conclusion of her report, Mrs. Ellis, speaking directly to Presbytery urged Sessions to have an Elder visit a meeting of the Women of the Church, and the Treasurer to sit with the women in making out their budget as they are interested in unifying the budget of the Church as much as possible.

Following these remarks, a motion was adopted that the matter of a unified budget be referred to the Stewardship Committee of the council for study and clarification.

REPORT OF COMMITTEE ON WORLD MISSIONS, was presented by Rev. Howard McE. Wilson, Chairman.

Mr. Wilson announced that Dr. L. Nelson Bell is scheduled to speak in the interest of World Mission on Wednesday, February 15th, 7:30 p. m. in the First Presbyterian Church, Gastonia, and urged the Ministers and Ruling Elders to advertise this meeting. (Both the speaker and the date were later changed on account of the illness of Dr. Bell.)

The report with its recommendations was adopted and is as follows:

Our Presbyterian Church has just concluded the first year of a three-year plan of advance known as the "Forward With Christ Program." Among the specific goals set by the Assembly for this movement, one is a net gain of 168 missionaries in three years.

During 1955, the first year of the program, we had a net increase of only 30 missionaries, 448 to 478, whereas we should have added 56 to realize one-third of the three-year goal. In the words of Dr. Darby Fulton, "We are anxious about this—not primarily because we are short of our quota—but because these missionaries are so urgently

needed. Insistent pleas for more workers are before the Board from every field."

As we look forward to the Week of Prayer and Self-Denial for World Missions, February 26 to March 4th, we appeal to the Pastors and Elders to help in laying before our people the basic need of our Missionary Program—more missionaries.

We are urged to stress the importance of prayer. Churches are urged to organize prayer groups, or that prayer groups already functioning be asked to include this need and this program as an integral part of their prayers.

Young ministers are being urged to consider prayerfully the immediate need for 39 ordained men on the field, with an especial recognition of the effect that their example will have in leading qualified students and laymen to volunteer for this work.

Pastors are urged to write the Candidate Department informing them of candidates who have a special interest or particular abilities that might lead them into World Mission service.

We recommend: 1st—That Churches plan carefully for the observance of the Week of Prayer and Self-Denial for Missions, February 26th to March 4th.

2nd—An offering of the gifts of our people to match the offering of life, and to meet the larger cost of a larger force of workers.

3rd—That pending the adoption of this report we hear Rev. Harry M. Moffett, a member of the Board of World Missions, who will give a report on the working of the board.

4th—We recommend that immediately after the adoption of this report that Presbytery unite in a prayer for God's guidance and blessing upon the program of World Missions this year and for our missionaries.

Following Dr. Moffett's fine presentation of how the board goes about its far reaching work, the Moderator, Rev. John S. Brown led Presbytery in prayer in accord with the last recommendation of the committee.

The committee on REMARRIAGE AND DIVORCE held a meeting at the First Presbyterian Church, Gastonia on Tuesday morning, January 17th, prior to the meeting of Presbytery.

The committee discussed procedures, and advises the members of Presbytery that ministers seeking advice and counsel of this committee, shall appear before the committee in person, with the following information:

First—the divorce papers of the people or the parties concerned.

Second—either written statements or an oral report of conversations with at least two informed people in which the minister has learned the exact reasons for the divorce from these people.

Third—the account of the situation leading to the divorce as reported by the two parties involved.

The minister alone will present the problem to the Presbytery and his statement to the committee and the committee will give its counsel and advice upon the basis of the ministers presentation.

The committee calls the attention of Presbytery to the fact that according to the Presbytery's minutes of the fall meeting, the Presbytery itself is to name the chairman of this committee. No chairman, as yet, has been named. We therefore, recommend that the Presbytery name the chairman of this committee on REMARRIAGE AND DIVORCE.

To Almighty God for His guidance of us in this meeting and for His evident blessings on the work of our churches.

To the retiring moderator, the Rev. J. E. Anderson, for the splendid inspirational message he delivered,

To our moderator, Dr. John S. Brown, for his capable conduct of this court,

To the Session and congregation of the First Presbyterian Church of Gastonia for their gracious hospitality in providing for our every comfort and convenience,

To the church hostess, Mrs. D. S. Rhyne, and the women of the Church for preparing and serving of a delicious and bountiful noon meal,

And to Dr. Harry Moffett and Dr. J. N. Brown, ministers of the church, for their thoughtfulness as our hosts and to Dr. Moffett for the timely and stirring address on World Missions.

REPORT OF THE SPECIAL COMMITTEE ON PRESBYTERY'S CAMP, was presented by Mr. Ennis Jackson, Chairman and adopted as follows, with an added recommendation by Presbytery, expressing commendation to the Chairman, Mr. Jackson; to Rev. George Riddle, Business Manager and to members of the Staff for each Conference, to Miss Sonie Stroop, the dietitian, and her staff; to Mr. T. G. Miller, custodian and those who have worked with him in keeping the camp in order and protecting the property.

We thank God for the many blessings that we have enjoyed this year.

We are so grateful that we had no serious sickness or accidents and for the rich spiritual experience and fine fellowship enjoyed by all.

The regular schedule conferences held were Pioneer Conclave, Junior Conference, Senior High Conference, Two Pioneer Conferences and a Sunday School Workshop.

Many individual churches and church groups took advantage of their camps facilities. Many times two or more groups were enjoying the camp at one time. We regret that some requests for a specific time and area had to be denied. We have sleeping facilities for almost any number of groups, but we are short of kitchens. We are working hard to have more of these in the near future.

We are happy to report the following improvements to your camp:
1. Wose-Pat Amtheater; graded, seeded in grass and a complete lighting system installed.

2. Improved all roads with crushed stone.

3. Installed automatic electric switches on our water system,

which assures us plenty of water at all times.

4. Replaced the hot water heater at the camp kitchen.
5. Built and equipped a complete kitchen in Cabin No. 16.
6. Built a room to the rear of Cabin No. 25 for a kitchen for the camp supervisor. When equipped this will release the infirmary for other groups.
7. Drained and cleaned the lake, removing from it the sea weed or parrot feather. We are in the process of doing this again this year.
8. We are completing and building a chimney to the Dixon Memorial Building and are working on other class sheds to be used this year.

9. We have purchased the wooded area on the right of the Hendersonville Highway, beginning at our entrance and continuing to the branch. This was made possible by a gift from an individual.

This makes our camp property now consist of about sixty acres. Purchased at three different times as follows:

- The Lake Summit tract, 3 acres, \$1,750.00 paid cash.
- The Millar tract, 42 acres, 1/2 lake, \$15,000.00 paid cash.
- The Walters tract, 15 acres, Bear Wallys Camp, 1/2 lake, \$60,000.00 paid to date, \$51,000.00.

Total 60 acres, balance owed \$9,000.00. We are making plans to make a \$5,000.00 payment, April 30, 1956, which will leave us owing \$4,000.00 balance payable April 30, 1957. We have original camp site apportionments due to the amount of \$13,433.15 as of January 14, 1956.

Many churches have overpaid their apportionments and are continuing to contribute. Others are working towards paying theirs in full. We are very grateful for the amounts received this year.

PROPOSED AMENDMENTS TO THE MANUAL, were presented by Rev. W. P. Conyers and approved for final action at the next Stated Meeting of Presbytery:

1. Amend Par. 2 of Sec. on "Committee", page 8; so that the 2nd sub-par. shall read: "The Standing Committees ordinarily shall be: (a) Bills and Overtures. (b) Resolutions. (c) Time and Place of next meeting. (d) Excuses and Absences."
2. Amend Par. 2 of Sec. on "Committees" pages 9 and 10 "Assembly's Causes" changed to "General Fund Agencies".

READING OF THE MINUTES, by the Permanent Clerk, Rev. Hoyt Pruitt, which were approved with the minor corrections noted, and thus become the official Minutes of this Stated Meeting of Presbytery.

On motion, Presbytery adjourned to meet at the First Presbyterian Church, Belmont, Tuesday, May 15, 1956, 9:30 a. m.

The meeting was closed with prayer.

A letter from Rev. Harry M. Moffett, asking to be excused from attendance on account of being in attendance at a regular meeting of the Board of World Missions; also verbal requests from Rev. Hoyt Pruitt in behalf of Mr. M. D. Haney, Spindale church, and Mr. H. K. Logan, Bostic church; and in behalf of Rev. Jas. Bradley; and from Rev. J. H. Buzhardt, and Rev. Geo. L. Riddle for the afternoon session on account of special services in their churches. All of these requests were granted.

A letter from Rev. Jas. L. Mays, expressing his appreciation for mailings of notice of meetings, minutes, etc. which keep him in touch

with the proceedings of Presbytery, requesting to be excused from attending the meetings of Presbytery through the summer of 1957 and expressing the hope that in the fall of 1957 he may have opportunity to renew the delightful fellowship of attending the stated meetings of Presbytery. On motion these requests were granted and that he be informed in writing that the Presbytery would like for him to retain his membership in this Presbytery, and the Committee on Nominations was directed to replace his name on committee assignments until his return.

A letter from the Church Records Department of the Library, Union Theological Seminary, Richmond, Virginia, asking for copies of Minutes of Kings Mountain Presbytery; Fall 1911; Spring and Fall 1912; Fall 1913; Fall 1917, and all 1915. No one indicated he could supply these copies.

A letter from Rev. Robt. L. Alexander, Pastor, First Presbyterian Church, Greenwood, S. C. on behalf of the session of that church expressing thanks and appreciation for the efforts made by the Presbytery and the Commission on the Minister and his Work in behalf of Mr. Henry W. Robards, Jr., and stating that he would recommend that his name be retained on their Church Roll. Received as information.

Record of Installation, the record of the Commission appointed to install Rev. David F. Blue, Jr., as pastor of the West Avenue Presbyterian Church was received and admitted to record and is as follows:

The commission appointed by Kings Mountain Presbytery for the installation of Rev. Dave Blue as pastor of the West Avenue Presbyterian Church of Gastonia, North Carolina, had its preliminary meeting at 7 o'clock on January 29, 1956, in the Sunday School Annex of West Avenue Presbyterian Church, with the following members in attendance:

D. O. McInnis, Moderator
 H. M. Moffett
 J. Eade Anderson
 W. Roy Robinson
 Robert A. Gordon

Park Moore was excused because of prior commitment.

The meeting was opened with prayer by the Moderator.

R. A. Gordon was elected secretary.

It was moved and then after being properly seconded, voted that the order of service shown in the church bulletin be followed.

The meeting was adjourned to reconvene following the installation service.

Following the service, in which D. O. McInnis acted as Moderator, H. M. Moffett preached the sermon, J. Eade Anderson charged the pastor and R. A. Gordon charged the congregation, and commission held an adjourned meeting at which time the minutes were read and approved.

The meeting was adjourned by prayer by J. Eade Anderson.

R. A. GORDON,

Secretary of the Commission

Overture, an Overture to the General Assembly in regard to the policy of the Board of Annuities and Relief relative to the Mrs. Kate B. Reynolds Fund, was presented by Rev. P. D. Patrick, and referred to the Standing Committee on Bills and Overtures.

Election of Moderator, the Moderator-Nominee having returned from the mission of Welcome to the Chairman of Synod's Consolidated College Campaign at Charlotte Airport, on motion, Rev. C. D. Patterson, Nominee was elected Moderator by acclamation.

Consolidated Presbyterian College Campaign. Rev. P. D. Patrick, introduced Mr. Volt Gilmore, Southern Pines, N. C., Synods General Chairman, of the Consolidated Presbyterian College Campaign, who held the attention of Presbytery while he spoke very convincingly and optimistically on the Campaign to raise \$3,500,000.00 during the month of May. Rev. W. Priestly Conyers then introduced Mr. Gilbert Bush, Mr. Harold Treash, and Mr. Harry Collins, who were accompanying Mr. Gilmore in the College Cruiser Plane, being used during the Campaign. Mr. Bush, representing the company serving as consultants in the Campaign, later spoke briefly to Presbytery. Mr. Conyers then presented Mr. R. Dave Hall, of the Belmont, First Presbyterian Church, who is the General Chairman for the Campaign in Kings Mountain Presbytery, who spoke concerning the progress of the Campaign in the Presbytery. He pointed out that four churches: Linwood, Spindale, Shiloh, and Belmont, First had already reached and surpassed their fair share assignment for the Campaign.

Standing Committees: The Moderator announced appointment of Standing Committees as follows: 1. Bills and Overtures: Rev. John S. Brown, Chmn., Mr. J. R. Hudson and Mr. W. A. Daniel. 2. Resolutions: Mr. Ennis Jackson, Chmn., and Rev. J. H. Buzhardt.

Recess. Presbytery took recess for twelve minutes.

Sermon by Retiring Moderator, Rev. John S. Brown, Pastor Shelby Presbyterian Church, preached a sermon based on Paul's letter to Ephesians, "Three Pictures of the Church."

Communion of the Lord's Table, Rev. W. Priestly Conyers, Pastor of the Host Church, and Rev. J. T. Womack, Pastor of the Lincolnton Presbyterian Church, presided and were assisted by the following members of the Session of the Host Church: W. Neil Pharr, O. J. McKnight, J. Lee Robinson, M. R. Patrick, Eldred Lewis, Pink Lineberger, William Mason, and Ike E. Howe.

Following announcements of Committee Meetings and a check on the Enrollment, Presbytery took recess for lunch.

LUNCH — 12:30 - 1:30 P. M.

Presbytery reconvened at 1:30 p. m. and resumed business.

Place of Meeting, Mr. J. R. Hudson, representing the Lowell Presbyterian Church extended an invitation to Presbytery for the September meeting to be held in that church. The invitation was accepted.

Moderator-Nominee, Rev. J. S. Johnson was chosen as the Moderator Nominee for the September meeting.

Presbytery's Council, Rev. P. D. Patrick, Chairman, presented the report of Presbytery's Council which was adopted as amended and is as follows:

Action at the September meeting of Presbytery, in designating a group of Laymen to promote the raising of the minimum salaries of ministers; and the efforts of the Commission of the Minister and his Work and the Church Extension Committee, which made it unnecessary to call the Laymen to act; were commended.

Recommendations:

1. That Presbytery approve the amendment to the Manual, making the Camp Committee a part of the Executive Committee of Christian Education and that the latter committee continue to operate the Camp under the Manual adopted at the October 1951 meeting of Presbytery, except for articles 1, 2, and 3 which shall no longer apply.

2. That Presbytery take no action on the Overture submitted to the January meeting of Presbytery and referred to the Council for recommendation to this meeting.

3. That Presbytery give the Camp Committee authority to purchase the available property adjoining the Camp, including four acres of land, a small lake, a filling station, and a five room house, furnished; for the sum of \$13,120.00 and that the Trustees of Presbytery be authorized to sign the necessary papers.

That, reports to Presbytery, such as those of the Council, the Commission on the Minister and his Work, the Executive Committees, etc., carrying with them recommendations pertaining to current work of Presbytery; for adoption; be in mimeographed form when presented to Presbytery.

On motion Presbytery affirmed this to be the second and final action on the change in the Manual as adopted in recommendation No. 1 above.

Commission on the Minister and his Work: Rev. D. O. McInnis, Chairman presented the report of the Commission on the Minister and his Work which was adopted and is as follows:

The Commission has met regularly and handled the matters before us to the best of our knowledge and ability.

The Commission meets regularly on the first Friday in the month at 7:30 p. m. in the office of the chairman, D. O. McInnis, at Mount Holly, N. C. Anyone having matters in which the Commission may be of service is invited to attend any regular meeting.

At the present time there are three vacant churches in the Presbytery, Springwood, Linwood, and John C. Robinson Memorial, the latter of which has called Rev. T. K. Bradley from Bristol, Tenn., who has indicated that he will accept the call and assume his duties when the manse at Robinson is completed. The other two are continuing their efforts to call a minister.

The Commission invite members of the Presbytery, both laymen and ministers, to offer recommendations whom the vacant churches may consider. This will be of real help to the churches concerned and to the Commission.

The Commission recommends that Presbytery take the following actions:

1. Name Rev. W. H. Prullt as Stated Supply of the Bostic church until September meeting of Presbytery.

2. That Presbytery establish as a minimum salary basis for the full time services of a minister \$4,000 per year, furnish a manse, 7½% annuity participation, and that every church consider participation in the insurance program offered by the General Assembly. We call to the attention of the Presbytery the action taken by Presbytery meeting at the Shiloh Church on September 20, 1955 (page 13 of the minutes) in which \$3,500 was established as a minimum salary "and that Presbytery consider increasing the minimum salary to \$4,000 per year in 1956."

3. We further recommend that all churches re-examine the salary paid to their ministers and, where inadequacies are found, that they be corrected.

4. Send information on Recommendations 2 and 3 to Clerk of Session and Chairman of Board of Deacons.

Central Treasurer, Mr. W. Roy Robinson, Central Treasurer, presented his annual report which was adopted and is as follows:

Amendments to the Manual, presented at the January meeting of Presbytery, approved, and now presented for final action, were adopted. See Minutes of January 1956 Meeting of Kings Mountain Presbytery, page 22.

Church Extension, Rev. A. R. Craig, Chmn. Sub-Committee on Evangelism, presented the report of the Committee on Church Extension, which was adopted and is as follows:

Our Church Extension Program is in good condition. We need to stress Evangelism.

Recommendations:

1. That we approve of John C. Robinson Memorial Church borrowing \$5000.00 from Assembly's Board of Church Extension, to help in building a Manse.

2. That all of us be praying and planning for a great Four-Presbytery Pastor's Evangelistic Conference in November to be held in Salisbury.

Christian Education, Rev. John S. Brown, Chairman, presented an oral report of the Committee of Christian Education calling attention to the set-up of Summer Conference as reported at the January meeting and as anticipated in the publicity to be given to the various conferences to be held.

The Presbyterian Survey, Rev. Priestly Conyers, at the request of Mr. Pratt, Promotional Director, presented the Presbyterian Survey, giving special emphasis to the Every Family Plan for getting readers for the Survey. The response indicated that at least five churches in the Presbytery use this plan.

Candidates for the Ministry, Rev. Jas. N. Brown, Chairman presented the report of the Committee on Candidates which was received and recommendations adopted as follows:

1. That John Lewis Baker be granted a letter of dismissal to the Presbytery of North Alabama, that he may be examined by that Presbytery for Ordination and installation as pastor of the Ebenezer Presbyterian Church, Hobbs Island, Alabama.

2. That John David Campbell, Jr., be granted a letter of dismissal to the Presbytery of Augusta-Macon, in order that he may be examined for ordination and installation as pastor of the Henry Memorial Presbyterian Church, Dublin, Georgia.

3. That Edsel Marion Huffstetler be granted a letter of dismissal to the Presbytery of Bethel, in order that he may be examined for ordination and installation as pastor of the St. Paul's Presbyterian Church, near Chester, S. C.

4. That Robt. S. Link, at his request be restored to the active roll of Candidates for the Ministry, Kings Mountain Presbytery; and if so restored that the Committee counsel with him about his further study and preparation.

5. That James Burwell Harrison, Jr., member of the Oiney Presbyterian Church be received as a Candidate for the Ministry and if so received that he be advised to attend one of our own Presbyterian Seminaries in his preparation for the Ministry.

The Moderator examined Mr. Harrison on experimental religion and his motives for seeking the Gospel Ministry which was accepted as satisfactory.

He then proposed to him the required questions which were answered in the affirmative.

Rev. J. Eade Anderson, pastor of the candidate delivered a brief charge, and the Moderator closed the proceedings with a prayer.

Mr. James Burwell Harrison, Jr., was then enrolled as a candidate under the care of Kings Mountain Presbytery.

World Missions, Rev. Howard M. Wilson, Chairman presented the report on World Missions, which was adopted and is as follows:

In the providence of God our Church has been given the responsibility for evangelizing at least 40,000,000 people in designated areas of Mexico, Ecuador, Brazil, Belgian Congo, Portugal, Formosa, Japan and Korea. For promoting relief in war-torn lands, and extending inter-church aid in areas where the board maintains no missionary work of its own.

Millions of the people of these lands are poverty stricken and are searching for ways to improve their material lot in life. Many are diseased and are seeking healing for their bodies. Many are looking for a new religious basis for their lives, and few of them have been introduced to Jesus Christ, who is their only hope.

All of these areas are wide open to our missionaries. Most of the national governments are not hostile, and never have the people been more willing to listen.

But our church does not have enough missionaries to do more than a small part of what is demanded by the dimension of the task. We had only 477 missionaries among the 40,000,000 people on January 1, 1956, an average of one to 84,000 of the population.

Dr. Darby Fulton speaks of the New Day in missions, and the most significant feature of the New Day is that there are active, enthusiastic churches in many lands. In six of our eight fields there are organized national church bodies. We are no longer working alone. However, these churches are lacking in numerical force, experience, leadership and material resources. In Korea not more than 5 per cent of the people are church members. More than half the churches are without ordained ministers. Yet the church in Korea is one of the most mature of our enterprises abroad.

The New Day in Missions confronts us with new and greater opportunities. It follows that more missionaries and national workers are needed to take advantage of these providential openings. The greatest day in winning the world for Christ lies in the future, if we can provide an adequate missionary force. If we use our opportunity this generation might see Christianity the dominant faith in some of the mission lands.

God has richly blessed our church in providing great resources in material and men. Church budgets have increased steadily for the past fifteen years. Ever larger numbers of our young people are graduating

from church, state and private colleges. Seminary and Training School graduates have more than doubled since pre-World War II days. Unfortunately our gain in missionary personnel and giving has not kept pace with our over-all increase in workers and gifts. We have to confess that in 1926 when the membership of our church was one half what it is today we were represented by 522 missionaries, as contrasted with 477 in January 1956.

At the close of 1955, we were one-third of the way through the Forward With Christ Movement. Since the World Missions goal is a net gain of 168 new missionaries, we should have realized an increase of 56 new missionaries in 1955. Actually we had a net gain of only 29. There were 60 new applicants in 1955. While only 43 appointments were made, yet many of these applicants will be appointed at a later date.

What can we do? When our Lord faced the needs of the world, He said to His disciples, "pray ye therefore the Lord of the harvest that He will send forth laborers into His harvest."

In the words of Dr. Fulton, "this, we believe, is the prime requisite of missionary success. In our churches, at our family altars, and in our private devotions we can pray until there are certain definite results."

"We can pray until we ourselves are enabled to say simply, 'Lord what wilt Thou have me to do.'"

"We can pray until we become missionaries, in truth, wherever we are now serving."

"We can pray until we want our own children and the young people of our church to be used in the very way which would count for most in the ongoing of the Kingdom."

"We can pray until the needed missionary recruits are forthcoming."

"We can pray until we are enabled to acknowledge that we are merely stewards of all our money and possessions."

"Being a missionary may be the business of a few, but Missions is the business of every Christian."

Records, Rev. W. S. Patterson, Chairman, was unable to be present on account of the illness of his wife, and Rev. R. T. Baker read the report of the Committee on Records which was adopted and is as follows:

Your committee has examined Minutes of the Ninety-fifth General Assembly, held in Richmond, Va., June 2-7, 1955; Parts I, II and III.

We have also examined the Minutes of the One Hundred and Forty-Second meeting of the Synod of North Carolina.

We find that all matters which concern the Presbytery have been cared for by the proper committees of the Presbytery.

We have examined the Minutes of Kings Mountain Presbytery, Adjourned Meeting, Olney Presbyterian Church, December 5, 1955; and One Hundred and Thirty-Third Stated Meeting, held in First Presbyterian Church, Gastonia, N. C., January 17, 1956.

The Minutes seem to be full and properly recorded, neatly printed. We commend the Stated Clerk, Rev. W. C. Neel and the Permanent Clerk, Rev. W. Hoyt Pruitt for their well arranged Directory and Index.

We recommend that this copy be approved and accepted as a part of Presbytery's records.

Nominations, Rev. Park H. Moore, Chairman, presented the name of Rev. Jas. T. Womack, Jr., to take the place of Rev. J. Holmes Smith on the Executive Committee of Christian Education, which was adopt-

ed.

Bills and Overtures, Rev. John S. Brown, Chairman, presented the report of the Committee on Bills and Overtures, which was adopted and the following Overture ordered attested and forwarded to the General Assembly:

AN OVERTURE

To the General Assembly of the Presbyterian Church in the U. S., meeting in Montreat, N. C., on May 31, 1956.

The Presbytery of Kings Mountain, meeting in the First Presbyterian Church, Belmont, N. C., Tuesday, May 15, 1956, adopted the following Overture:

Whereas, Mrs. Kate B. Reynolds left a sum of money in trust, the increase of which is to be used for the relief and support of aged and infirm ministers of the Synod of North Carolina, and

Whereas, the Board of Annuities and Relief of the General Assembly, makes it a practice to reduce the amounts granted to the ministers of the Synod of North Carolina in proportion to the amounts paid to them by the Reynolds Fund, and

Whereas, such practice defeats the interest and purpose expressed in the will of Mrs. Reynolds:

Therefore, we respectfully overture the General Assembly to instruct the Board of Annuities and Relief to discontinue the practice of reducing appropriations made to the aged and infirm ministers of the Synod of North Carolina and that the Board be directed to pay these ministers amounts equivalent to the amounts paid to the ministers of the entire Church.

Resolutions, Mr. Ennis Jackson, Chairman, presented the following report of the committee on Resolutions which was adopted:

RESOLUTION OF THANKS

Our Presbytery acknowledges the benevolent hand of God that is ever stretched out in loving kindness towards all of our churches. We recognize the special privileges that have been ours today. The spiritual fellowship has been most strengthening. We were inspired by the sermon of our retiring moderator. The Communion Service brought us consciously close to Christ. We were encouraged and stimulated by the addresses concerning the Consolidated College Campaign in our Synod. Today we have been richly blessed by the thoughtful Christian hospitality of the pastor and the congregation of our host church. For

these, and for all other favors, our Presbytery is deeply grateful and we hereby express our heart felt thanks.

This resolution should be spread upon the minutes of Presbytery and sent to the session of the host church.

Reading and Approval of the Minutes, Rev. Hoyt Pruitt, Permanent Clerk, read the minutes of the proceedings of Presbytery which were approved as corrected.

On motion, Presbytery adjourned to meet in the Lowell Presbyterian Church, Tuesday, September 18, 1956, 9:30 a. m.

The Moderator closed the meeting with the Benediction.

CHURCH EXTENSION—Rev. Geo. L. Riddle, Chmn. presented the report of the Executive Committee of Church Extension, which was in mimeograph form and was adopted. Rev. A. R. Craig, Chairman of Evangelism made a brief statement about Evangelism in connection with the report and called special attention to Synod's Rally for the Western area to be held in Salisbury, October 10th. The report as adopted is as follows:

Your Church Extension Committee is grateful for the support of Pastors and Churches for 1956. Your Committee has met several times during the year. No grants or loans are made without full consent of Committee. In view of the fact that the minimum salary is \$4000.00 per year now we will discontinue our policy of Vacation and Christmas gifts to aid receiving Churches.

We make the following recommendations:

1. That the recommendation of the General Assembly which is as follows be approved and that special effort be made to carry it out in 1957:

"That during the week of Prayer and Self-denial for Church Extension 1957 our people be asked for a million dollars supplemental offering to help meet the pressing need for capital funds to build churches in this day of marvelous opportunity; it being understood that 80% of all funds so raised in any Presbytery shall be retained by it for church building within its bounds and 20% remitted to the Board of Church Extension for distribution to areas for greatest need and opportunity."

2. That Presbytery approve Committee's action of a Challenge Fund to the John C. Robinson Memorial Presbyterian Church of \$1 for each two that they raise up to \$1500 on the indebtedness of their manse.

3. That the purchase of a lot for the Glendale Presbyterian Chapel for \$3000 be approved.

4. That the grant of \$2,000 for educational building for Westview Presbyterian Church be approved.

5. That a Challenge Fund of \$2,000 be given the Bostic Presbyterian Church when they have raised \$4,000 beginning May 17, 1956.

6. That the grant of \$1500 and a loan of \$4,000 made to the Linwood Presbyterian Church to purchase additional property be approved.

7. There are 4 Film Strips available in our Presbytery to be used by officers in presenting the work of the Church. The subject is, "This is Your Church." We urge churches to use these film strips.

8. That all Aid Receiving Churches accept Askings of Presbytery for Benevolences and see that they are paid promptly through the Central Treasurer, Mr. W. Roy Robinson, Box 58, Gastonia, N. C.

9. That all Aid Receiving Churches, for their own good, and to help the Church Extension Committee meet its expanding needs make an earnest effort to assume at least 10% of their asking to the Committee for sustentation each year thereby working toward Self support.

10. We wish to express our appreciation and thanks to the Treasurer of our Committee Mr. W. Roy Robinson for the fine job he is doing.

11. That Church Extension Committee Budget for 1957 be approved.

That the churches be reminded again that Stewardship is an integral part of the Christian experience and not merely a money-raising technique and that in the Stewardship of Material Possessions the Pre-Budget Canvass is heartily recommended as a most effectual way in promoting this phase of Christian Stewardship, and that information concerning this form of the Canvass is available from the office of the General Council.

3. That the Council promote the Every Church Canvass as a means of informing officers in the churches of the responsibility of the local church for the work of the church beyond the local parish.

4. That Synod call to the attention of Ministers, Sessions, and Diaconates the portion of Recommendation Number 5 of the "Seventh Annual Report of the General Council to the 1956 General Assembly" which points out that benevolence budgets of the Assembly are "absolute minimum amounts needed for the security of our work"; that "the needs of Synod's and Presbytery's agencies" are equally deserving of consideration and support, especially before "over and above gifts are made to any cause or causes"; that the benevolence apportionments of Agencies of the Assembly and Synod are "the total minimum amount expected from the Church"; that "the Annual Birthday Offerings are not for items in the budgets of any agency"; and that all local church treasurers and central treasurers are urged "to remit their benevolences is collected—monthly if possible."

5. That a special Easter Offering be received in 1957 for alleviating suffering and need in the name of Christ throughout the world;

the funds to be administered by the Board of World Missions through its Department of Overseas Relief and Interchurch Aid for work not included in its budget, working cooperatively with other Protestant denominations in Church World Service, C. R. O. P., and the World Council of Churches.

6. That Presbytery commend to churches and individual Presbyterians of the Presbytery the Presbyterian Foundation of the Synod of North Carolina, Incorporated, and urge the support of the Foundation in such ways as will be profitable to both those who make use of its facilities and the Agencies which are beneficiaries of donors and the Foundation.

7. That the year 1957 be a year of special stewardship emphasis in the "Forward With Christ" program; that particular stress be laid on increasing the benevolence giving in each month in accordance with the "Forward With Christ" goals; and that synods, presbyteries, and local churches be urged to make a united effort to meet in full the needs of the benevolence agencies as represented by the apportionments of the General Assembly, synod, and presbyteries.

8. That the calendar of special days and seasons recommended by the General Assembly for observance by the Church, be adopted, and the emphases of Synod be approved (Thanksgiving—Barium Springs Orphanage; Mother's Day—Presbyterian Home.)

Pending adoption of the above report, Mr. Ennis Jackson, a member of the Council, and of the Executive Committee of Christian Edu-

cation, spoke on the subject of Stewardship. Rev. John S. Brown, spoke briefly on the Pre-Budget Canvass.

COMMITTEE TO STUDY AMENDMENTS—The Moderator announced the appointment of the Special Committee to study Amendments to the Book of Church Order and Confession of Faith and report to the January Meeting, as follows: Rev. J. B. Bradley, Rev. Howard M. Wilson, and Ruling Elder S. J. Hand.

CHRISTIAN EDUCATION—Rev. John S. Brown, Chairman presented the report of the Executive Committee of Christian Education, which was mimeographed and adopted as amended and is as follows:

The Executive Committee of Christian Education is happy to report that its activities of the past months have met with the cooperation and support of many of the people in Presbytery.

Our Sub-Committee of Children's Work under the capable leadership of the Rev. Park Moore conducted a Vacation Church School Institute on May 20 which served some 18 churches and 78 teachers. Mr. Moore also directed the second of our Junior Camps which this year took boys and girls of 10 and 11 year of age. There were 97 campers and some 19 staff members. There was a considerable number of applications which could not be accepted.

Our two Pioneer Camps directed by the Rev. B. Hoyt Evans enrolled about 200 youth of this age. The first camp was probably too large, and it will be necessary to readjust the schedule another year to provide for a more equitable division between the two camps.

The Senior Conference was a little smaller than in previous years. Led by the adult advisors Miss Eubank Taylor and Rev. J. Eade Anderson, the Conference was directed by the latter who worked skillfully in the execution of the Conference program through the Youth Council of Presbytery. Miss Lillian Pennell, Director of Vocational Guidance for the Synod of Virginia was Bible Hour leader, and the Rev. Richard A. Dodds was vesper speaker.

On July 21 and 22 our Annual Sunday School Workshop was held at KMPC. Mr. Perry T. Maconson, president of the S. S. superintendents, arranged the program and schedule. Some 73 people attended, a figure somewhat smaller than that of the preceding year.

Other adult work in the Presbytery included a Young Adult Rally directed by Mr. Banks Bolin. In spite of the splendid program at this rally and the lively interest of a number of Young Adults, the general interest in this sort of service on the part of Presbytery's Committee seems lacking.

The spring rally for the Men of the Presbytery was postponed until this fall due to the pressure of activity during the Campaign for Higher Education in the Presbytery. This rally will be held this coming Sunday, September 23, in the Shelby Presbyterian Church at 3 p. m. Featured speaker at the Rally is Clint Harris of Richmond.

Kings Mountain Presbytery's Camp was operated during the summer by the special Camp Committee which, by the authority of Presbytery has now been merged with this Committee. Mr. T. G. Miller of Saluda was caretaker for the summer, and the camp grounds were maintained in excellent condition. Under the continued vigorous leadership of Mr. Ennis Jackson various improvements were effected, and the

splendid food service and sanitation record of over 96% was maintained. There were 563 campers cared for in the activities sponsored by this Committee. In addition some 798 other Presbyterians used the camp for week ends, retreats, and other activities.

Since there is no Higher Education Committee in Kings Mountain Presbytery, the Presbytery is represented on this Synod's Committee by a member of this Committee appointed for the task. During the spring our representative, the Rev. Priestly Conyers, labored hard and earnestly with the result that our Presbytery has had a conspicuous part in leading the endeavor to build the Consolidated College and to strengthen our student work.

RECOMMENDATIONS:

1. That Presbytery authorize the Committee to conduct two Junior Camps in 1957, two Pioneer Camps, and one Senior Conference and that the directors of these camps be authorized to limit enrollment to the best interests of the camp if the way be clear.

2. That Presbytery authorize the Committee to conduct at least one family camp.

3. That Presbytery approve the Committee's holding the annual Sunday School Workshop, Vacation Church School Institute, and two area leadership training schools—one in the eastern and one in the western parts of the Presbytery.

4. That Presbytery take note of District Rallies of the Senior Youth to be held November 4, 18, and December 2.

5. That Presbytery take note of the untiring work of Mr. Dave Hall of Belmont and of all the members of the Campaign Committee and express by the adoption of this recommendation the thanks of Presbytery for their inspiring leadership in the Campaign for Higher Education.

6. That Presbytery direct those representatives of Churches who have promised to place their contribution to the Higher Education campaign in their budgets to see that the Boards of Deacons are reminded of this commitment.

7. That Presbytery authorize the Stated Clerk to express the appreciation of Presbytery to Mrs. Robert Stillwell, whose resignation as our Area Worker in Christian Education becomes effective in November, for her faithful interest and her efforts.

8. That Presbytery take note of the retirement, effective December 31, of Dr. J. O. Mann who has labored as director of Christian Education for the Synod of North Carolina for 23 years by a rising vote which will also authorize our Stated Clerk to express to Dr. Mann by letter our admiration, gratitude, and best wishes.

9. That Presbytery approve the following budget for the Christian Education Committee for 1957:

Men's Work	\$ 150.00
Senior High	700.00
Pioneer	800.00
Juniors	650.00

TOTAL	\$18,385.00

In connection with the above report, the Rev. R. T. Baker led in prayer in appreciation of the Rev. J. O. Mann and his work; and the Rev. P. D. Patrick spoke briefly about the work of Davidson College.

NOMINATIONS—Rev. Park H. Moore, Chairman presented the report of the Committee on Nominations, which was adopted as corrected, including nominations from the floor for one Minister and one Ruling Elder Class of 1958 committee on Nominations; (See Directory).

MODERATOR NOMINEE—The Rev. Jas. B. Bradley was elected as the Moderator-Nominee for the January meeting of Presbytery.

WORLD MISSIONS—Rev. Howard McE. Wilson, Chairman presented the report of the Committee of World Missions, which was adopted and is as follows:

Our Church is represented today by 509 missionaries in the fields abroad. Sixty per cent of these have been sent out since World War II. In no other decade of our Church's history have so many answered the call. During the past four years our personnel abroad has been reenforced by a net increase of 130, after losses by death, retirement, ill health and other causes have been subtracted.

Yet our record falls short of meeting the insistent pleas that come from every field for workers. Splendid companies of young people have been set apart each year at the inspiring commissioning service in Montreat. Yet actually they have represented less than one-fourth of the number requested in the personnel askings of our missions, recognized by the Board as urgently needed.

The General Assembly of 1954 wrote into the Forward With Christ Program as one of its goals a net increase of 168 missionaries in three years. This means an annual increase of 56; but making allowance for losses by death, retirement and other causes approximately 70 new missionaries will have to be commissioned each year if we are to achieve our goal. During 1953 35 new missionaries were appointed; and during the current year, it is estimated that the number of appointments will be 37, a total for two years of 72.

The World Mission Conference held in Montreat July 26-August 1st, was one of the very best in the long series of Annual Missionary

Conferences. From standpoint of attendance all previous records were broken. Especially gratifying was the large representation of young people, with 536 registrations. The total registration came to 836, and this did not include hundreds of others who attended the sessions.

The World Mission Budget for 1956, as approved by the General Assembly is \$3,300,000. Receipts from January 1 to August 31 have totalled \$1,908,358.18. The balance needed by December 31 is \$1,391,641.82. During the first eight months of the year we have actually received 57.82 per cent of the year's budget. On the basis of past experience this is a very encouraging record. A little extra effort expended between now and December 31 could well put us over the top.

RECOMMENDATIONS:

1. That our churches be called to earnest prayer that the much-needed new missionaries may be secured.
2. That preachers be requested to stress the Biblical basis for World Missions, including mankind's lost condition apart from Jesus Christ.
3. That all organizations of the Church be urged to keep World Missions before the Church throughout the year.
4. That the Church continue to make the wisest and fullest use of furloughed missionaries; also members of, the World Mission Board and Staff, and others with special knowledge of missions, be used as speakers and leaders in Churches and conferences.
5. That Presbytery be led in prayer at this time for the great opportunity and need of world missions and for those who represent us on the mission fields.

Assembly's General Fund Agencies—Rev. J. H. Buzhardt, Chairman presented the report of the Committee of Assembly's General Fund Agencies which was adopted and is as follows:

In the most recent report of Assembly Agencies; nine agencies are listed as "General Fund Agencies." They are: Board of Women's Work—The General Council—Assemblies Training School—Mountain Retreat Association—Stillman College—Historical Foundation (Montreat)—American Bible Society—Presbyterian Foundation (Charlotte)—Administrative Expense. (See page 18, Part III 1955 Annual Report of Assembly Agencies.)

The 1957 Budget Adopted by the General Assembly this year, allocated \$893,259.00 to these Agencies. These Causes share in the benevolence contributions from our churches, and they are worthy of our hearty support.

Your Committee calls attention to Universal Bible Sunday which is sponsored by The American Bible Society, and is scheduled for December 9th, this year. As you know, literature to supplement this program of Bible Emphasis, will be furnished by the Bible Society free of charge. Material may be ordered from The American Bible Society, 85 Walton Street, Atlanta 3, Georgia. We commend to the ministers of our Presbytery, this program and this literature.

MINISTERS ANNUITY AND RELIEF—Rev. R. T. Baker, Chairman read the list of beneficiaries of Annuity and Relief Funds in Kings Mountain Presbytery and made a brief explanation of the benefits coming to the Presbytery, which was received as information.

SYNOD'S CAUSES—Rev. Burton Sherrod, Chairman presented the report of the Committee of Synod's Causes which was adopted and is as follows:

SYNOD'S CAUSES

Your committee on Synod's Causes is really the committee on homes. Since I have been your chairman of this committee, I have been asking myself what is the purpose of this committee. Right now its purpose ought to be to challenge you with two very important causes—the Presbyterian Home at High Point and the Presbyterian Home for Children at Barium Springs.

Have you ever been without a home—no one to care for you—no one interested in you or concerned about you? No, most of us probably have not known of that and yet, throughout our United States thousands of people are faced with just that type of situation. Thousands of boys and girls are without parents, many have known only broken homes, many are orphans and many have parents who are simply not able to take care of their children.

Then there are many thousands who are reaching the sunset years of life—who have known the love and comfort and fellowship of home, but are now faced with the prospect of none of this. And the problem becomes greater every year as many new thousands enter into the upper age bracket. Then think with me what it can mean to these older people to have a home—to have all of the love, warmth, and fellowship of home.

Then if we use our imagination, we can begin to see that we are not doing the job, not really meeting the need. Our Synod's Homes are doing a wonderful job with what they have and the money that we give them. But they could do much more if they had more facilities and funds.

At the present time, the Presbyterian Home at High Point is filled (63 persons—53 women and 8 men; 6 of these are from Kings Mountain Presbytery). Right now they have a waiting list of 5 persons and many other applications on file for further consideration when vacancies in the home will permit. They feel greatly the need for expansion as they have almost daily inquiries from people who need the home. Approximately 62% of the cost of care of members in the Home is provided by the members, with the remaining 38% having to come from the churches and benevolent giving.

One possible way of giving to the home is to make a memorial donation instead of sending flowers to a bereaved family. Then there is the annual Mother's Day special offering that is given to the Home. Another way to help is to visit the Home and see what is going on.

The Presbyterian Home for Children at Barium Springs offers untold possibilities for helping boys and girls who can be rich blessings to the church and good citizens of the state. In the words of the superintendent, Rev. A. B. McClure, "This home continues in the purpose for which it was established—attempting to meet the need of boys and girls of the Presbyterian family who have no other place to go." It is the hope of the Home that the boys and girls of the Home will be good citizens of the state and of the Kingdom of God.

Rev. McClure has written, "Of course I need not state to you and the members of the Presbytery that we live from hand to mouth—your hand and our mouth. The regular contributions through the benevolence percentages and the special Thanksgiving offering keep us alive. The Home operated without deficit last year within the budget approved by the Board of Regents."

On the basis of this information, your committee would like to make the following recommendations:

1. That we remember constantly in our prayers these Presbyterian Homes.
2. That we encourage the members of our churches to visit these Homes.
3. That a special Thanksgiving offering be received for the Presbyterian Home at Barium Springs.

RECORDS—The Stated Clerk read the report of Rev. W. S. Patterson, Chairman of the Committee on Records, which was adopted and is as follows:

Your Committee on Records has examined the Minutes of the One Hundred and Forty-Second meeting of the Synod of North Carolina, held in Barium Springs, N. C., July 12, 1955;

Also Volumes I and II of Minutes of the General Assembly of the Presbyterian Church, U. S., held in Montreat, N. C., May 31-June 5, 1956, the Ninety-Sixth Session.

We find all matters concerning the Presbytery have been called to the attention of Presbytery.

We have examined Minutes of Kings Mountain Presbytery, One Hundred and Thirty-Fourth Session, held in Belmont Presbyterian Church, May 15, 1956.

We find the Minutes well kept, neatly arranged and printed.

We recommend that this volume be the Official Record of Presbytery.

Commissioners To The General Assembly—The report of Rev. Hoyt Evans, who expressed regrets at being unable to present his report in person because he is being received into membership in Mecklenburg Presbytery today; was read by Rev. A. R. Craig, who was serving as Chairman of the Group.

Ruling Elder T. Q. Howe, reported faithful attendance upon the sessions of the General Assembly and the feeling that Ruling Elder Commissioners ought to attend the meeting of the Assembly prior to serving as a Commissioner in order to participate more intelligently in the proceedings of the Assembly.

Ruling Elder Paul Hambricht, reported faithful attendance and serving as a member of the Judicial Standing Committee.

Rev. John W. Young reported that he served on the World Missions Standing Committee and briefly reviewed the work of that Committee.

Ruling Elder Robert L. Meek, reported that the Standing Committee of Annuities and Relief was his fourth choice but that he had learned much from serving on the Committee.

Rev. A. R. Craig, reported that he served as Secretary of the Standing Committee of Church Extension.

On motion the reports were received and the Commissioners were commended for their diligence.

FORWARD WITH CHRIST—Rev. J. Eade Anderson, Chairman presented a verbal report on the Forward With Christ Program which was received as information.

BILLS AND OVERTURES—Rev. C. D. Patterson, Chairman of the Standing Committee on Bills and Overtures, reported that nothing had come into the hands of the Committee.

Resolutions—Ruling Elder F. S. Hager, Chairman presented the following written report which had been presented verbally at lunch time in the dining room of the church, which was adopted, and is as follows:

"The Presbytery of Kings Mountain takes pleasure in expressing its appreciation to the Lowell Presbyterian Church for its bountiful provision for our temporal needs. We recognize that beyond all the obvious good that we have seen, there has entered many an unnoticed effort and forethought—perhaps a sacrificial contribution of time and energy. Let us again thank you for it all."

PLACE OF MEETING—Rev. J. H. Buzhardt, Chairman presented the report of the Standing Committee on Place of Meeting, which was adopted as amended and is as follows:

1. That the invitation of the Cherryville Church for the January meeting of Kings Mountain Presbytery be accepted.

2. That the invitation of the West Avenue Church for the September 1957 meeting of Kings Mountain Presbytery be accepted.

ABSENT AND EXCUSED—Rev. W. D. Ratchford, Chairman presented the report of the Standing Committee of Excuses and Absences, which was adopted and is as follows: Rev. I. S. McElroy, Jr., Rev. W. P. Conyers, and Rev. Jas. N. Brown, absent and excused; Rev. A. L. Potter and Ruling Elder C. B. Beaty, after 3:00 p. m.; Rev. Foster Smith after lunch.

SPECIAL COMMITTEE ON CONFERENCE WITH CATAWBA PRESBYTERY—The Rev. Jas. T. Womack introduced a motion that the Moderator appoint a special committee of three Ministers and two Ruling Elders to confer with a similar committee from Catawba Presbytery about the Negro Presbyterian Churches within Kings Mountain Presbytery, no action to be taken until Presbytery has been informed. The motion was adopted. See Directory.

The Stated Clerk called attention to the fact that the General Assembly meets a month earlier in 1957 than in past years; and to the necessity of having the reports from the Sessions in his hands at the specified time before the January meeting of Presbytery.

Rev. George Riddle requested that Ministers and Ruling Elders study the reports of the General Assembly on the recommended changes in the Book of Church Order and Confession of Faith to be voted on at the January Meeting.

MINUTES READ AND APPROVED—Rev. W. H. Pruitt, Permanent Clerk, read the minutes of the meeting which were approved.

ADJOURNMENT—Presbytery adjourned to meet in the Cherryville Presbyterian Church, Tuesday, January 15, 1957, 9:30 a. m.; and was closed with the Benediction.

Roll of Ministers: A Roll of Ministers and their addresses as sent from the office of the General Assembly with the request that it be checked for accuracy and correction was called by the Stated Clerk and corrections noted.

PRESBYTERY'S COUNCIL, Rev. P. D. Patrick, chairman, presented the report of Presbytery's Council, which included one recommendation as follows:

1. That the action of the Trustees, namely Jeff S. Kell, F. L. Baird and James Boyce Garland, in borrowing \$6,000.00 from the National Bank of Commerce, Gastonia, N. C. and in executing a note therefore dated August 24, 1956 and due one year thereafter together with interest at the rate of 5 per cent per annum, be ratified. On motion by Rev. P. D. Patrick, this recommendation was adopted.

Rev. P. D. Patrick introduced Mrs. Park H. Moore, President of the Women of the Church in the Presbytery, who gave the annual report on women's work in the Presbytery, which was adopted by a standing vote, in appreciation for the splendid work accomplished and is as follows:

WOMEN OF THE CHURCH

The Women of the Church of Kings Mountain Presbytery was richly blessed by the Holy Spirit in the continuing program and in significant gains in certain areas. On the theme of "Christian Family Life" 3,641 women worked and studied in 145 circles. 170 new women are reported in circles. Knox Chapel, Shelby, has organized a circle during the past year.

Along with a general increase of interest in spiritual growth, these two things stand out especially: a greater emphasis on reaching the shut-ins and more families subscribing to church papers. Around 100 of our young people are attending Presbyterian colleges, two of whom are receiving \$150 scholarships from the Presbyterial.

As a result of special promotion of World Missions 1500 pounds of used clothing was sent to Church World Service and our full quota of White Cross materials to Mbol dispensary, Belgium Congo.

The Birthday Offering of \$2,407.62 (the largest ever given) was divided between the Ybor City Mission and the Area Laboratory Schools. The per capita gift was 67c compared to 52c for North Carolina Synodical. Two women visited the Ybor City Mission in Tampa.

Many women took advantage of training opportunities, but only nine enrolled at Synodical Training School and fourteen at Montreat Training School.

During Church Extension Season an itineration was arranged for Rev. Ludwig Dewitz of Emmanuel Center, Baltimore. For the first time there is a chairman of intergroup work in the Presbyterial. Thirteen delegates were sent to the Conference for Negro Women at Winston-Salem and four to Stillman.

Approximately half of the churches had joint meetings of the men and women at some time, and all these reported good success.

It is a special honor to have two women serving on the Board of

Women's Work: Mrs. A. R. Craig is Chairman of the Board, and Mrs. J. G. Walker is on the Business and Finance Committee.

To the Lucy Steele Memorial Fund has been contributed \$1,785.20 during the past year. Total given to all benevolent causes was \$27,696 and to local church work was \$11,912 making a grand total of \$39,608.

Grateful for the past, the Women of the Church presses on to greater service, seeking to enlist every woman, asking for the encouragement of Presbytery, and praying for the grace of God.

(Mrs. Park) Betty Jean Moore

RECESS—Presbytery took recess for ten minutes.

SERMON—Rev. J. S. Johnson as retiring Moderator was in charge when Presbytery reconvened, and announced a hymn which was to be interwoven with the sermon. Sermon subject: "That Which Makes Our Gathering Vital". Text: Matthew 18:19,20.

COMMISSION ON THE MINISTER AND HIS WORK: Rev. W. Hoyt Pruitt, chairman, presented the report of the Commission on the Minister and his Work, which was adopted including adoption of a motion that the film strip referred to in the report be shown at the May 1957 meeting of Presbytery. The report is as follows:

REPORT OF THE COMMISSION ON THE MINISTER AND HIS WORK, KINGS MOUNTAIN PRESBYTERY JANUARY 15, 1957

The commission has met monthly since the last meeting of the Presbytery and conferred with Pulpit Committees which have come for help.

We have secured from the General Assembly office the film strip and recording for Pulpit Committees. It has been well received by all who have seen it. We would appreciate the opportunity to show it to the Presbytery at a convenient time.

We would report that there are five vacant churches in the Presbytery. They are: Mount Holly, Springwood, Forest City, Union and Olney. We report that the Springwood church has issued a call to Rev. W. G. Somerville of Asheville Presbytery. We report that the Shelby church has called Mr. E. T. Thompson, Jr., as associate pastor with specific duties in Knox chapel in Shelby.

We recommend that the following increases in salary be approved:

Armstrong Memorial—\$200.00 to Rev. Park Moore
 Shiloh—\$420.00 to Rev. Trent Howell
 Tryon—\$300.00 to Rev. Joe Wagner
 Spindale—\$400.00 to Rev. Hoyt Pruitt

W. H. Pruitt, Chairman

COMMITTEE ON AMENDMENTS—Rev. Howard M. Wilson, member of the Special Committee to report at this meeting of Presbytery on the proposed amendments to the Book of Church Order and Confession of Faith; presented the report of the committee. Discussion on the report of this committee was continued until after lunch.

COMMITTEE OF THE WHOLE—In accordance with the Manual, Presbytery resolved itself into a Committee of the Whole with Rev. C. D. Patterson, Acting Chairman of the Committee on Records, serving as Chairman of the Committee of the Whole, for the purpose of examining the Records of the Sessions.

RECESS FOR LUNCH, Following prayer and returning of Thanks, Presbytery took recess for lunch.

AFTERNOON SESSION

BUSINESS RESUMED: The records of the sessions, having been examined, by the Committee of the Whole, they were returned to the Permanent Committee on Records, the data to be assembled by that committee for the report to Presbytery. The Committee of the Whole was dissolved.

AMENDMENTS REPORT, The Moderator resumed the Chair and led Presbytery in prayer. Discussion of the report of the Special Committee on Amendments was resumed. The vote on Recommendation One of the committee was 49 for and 27 against. Discussion then centered on Recommendation Three of the committee. The result of the vote on this recommendation was 53 for and 16 against.

ADDRESS ON MEN'S WORK, The order of the day to hear Dr. Philip Padgett, having arrived, Rev. James Womack, Chairman of the sub-committee on Men's Work, introduced Dr. Padgett, who is President of the Men of the Church in the Presbytery, who spoke very enthusiastically about Men's Work in the Presbytery and urged every man who possibly can to attend the Miami Men's Convention in October of this year.

FINAL ACTION, The Fourth and final recommendation of the Special Committee was approved by voice vote. The report of the Special Committee as adopted is as follows:

REPORT OF COMMITTEE ON AMENDMENTS TO THE BOOK OF CHURCH ORDER AND THE CONFESSION OF FAITH

I. Your Committee recommends that the proposed amendments with reference to the Book of Church Order, paragraph 31, concerning the election of women as officers of the church be answered in the negative.

III. Your Committee recommends that the proposed amendments to the Confession of Faith be answered in the negative.

1. We believe that paragraphs V and VI of chapter XXVI in the Confession of Faith are in keeping with the teaching of the Bible, and that they should not be deleted, unless something better were offered as a substitute.

2. We believe that these paragraphs have served and continue to serve as a guide to ministers in uniting men and women in marriage. Without the teaching in these paragraphs the ministers would have very little to instruct or guide them as to the beliefs of the church concerning lawful marriage.

IV. In the light of our recommendations concerning paragraphs V and VI in chapter XXVI, we recommend that the title of this chapter continue to read, "OF MARRIAGE AND DIVORCE."

 H. M. Wilson

PLACE OF MEETING, Rev. Herbert Dale, chairman, presented the report of the Standing Committee on Place of Meeting, which recommended that the invitation of Goshen Church for the next Stated Meeting, May 21, 1957, Tuesday, 9:30 a. m. be accepted. The recommendation was adopted.

MODERATOR NOMINEE, Rev. David Blue, placed the name of Ruling Elder, R. A. Ferguson of the West Avenue Presbyterian Church in nomination, and Mr. Ferguson was chosen as the Moderator Nominee for the next Stated Meeting by acclamation.

CHURCH EXTENSION, Rev. Geo. L. Riddle, chairman presented the report of the Executive Committee of Church Extension which included an oral report concerning the work of Rev. H. H. Thompson,

Synod's Director of Evangelism and the Glendale Outpost Sunday School sponsored by the Olney Church; and the following recommendations which were adopted:

1. That an appropriation of \$600.00 be made to the Northside Presbyterian Church to be applied to their B. & L. notes.
2. That a grant of \$2,000.00 be made to the Glendale Chapel, with the understanding that this grant be made when they have raised \$4,000.00 towards an Educational Building.
3. That \$500.00 be given to the East Belmont Presbyterian Church to open an Outpost Sunday School.
4. That, in view of recommendation of committee, we would urge every church to buy the Group Insurance for its pastor. We urge every minister to participate in Social Security. In this connection, we do not recommend the church officially to pay the pastor's Social Security, however this may be arranged locally in keeping with the desire and discretion of the local church.
5. That all churches in the Presbytery avail themselves of the services of Dr. H. H. Thompson, our Synod Director of Evangelism.

CHRISTIAN EDUCATION, Rev. John S. Brown, chairman presented the recommendations of the Executive Committee of Christian Education which were adopted and are as follows:

A. Children's Work—

1. That the Vacation Church School Institute be held May 19, at the Shelby Presbyterian Church, 2:30-5:00 p. m.
2. That Junior Camp be held June 24-29.
3. That in the event of sufficient leadership, a second Junior Camp be held July 8-13.

B. Youth Work—Senior Conference June 10-15—Pioneer Camp, June 17-22—

1. That the Christian Education Committee assign leadership quotas to each church and field in the Presbytery for the purpose of discovering possible leaders for five Presbytery camps during June-July 1957.

The need for the accepting of quotas by individual congregations are as follow:

1. The committee is committed to carrying out the principle (endorsed by Presbytery in its Fall, 1956 meeting) of proportioning the number of Pioneer and Junior Conferences to the number of competent and available leaders. A more thorough canvass of our Presbytery's conference leadership potential needs to be made.
2. With such a list of leaders in hand, directors of the five possible conferences will be greatly assisted in making plans for conferences, in deciding if five conferences are actually practical and in reaching some agreement on a fair division of the available leaders among the various conference staffs.
3. The committee feels that churches which send delegates

to the conferences should support the same with a contribution of leadership as each congregation may be able to contribute.

4. Blanks be sent to Rev. Don Shriver, Linwood Church, Gastonia, N. C., not later than February 15, 1957.

C. Leadership Education—

1. That the former Gaston Leadership School be enlarged to become the Kings Mountain Presbytery's Central Leadership School and that it be promoted and supported to the extent of at least \$800 by Presbytery's Christian Education Committee, and that it be held each Tuesday night, 7:30-9:30, from October 1-November 5.
2. That the Leadership School Institute for the Presbytery be promoted and supported by Presbytery's Christian Education Committee to the extent of \$200, and that it be held Saturday lunch, through Sunday lunch, July 13-14.

D. Adult—

1. That men of Presbytery be urged to attend the Assembly's Men's Conference in Miami, October 10-13.
2. That October 13 be observed as "Laymen's Sunday", so that ministers of Presbytery may attend the Miami Men's Conference.
3. That Dr. Philip Padgett be granted 10 minutes to speak on the Men of the Church program.

E. Camp—

1. That we carry liability insurance with medical benefits.
2. That the Camp fee be \$7.00 per week.
3. That B. W. Griffith be Camp Supervisor.
4. That Miss S. Stroup be Camp Dietitian.
5. That the Executive Committee of the Camp be Ennis Jackson, Roy Robinson and B. W. Griffith.
6. That Camp Reservations (for use of Camp at times other than scheduled for Presbytery's Camps or Conferences) begin April 1, 1957, and that they be sent to Mr. B. W. Griffith, Route 2, Bessemer City, N. C.
7. That \$1,000.00 from the Camp reserve fund be used for improvements.
8. That Camp directors report accidents to the Camp Supervisor immediately.

F. Higher Education—

1. That Priestly Conyers be allotted ten minutes to speak on the subject of Vocational Guidance.

G. A Further Recommendation—

1. That Presbytery alter the manual to allow all men placed on the Christian Education Committee to take office at the Fall Meeting of Presbytery. (Second reading to be May meeting.)

CANDIDATES, Rev. Burton Sherrod, presented the report of the Permanent Committee on Candidates, which included the names, addresses, college or seminary of the Candidates a brief statement of the work of the Committee and recommendations as follows:

Statement: The Presbytery of Kings Mountain now has on its roll of candidates, thirteen young men in the various stages of preparation for the Gospel Ministry. The committee has sought to keep in touch with the candidates, to advise with them in their courses of study, and to offer help in every way possible. We have been able to assist some of them in straightening out their status with the Draft Board, and to recommend others for financial assistance to the Christian Education Committee.

Our young men are doing creditable work in college and seminary. Let us continue to remember them and their families in prayer.

Recommendations: 1. That all pastors of the churches where these young men are members, keep in close touch with the Candidates, and keep the committee informed about their plans and welfare.

2. That Rev. H. W. Dale, a member of this committee, be requested to lead us in prayer in connection with this report, remembering our candidates and the members of their family.

The report was received and recommendations adopted and Rev. Herbert Dale led in prayer as recommended.

WORLD MISSIONS, Rev. Howard M. Wilson, Chairman, presented the report of the Permanent Committee of World Missions, which in-

cluded announcement about the itinerary of Rev. and Mrs. Geo. Hudson and the two Rallies with Rev. Hugh Bradley, Field Secretary of World Missions for the Assembly: 1. First Presbyterian Church, Gastonia, January 31st and the Rutherfordton Presbyterian Church, February 1st; 7:30 p. m.

The report was adopted and is as follows:

REPORT OF COMMITTEE ON WORLD MISSIONS

In 1955 the Presbyterian Church U. S. launched a three-year movement known as the FORWARD WITH CHRIST program. It was unanimously adopted by the Assembly, approved by every synod and every Presbytery. One of the aims of this program was "An urgent realization that the supreme task of the church is to lead a lost world to Christ." Therefore the work of World Missions demands our most earnest and prayerful consideration.

It has been said that "no work of missions is stronger than its body of missionaries. This, on the human side, must always be the point of first concern. The FORWARD WITH CHRIST PROGRAM calls for an increase of 168 missionaries in three years. Allowing for losses by death, retirement and other causes this would require an increase of about 70 new missionaries a year. During the past four years our personnel on the World Mission fields has been increased by about 130, an average of 32 or 33 per year. Therefore we must keep the cause of World Missions before our people and pray that more young men and young women will answer the call of God, "Who will go for us."

The next point of concern is to earnestly endeavor to raise the full amount for World Missions on the budget adopted by our Presbytery for this year, which is \$43,740. In 1955 our Presbytery gave 5.42% of all gifts to World Missions. Among presbyteries this was neither the highest per cent nor the lowest, but about half way between. The highest per cent was contributed by Knoxville Presbytery and was 8.38%. The lowest was Harmony Presbytery and was 4.6%. The average gift per member in our Presbytery in 1955 for World Missions was \$4.45.

Is it not possible in the light of Jesus' command, "Go ye into all the world and preach the Gospel to every creature," and with the blessings that have been bestowed upon us that we can raise this per member contribution to World Missions and go even beyond the amount for which we have been asked? In 1955, 9 Presbyteries and one Synod gave over 6% of total gifts to World Missions. 19 Presbyteries and one Synod increased their gifts to World Missions more than 20 per cent.

We recommend I. That the World Mission Season, February 3 to March 3rd, be observed by all our churches as a time of study, prayer and special emphasis on the great need and opportunity of World Missions.

II. That wherever possible churches assume partial support for missionaries on the field whose support has not been fully assumed.

III. That the whole church be called to fervent prayer that the

much needed number of new missionaries may be secured and that the churches may give liberally and sacrificially to this the greatest and most urgent task of the church.

ANNUITIES AND RELIEF, Rev. R. T. Baker, Chairman, presented a brief oral report of the Permanent Committee of Annuities and Relief, which included emphasis upon the deadline for making application for Social Security on or before April 15, 1957. The report was received as information.

GENERAL FUND AGENCIES, Rev. J. H. Buzhardt, Chairman, gave an oral report of the Permanent Committee on General Fund Agencies, which included the following items of interest: For eleven months only one agency of the church had received as much as 60% of budgeted funds and the General Fund Agencies had received less than 50% of budgeted funds. The report was received as information.

RECORDS OF SESSIONS, Rev. C. D. Patterson, acting Chairman, presented the report of the Permanent Committee on Records, which included the compiled report of the Committee of the Whole, on Sessional Records. The report was adopted and is as follows:

The Minutes of the General Assembly 1956, and the Synod 1956, and of the Presbytery, September 1956 were examined. Errors were noted in the September Minutes of Presbytery as follows: 1. under the heading "Directory", Executive Committee of Christian Education, Class of 1959, the names of Mr. H. J. Cherry and Mr. S. J. Hand should not appear. 2. under the same heading, Permanent Committee on Examinations, Class of 1957, the name of Rev. A. Hal Key should be put in the place of Rev. W. D. Ratchford. 3. page 10 in the report of the Commission on the Minister and his Work, Recommendation 5, the date April 15, 1957 should appear in place of the date given as August 15, 1957.

The Sessional Record Books have been examined and the Records from the following churches approved without exception: Northside, Brittain, Westview, Union Mills, Rutherfordton, Dallas, First; East Belmont, Long Creek, Bostic, West Avenue, Cherryville, Hephzibah, Kings Mountain, Belmont, First; Springwood, Gastonia, First; Tryon, Adams Memorial, Bessemer City, Lowell, Goshen, Armstrong Memorial, Castanea, Saluda, Unity, Shiloh and Mount Holly. —27

Exceptions were noted in the other books.

FORWARD WITH CHRIST, Rev. Richard A. Dodds, Chairman, presented the report of the Special Committee on Forward With Christ, which was adopted and is as follows:

Our Presbytery responded well to the call to participate in the "Forward With Christ" program when it was instituted two years ago. Encouraging reports of increased attendance in Sunday school and church services have been received. A new interest in evangelism and church extension has been demonstrated. We have felt a new sense of obligation in the field of education, and we have been led to engage

in a more vital stewardship program.

Your committee takes this opportunity to remind you that the program begun two years ago is only two-thirds completed. There is still much to be accomplished, and the responsibility rests squarely upon each one of us. Although the emphases for 1957 are "Christian Citizenship" and "Stewardship of Possessions", the program remains the same.

In order that Kings Mountain Presbytery may continue in this noble enterprise of our church in a worthy manner, your committee makes the following recommendations:

1. That the **PLAN BOOK FOR USE IN THE LOCAL CHURCH—1957** be consulted periodically, and wherever possible the suggestions found there be incorporated in your local church program.

2. That **PRESBYTERIAN WOMEN** and **THE PRESBYTERIAN WOMAN'S HANDBOOK** be used by the Women-of-the-Church to keep the "Forward With Christ" program before them.

3. That a **MEN'S WORK PROGRAM CALENDAR** be secured and used to help vitalize your Men's Organization.

4. That each session of the churches in our Presbytery set new goals for 1957 in the following areas:

a. **EVANGELISM**—New members?—

b. **CHURCH ATTENDANCE**—Average?—

c. **CHURCH SCHOOL ATTENDANCE**—Average?—

d. **MID-WEEK SERVICE**—Average?—

e. **STEWARDSHIP**—How many Tithers?—

Enrolled in Every Member Canvass?—

f. **CHURCH EXTENSION**—Sunday school outpost?—

A mission church?—

g. **CHRISTIAN FAMILY LIFE**—Family devotions?—

5. That each church earnestly strive to accomplish these goals for the furtherance of the Gospel and the glory of God.

CATAWBA PRESBYTERY, Rev. P. D. Patrick, Chairman, presented an oral report for the Special Committee appointed to confer with a similar Committee from Catawba Presbytery in regard to Negro Churches (Presbyterian U. S. A.) within the bounds of our Presbytery.

The following recommendation was adopted: That Presbytery invite Rev. Lawrence Bottoms to appear before Kings Mountain Presbytery at the May 1957 meeting, if the way be clear.

BILLS AND OVERTURES, Rev. J. S. Johnson, Chairman, reported that nothing had come into the hands of the Standing Committee on Bills and Overtures.

RESOLUTIONS, Rev. J. Trent Howell, Chairman presented the report of the Standing Committee on Resolutions, which was adopted and is as follows: We the members of Kings Mountain Presbytery, in session at the First Presbyterian Church of Cherryville, January 15, 1957; would express our gratitude to God for His many blessings.

We would thank the pastor, officers and congregation of the host church for the hospitality they have shown us. Our special thanks are offered to the ladies for the delicious meal which was served. This was

an integral part of the helpfulness in making this meeting one of comfort and joy, and we trust, progress for our Lord.

EXCUSES AND ABSENCES, Rev. Burton Sherrod, Chairman presented the following list of those whom the Committee would recommend to be excused: Rev. J. C. Kovach, Mr. R. C. Burghardt, Mr. J. Frank Gallimore and Rev. Joe C. Wagner. Mr. Gilmore Kincaid, Rev. Jas. N. Brown and Mr. Ralph Falls, after 3:30 p. m. Mr. W. T. Price and Mr. J. B. Beam, Rev. Thos. E. Henderson, Rev. Howard M. Wilson and Mr. J. M. Hamilton, Rev. Foster Smith.

MANUAL, the second reading of the Amendment to the Manual providing for additional members on the Permanent Committee of World Missions and providing a three years term for the Central Treasurer and for Members of the Commission on the Minister and his work, were adopted.

NOMINATIONS, Rev. A. Hal Key, Chairman, presented a supplementary report of the Committee on Nominations, which recommended that the following be added to the Permanent Committee on World Missions: Rev. Tinsley P. Bradley, Mr. H. W. Crenshaw and Mr. Malloy Davis. The report was adopted.

OVERTURE: Rev. W. Priestly Conyers, presented an Overture to the General Assembly, meeting in Birmingham, Alabama, April 25, 1957, which was adopted and is as follows:

AN OVERTURE

To the General Assembly of the Presbyterian Church in the U. S. meeting in Birmingham, Alabama, April 25, 1957.

The Presbytery of Kings Mountain, meeting in the Cherryville Presbyterian Church, Cherryville, N. C., Tuesday, January 15, 1957, adopted the following overture:

Because our several Assembly's Boards and Agencies are charged with large responsibilities for the discharge of which, the funds made available by the Church and,

Because the urgency of these responsibilities is so great, it is believed that these Boards and Agencies may at times be led to provide inadequately for the salaries and wages of their own employees.

It is also recognized that the Boards may feel concern over possible adverse reaction in the Church if more adequate salary and wage scales were undertaken.

Therefore, we respectfully overture the General Assembly to appoint an Ad-Interim Committee to study this problem carefully and to bring recommendations to the 1958 General Assembly.

MINUTES ADOPTED, Rev. W. Hoyt Pruitt, Permanent Clerk, read the minutes, which were adopted as corrected.

ADJOURNMENT, Motion to adjourn was adopted and the Presbytery adjourned to meet in the Goshen Presbyterian Church, Tuesday, May 18, 1957. The Moderator led in Prayer.

CHURCH EXTENSION: The Rev. Geo. L. Riddle, Chmn. presented an oral report of the Committee of Church Extension, including an explanation of the Central Treasurer's report showing disbursements in Church Extension larger than receipts. The explanation being that some money had been taken out reserve funds and put to current use. He also told about the campaign for one million dollars to be put on this fall in the interest of Church Extension and urged every church to take part and share in this effort.

VISITORS: The following visitors were introduced: Dr. W. L. Pressley, President of Peace College, Mr. Wm. P. McPherson, Chmn of the Board of Peace College, and Rev. Marshall S. Woodson, President of Flora Macdonald College, invited to sit as visiting brethren and when the order of the day for discussing the ownership of Peace College to be given the privileges of the floor on that question.

RECESS FOR LUNCH — 12:30-1:30 P. M.

(During this period, while in the dining room, the Rev. Geo. L. Riddle, presented the report on Resolutions of Thanks, with special recognition of the Women of the Church who served lunch. Also at the close of the period, the Rev. W. H. Pruitt, Chmn. of the Commission on the Minister and his Work, presented in the church sanctuary, the film, "So Your Church Needs A Minister".

AFTERNOON SESSION

PLACE OF MEETING: The Moderator having called Presbytery to order, called for the report of the Standing Committee on Place of Meeting, and the Rev. David F. Blue, Chmn., announced that the next meeting of Presbytery, Tuesday, September 17, 1957, 9:30 A. M. is to be held in the West Avenue Presbyterian Church, Gastonia, according to a previous understanding. This report was approved.

MODERATOR NOMINEE: The Rev. W. H. Pruitt, was placed in nomination for Moderator of the September meeting which was approved by acclamation.

OWNERSHIP OF PEACE COLLEGE: The Rev. John S. Brown, Chmn. committee on Christian Education, presented the Resolution specifically re-affirming and re-endorsing the adopted plan of Synod to form a Consolidated Presbyterian College by the merger and consolidation of Flora Macdonald College, Peace College, Inc., and Presbyterian Junior College for Men, Inc. Pending action on a motion to adopt this Resolution, the following were heard: Mr. William P. McPherson,

Chmn. of the Board of Peace College, who spoke against the Resolution. Mr. James K. Dorsett, legal advisor for the Consolidated College, who spoke for the Resolution. The Rev. Warner S. Hall, Chmn. of Synod's Committee of Higher Education, who spoke for the Resolution. The Rev. W. S. Patterson, member of the Board of Peace College, and of Kings Mountain Presbytery, who spoke against the pending Resolution and introduced a Resolution expressing an interest in the Consolidated Presbyterian College, but giving notice to the Synod that it stands ready to reassume control of Peace College when and if the Synod suspends the work of Peace College, which Resolution was offered as a substitute to the pending motion. A vote on the substitute motion was lost by an overwhelming vote, whereupon, the question was called on the original motion, which was adopted and is as follows:

WHEREAS, after comprehensive study and consideration, the Synod of North Carolina, in annual meeting assembled in July, 1955, directed that all necessary action be taken to establish a four-year educational college in Eastern North Carolina, by means of the merger and consolidation of Flora Macdonald College, Peace College, and Presbyterian Junior College for Men; and further authorized a financial campaign to raise three million dollars (\$3,000,000) for the formation of such consolidated college; and

WHEREAS, in July 1955 the Presbyteries of Orange, Wilmington, and Fayetteville duly enacted Resolutions which authorized and instructed the Trustees of Flora Macdonald College to take all steps necessary to consolidate with Peace College and Presbyterian Junior College; and

WHEREAS, at the 1956 annual meeting of Synod the question of the Consolidated College was again discussed at length and, despite an eloquent plea by representatives of Peace College, the decision of Synod to proceed with the merger and consolidation of the three colleges was re-affirmed by a decisive vote; and

WHEREAS, in 1956, pursuant to the direction of Synod, an extensive campaign for funds to establish and maintain such Consolidated Presbyterian College was conducted in every Presbytery in North Carolina; and through the generous giving and the devotion of untold time and effort on the part of Presbyterians throughout the State, this campaign together with gifts already offered has resulted in more than \$5,000,000 being available for the college, and the prospect of other large contributions; and

WHEREAS, these gifts and pledges were made upon the representation and reliance that there would be a merger and consolidation of Flora Macdonald College, Peace College, and Presbyterian Junior College into such single institution; and

WHEREAS, the elected Trustees of the Consolidated Presbyterian College have for almost two years worked constantly and diligently toward perfecting plans for the new institution, and have already acquired therefore a site of approximately 850 acres of land; and

WHEREAS, the Board of Trustees of Peace College at its meeting on May 17, 1955 adopted the statement that "The Board of Peace, assures the Committee of its willingness to concur with the final action

of the Synod on this matter"; and whereas, eight representatives of Peace College have served continuously on the Board of Trustees of the Consolidated Presbyterian College and have participated in its decisions, including the selection of a site for the college; and

WHEREAS, it is the continued conviction of this Presbytery that the cause of higher Christian education in North Carolina will be best served by the fulfillment of this plan for merging said three colleges into a single Consolidated Presbyterian College, and that the accomplishment of such plan should go forward with all reasonable dispatch;

NOW, THEREFORE, BE IT ENACTED as follows:

RESOLVED: That Kings Mountain Presbytery does specifically re-affirm and re-endorse the adopted plan of Synod to form a Consolidated Presbyterian College by the merger and consolidation of Flora Macdonald College, Peace College, Inc., and Presbyterian Junior College for Men, Inc.; and

RESOLVED FURTHER: That Kings Mountain Presbytery does hereby expressly release, relinquish, and waive any right, privilege, or interest which it may now have or might hereafter ever have to re-acquire or re-assume control of Peace College or any of its property, whether by virtue of any provision in the charter of Peace College, Inc., or otherwise; and

RESOLVED FURTHER: That Kings Mountain Presbytery does hereby express its hope that all Presbyterians throughout the State of North Carolina will unite wholeheartedly and enthusiastically behind the establishment of such Consolidated Presbyterian College, to the end that it will make great future contribution to higher Christian education, character, and culture in the South, and will continue that which is best in the ideals and service of the three merging institutions.

The foregoing Resolution was duly considered, adopted, and enacted on the 21st day of May, 1957 at a regular meeting of Kings Mountain Presbytery duly called and held at Belmont, N. C.

KINGS MOUNTAIN PRESBYTERY

Attest:

W. C. Neel,
Stated Clerk

NEGRO CHURCHES: The Rev. P. D. Patrick, Chmn. of the Special Committee to confer with the U. S. A. Presbytery concerning the work of Negro Churches in the bounds of our Presbytery, presented the Rev. Lawrence Bottoms, Secretary of the Division of Negro Work in the Assembly, who gave a very clear picture of the situation as related to the Special Committee.

A rising vote of thanks was given to the speaker as an expression of the appreciation for his message.

COMMISSIONERS REPORT: The following Commissioners to the 1957 General Assembly gave good reports of their interest in and faithfulness to, the duties and responsibilities as Commissioners representing the Presbytery: Rev. Joe Wagner, Rev. Thos. E. Henderson, Mr.

Robt. A. Grier, Mr. Banks Bolin, and Mr. Miles Hampton. The reports were listened to attentively, received, and the Commissioners commended for their diligence. Included in this motion was a reminder sent to Dr. Moffitt that he would be expected to report at the next regular meeting of Presbytery.

CHRISTIAN EDUCATION: The Rev. John S. Brown, Chmn. presented the report of the Committee which was adopted and is as follows:

Recommendations:

- I. That Presbytery's Manual be amended in the manner indicated under Amendments to Manual following these recommendations.
- II. That Presbytery direct the Presbytery Council to study the problem of the dates of its stated meetings and to recommend such changes as would:
 1. Avoid the annual conflict between the spring meeting of Presbytery and the commencement activities at Union Theological Seminary;
 2. Provide a stated meeting of Presbytery that would allow Presbytery to receive and examine candidates for ordination who have just finished their seminary work;
 3. Give the executive committees and the General Council and its Stewardship Committee more time for preparation of the annual budget in the fall.
- III. That Presbytery take note of the following Leadership Education recommendations and approve them:
 1. That for imperative reasons the date for our Presbytery's Leadership School Institute at KMP Camp be changed from July 13-14, to June 29-30, Saturday lunch through Sunday lunch;
 2. That the total fee be \$3.50 per person;
 3. That Presbytery remember the Leadership School for the whole Presbytery in Gastonia this Fall on each Tuesday night 7:30-9:30 from October 1-November 5;
- IV. That since there is not a sufficient number of volunteer people to staff two Junior Camps, one camp be held June 24-June 29;
- V. That Miss Anne Hopkins be commended for her efficient planning and fruitful supervision of the Pioneer Conclave held on May 11 at KMPC.
- VI. That Presbytery recognize anew the importance of our summer conference program by making a more determined effort to secure leaders for an adequate program next summer. The committee regrets that the scarcity of volunteer leadership this year made impossible the holding of more than one Junior and Pioneer camps. The condition for our sponsoring more camps is more volunteers from the churches of the Presbytery;

That leadership survey forms be sent out to the local churches this September; that ministers, DCE's, and other potential leaders be asked to volunteer for conferences to be held next June and July and that these leaders be asked to consider seriously volunteering for two con-

ference weeks;

That tentative schedules for conferences be as follows: 1958.

June 9-14—Senior.

June 16-21—Pioneer.

June 23-28—Junior.

June 30-July 5—Pioneer.

July 7-12—Junior;

That the holding of this number of conferences be left contingent upon the Presbytery's response to the leadership survey by the time of the winter meeting of the Christian Education Committee;

VII. That a Presbytery-wide fall rally of the Men of the Church be held on September 8, 1957 at Shelby;

VIII. That the Men of the Church be urged to attend the Assembly's Men's Convention, October 10-13, at Miami, Florida; that each church be urged to send its minister to the Assembly's Men's Convention; and that Sunday, October 13, be observed as Layman's Sunday with a layman supplying each pulpit.

1. A motion by W. Roy Robinson that the action of the trustees, namely Ralph A. Dickson, F. L. Baird and James Boyce Garland, in borrowing \$3,000.00 from the National Bank of Commerce, Gastonia, North Carolina, and in executing a note therefor dated August 24, 1957 and due one year thereafter together with interest at the rate of 5 per cent per annum be ratified. The motion was seconded and passed.

2. The report of the Stewardship Committee of the Council as amended which was adopted and is as follows:

We rejoice to report to Presbytery that Kings Mountain Presbytery led our Synod in percentage gifts to Assembly's Causes last year. We gave 93.77 per cent of the askings.

We would also call attention of Presbytery that last year witnessed the largest increase in Benevolent giving to the Assembly's budget in the history of our Church—an increase of 14.02 per cent. With the opportunities for enlarged service in our Presbytery, Synod and the whole Assembly, we should pray and work to attain the goals that our Church has set for us.

Recommendations:

1. That the Stewardship Emphasis Season begin October 1, 1957 and continue through November 17, 1957 and that November 10 be designated as Every Member Canvass Day, the theme of the Canvass to be "Give . . . As Unto Him."

2. That, since stewardship is an integral part of the Christian experience and not merely a money-raising technique, this Season be utilized in developing a stewardship consciousness in each church and that the Pre-Budget Canvass be recommended to every church as an effectual way in promoting the stewardship of material possessions.

3. That Presbytery approve the Every Church Canvass. Many

of our able and consecrated laymen are giving their best for this service. We invite sessions to have these laymen visit their churches and having a full attendance of Elders and Deacons to hear them.

4. That our churches make use of the literature published by the General Council for the Every Member Canvass.
5. That the calendar of special days and seasons recommended by the General Assembly for observance by the Church, be adopted, and the emphasis of Synod be approved (Thanksgiving-Barium Springs Orphanage; Mother's Day-Presbyterian Home.)
6. That the Presbytery approve the Every Family Plan as proposed by the Board of Directors of the Presbyterian Survey as follows:

(a) The reduction of the subscription rate under the Every Family Plan to \$1.00.

7. That the following Budget be approved:

The Women of the Church of Kings Mountain Presbytery is seeking to serve the Women of the Church organizations in our Presbytery by having informative and inspirational meetings, by providing

training opportunities, and by promoting and encouraging the overall program of our church.

In March three well attended District Conferences were highlighted by having a layman speak on Christian Citizenship. Miss Elizabeth McKnight of Richmond, Va. acquainted us with the work of the Friends of the Seminary.

The annual meeting of Synodical was entertained by the First Church, Gastonia, on September 24-25, an honor to our Presbyterial.

Presbyterial, which met November 7-8, at the First Church, Belmont, dedicated its offering of \$184.46 for needed equipment at Presbytery Camp.

Late in 1957 officers' training classes were held in each district to help with the training of local officers for 1958.

For the first time a Life Enrichment Retreat was held at Presbytery Camp on June 22-23 for the presbyterial executive board, past presbyterial presidents, local presidents or their representative. This experience was most helpful, and shall be continued in the future. Local organizations are being urged to have a spiritual retreat for their own women.

While the church rolls of our Presbytery have a total of 3,696 women on them; only 2,209 of these women are active in 154 circles. There are forty-four Women of the Church organizations; the newest of these at John Knox Church, Shelby, organized on January 1, 1958. Macpelah Church continues to have a key woman; circles have been started at Glendale Chapel and at Alexander Memorial Chapel during the past year.

More women attended training schools than ever before: 26 at Synodical Training School, at least 30 at Montreat Training School, and many others at the other Montreat Conferences. Organizations helped to send 18 colored women to the Interdenominational Christian Conference at Winston-Salem.

Every organization had a part in the White Cross work and the Birthday Offering. However, we regret that our Birthday Offering was only \$2,221; a drop from 67c per capita gift the previous year to 61c per capita gift this year. \$341.42 was given towards the Lucy Steele Memorial Fund this year, making a total of \$4,179.04 as our total gift to this project. Local organizations contributed \$414 to the Presbyterial Scholarship Fund making it possible to continue giving two \$150 scholarships.

Two of our women are rendering outstanding service on the Board of Women's Work; Mrs. A. R. Craig as chairman of the Board and Mrs. J. G. Walker on the program committee.

The greatest problem in the local Women of the Church organizations has been the poor attendance and lack of interest in the Women of the Church general meetings. Whereas, the greatest source of satisfaction has been the cooperation of the consecrated leaders in the Women of the Church organizations.

As the women in our Presbytery continue to seek God's guidance to serve in His church, we ask that the encouragement of this Presbytery be given to us, and we pray that the blessings of God be upon us.

To the General Assembly of the Presbyterian Church in the U. S., meeting in Charlotte, April 24, 1958.

AN OVERTURE

Whereas, Industry in the South has been growing at a tremendously rapid rate in recent years, and all indications point to an even greater industrial growth in the future, and

Whereas, this industrial growth means a corresponding increase in the number of "laboring people" in the South, for whom the Presbyterian Church, U. S., is responsible through the Commission of Christ our Lord; and

Whereas, the Presbyterian Church, U. S., is in many places failing to provide such a ministry.

Therefore the Presbytery of Kings Mountain respectfully overtures the General Assembly to request the Board of Church Extension.

1. To undertake immediate action of such nature as will lead our Church, and guide its ministry, in effectually reaching the great numbers of Southern laboring people who, as yet, are generally untouched by the present ministry of our Church.

2. To take steps looking toward the establishment of a Division, or Department; in the Board's executive organization for the purpose of providing that full-time, competent staff assistance which even now is greatly needed.

Done in Presbytery on January 21, 1958.

Attested by W. C. Neel, Stated Clerk.

PLACE OF MEETING: The Rev. Park H. Moore, Chairman, presented the report of the Standing Committee on Place of Meeting, which was approved and is as follows: That the invitation of the New Hope Presbyterian Church for the Regular Adjourned Meeting of Kings Mountain Presbytery Tuesday, April 15, 1958, be accepted.

And that the recommendation of the Committee on Christian Education for the Regular Stated Meeting of Presbytery, July 8, 1958, to be held at Kings Mountain Presbytery's Camp be received and held for action at the April meeting.

To the ladies and all others responsible for the excellent meal served to the Presbytery.

STATISTICAL REPORTS: The Stated Clerk gave a brief resume

of the statistical reports in hand from 42 of the 45 churches, which was received as information and the Clerk authorized to complete the compilation and forward to the Stated Clerk of the Assembly and to the Stated Clerk of the Synod of North Carolina.

 Roy Tiddy, Jr. one year

Following these elections the floor was opened regarding the calling of a pastor. W. L. Alexander moved that the congregation extend a call to the Rev. Mr. E. T. Thompson, Jr., and that his services be engaged. This motion was seconded by Mr. Ted Kale and carried by a rising and unanimous vote. Roy Tiddy, Jr. moved that the stipulations of this call to Mr. Thompson be as follows: a salary of \$4,000, one-half to be paid by the church and one-half by Presbytery's Committee on Home Missions; participation in the Minister's Annuity Fund with the 7½% of salary scale being paid in equal parts by the church and the Committee on Home Missions; furnish a manse and utilities; thirty (30) days annual vacation with pay. This motion was seconded by Ted Kale and Tom White and carried.

Mrs. Ted Kale then moved that the three Elders and the chairman of the Women's Circle be named as a committee to sign the above call for the congregation. W. A. Thompson seconded the motion and it was carried.

Mrs. Harry Shropshire moved that the congregation of the John Knox Presbyterian Church express its appreciation to the following persons who have played such a large part in bringing into existence this new church:

Rev. P. D. Patrick, Rev. Park Moore, Hugh Arrowood, Worth Branton, John McKnight, R. T. LeGrand, Sr., Rev. Don Shriver, Peggy Shriver, Lillian LeGrand, Adolf Otersen, Worth Morris, Everett Pruden, Alma Alexander, Maude Reid, Rev. George Riddle, Pig Holland, Tony Hammock, Virgil McIntyre, Dick LeGrand, Sam Payseur.

Tom White seconded the motion and it carried.

Dr. John Brown led the congregation in prayer and pronounced the benediction. The Commission met and adjourned itself until it be recalled to ordain and install the newly elected officers of the congregation.

NOTE: The called meeting of Presbytery at the Spindale Presbyterian Church on November 19, 1957, appointed the following as a Commission to install the Rev. E. T. Thompson, Jr. as pastor of John Knox Presbyterian Church, Shelby, N. C.

Elders: Everett Pruden, Shelby
 W. D. Browne, Sr., Cherryville
 Ministers: John S. Brown, Chairman
 George L. Riddle
 J. Trent Howell, Jr.

This is the same Commission, basically, as that which was appointed to organize the John Knox Chapel on October 6, 1957. The

former Commission still was to return to ordain and install the officers of this church, and therefore the above men were authorized to complete both actions.

The Commission met at the John Knox Presbyterian Church, Shelby, N. C., on November 24, 1957, at 7:15 p. m. Called to order by Dr. John Brown, chairman, the Commission was led in prayer. George L. Riddle was elected clerk in the absence of Trent Howell. Members present were:

Elders: Everett Pruden, Shelby
W. D. Browne, Sr., Cherryville
Ministers: John S. Brown
George L. Riddle

The quorum of two Ministers and one Elder being present the Commission proceeded upon its work.

Elders Ted Kale, Charles Beam and W. L. Alexander, who were elected at an earlier meeting, were examined by the Commission. The motion was made, seconded, and carried that the examination be sustained as satisfactory, and that Ted Kale and Charles Beam be ordained at the evening service; and that, W. L. Alexander having been ordained an Elder before, these three men be installed as the Elders of this church.

Presbytery's Commission had charge of the evening service in the John Knox Presbyterian Church at 7:30 p. m. Dr. John S. Brown presided and the qualifications of Elders and of their office were explained. The Commission then proceeded to the task of ordination and installation. The constitutional questions were put to the new Elders and then to the congregation by Dr. Brown. Being satisfactorily answered the Commission then laid hands on Mr. Kale and Mr. Beam, and a prayer of dedication was offered. All three men, Ted Kale, Charles Beam, and W. L. Alexander were declared installed as Elders of the John Knox Church.

Following this, the Commission proceeded to the installation of the Rev. Mr. E. T. Thompson, Jr. pastor. The constitutional questions were propounded to both Mr. Thompson and to the congregation. These were answered satisfactorily. The minister was then charged by Rev. George L. Riddle and the congregation charged by Dr. John S. Brown. Following the charges, Mr. Thompson was declared installed as pastor according to the Book of Church Order.

The Rev. W. R. Smith, Winston-Salem, N. C., and a member of Winston-Salem Presbytery, had been invited by Kings Mountain Presbytery to preach the sermon at this service. Following his installation Mr. Thompson presented Mr. Smith who brought a timely and inspirational sermon from Luke 22:24-34. The service was concluded by the pastor with prayer and the benediction. After the service the Commission met, read and approved the minutes, and adjourned with prayer.

MEETINGS OF PRESBYTERY: When the proposed Amendments to the Manual, see page 19, 20 Minutes of September 17, 1957 meeting, came up for a second reading, it was discovered there was conflict between the amendments and the action at the morning session to have four stated meetings, whereupon Rev. CAMP HISTORY AND DEDICATION—James T. Womack, Chairman, Executive Committee of Christian Education recommended that Presbytery hear a history of Presbytery Camp prepared by Ennis Jackson, Chairman of the Sub-Committee of the Camp, to be followed by a service of Dedication and burning of notes of indebtedness. This recommendation was adopted.

The history was read by Geo. L. Riddle, who has been closely associated with Mr. Jackson in the development of the Camp.

Following the reading of the history, Presbytery gave a rising vote of thanks to Mr. Ennis Jackson.

Mr. Jackson in turn thanked members of the Sub-Committee on the Camp and called upon Mr. T. G. Miller, Mr. R. T. LeGrande Jr., and Mr. Coit M. Robinson, to come forward, burn the notes which had been paid.

(7) That the Christian Education Committee be authorized to spend not in excess of \$500 for the services of a Church Camp Architect, to develop long range plans for Camp construction, and

APPORTIONMENTS TO CHURCHES, Mr. Ennis Jackson, Chairman, presented the report of the Stewardship Committee of the Council, which included two mimeographed sheets: 1. Kings Mountain Presbytery's 1959 Assembly, Synod, and Presbytery Benevolence Apportionments, which is included in this report, and 2. Benevolences Appropriations and Presbytery's Tax to the Churches for 1959, which will be broken down further and included in pasted in sheet in the back of the printed minutes.

The report with its recommendations was adopted and is as follows.

In the year 1957 Kings Mountain Presbytery contributed \$244,954 to benevolences. Of this amount \$77,502 was non-budgeted items, leaving only \$167,452 for budgeted benevolences. This was \$55,159 less than the apportionment of the Presbytery to the Churches for 1957. These total gifts give evidence of the generosity of the Presbytery of Kings Mountain. At the same time we wish to call it to your attention that the approved budget program will necessarily have to be curtailed on account of not receiving its requests in full.

Recommendations:

1. That Presbytery accept the apportionment of the General Assembly, Synod, and Presbytery for the period January 1 through December 31, 1959 and endeavor to raise the total amount which is \$226,947.00, as follows:

Assembly's Causes: World Missions—\$56,169.00; Church Extension—\$22,626.00; Christian Education—\$10,147.00; Annuities and Relief—\$6,309.00; General Fund—\$16,567.00; Inter-Church Agencies—\$295.00; Total—\$112,383.

Synod's Causes: Church Extension—\$7,693.00; Barium Springs—\$16,544.00; Presbyterian Home—\$3,281.00; Christian Education—\$3,767.00; Educational Institutions—\$34,791.00; Campus Christian Life—\$4,902.00; Inter-Church Agencies—\$298.00; Total—\$71,376.00.

Presbytery's Causes: Church Extension—\$26,916.00; Christian Education—\$16,272.00; Total \$43,188.00; Grand Total—\$226,947.00.

2. That Presbytery's Tax for the year 1959 be 75c per member (in 1958 it was 40c). The 1959 tax includes Assembly's 19c; Synod's 34c; and Presbytery's 22c; Total—75c.

3. That the benevolent apportionment of each Church be accepted and the local Church pay this apportionment in full before non-budgeted requests which are not included in the budget, are paid. (See Table of Apportionments inside back cover).

4. That Presbytery authorize a training session under the leadership of Rev. Geo. Webb and the Chairman of Stewardship, of interested persons, in the program of our Church, and that local Sessions approve the request of the Stewardship Committee, to present the Program of the Church in each local Church.

AFTERNOON SESSION

PRESBYTERY RECONVENES, called to order by the Moderator and led in prayer by the Rev. Trent Howell.

MODERATOR NOMINEE, the Rev. S. L. McKay, who had been suggested as a Moderator Nominee, stated that he had served in com-

paratively recent years as Moderator, asked that his name be withdrawn; and that the Rev. R. T. Baker be nominated, which was adopted.

REMARriage AND DIVORCE, the Rev. S. L. McKay, Chairman, presented the report of the Permanent Committee on Remarriage and Divorce which was adopted and is as follows: The first recommendation was approved by a vote of 42 to 11; and the second recommendation was approved by a vote of 39 to 12 with the Rev. W. S. Patterson asking that his vote be recorded in the negative.

Your committee met and made a careful study of Chapter XXVI of *The Confession of Faith* and of the proposed changes, thoroughly comparing the two. In this effort the guidance of God was sought by your committee.

Your committee recognizes the historic position of our church expressed in its credal standard, framed in 1643, and the Biblical evidence upon which it is based. We believe, however, that certain changes would clarify our church's position.

Your committee underscores the expressed belief that "it is the Divine Intention that the marriage consummated between two people, who are able with judgment to give their consent, becomes an indissoluble union. However, we do not recognize any difference between the Biblical idealism concerning marriage and any other 'perfect way' revealed by God in His Holy Word. Broken marriage is, therefore, in the category of all sin. . . . Your committee feels that divorce is due to sin, the result of man's rebellion against God, and it should be dealt with on this level from the start. In this regard there is a Divine way of dealing with man's failure—it is the action of Redemptive Love bearing the guilt, pardoning the sinner, and becoming his power for a new life. This does not change the Divine Intention for perfection of life. It wholly recognizes the guilt for failure but, while condemning the sin, saves the repentant sinner. . . . We believe that Redemptive Love applies to failure in marriage as well as to sin in any other area of life."

Your committee believes with great conviction that God's Redemptive Love is the only way to salvation and that the Spirit of that Love working in men is the sure way to understanding between men. We believe this applies especially in the area of marriage and the home. It is on the basis of this conviction that we believe Chapter XXVI of *The Confession of Faith* should be taken out of its framework of legalism and, with positive statements, be put within the context of the Gospel of Grace. We believe this transfer is accomplished by the changes recommended by the General Assembly.

Your committee, therefore, unanimously recommends:

1. That the proposed amendments to Chapter XXVI of *The Confession of Faith* be adopted.

2. That, in order to strengthen our church's position in this area of human relations, the proposed addition to *The Book of Church Order*, to be inserted after Paragraph 376, be adopted.

CHURCH EXTENSION, the Rev. Geo. L. Riddle, Chairman, presented an oral report for the Executive Committee of Church Extension, which included reference to an all day meeting of the Commit-

tee in July, at which time Ministers and representatives of aid receiving churches conferred with the Committee. Fifteen of the forty-five churches in the Presbytery receive aid from the committee whose annual budget is \$26,700. Three churches: Castanea, Hephzibah and Columbus, were named as presenting special challenges for the "One Day Pay" Offering of the Church Extension Season.

Mr. Short, who spoke briefly about the development of the Home and in turn introduced Mr. Milton Faszholz, Resident Counsel for the Home, who spoke more

A motion to commend the management of the Home and to approve the campaign for \$750,000 was adopted by a standing vote.

STEWARDSHIP, Mr. Ennis Jackson, Chairman, presented the report of the Stewardship Committee of the Counsel, which included mimeographed information prepared by Synod's Office, with these headings: "Summary of Assets of the Synod of North Carolina;" "Kings Mountain Presbytery Pertinent Stewardship Facts—1957-1958," and a Brochure for the Every Member Canvass prepared by the General Assembly's Stewardship Committee, with the name of Kings Mountain Presbytery appearing on the cover and an insert sheet with information pertinent to the Presbytery.

This mimeographed information and the Brochure was distributed to members of Presbytery and announcement made that extra copies of the Brochure were available for the use of Churches.

The following statement and recommendations of the Committee were adopted:

The year is three fourths gone, we are in the last quarter. We have received only 37% of the 1958 apportionment to Benevolence.

There are churches who have paid one-twelfth of their apportionments each month. There are churches who have paid something. There are churches who have paid nothing. In this group are some of our large churches.

If we receive our budget this year, we must receive 63% of the total in less than 25% of the time. We are behind nine months. We have less than three months to make payments.

Here an explanation was made about the recommended increase of Presbytery's Tax from 40 cents per member to 75 cents per member; due to the shifting of Synod's support of the Office of Synod from the Contributions to the Benevolent Causes to Synod's per capita tax to the Presbyteries, also an increase in the Assembly's per capita tax to the Presbyteries. The recommendation was adopted.

Other recommendations adopted are as follows:

1. That November 9, 1958, be designated as Every Member Canvass Day.
2. That the theme for the Every Member Canvass be: "Give As Unto Him."
3. That no Every Member Canvass shall be called completed until every member has been contacted and given an opportunity to give to the Program of the Church.
4. That the local Church Sessions approve and schedule the requests of the Stewardship Committee, to present the program of the Church in each local Church.
5. That Benevolent apportionments for each Church be accepted and an honest effort be made to remit payment of the same on a monthly basis.
6. That every one here, go home, contact his Treasurer and find out where your church stands. Try to make an honest effort to pay the 1958 apportionment in full.

POWER TO BORROW, Mr. Ennis Jackson, Chairman of the

Stewardship Committee requested Presbytery to take the following action giving the Trustees power to borrow money as indicated:

"The Rev. Trent Howell moved that the Trustees of Kings Mountain Presbytery; namely, Ralph A. Dickson, F. L. Baird, and James Boyce Garland, borrow \$3,000.00 from the National Bank of Commerce, Gastonia, N. C., and execute a note therefor due in one year, together with interest at the rate of 5% per annum. This motion was seconded and passed."

RECORD CORRECTIONS, the Rev. J. B. Bradley, Chairman, presented the following corrections for the printed Minutes of Presbytery, the 139th and 140th sessions: page 6 "James N. Womack" instead of James T. Womack; page 9 "Text II Cor. 4-7 verses "instead of II Cor. 4:1-7; page 10, the record of installation on October 20, 1957, does not list the name of the pastor installed (Dr. Herbert V. Carson); page 23 "James M. Womack" instead of James T. Womack; page 36 "Rev. J. Howell Trent" instead of Rev. J. Trent Howell. These corrections were approved.

JANUARY MEETING, an invitation from the East Belmont Church for the January meeting of Presbytery was accepted. This meeting is scheduled for the third Tuesday in January 1959.

SESSIONAL RECORDS, the Rev. J. B. Bradley, Chairman of the Committee on Records, presented a mimeographed report to Presbytery in re "Questions for guidance in preparation and examination of Sessional Records." The report was adopted with the recommendations, and the cost of the mimeographing to be borne by Presbytery. The report with its recommendations is as follows:

At the request of some of the Brethren of the Presbytery and upon instruction of the Presbytery, your committee has endeavored to prepare "Questions for guidance in preparation and examination of Sessional Records."

In looking into the matter and upon receiving advice from members of the Presbytery, your committee has deemed it expedient to prepare a list of questions which are in the main the exact questions formerly provided by the Stated Clerk of Presbytery in this connection, and to offer for its first reading amendments to the "Manual of the Kings Mountain Presbytery" in two sections. The first section is No. 6 Records on page 11 of the Manual and the second "Rules for Guidance of Sessions" on page 17 of the Manual.

In the section "No. 6 Records" page 11, the changes occur only in the time of the Examination of Sessional Records, that time being read into the section as April instead of January. The second change in this section is the deletion of paragraph six, which paragraph instructs this committee to do work which is already being done by Presbytery's Council.

The second proposed amendment to the Manual is concerned with "Rules for Guidance of Sessions" on page 17 and 18 of the Manual. Here again we change the time for presentation of Sessional Records from January to April (3rd paragraph); the wording of paragraph 5 has

been slightly changed; and to paragraph 7 has been added the sense of a deliverance of the Presbytery in passing recommendation No. 2 in the report of this Committee as recorded in the Minutes of the 139th meeting of the Presbytery in Lincolnton, January 21, 1958. This resolution is on page 16 of the above mentioned minutes.

The "Questions for Guidance in preparation and Examination of Sessional Records" are identical with the former "Sessional Records Report Blank" except that in No. 2 "Is the name of the Moderator recorded for each meeting" has been added. In No. 7 separate space is given concerning the report of commissioners to Presbytery and to Synod. In No. 9 The word Treasurer has been changed to Treasurers, added to No. 10 and members placed on the retired roll, and the No. 14 has been deleted since this last section is not among the "Questions" as such.

In compliance with the rule that the Clerk of Session's signature is sufficient for the individual church regarding Session meetings the space requesting the signature of the Moderator has been omitted.

1. That the "Questions for Guidance in Preparation and Examination of Sessional Records" be adopted, and that the Presbytery print a goodly supply of these to be afforded to all Churches.

2. That the "Proposed Revisions" of "Manual of the Kings Mountain Presbytery" be approved in this their first reading, and be placed on the docket for second reading at the January meeting.

THE JOY GIFT, the Rev. J. H. Buzhardt, Chairman of the Committee on Annuities and Relief, emphasized the Joy Gift, "So little—needed so much."

MONTHLY REMITTANCE, the Rev. Jas. T. Womack, member of the Stewardship Committee of the Council, called attention to the need for monthly remittance of the benevolent apportionments to the Churches.

MINISTER DISMISSED, the Rev. Hoyt Pruitt, Chairman of the Commission on the Minister and his Work, reported that a Letter of Dismission had been authorized for the Rev. Joe Wagner to Wilmington Presbytery and recommended that a letter of Commendation be written to go along with the Letter of Dismission. The recommendation was adopted.

The Chairman also requested that if any Church plans to change the salary of the Minister, in 1959; that it be reported to the Commission. The request of the Commission that the Rev. Paul K. Ausley be received at this meeting, was deferred until confirmation of a Letter of Dismission from Albemarle Presbytery could be obtained.

PROPOSED CHANGES, the Rev. J. N. Brown, Chairman of the Special Committee to study the Proposed Changes in the Form of Government section of the Book of Church Order, made a statement concerning the work done by the Committee in preparation for the report.

A motion was offered that the Preface be acted upon by sections I, II and III, and the rest by chapters rather than by each separate item. This motion was adopted.

The three sections of the Preface were answered "Yes".

MINISTER RECEIVED, confirmation that a Letter of Dismission for the Rev. Paul K. Ausley by Albemarle Presbytery, October 14th, to the Presbytery of Kings Mountain, having been obtained in a telephone conversation with the Stated Clerk, Thomas M. David to be attested by a telegram, which also arrived shortly thereafter; Presbytery adopted a motion to proceed with the examination.

McKay—Experimental Religion; J. B. Bradley—Views on Theology; C. D. Patterson—Views on the Sacraments; A. R. Craig—Views on Church Government.

The request of the Rev. R. H. Ratchford was granted, the Pastoral Relations dissolved as of January 31, 1959, and the Stated Clerk authorized to sign the required form provided by the Board of Annuities and Relief.

DECEASED RULING ELDERS—In reply to the request of Synod each year for a list of Ruling Elders who have died during the previous year, the Stated Clerk of Presbytery was authorized to contact the churches of Presbytery annually for such a list.

PRESBYTERY COUNCIL—The Rev. E. D. Witherspoon, Chairman, called attention to the fact that Presbytery had not yet adopted and order of Procedure for this meeting, that the Council had an order ready to submit and that according to that order it was time for the Council to report.

WOMEN OF THE CHURCH—Miss Abble Hall, President of the Women of the Church, Kings Mountain Presbytery, was introduced and gave the annual report of the Women of the Church in the Presbytery which was adopted by standing vote and is as follows:

WOMEN OF THE CHURCH

Report to Kings Mountain Presbytery of the Women of the Church of this Presbytery.

I would like to bring greetings to you from the Women of the Church. Also I would like to offer our services when and wherever they can be used.

It is a pleasure to tell you of some of the work of the Women of the Church of this Presbytery for the past year.

Under the capable leadership of Mrs. Park Moore, Jr., the women have had an interesting year of study, work and sharing.

In order to better equip themselves for officers and leaders, thirty-seven of our women participated in the Presbyterial Life Enrichment

Retreat. That was a restricted retreat for leaders only and was held at the camp. Twenty-three attended Synodical Training School at Queens College. (I am not bragging about the attendance at that conference.) We also had twenty-two who attended conferences at Montreat.

Further study was done during special seasons—such as Church Extension and World Missions. In some groups the men, women and young people worked together in work shops, sharing speakers and films.

All during the year the 1958 emphasis was carried forward by using—"The Nature and Mission of the Church" in our general meetings. The circle Bible study was entitled "They were called Christians" and we met "Dr. Luke" in our special study. From these various studies many groups reported a better knowledge of the Nature and Mission of the Church.

Service projects have been many and varied. Some of the groups sent delegates to the Christian Conference for colored women at Winston-Salem, some helped with migrant work, most of the groups took part in the White Cross Work and many sent used clothing to be shipped overseas through Church World Service. Every group took part in the Synodical Project—the Love Gift for Barium Springs. Our offering amounted to \$3,696—one dollar for every woman on our roll.

This year has brought us inspiring speakers also. It is always a pleasure to hear Dr. Janie McGaughey, Mrs. Lacy Godwin and men from this group as we did in Lincolnton. To say nothing of Dr. Sandy Marks, a missionary dentist who told us of his work in the Belgian Congo. Now the missionary children can run in and call out—"Oh Mom, Look Mom—no cavities."

Since another year has begun, we should with Paul, forget those things that are behind and reach forth to those things that are before. There is much to do. First in enlisting the active support of our entire local membership and then in facing the challenge of the 1959 emphasis—World-Wide Witness.

In closing I would like to quote from Mrs. Moore's report as she closed the work of 1958. "This year we have moved forward in the work of the church, but there are even greater challenges under the 1959 emphasis, "World-Wide Witness." "You shall be my witnesses in Jerusalem and in Judea and Samaria and to the end of the earth." In Jerusalem—forty per cent of the women membership of the churches in our Presbytery are inactive in the work of the church, nearly 1500 women for whom we are directly responsible; in Judea—in our own communities we are called upon to witness for Christ as we live with our neighbors; in Samaria—throughout the Southland there are thousands outside of the church for whom we must show Christian love and concern; and to the end of the earth—it is only through the church that the good news of Christ is to be spread around the world and His kingdom is to be established."

We need your prayers. Will you pray that we may know God's will and that we may have the strength and courage to do it.

In connection with the above report, Dr. Witherspoon introduced two other Women of the Church in Belmont who were present and who have rendered valuable service to the work of the church: Miss Mary Hall and Mr. W. R. Stowe.

ADOPTION OF DOCKET—The Docket, prepared by the Council,

and mailed along with the notice of this meeting by the Stated Clerk; was adopted and the request that Ruling Elder W. A. Mason be heard, as recommended by the Commission on the Minister and his Work, as the first order of the afternoon session, was granted.

MINISTER AND HIS WORK—In the absence of the chairman, who prepared the report; Ruling Elder Coit M. Robinson, a member of the commission read the report, which was received, and held in obedience pending the address of Mr. W. A. Mason and any additional information of increase in salaries of ministers.

RECESS FOR LUNCH—The moderator gave opportunity for announcement of any committee meetings during lunch hour, and announced that following a Prayer of Thanks by the Rev. W. D. Ratchford, Presbytery would be in recess for one hour.

AFTERNOON SESSION

1:30 P. M.

Called to order by the moderator and led in prayer by the Rev. Paul K. Ausley.

MINISTERS SALARIES—In accord with the recommendation of the Commission on the Minister and his Work, Ruling Elder W. A. Mason, presented the printed report on Ministers Salaries adopted by Synod, July 1958. The report was received as information and the recommendations adopted.

In connection with the above action, the report of the commission on the Minister and his Work was adopted as amended and the recommendations adopted above are included along with this report as follows:

The vacant churches in our Presbytery at this time are: Northside, Dixon, Tryon, Stanley, Cramerton, Hephzibah and the Giendale Chapel.

The Hephzibah church has called Mr. George Hutchins, a senior at Columbia Seminary, and we hope he will accept the call.

The Commission recommends:

1. That Presbytery approve changing the calls of the following churches to increase their pastor's salary, New Hope from \$5,000 to \$5,400; Castanea \$4,000 to \$4,200. The First Presbyterian Church, Forest City, increase \$600; Shiloh from \$4,620 to \$4,840; Mt. Holly, First, \$5,000 to \$5,200. Effective January 1, 1959.

2. That the Presbytery hear Mr. W. A. Mason of Belmont who is a member of Synod's Committee to study the salaries of ministers, and represents our Presbytery on that Committee.

The Commission is meeting the first Tuesday night of the month in the First Presbyterian Church, Bessemer City.

SYNOD'S RECOMMENDATIONS

That all salaries of ministers be considered in the future on a net basis. That all expenses of ministers be taken care of by the churches they serve through the current expense budget. That steps be taken by the Presbyteries to reimburse the Home Mission Minister for his professional expenses in the conduct of his ministry.

That it would take approximately \$1,100.00 a year, on the average, to reimburse the Home Mission Minister for professional expenses. That a start be made immediately on this undertaking. Because of the

large sum involved the Presbyteries be given three years to work this out, with one-third of the professional expenses of the minister being assumed the first year, two-thirds the second year and then the final third during the third year.

That each minister in our Synod be allowed by the church or Presbytery the sum of \$75.00 per year for books and periodicals for the purpose of continued study and improvement.

That each minister in the Synod of North Carolina be provided with hospitalization insurance for themselves and their families at church or Presbytery expense.

That a deeper understanding on the part of laymen and laywomen of the work of the ministry is basic to the study of ministers' salaries. That each Presbyterian be urged to understand that our ministers are entitled to be reasonably free from world care and that our church immediately take all steps necessary to accomplish this requirement as outlined in our "Book of Church Order".

PRESBYTERY'S COUNCIL—The Rev. Eugene D. Witherspoon, chairman, presented the report of which was approved and recommendation for change in manual to provide for a Committee on Stewardship adopted as first reading, and is as follows:

The Council of Kings' Mountain Presbytery wishes to bring to the attention of the Presbytery only one matter. It is a matter of supreme importance to the life and work of the Presbytery, namely, the benevolence giving of the churches of the Presbytery. While the condition has bettered somewhat, at the time the Council met on January 6th, only about 50% of Presbytery's budget had been received by the Central Treasurer. The Council realized immediately the necessity of informing Presbytery of this danger to the work of Presbytery, and of the importance of putting the work of the Presbytery on a basis that promised some regularity in support and some financial soundness.

As a first step in trying to get Presbytery's house of Stewardship in order, your Council appointed a temporary sub-committee of six members to inform Presbytery of the state of the nation, and to lay the ground work for the Stewardship program for this year.

As a second step, your Council recommends to Presbytery that a change in the Manual of Presbytery be made to provide for an Executive Committee on Stewardship to be composed of three classes, with two laymen and one minister in each class, with a total of nine members.

The Stewardship Committee of the Council, in session yesterday, expressed its deep concern over the lack of support of the benevolence causes of the church. It feels deeply that something must be done if the Presbytery is to maintain its high standard of effective work, and if it is to meet its responsibilities to the Synod and to the General Assembly. The committee voted:

1. To remind the Presbytery that only 73.85% of the 1958 budget was received, the lowest percentage of receipts in recent years;

2. To request the sessions of the churches of the Presbytery to direct organizations, and urge individuals, of their churches to channel their special gifts through the church treasurer, instead of sending them direct, and to instruct the church treasurer to follow the system of our church by using the Central Treasurer of Presbytery in disbursing funds to benevolence causes;

3. To send a monthly statement of benevolences contributed by his church to each pastor, with the request that he not file this statement in file thirteen (the wastebasket), at the same time begging, pleading, urging and beseeching him to read each statement to his officers, both elders and deacons, at their regular meetings.

4. To urge each church to pay its benevolences monthly, reminding the churches of the Presbytery that benevolences is just as much an expense and obligation as current expense obligations, and that the obligations of Presbytery must be met regularly.

5. To remind the Presbytery that its tax for 1959, of 75c a member, was due and payable as of January 1. Please remit as soon as possible.

6. To commend the churches of the Presbytery for the payment of last year's taxes, payment in full having been made by all but one church of the Presbytery.

Both the Council of Presbytery, and its sub-committee on Stewardship, urge the Presbytery to be much in prayer that the officers of our church will make every effort to inform themselves of these matters to which we have referred, that in turn, they may inform their people, that they, knowing, will meet their responsibility to the Presbytery of which they are a vital part.

CHURCH EXTENSION—The Rev. S. L. McKay, Chairman, presented the report of the Executive Committee on Church Extension, which was approved and recommendations adopted and is as follows:

Your Committee on Church Extension now has sixteen (16) churches receiving supplement from the Presbytery. One church, Adams Memorial, has been added to the list since last meeting. The First Church, Gastonia, has agreed to continue giving the salary supplement for Adams Memorial for the duration of the pastorate of the Rev. Howard Wilson.

As of now three (3) of these churches are without a pastor. We have strong hopes that these will be supplied with regular pastoral services during the year and that two of these will secure a pastor in the very near future.

Since your adoption of our recommended budget of supplements for 1959, some changes have been made. The following churches have reduced their supplements by the figures indicated:

CASTANEA—From \$1,000.00 to \$800.00.

COLUMBUS: From \$1,750.00 to \$1,650.00.

SALUDA: From \$1,800.00 to \$1,600.00.

LINWOOD: From \$1,500.00 to \$1,200.00.

WESTVIEW: From \$1,200.00 to \$900.00.

This represents a total reduction in supplements of \$1,100.00.

However, the committee has voted unanimously to add to the schedule of salary supplements \$2,000.00 for GLENDALE CHAPEL, with the understanding that if a full time pastor is secured, the amount of salary which the people of Glendale cannot raise and living quarters will be underwritten by the Olney Church.

We, therefore, recommend that:

1. The reductions in salary supplements mentioned above be approved.

2. The addition of Glendale to the list of churches receiving salary supplement be approved, with the supplement of \$2,000.00

3. The chairman of the sub-committee on Evangelism, Rev. Park Moore, be given 5 minutes time to speak to Presbytery on evangelism.

CHRISTIAN EDUCATION—The Rev. Jas. T. Womack, Jr., Chairman, presented the report of the Executive Committee of Christian Education. The information part was received along with a special news bulletin about the Youth Presbytery, February 15th in the First Presbyterian Church, Shelby; and the Gastonia Leadership School to be held April 5-7.

The Christian Education Committee recommends:

(1) That Senior High Conference be held, Sunday, June 7-Saturday, June 13, Rev. Donald Shriver, director.

(2) That Pioneer camps be held:

a. Sunday, June 14-Saturday, June 20, Rev. Norman McDowell, director.

b. Sunday, June 21-Saturday, June 27, Rev. Ernest T. Thompson, Jr., director.

BUSINESS RESUMED—Called to order by the moderator and led in prayer Rev. S. L. McKay.

COUNCIL REPORT—Rev. Eugene Witherspoon, Chairman, presented the report of Presbytery's Council which was approved and recommendations adopted with action taken as requested in recommendation one, and is as follows:

Presbytery's Council met in the First Presbyterian Church, Shelby, on March 13. After considering several matters of routine business, the report of the Central Treasurer was heard by the Council. It was encouraging to note from this report that some of the churches of the Presbytery have put their benevolence payments on a monthly basis, considering the full and regular payment of benevolences as much a responsibility as any other expense in the operation of the church. It also has been encouraging to learn that some churches have directed their treasurers to borrow money when necessary in order to meet benevolence obligations monthly. It is this kind of response to the need of the Presbytery and the Kingdom of God that speaks of hope for both!

Included in the report of the Treasurer were figures indicating the apportionment of each church for the year 1959, and the amount accepted by each church. The Council was disturbed to learn that the amounts accepted by the churches of the Presbytery was 16.2% less than the amount of the budget which Presbytery adopted and which, at the time at least, the members of the Presbytery felt was needed for the carrying on of Presbytery's work. It was quite evident to the Council that effort must be made to meet the budget of Presbytery, or Presbytery must give instructions to its various committees concerning the curtailment of its program, and notify Synod's treasurer of our inability to meet our accepted part of its budget. In view of the report of our Central Treasurer, and the report of your Stewardship Committee, to the Council, the Council makes the following recommendations to the Presbytery.

RECOMMENDATIONS

1. That the above mentioned figures relative to askings and acceptances be distributed at this meeting of Presbytery, with the request that Presbytery take action to provide for the shortage between amount asked and the amount accepted by the churches.

Action by Presbytery: That Deacons be invited to the July meeting of Presbytery to hear discussion of proposed Budget for 1960, and given the privilege of the floor in the discussion.

Here the proposed change in the Manual providing for a Permanent Committee on Stewardship was given a second reading and adopted.

That the Stewardship Committee be requested to invite the Chairman of the Budget Committee in the local churches to attend the meeting of the Stewardship Committee set for a Sunday afternoon when the askings from the churches of the Presbytery are prepared.

2. That a series of three Stewardship Rallies for officers of the

Presbytery, both elders and deacons, be held September 28-October 1. These are to be supper meetings with each church assuming responsibility for the number of reservations requested. One meeting will be held in the Western District on Monday, September 28, at either Tryon or Rutherfordton; the second on Wednesday, September 30, in the Eastern District, at the First Presbyterian Church, Belmont; and the third on October 1 in the Central District, at the First Presbyterian Church, Kings Mountain. Dr. Bob Hodges, of the General Council, may be secured as speaker for these meetings if the meetings are approved by Presbytery.

3. That, following each meeting of Presbytery, a mimeographed digest of the actions of Presbytery be prepared and mailed to the clerks of the sessions of the Presbytery, in order that the business of the Presbytery might be immediately and clearly brought to the attention of the sessions of our churches.

Your Council also directed that there be mailed to each church the information and recommendations concerning ministers' salaries, received and approved at the last meeting of Presbytery. This has been done. It is hoped that the clerks of the session have read this communication to their respective sessions. If this has not been done, the representatives of the churches here today are urged to request the clerks of their session to do so at its next meeting.

MINISTER AND HIS WORK—Rev. W. Hoyt Pruitt, Chairman, presented the report of the Commission of the Minister and his Work, which was adopted as amended and is as follows:

The Commission meets monthly in Bessemer City as a committee to confer with Pulpit Nominating Committees of churches. The Presbytery has at this time nine vacant churches.

Recommendations: 1. That Candidates John Andrew Gullick, Jr., be transferred to Winchester Presbytery, and John D. Stewart be transferred to Fayetteville Presbytery.

2. That Rev. Park H. Moore and Rev. Norman MacDowell be appointed to the work of Evangelists while on active duty with the United States Navy Reserve.

3. That the Dixon church be given permission to employ as a student supply for June, July and August, Mr. George Harper of Columbia Theological Seminary.

SESSION RECORDS—Rev. J. B. Bradley, Chairman moved that the examination of the Session Records include minutes of Session meetings through the one which includes the statistical report of the church for 1958, this motion was seconded and adopted. The chairman then moved that the Presbytery resolve itself into a Committee of the Whole, which was also seconded and adopted and the chairman of the Committee on Records was designated as chairman of the Committee as a Whole.

Following a Prayer of Thanks for the Meal which was to follow: Presbytery took recess for lunch.

AFTERNOON SESSION

Upon convening after lunch, the chairman of the Committee as a Whole, announced that Presbytery would arise as a Committee of the Whole and the business of Presbytery was resumed, and the afternoon

session was led in prayer by Rev. Murray Love.

MODERATOR IN NOMINATION—Rev. Park H. Moore, was unanimously chosen as the moderator in nomination for the July Stated Meeting of Presbytery.

REPORT OF CHRISTIAN EDUCATION—Rev. Jas. T. Womack, Chairman, presented the report of the Executive Committee of Christian Education, which was in mimeograph form and supported by Camp and Conference leaders, and a guest speaker, Rev. Fred Stair, pastor First Presbyterian Church, Hickory, N. C.

The mimeographed information was received and the recommendations adopted as follows:

1. That Christian Education Committees of local churches work together with the Christian Relations Committee of their churches in the area of Christian Action.

(Note: Rev. Ernest Thompson will represent the Committee in a regional Faith and Life Conference, in Richmond, May 14-15).

2. That ministers give recommendations for camp counselors to camp directors before May 1.

(Pioneer Camp—Rev. Ernest Thompson; Junior Camp—Rev. C. Ray McCain).

3. That there be an over-night Pioneer Conclave at Presbytery's Camp, September 25-26.

4. That there be a Presbytery Workshop for local Pioneer leaders at the John Knox Church, September 12, 3-8 p. m.

5. That a first series leadership school be held in the Western District, October 4, 11 and 18 with Rev. A. R. Craig, Dean.

6. That Presbytery direct the Central Treasurer to appropriate to the Youth Treasurer a fund by budgeted operating expenses, the fund never to exceed \$50.00.

7. That Presbytery:

(a) Endorse and support a Youth Caravan to Mexico, August 5-17.

(b) Hear the Rev. Fred R. Ctair, Hickory, N. C., concerning the experience of the Concord Presbytery Caravan to Mexico.

(c) Authorize the appointment of an Advisory Committee on the Mexico Caravan, appointed by the Christian Education Committee Chairman and Chairman of the Sub-committee on Youth Work, to arrange for publicity and partial financial support of the Caravan.

REPORT OF CHURCH EXTENSION—Rev. Charles E. Kirkpatrick, chairman, presented the report of the Executive Committee of Church Extension, which was in mimeograph form, a digest of which is printed along with the recommendations which were adopted, and is as follows:

At its meeting in Shelby, March 31st, your committee studied some of the problems before it.

Evangelism: In the area of evangelism, the sub-committee is planning a Minister's Retreat in September.

Concerning Presbytery's responsibility in adding to the salaries of the pastors of aid-receiving churches a proportionate expense account, your committee is faced with a knotty problem. We are asking every pastor to answer a questionnaire dealing with his total income.

Your committee gratefully recognizes and highly commends the action of Mrs. Frank Dixon, Chairman of Church Extension for the Women of Kings Mountain Presbytery, for securing three copies of the new filmstrip entitled "Church Extension Tour" for use in our Presbytery. The Women of the Church have also secured Dr. James M. Carr, Secretary of the Department of Town and Country Church and Sunday School Extension, as speaker for three meetings in our Presbytery.

Recommendations: 1. That the Week of Prayer and Self-Denial for Church Extension, May 17-24, be observed by the churches of the Presbytery.

2. That, since the One Day's Pay plan has not caught fire in our Presbytery for the past two years, it not receive emphasis this year. However, due to the dire need for funds for Church Extension in our Presbytery, that all churches make a special effort to receive liberal offerings for Church Extension during May.

3. That Presbytery approve a Church and Manse Building Fund, and encourage the enlistment of members in the local churches.

PRESBYTERIAN FOUNDATION—Rev. George Riddle, chairman, introduced Mrs. A. R. Craig, member of the Board of Trustees, Presbyterian Foundation, Inc., who gave a brief history of the work of the Presbyterian Foundation and explained the appeal which it has for investment of funds which prospective donors may desire to leave to any specified work of the church.

GENERAL FUND AGENCIES—Rev. W. G. Somerville, chairman presented the report on the General Fund Agencies, which was adopted and is as follows:

1. Board of Woman's Work, the death of Mrs. L. M. McCutcheon has been a heavy blow to the work of the Women of the Church. Let us pray that God will provide for the leadership of the Woman's Work.

2. The General Council, the 1958 General Assembly adopted a resolution of appreciation for the splendid services as Secretary for 15 years of Dr. James G. Patton, Jr.

3. The General Assembly's Training School, the 1958 General Assembly took the following action: "that the Assembly urge pastors and sessions to observe Seminary-Assembly's Training School Day, April 26, 1959, in order to acquaint their congregations with the service the schools are rendering, the opportunities they offer, and their needs."

4. Mountain Retreat Association, Dr. Frank L. Jackson of Davidson has rendered a fine service as acting President of Montreat. The decision to abandon the 4 year college status and return to a Junior College status, has caused considerable consternation.

5. The Committee on Television, Radio and Audio-Visuals was moved from the Church Extension Department and made a General Fund Agency.

6. Stillman College—Gifts to Stillman College of the Negro Work Campaign have added greatly to the strength and influence of the College. Dr. S. B. Hay continues his fine work as President.

7. The Historical Foundation. Under the able direction of Dr. Spence, renders fine service to our own and other denominations.

8. The American Bible Society. To quote from the 1958 General Assembly: "the American Bible Society is an effective agency of all the supporting agencies in World evangelism". Also "Never was the

need greater, never was the hunger deeper, never was our opportunity more urgent."

9. The Presbyterian Foundation, Inc. The General Assembly at Birmingham gave its approval to an abbreviation of the name: "Trustees of the General Assembly of the Presbyterian Church in the United States and Presbyterian Foundation Inc., and the state of North Carolina has given its approval.

Let us remember these General Fund Agencies in our prayers, and in our Gifts.

CANDIDATES—Rev. Jas. N. Brown, chairman, presented the report of the Permanent Committee on Candidates, which includes four who are graduating from Seminaries this year, two of whom have already been dismissed to other Presbyteries, and one, Geo. B. Hutchins, who has requested dismissal, and a fourth, James B. Harrison who is undecided as to his immediate plans.

Recommendation. 1. That the request of Geo. B. Hutchins that he be dismissed to the Presbytery of Meridian, be granted.

The report was received and the recommendation adopted.

SYNOD'S HOME—Rev. J. C. Kovachs, chairman, presented an oral report on the Forward Campaign for Presbyterian Home, Inc., High Point and made an appeal for its support, which was received as information.

Trent Howell, chairman of the Permanent Committee on Nominations, presented the Nominations for the new Permanent Committee on Stewardship, which was adopted and who are as follows: Class of 1960: Rev. Park H. Moore (M), Mr. John Friday (D), Lincolnton, and Mr. W. F. LeGrand (D), Shelby. Class of 1961: Rev. Murray Love (M), Dr. Phil Padgett (E), Kings Mountain, Mr. Holmes Harry (D), Shiloh. RECORDS—Rev. J. B. Bradley, chairman, presented the report of the Permanent Committee on Records, which was adopted and is as follows:

REPORT OF COMMITTEE ON RECORDS

Your Committee finds that the 45 churches in the Presbytery, 43 churches have presented their sessional records for review, to your committee. The Sessional Records which we do not find are: Kings Mountain First and Dixon.

Of the remaining 39 records presented, 21 are approved without exception; exception being taken in the case of 18 churches.

Of the exceptions taken, the most prevalent was, Representatives to Synod or Presbytery or both not reporting their attendance upon those courts to their Sessions. The second most prevalent exception was that of Joint Meetings of elders and deacons in which all seemed to vote as a single body. In a case or two the Statistical report to Presbytery was not ordered read to the congregation, and in like manner the name of the moderator of the session meeting did not appear in the record. In one case minutes of a congregational meeting appears in with the session minutes. Other exceptions were, no accurate account of baptisms, new members, deaths, dismissions and retired members kept; failure to hold a session meeting at least quarterly; and fail-

ure to have, or so state, the treasurers books examined.

All these exceptions when taken are recorded on the "Questions for Guidance . . ." which are placed in each Sessional Record Book.

1. We recommend that those Sessional Records, not submitted to this meeting of the Presbytery, be presented for examination at the July meeting of Presbytery.

2. That all Churches continue to use the "Questions for guidance in preparation and examination of Sessional Records" in the preparation of records for presentation.

BILLS AND OVERTURES—Rev. Geo. L. Riddle, chairman, Standing Committee on Bills and Overtures, recommended that the Overture from Kanawha Presbytery, in re change of the Church Year be received as information. Adopted.

PLACE OF MEETING—Rev. Paul K. Ausley, chairman, reported that the committee recommends that Presbytery accept the invitation of the Olney Presbyterian Church for the July meeting of Presbytery. Adopted.

RESOLUTIONS—Rev. James Anderson, chairman, presented the following Resolutions:

1. Appreciation—It is hereby resolved by Kings Mountain Presbytery, that we express our grateful appreciation to the members and minister of the Unity Presbyterian Church, for their kind hospitality, rendered to the Kings Mountain Presbytery on April 14, 1959, and that this resolution be conveyed to the congregation. This Resolution was adopted.

2. A memorial for the Rev. Raymond H. Ratchford was prepared and presented by the Rev. W. G. Somerville. It was adopted and ordered to be printed on a separate page in the Minutes of Presbytery; also a copy to be sent to the Stated Clerk of Synod for presentation to Synod.

(See Page 28)

CENTENNIAL—Rev. W. C. Neel, chairman, Special Committee on the Centennial, reported information received from the Assembly's Committee, as to action of the 1958 Assembly and to be reported to the 1959 Assembly. Received as information.

MINUTES ADOPTED—Rev. W. Hoyt Pruitt, Permanent Clerk, read the minutes which were adopted as corrected.

ADJOURNMENT—On motion adopted, Presbytery adjourned to meet in the Olney Presbyterian Church, Tuesday, July 21, 1959, 9:30 a. m. The moderator so declared and led Presbytery in the Closing Prayer and Benediction.

IN MEMORIAM

Raymond Howard Ratchford, beloved pastor of Goshen Church for the past thirteen years, and member of Kings Mountain Presbytery since 1939, was promoted to heavenly service April 7, 1950. A man of vigorous Christian faith, humility of mind and heart, he greatly loved his Lord and his fellow man.

In many daily deeds of loving service, Raymond Ratchford showed that he was mindful of the words of the Lord Jesus how He said it is more blessed to give than to receive. One of the sons of Goshen Church stated, in the service April the ninth, that a most fitting description of his former pastor's life is found in Mark 10:45: "For even the Son of Man came not to be ministered unto, but to minister." No task was too lowly to engage his whole being if in the doing of it God was glorified and some person blessed. It was his joy to do the Master's will.

The Christian radiance of his wife was reflected in the faces of loved ones and friends who gathered at Goshen Church and New Hope Cemetery where his body was laid away in God's acre to await the trump of God and the resurrection body of glory.

"The strife is o'er, the battle done:
the victory of life is won;
the song of triumph has begun."
Alleluia!

Action of the 1959 General Assembly in approving a plan for "United Churches" and sent to the Presbyteries for advise and consent was placed on the Docket for the October meeting 1959. J. B. Bradley, Chm. of the Committee on Records stated that one Church Session Minute Book brought to this meeting of Presbytery would be examined and reported on.

PRESBYTERY COUNCIL, in presenting the report of the Council, the Chairman called attention of Presbytery to the very excellent work the Executive Committees are doing, as indicated by reports given to the Council. The Council directed that a letter be written to each Church in re the Youth Caravan to Mexico, this was done and the response most encouraging. In re the Report of the Central Treasurer, the Council wants to direct your attention to the report as of June 30th, covering the Benevolence giving of all churches in the Presbytery, a check on the figures for the first half of the year indicates that 84.2% of the asking budget was accepted by the churches of the Presbytery; that 75% of the accepted budget for the first half of the year has been paid, and 63.5% of the asking budget on which Presbytery's program was projected. This would indicate that the work we know needs to be done in Presbytery must be curtailed 36.5%, which is a devastating cut-back to any program, particularly one based on minimum needs.

Another serious situation in our Presbytery, is the increasing number of vacant churches and the difficulty of securing men to fill these pulpits. There are several things contributing to these difficulties, such as a general scarcity of ministers, and more attractive fields in other Presbyteries. There is also the problem of salary, our minimum being one of the lowest in the Synod. Information in re this will be placed in your hands.

The following recommendations of the Council were adopted: 1. That in keeping with the request of Synod, Presbytery establish a Committee of Laymen on Ministers' Salaries, with Presbytery's representative on Synod's Committee, acting as Chairman of this Special Presbytery Committee. 2. That a minimum salary for Kings Mountain Presbytery be established at a figure of \$4,800 for 1960 and for 1961 \$4,800 salary plus \$300 for professional expenses.

MINISTER AND HIS WORK—The Chairman reports that the Commission has met monthly, with one called meeting. The Commission requests that suggestions or recommendations in re Ministers available, be made to the Commission in order that it may secure further information and have it ready for the Pulpit Committee at the regular meeting.

The following recommendations were adopted:

1. That Presbytery approve the transfer of Candidate James B. Harrison to Boulder Presbytery, U. P. U. S. A. Church. 2. That Presbytery appoint a special Commission to assist the Northside Church to study their church, and work with the session to secure a minister and report back to Presbytery. The Moderator to appoint this Commission and that it consist of three ministers and three ruling elders, three ministers and one ruling elder to constitute a quorum.

SPECIAL COMMISSION—The Moderator appointed the following members to constitute the special commission: Rev. Harry Moffett, Rev. S. L. McKay, Rev. W. G. Somerville and Ruling Elders Robert A. Gordon, T. Q. Howe and R. S. Feemster. 3. That Presbytery approve the Rev. Troy Young as Stated Supply of Duncans Creek and Ellenboro churches for one year, when the churches report to the commission the salary and the Church Extension Committee reports its part. 4. That Presbytery examine Rev. Lewis B. Metts for reception into Kings Mountain Presbytery as assistant in Olney Church, working in the Glendale

Chapel. 5. That Presbytery hear a request of the Glendale Chapel for permission to organize a church.

EXAMINATION OF REV. LEWIS B. METTS—In the absence of the Chairman of the Committee on Examinations, the Rev. Geo. Webb, acting as Chairman examined Mr. Metts on Christian Experience and Theology, the Rev. J. B. Bradley on Church Government and the Rev. James N. Brown on the Sacraments. The Examination was sustained on each part and as a whole and a motion was adopted that having signed the ex animo declaration, the Rev. Lewis B. Metts be enrolled as a member of Kings Mountain Presbytery.

CALL ACCEPTED—Terms of the Call extended to the Rev. Lewis B. Metts and accepted by him, are as follows: To be paid by Glendale—\$2200.00, to be paid by the Church Extension Committee—\$2000.00, one month's vacation, Manse and the Ministers' Annuity Fund. On motion adopted, Presbytery took recess for lunch.

AFTERNOON SESSION

Called to order by the Moderator and led in prayer by the Rev. Jas. N. Brown.

GLENDALE CHURCH ORGANIZED—A list of ninety names was presented to Presbytery as requesting the organization of Glendale Chapel into the Glendale Presbyterian Church. This request was granted, and the following

COMMISSION TO ORGANIZE THE CHURCH was authorized the Rev. Murray Love to preside, the Rev. David Blue, the Rev. Tinsley Bradley to preach, the Rev. Hoyt Pruitt, and Ruling Elders W. Roy Robinson and Raymond Long to complete the commission, three ministers and one ruling elder to constitute a quorum. Sunday, August 2, 1959, 7:00 p. m. as the time.

CHURCH EXTENSION—The Rev. Charles E. Kirkpatrick, Chairman, presented the report which included a detailed report of the work of the committee, and a Digest of Information on Pastor's Salaries (three mimeographed pages which was distributed to Presbytery and used as a basis for the adoption of the Recommendation 2. presented by Presbytery's Council. See Report of Council.)

The detailed report (to be printed in part) and the recommendations were adopted as follows:

The Committee is seeking to inform itself more fully with the local situation of the churches aided by salary supplement, by visiting each of the churches to meet with the Pastor, Officers and other interested persons.

The Committee would again advise all the churches who are considering building new churches, educational buildings, manses and even remodeling existing buildings; who expect to ask aid financially from Presbytery, to furnish the Committee early in their planning with preliminary blue prints. Also of plans the church has for raising funds.

The Committee realizes there was some confusion over changes in the date of the Church Extension Season which went into effect this year; and would urge all churches to at least meet the "quota" for Benevolences as set by Presbytery, first, and then to emphasize other offerings.

EVANGELISM—The churches in the Presbytery report 278 spiritual births and 348 received by Letter or statement. However, 591 were lost to the churches of the Presbytery, leaving a net gain of only 35. Five churches reported no additions, and four others reported no additions by profession of faith.

RECOMMENDATIONS: 1. That each church search its own areas and neighboring areas for opportunities to extend the influence of the church, both among white and Negro populations. 2. That pastors earnestly seek out unsaved individuals and so present Christ to them that they will allow the Holy Spirit to regenerate them. 3. That churches organize small prayer groups to meet regularly in homes to pray specifically for the unsaved as well as for Christians having special needs. 4. In 1960 enlarge this prayer life to include the whole congregation, praying that revival may come through the Holy Spirit to the whole Church. 5. That all pastors participate in the Presbytery Ministers' Retreat, September 21-22 at Presbytery's Camp, studying the "Role of the Congregation in God's Work of Redemption." This study will be led by Dr. Sidney Gates of Salisbury.

CHRISTIAN EDUCATION—In the absence of the Chairman, the Rev. Geo. Webb was in charge of the report of the Committee on Christian Education.

Rev. Don Shriver gave an encouraging report on funds in hand for the Youth Caravan to Mexico and gave details of plans for the time to be spent in Mexico, requesting special prayer for the two Sundays that they plan to worship with congregations in Mexico.

A mimeographed tabulated report of attendance and leadership at Church Camps and conference for Senior High, Pioneer, Senior Work and Junior groups was distributed.

Announcements were made about Leadership Schools: Gastonia, five Tuesday nights beginning September 29th, with nine courses to be given. Rutherfordton, three Sunday nights, beginning October 4th.

Men-of-the Church Rally—Gastonia Area—September 27th. Christian Education Season during September ending with the Rally Day Offering.

Kovach, chairman, called attention to the value of Presbyterian Home Inc., High Point and to the fact that the Campaign for Capital Funds is falling short but is being reactivated and requested prayer for the campaign and that it be presented to the Ruling Elders of the Churches.

At the request of the Chairman, the Rev. George Webb spoke to the response of Kings Mountain Presbytery to the quota of \$55,000. About \$10,000 has been pledged so far by one-fourth of the churches reporting.

PRESBYTERY COUNCIL, Vice-Chairman, Trent Howell, presented the report of the council, which was acted upon as follows:

The Central Treasurer read a list of the churches and the amounts accepted for the Benevolence Causes for 1960, which amounted to \$191,760.00 (compare this amount with the amount apportioned to the churches \$242,740.00).

The list as read was placed in the hands of members of Presbytery in the hope of awakening a stronger spirit of stewardship within Presbytery.

Each church is reminded that expenses in this area of the work of the Kingdom are as necessary and important as those on the local level.

The following recommendation was adopted: "That the Stewardship Committee be permitted to secure a list of Laymen in Presbytery who could and would present Stewardship to groups and churches extending an invitation for such."

WOMEN OF THE CHURCH IN THE PRESBYTERY, Miss Abbie Hall, President, was presented to Presbytery and invited to give the report, which was adopted, and thanks extended for the work accomplished.

WOMEN OF THE CHURCH

Again I come from the Women of the Church of Kings Mountain Presbytery to bring greetings and thanks for all that you have done to help us during the past year. At this time, too I would like to offer our services wherever and whenever they are needed.

Now may I give you a short report of our years work?

During the year our membership has increased one hundred. We now number 3,798. As to growth in other ways it is more difficult to measure. But from reports we found it was easier to get women to accept places of leadership in the local organizations. Also more women took an active part in the Bible study. Prayer groups were formed in a number of organizations, retreats attended — all of which should deepen the Spiritual life of the Church.

This has been another year of study, work and of fellowship. As we endeavored to carry out the theme World Wide Witness, we Girded Up Our Minds with Dr. Henderlite, and learned about the Monthly Emphasis for the Church in our circle meetings and used Cross Currents of Christian Witness in our General meetings.

We feel that the World Mission Program has been strengthened in the Presbytery and in the local Churches by hearing Mission speakers, enjoying Schools of Missions, having films and slides shown, making items for the White Cross Program, and sending used clothing over seas through Church World Service. Similar activities were arranged and carried out during Church Extension.

Our Christian Education Committee urged attendance at Church Schools, Daily Vacation Bible Schools and Pioneer and Young People's Camps. Also our young people have been kept informed about Church Schools and Colleges.

The three fold phase of Stewardship has been stressed by the Chairman, resulting in more women taking part in the work of the Church using their time, talents and possessions.

The Historian has encouraged writing up the history of each local organization and preserving this history by sending a copy to Montreat. General Fund Agencies and Annuities and Relief Chairmen have kept their causes before the local groups by passing on information and showing films and slides.

In order to better prepare themselves to carry out their duties, three hundred seventy local officers took advantage of the District Training Schools. These Schools being planned by the District Chairmen and taught by the Presbyterial Officers.

In February the local presidents met by districts to discuss problems and make plans for days ahead. In March the District Meetings were held at Unity, West Avenue and John Knox Churches. At this time the local presidents reported on what they had done or planned to do to carry out the Presbyterian Women's Agreements. At each meeting a local Minister spoke on the theme — World Wide Witness. The offering taken at these meetings increased our Presbyterial Scholarship Fund by two hundred thirteen dollars.

For further training and information groups attended Synodical Training School at Queens College and the Conferences at Montreat during the summer months.

In April an interesting day was spent at the Home in High Point by forty-two of our number, thirty-seven going by bus and five in a car. For some it was their first visit.

In June, thirty-one officers and local presidents attended a Life Enrichment Retreat at Presbytery's Camp. It was two days of fellowship spent in receiving information and inspiration.

At Presbyterial it was our privilege to hear the Rev. Park H. Moore who brought greetings and a timely message on the Presbyterian Mission to the Nation. Also we had messages from Mrs. Lacy Godwin, our Synodical President and Mrs. W. Rex Josey of Manning, S. C., who is a member of the Board of Women's Work. Also to add to our pleasure and information, Mrs. A. R. Craig told us about her trip to Brazil. We are so glad she is one of us.

When reports are made, it is impossible to tell all that has been done in loving and unselfish service to promote the work of Christ's Church in our communities, but our women have been busy and have accomplished much.

So, we give thanks to God for the privilege of serving Him. We ask that you will pray with us that He will bless and direct our work and study during 1960.

COMMISSION ON THE MINISTER AND HIS WORK, Rev. W. H. Pruitt, Chmn., presented the report of the Commission which was adopted and is as follows:

We present the call of: the Goshen Church to Rev. Archie McNair; Glendale Church to Rev. Wilson P. Rhoton; Stanley Church to Rev. O. H. Welborn; and of the Linwood Church to Rev. Paul Thrower; with the recommendation that Presbytery examine them for reception as members of Kings Mountain Presbytery.

EXAMINATION OF MINISTERS — Rev. S. L. McKay, Chmn. was in charge of the examination on their views as follows:

Religious Experience by S. L. McKay, sustained as satisfactory

Theology by Geo. Webb, sustained as satisfactory

Sacraments by J. B. Bradley, sustained as satisfactory

Church Government by J. N. Brown, sustained as satisfactory.

On motion as adopted, the examination as a whole was sustained as satisfactory and upon signing the ex animo declaration, the four ministers were received as members of Kings Mountain Presbytery.

PRAYER OF THANKS, the time for the Noon Recess having arrived, the Rev. Norman MacDowell led Presbytery in a prayer of Thanks and recess for Lunch was taken.

CHRISTIAN RELATIONS, oral report by Rev. James Womack, received as information.

RULES OF DISCIPLINE, Rev. James N. Brown, chairman the Special Committee to examine the Rules of Discipline, pages 184-200, Assembly's Minutes 1959, reported as follows, which was adopted by Presbytery:

Your committee recommends that the entire report be approved, as recommended by the Assembly's Committee, with the exception of paragraph 103—part 4 in which we suggest—

(1) The substitution of the word **exclusion** for the word **excision**, because **exclusion** is a word more commonly used and understood.

(2) We suggest deleting the word **contumacious** as being superfluous.

(3) We suggest deleting the words "with fear" and substituting the words "to righteousness".

Thus making paragraph 103—part 4 read as follows:

"**EXCOMMUNICATION** is the exclusion of an offender from the communion of the church. This censure is to be inflicted only on account of gross crime or heresy, when the offender shows himself incorrigible. The design of this censure is to operate on the offender as a means of reclaiming him, to deliver the church from the scandal of his offense, and to inspire all to righteousness by the example of his discipline."

Paragraph 109—5

We suggest the deleting of the word **ordination** and substituting the word **installation**, to read as follows:

A Ruling Elder or Deacon who has been absolved from the censure of Deposition, cannot resume the exercise of his office in the church without re-election by the people, and installation in the office.

It is the judgment of the Committee that one having been absolved is found free of guilt from the beginning, and should not lose his ordination.

We recommend or move that this report be adopted by Presbytery, and proper disposition be made thereof.

STATISTICAL REPORTS, the Stated Clerk reported that only 38 of the Churches in the Presbytery sent in their Statistical reports in time to have them checked before coming to Presbytery, four additional ones were brought to Presbytery, and three: Goshen, Ellenboro and Duncans Creek had not yet been placed in his hands. On motion adopted, the Stated Clerk was authorized to complete the reports.

STANDING COMMITTEES: Bills and Overtures, nothing to report.

RESOLUTIONS, the following report was read by Rev. Norman MacDowell, Chmn. in the Dining Room at Lunch and a standing vote of appreciation expressed:

We the members of the 147th meeting of Kings Mountain Presbytery, extend our thanks to the people, the officers, and the Minister of the Tryon Church for the privilege of meeting in this beautiful new church plant.

1. That Presbytery direct that a letter describing the acute need of our camps and conferences for leadership be sent to each local church to be read to the Session and congregation. This letter to include a report on the campers and leaders provided by each church last year, and a sheet describing the qualifications of leaders required.

2. That Presbytery hear a report on the newly accredited Kindergarten Training Center at Lincolnton Presbyterian Church of which Mrs. Ted Eury is Director.

3. That Presbytery hear Mr. Banks Bolin, President of Presbytery's Men, present:

a. Synod Conference Plans.

b. The Negro Youth Conference at Fayetteville.

c. The Reaching - Teaching program.

d. Request for names recommended for Presbytery's Men's Council to be elected at the Fall Rally, September 11.

4. That Presbytery urge all churches to seek to adopt the practice of paying benevolences in regular monthly payments.

5. That Presbytery recommend that Sessions consider the desirability of forming Adult Advisory Councils under the local Committee on Christian Education. To be effective such Councils should be composed of representatives of all adult groups and should seek to meet the needs of all adults.

CHURCH EXTENSION, Rev. Charles Kirkpatrick, chairman presented the report which included mimeograph sheets giving information on Sustentation, Grants, Loans, Church and Manse Building Fund,

Architectural Counseling, Negro Work, Evangelism, and Vacation Fund.

Evangelism, Rev. Park H. Moore, chairman presented the Pre-Synod Conference on Evangelism, June 13, 14 and the Cavalcade coming to Gastonia in October.

The report was received as information and the Recommendations, No. 1 as amended were adopted as follows:

Recommendations: 1. That Presbytery establish a minimum salary for single men at \$4,400.00 and for married men, at \$4,800.00.

2. That the Presbytery approve the policy of the Church Extension Committee, in which, as a rule, all churches who request either loan funds or grants from the Committee's funds for building or renovating, must furnish the Committee with a set of blueprints of the proposed building or manse drawn by a certified architect, and a plan for raising the money to finance it.

3. That the churches of Kings Mountain Presbytery observe Church Extension Season during the month of May. Also that each church give its people the opportunity to make a pledge toward the Church and Manse Loan Fund as well as receiving a special offering for Church Extension.

4. That Presbytery designate the 80% of the supplemental offering that is retained by Presbytery to be used for the purpose of making grants to churches for building, or expansion purposes.

MODERATOR IN NOMINATION, on motion which was adopted unanimously, Rev. George Riddle was placed in nomination for Moderator to be elected at the Stated Meeting, July 1960.

STEWARDSHIP COMMITTEE, Rev. A. R. Craig, chairman reported some progress made to the request for names of Laymen willing to make Stewardship talks in our churches upon invitation and expressed the hope that the churches will want these men to help promote stewardship. He also reported that the Council approves the plan of having a series of Stewardship Rallies this Fall as we did last. Received as information.

AUDIT REPORT, W. Roy Robinson, Central Treasurer, presented the Annual Audit Report of his office; also a mimeographed report of Presbytery's Benevolences for the quarter ending March 31, 1960, which was received as information.

WORLD MISSIONS, Rev. Tinsley Bradley, Chmn. presented Dr. Harry Moffett, member of Assembly's Board of World Missions, who had just returned from a mission to Africa accompanying Dr. C. Darby Fulton by appointment of the Board. Dr. Moffett presented a very fresh picture of the situation in the Congalese Church in our Mission in the Congo. The report was received with the thanks of Presbytery, as information.

SESSION RECORDS — Rev. J. B. Bradley, Chmn. presented the findings of Presbytery sitting as a Committee of the Whole to examine the Session Records, which were adopted as follows:

The tabulation of the findings of the "Committee of the Whole" indicates that the records of 26 of the churches be approved without exception . . . that 14 of the minutes should be approved with exceptions noted . . . and that the records of 6 churches were not presented to the Presbytery for review.

Those not presented were: Bostic, Ellenboro, Union, Ironton, Spindale and Dixon. The most flagrant and often made omission were: failure of representatives to Synod and Presbytery to report; failure to have the Treasure's books audited or examined; failure to read the Statistical reports before the Congregation; and failure to record the name of the Moderator of the Session meeting.

We recommend that the minutes of: East Belmont; Long Creek; Hephzibar; Duncan's Creek; Adams Memorial; Linwood; Northside; Olney; Belmont First; Rutherfordton; Shelby First; John Knox; Stanley; and Glendale — be approved with exception. The notes of exception are presented in each of these books. And that all other Records be approved without exception.

We recommend that the six records not presented at this meeting, be presented at the next regular meeting of Presbytery.

OFFICE OF EXECUTIVE SECRETARY, the Moderator announced the appointment of the following special Committee as adopted in recommendation of Presbytery's Council: Ministers: Carl R. McCain, and Park H. Moore. Laymen: M. R. Patrick, Belmont First; Joe Pharr, Cherryville; and Fred Arrowood, Bessemer City.

ANNUITIES AND RELIEF, Rev. J. H. Buzhardt, Chmn. presented a verbal report on the work of this committee which was received as information.

CANDIDATES — Rev. J. N. Brown, Chmn. presented a written report which states that the Committee has no report to make at this meeting but a detailed report will be made at the July meeting. Received as information.

CHRISTIAN RELATIONS, Rev. Ernest Trice Thompson, Jr. presented Ruling Elder David Gillespie, Shelby First Church, who spoke

of accomplishments in the effort to organize a Negro Presbyterian Church in Shelby. Received as information.

NOMINATIONS, Rev. S. L. McKay, Chmn. presented the brief report of the Committee which recommended replacements as follows which were adopted: Presbytery's Council 1960 — Rev. Paul K. Ausley. Christian Education 1962 — Rev. S. L. McKay.

GENERAL FUND AGENCIES, Rev. W. G. Somerville, Chmn. gave a verbal report on the work of these Agencies, which was received as information.

STANDING COMMITTEES: The Committee on Bills and Overtures reported nothing had come to their attention.

RESOLUTIONS, Ruling Elder Gilmour Kincaid, presented the following report, part of which was read in the Dining Room at Lunch and adopted by a standing vote: We wish to thank the Minister and members of the First Presbyterian Church, Mt. Holly, for their warm welcome and for the provisions that have been made for this meeting of Kings Mountain Presbytery.

We wish especially to thank the women of this church for preparing and serving this excellent meal, and also their extra thoughtfulness in providing Coffee for our mid-morning recess.

We thank the Moderator and Clerks for their work. We thank Dr. Ansley C. Moore for his message on the Consolidated Presbyterian College.

And last but not least we thank Dr. Harry Moffett for bringing to Presbytery direct from our Mission Field in the Congo, a report on the present situation relative to that work at this time.

PLACE OF MEETING, Rev. R. T. Baker, Chmn. reported that no invitation had been received for the July meeting of Presbytery. (Since the April meeting, an invitation has been received from the Shelby First Church).

AN ENDORSEMENT, Rev. Jas. T. Womack, Jr., presented a motion that Kings Mountain Presbytery endorse the "Friends of the Seminary" organization in connection with the work of Union Theological Seminary, Richmond, Virginia; which was adopted.

ATTENDANCE, in addition to those mentioned in communications, the following were recommended to be excused from attendance; Rev. Norman MacDowell. From the Afternoon Session; Rev. Murray Love, Mr. Jonas Stroup, Olney Church; Rev. J. C. Kovach and Mr. R. C. Burghardt, Columbus Church; Rev. Ray McCain, Mr. W. M. Barnes, Glendale Church; Rev. J. N. Brown and Mr. James B. Garland, Gastonia First Church. The recommendation was adopted.

REQUEST, Rev. Jas. T. Womack, requested that because of a heavy load of responsibility in the work of Presbytery, the Moderator consider relieving him of the appointment to the Committee on Consideration of an Executive Secretary for the Presbytery. This permission was granted. (Mr. Carl R. McCain was subsequently appointed to replace Rev. Jas. T. Womack).

MINUTES ADOPTED, Rev. Sidney Maxwell, acting Permanent Clerk, read the minutes which were adopted with changes noted.

ADJOURNMENT, a motion to adjourn was adopted and the Moderator led in prayer and declared Presbytery to be adjourned to meet, Tuesday, July 19, 1960.

Attested by
W. C. Neel, Stated Clerk

Charles E. Kirkpatrick, Moderator
Sidney Maxwell, Acting Permanent Clerk.

"to remind the churches which are effected, of the action of Presbytery concerning salary increases for ministers in 1961."

The following recommendations were adopted: 1. That in keeping with the General Assembly's request, a Permanent Committee on Christianity and Health, be appointed by the Presbytery, to be composed of three medical doctors and two ministers. (see report of Nominations Committee for names of this committee).

2. That in keeping with the General Assembly's request Presbytery: a. NORTHSIDE COMMISSION—Rev. Paul Ausley, Chmn. of the Special Commission to work with the Northside Church in securing a Pastor, presented the report of the Commission which was adopted and is as follows:

On July 21, 1959 Kings Mountain Presbytery appointed a Special Commission at the request of the Northside Church of Gastonia, "to study their church and work with the Session to secure a new minister and report back to Presbytery".

This committee, composed of the Reverend S. L. McKay, Dallas, the Reverend W. G. Somerville, Springwood, Mr. Robert A. Gordon, Elder, Gastonia First, Mr. T. Q. Howe, Elder, Olney, Mr. Ray S. Feemster, Elder, Armstrong Memorial and Mr. Paul K. Ausley, Kings Mountain First, chairman. Meetings were held with the Session, Diaconate and the Pulpit Committee of the Northside Church, individually and collectively. After a thorough and exhaustive study of the history

of the church from every source possible, including ministers over the past ten years, the conclusion reached by the committee was twofold. 1. A spiritual problem; 2. Financial difficulties. With this information the following action was unanimously taken. I. THE COMMISSION CALLED A CONGREGATIONAL MEETING ON SUNDAY, DECEMBER 13, 1959.

This was to help the congregation better understand its relationship to the minister, church officers and each other. The chairman spoke to the congregation on Presbyterian Law and Procedure. Many questions were asked and answers were freely given. All members of the Commission participated in the discussion.

II. TO LINK NORTHSIDE WITH DIXON PRESBYTERIAN CHURCH.

There were several reasons for this action. Both Northside and Dixon Churches have less than one hundred members and finance is a problem with each church. By combining these two churches into a field, along with the assistance of Church Extension, the salary of \$4,800.00, which is required by Presbytery, can be met. If in the future either or both churches can assume self-support, either church may take steps to secure the services of a full time minister.

III. REQUIRE BOTH DEACONS AND ELDERS TO ATTEND A TRAINING COURSE FOR CHURCH OFFICERS

Our investigation revealed violation of Presbytery Law and Procedure. Our belief was that such stemmed from the lack of knowledge and training. It was clearly set forth that church officers assume this office voluntarily and a pledge was made to God, the church and its members to promote unity, peace and interest and faithfully promise to perform all duties of that office. If any officer could not or would not perform the functions of that office, then he should voluntarily withdraw. Mr. Gordon, Elder, taught this class in January.

After consultation with Dixon and Northside Churches, the Commission on the Minister and His Work, and Church Extension, arrangements were made to combine Dixon and Northside Churches. The minister would live in the manse at Northside and divide his time equally between the two churches. The minister would preach 9:30 A. M. at Dixon and 11:00 A. M. at Northside.

After interviewing and consulting with various ministers, the services of the Reverend James S. Mann of Williamston, S. C. was secured to serve this field. Jim is with us here at Presbytery and will be received today.

This Commission earnestly requests the prayers of Presbytery that the work in these two churches may go forward and meet the spiritual needs of both communities in the Presbyterian manner.

Mr. Moderator, this Special Commission, having completed the work assigned to it by Presbytery, now requests this Commission be dissolved.

CHRISTIAN EDUCATION—Rev. George Webb, Chmn. presented the report as information which was received as is printed with only slight editing.

THE CAMP AND CONFERENCE PROGRAM

The Christian Education Committee is happy to report that in spite of the late closing of schools and the difficulty at first in securing leaders we have had thus far a very successful series of conferences and camps.

Synod's Men's Conference which made a very fine impression all over the Synod of North Carolina reported 557 registrations of which 67 came from Kings Mountain Presbytery.

Junior Camp reports 37 campers and 9 leaders. Two leaders had to drop out at the last minute and 10 campers had to be turned down. Rev. C. R. McCain was the Director.

Rev. Al Drake reports that for the First Pioneer Camp there were 84 campers and 15 leaders.

Rev. James Anderson reports that Pioneer Camp II had 50 campers and 16 leaders.

Rev. Ernest Thompson, Jr., reports that Senior Conference had 81 conferees and 18 leaders.

Senior Work Camp with 30 or more campers is now in progress.

The Sunday School Workshop received high praise. Dr. Eugene Witherspoon reports that an excellent faculty was on hand and that

37 teachers from 10 churches participated.

The Camp facilities were repaired from the severe winter, under supervision of Mr. Ennis Jackson, and ready for the summer use. These facilities are open to church and individuals for retreats, meetings and vacations, with a \$10.00 refundable deposit.

PIONEERS

A Pioneer Conclave will be held at Kings Mountain Presbytery Camp September 9-10 for all Pioneers. It will begin with supper and close with lunch.

MEN'S WORK

The Fall Men's Rally will be held in the Lincolnton Presbyterian Church Sunday, September 11. Rev. A. L. Dimmock, Secretary of the Department of Evangelism will be the speaker. The principal business will be the election of new officers. The Men of Lincolnton have challenged the Presbytery to produce 300 men!

Kings Mountain Presbytery provided 8 delegates to the Christian Youth Conference in Fayetteville.

The Reaching-Teaching Project which is sponsored by Men moves toward 1961 and the second stage. This phase is entitled "Enter into the Mission of Friendship." The hope of the Mission of Friendship is that as persons participate in the life of the church, they will be drawn to Christ.

The next Assembly's Men's Convention is scheduled for June 20-23, 1953, in Dallas, Texas. It is suggested that Men's Clubs begin to accumulate a reserve to send at least one delegate to this convention.

Training Classes for the officers of the local Men's Clubs will be held in November. Each Men's Club is requested to elect officers, or have the Session appoint a Contact Man, by October 1.

LEADERSHIP EDUCATION

Gastonia Area School will be held at the First Presbyterian Church of Gastonia, September 26-30, 1960. There will be morning courses for Nursery and Kindergarten teachers Tuesday - Friday, 9:15 - 11:30 a.m. Other courses will be offered in the evening as usual. Rev. David F. Blue, Jr. is Dean.

Western District School will be held at Spindale Presbyterian Church, October 23 - 27, 1960, with courses for teachers in Primary, Junior and Pioneer Departments, Church School Administration and Stewardship. Rev. C. R. McCain is Dean.

CHURCH SCHOOL CLINICS

Attention is called to the fact that our Area Director of Christian Education, Miss Dorothy Ray, is available for Clinics to be held in local churches as well as Workers Conferences, Department Meetings and other services in the field of Christian Education. Her office is in the First Presbyterian Church, Gastonia. Her mailing address is Box 768, Gastonia.

Rally Day is September 25. It is hoped that every Sunday School will receive a supplemental offering for the work of Christian Education.

The Evangelism Cavalcade will be held in Gastonia at the First Presbyterian Church, October 10-11. Every Church School should have its Sunday School Superintendent, Superintendents of Departments, Adult Class teachers, and Adult Advisors for Youth at the dinner Mon-

day night (October 10). This will help them to see that evangelism and outreach works most fruitfully.

DAVIDSON COLLEGE—Rev. P. D. Patrick, Trustee presented an oral report on the progress of Davidson College, which was received as information.

CHURCH EXTENSION—Rev. Charles Kirkpatrick, Chmn. called upon Rev. Park Moore to report on the Cavalcade in Gastonia. This report was received and the Stated Clerk directed to write the Pastors of First Methodist Church, Gastonia and thank them for the use of the Church to accommodate the Sunday night Congregation for the Cavalcade.

Mr. Kirkpatrick then presented a mimeographed report of Church Extension which was received a summary to be printed, and the recommendations were adopted.

SUMMARY: Challenge Funds, Northside matched \$2,000.00 of the funds, and added a bedroom and bath, and enlarged the kitchen of the Manse.

Deadline on the funds has been set for Castanea at Oct. 1, 1960 and for Duncans Creek at Jan. 1, 1961.

A new Challenge on the Fund has been made up to \$250 to the Linwood Church for much needed repairs.

LOANS, Springwood has made prompt repayment; and Long Creek is making regular payments on her loan.

CHURCH AND MANSE BUILDING FUND, Pledges received amount to little more than \$600. Expect to make a call on this Fund soon.

BOSTIC CHURCH BURNS, middle of May, Building completely destroyed by fire. Contents saved. New site donated by Elder, plans being drawn. Insurance and Bldg. Fund amount to approximate \$12,000. The church has 49 members.

VACATION FUND, Minister and family from a Church Extension helped Church, will be guests of the White Fund at Montreat; and two other ministers and their families are being helped to have a vacation.

EVANGELISM, Kings Mountain Presbytery has rated the lowest, or next to the lowest in spiritual birthrate of the Presbyteries in the Synod for some years.

RECOMMENDATIONS:

1. Whereas the property of the former Bostic Presbyterian Church has been always in the name of the trustees of Kings Mountain Presbytery, and

Whereas the Bostic Presbyterian Church would like to sell this property and apply the proceeds toward the erection of a new house of worship,

Be it resolved, that Kings Mountain Presbytery authorizes its trustees to convey the title of said property to the trustees of the Bostic Presbyterian Church without consideration of any remuneration whatsoever.

2. That we express our sympathy to the Bostic Presbyterian Church in the loss of their former church and commend them for their prompt action to rebuilding.

3. That the members of Presbytery be given an opportunity to make a commitment to the Church and Manse Building Fund.

ASSEMBLY COMMISSIONERS REPORT, Rev. Howard Wilson, and Rev. S. L. McKay and Ruling Elders, Dr. P. G. Padgett and W. A. Mason presented reports of their attendance upon the General Assembly.

Rev. I. S. McElroy and Ruling Elder William McFarland were absent; but the Stated Clerk reported that he had heard Mr. McFarland give a report to another group.

The reports were accepted and the diligence of the commissioners commended.

WORLD MISSIONS, Rev. T. P. Bradley, Chmn. presented an oral report, urging members of Presbytery to attend the World Missions Conference at Montreat. Your Committee on the Centennial of the Presbyterian Church in the U. S. has made one previous written report, October 1959, calling attention to plans in the making by the General Assembly and by the Synod of North Carolina.

Now that the plans of the General Assembly and of the Synod are more complete, we make the following recommendations to Kings Mountain Presbytery:

1. That Kings Mountain Presbytery approve the plans of the General Assembly and the Synod for an Assembly wide observance of the Centennial of the Presbyterian Church in the U. S. in 1961. (See Minutes of the Assembly 1958, 59, 60; and of the Synod 1959, 60.)

2. That an effort be made to have every church in the Presbytery launch a program of evangelism with a dedication service on January 1, 1961 that will move to a climax on Easter Sunday following special services in each church.

3. That Presbytery urge every local church to relate the Centennial theme and program of the Assembly to the plans of the Church, giving appropriate attention to interesting and relevant local matters of Presbyterian "heritage and challenge".

4. That Presbytery expects congregations to participate in the programs of reading and study during 1961 using the Bible study, "Basic Beliefs of the Reformed Faith" by Dr. Felix Gear; "The Story of Southern Presbyterian" by Dr. T. Watson Street; and "Tomorrow's Church/Tomorrow's World" by Dr. E. T. Thompson.

5. That Kings Mountain Presbytery observe the Centennial at the October 1st Tuesday meeting 1961 and that Men, Women, and Youth organizations in the Presbytery, be invited to participate in a popular meeting, using the theme: "Our Presbyterian Heritage and Mission", the Evening prior to this meeting of Presbytery.

6. That Presbytery urge each Church to observe Centennial Sunday, October 15, 1961; at which time a voluntary thank offering will be received as an expression of our thanksgiving and dedication.

The Council of Kings Mountain Presbytery met in the First Presbyterian Church, Shelby, on October 6, 1960, the time of the meeting having been moved from Tuesday to Thursday to enable the committees of the Presbytery to meet before the meeting of the Council. The work of the Presbytery was reviewed and discussed in the light of the reports which were made by the various committees.

Among other things discussed were the numerous meetings which have been held within the bounds of the Presbytery this fall, and the conflict of some of these meetings. In an effort to avoid over-scheduling of meetings, and conflicts in meeting dates, the chairman of the Council was ordered to keep a calendar of the Presbytery's activities. The chairman of the Council reminded the committee chairmen present, as he now reminds the entire Presbytery, that such a calendar will prove beneficial only if those involved in setting up meetings, effecting either the Presbytery as a whole or its districts clear all such dates through the Council.

A delegation from Orange Presbytery composed of Dr. Ben F. Brown, Chairman of Presbytery's Committee of Church Extension, the Reverend Vance Barron, pastor of the Chapel Hill Presbyterian Church, and Mr. Crowell Little, a deacon in that church, was heard concerning the need of a sanctuary at Chapel Hill, and the need of financial help in its construction.

The Council makes the following recommendations to the Presbytery:

1. That the Presbytery approve the proposed revision of "The Form of Government."
2. That Presbytery approve the proposed revision of "The Rules of Discipline."
3. That the Presbytery appoint an Ad Interim committee of three ministers and two elders to study the draft of "The Directory for Worship and the Life and Work of the Church".
4. WOMEN OF THE CHURCH

During this short work year, the Women of the Church of Kings Mountain Presbytery, have been busily engaged in carrying on the work of the Church in various ways. Some of these have been through the activities of the Women of the Church organization; also through teaching in the Church Schools, helping with Bible Schools, visiting new comers, helping in Church nurseries, cooking suppers for family nights and Men's Fellowship Clubs.

The Committee Chairmen have been very helpful. They have kept in touch with their local chairmen, made themselves available, offered speakers for special occasions, and passed on information.

Soon after the Annual Meeting of Presbyterial, the local officers in each district were called together by the Chairmen for a pre-view of the years work and special help with certain phases of it. The Presbyterial Officers and other qualified Women assisted the District Chairmen.

In February, the Local Presidents, Vice-Presidents and Ministers' Wives met with the District Chairmen to become better acquainted, to get and give help, and to have a part in planning the District Conferences. These Conferences were scheduled for March. The weather did not cooperate too well and one group had to be re-scheduled. But they were well attended and those attending went away feeling refreshed, inspired and better informed.

World Mission and Church Extension Seasons were observed in various ways. The material suggested by the Committees—such as books, programs and Prayer Guides were used; Mission speakers were heard, slides and films that gave information about the work were shown, Schools of Missions were conducted. The White Cross quota was completed, used clothing and blankets were collected and shipped overseas. Most groups had a share in the work by making a special offering. Many churches concluded these Seasons by coming together for family night suppers.

Our Christian Education Chairman has urged support for the summer camps for the young people, and has encouraged our boys and girls to attend Church Schools and Colleges. The Presbyterial has again given three one hundred fifty dollar scholarships to one Flora Macdonald and two Davidson students.

We are pleased that the groups are writing and preserving their histories. Forty-two out of the forty-five have filed their histories with the Historian.

The groups have taken part in the special offerings. Thirty-five had a part in the 1959 Joy Gift, forty-two had a share in the Birthday Offering.

In March the "Key Women" and "Friends of the Seminary", attended a luncheon meeting in the Shelby Church. At this time Miss McKnight and Dr. Jones spoke on some of the accomplishments and some of the pressing needs of the Seminary.

During the summer months, thirty-six of our number attended the Training School, Eleven Colored Women were sent to Winston-Salem. (five groups who had no delegate sent money.) Fifteen attended the Women's Conference and we were represented at other conferences in Montreat.

In June the Presbyterial Officers, Local Presidents and Spiritual Growth Chairmen spent one week-end at Presbytery's Camp. This Retreat was a special time for worship, study, meditation and fellowship.

June the fifth was a red letter day. The Women of Glendale Church officially became a member of the Presbyterial family. We now have forty-five organizations, with 3,657 members, divided into 174 circles.

Now we look forward to the work that is before us. This is going to be an interesting as well as an important year in the life of the Church. Let us thank God for and ask His blessing on all that we do.

PROPOSED MANUAL. W. A. Mason, member of the Ad Interim Committee on preparation of a Manual for Presbytery designated in the absence of the Chairman to give the report of the Committee; explained the purpose of the Committee in presenting the report at this time to Presbytery. By action of Presbytery, he was directed to read only such parts of the report as members of Presbytery, who had had opportunity to read and report to the Committee changes which they thought should be made, and then to read the revised report; should ask to be read, and to which suggestions for the Committee to consider further might be given.

Upon completion of this reading and the suggested changes which had been given, a motion was adopted directing the Committee to notify the Moderator when Presbytery should meet to give special consideration to the adoption of the Manual.

DEED TRANSFER, the following resolution was adopted:

"Be it resolved by the Kings Mountain Presbytery at a Presbytery Meeting held for the purpose of transacting general business at Gastonia, North Carolina, on April 18, 1961, as follows:

That the Kings Mountain Presbytery, by a motion properly made and seconded and carried by a majority of those present voting, instruct its Treasurer to enter into a Deed transferring to the Trustees of Concord Presbytery, the 1 acre in McDowell County, conveyed to the Trustees of Kings Mountain Presbytery by John R. Kirksey and wife, Parthenl J. Kirksey by deed dated December 5, 1910, recorded in Deed Book 47, page 560 of the records of the Register of Deeds for McDowell County, North Carolina, such deed to be a full warranty deed to said property and the said Presbytery hereby ratifies all of the acts of its Trustees in signing, acknowledging and delivering said Deed to Concord Presbytery.

REQUEST OF TRUSTEES, in line with the action entered above, the following recommendation was adopted: "That the Trustees of

Kings Mountain Presbytery be asked to seek to determine what properties are still on the books of the Register of Deeds of the counties in the bounds of Kings Mountain Presbytery, that still belong to Kings Mountain Presbytery.

That the Trustees report by the October meeting of Presbytery on this matter.

AMERICAN BIBLE SOCIETY, Rev. I. S. McElroy, Jr. in accord with a request granted in the adoption of the Docket, was heard in connection with his work with the American Bible Society.

GENERAL FUND AGENCIES, in the absence of the Chmn. W. G. Somerville, his report was read to Presbytery, received and recommendation adopted.

During 1960 the General Fund Agencies operated on 71.76% of their respective budgets, and this percentage was made possible only by the generous allotments from the Assembly's Equalization Fund; not one of them received this percentage of its budget through regular benevolent channels.

Recommendation; That all ministers, ruling elders, and deacons of Kings Mountain Presbytery give special study and emphasis to these General Fund Agencies with the purpose of bringing the members of our churches to a better support of these areas of our Assembly's Program.

MODERATOR NOMINEE, Rev. James N. Brown was placed in Nomination for the Office of Moderator for the second half of the Current Church Year.

MEMORIAL TRIBUTE, the Stated Clerk read the Memorial ordered prepared at the January meeting of Presbytery and it was ordered printed in the Minutes. (See Memorial Page)

CENTENNIAL PLANS, W. C. Neel, Chmn. reported acceptance by Dr. Frontis W. Johnston, Dean of the Faculty, Davidson College of the invitation to deliver the Address at the joint meeting of Presbytery and Presbyterian Tuesday Night, October 10, 1961 in the Olney Presbyterian Church.

GRATITUDE AND APPRECIATION, Rev. Norman MacDowell, Chmn. presented the report of the Resolutions Committee at the close of the Noon Meal, which was adopted by a standing vote of thanks.

The Kings Mountain Presbytery expresses its gratitude to the Reverend Lawrence Bottoms for the very challenging message to fully accept the task Christ has entrusted to us in this day.

Further, we express our deep appreciation for the experience of fellowship together and with Christ in the observance of the Lord's Supper which gave us opportunity to reexamine ourselves mindful of Christ's love and forgiveness.

We extend the appreciation of the Presbytery to the Linwood Church for the opportunity to hold this adjourned meeting of Presbytery with them.

Many thanks are given to the ladies of the church for the very bountiful way in which they have provided for our needs and given us the opportunity to break bread together.

PLACE OF MEETING, Rev. David Blue, Chmn. announced that the invitation of the Bessemer City Church for the July meeting and of the West Avenue Church for the October meeting along with the Olney Church who has invited the Presbyterial to meet with them has been accepted.

ATTENDANCE, Rev. Albert Drake, Chmn. presented the report on attendance which was adopted as follows: As indicated in the Roll, there were 32 Ministers, and 43 Ruling Elders representing churches present and enrolled.

Those requesting to be excused: Dr. Eugene Witherspoon, Dr. Priestly Conyers, Rev. W. G. Somerville, Rev. Oscar Welborn, Rev. Ray McCain, Dr. James Mays, and Dr. P. D. Patrick. The Ruling Elder Representative from the Columbus Church was reported sick and unable to attend.

Those requesting to be excused because of having to leave early: Rev. Archie McNair, Rev. George Webb, Ruling Elders: E. Wyatt, Andrew Propst, A. B. Poole, and Archie Eller.

The following were guests of Presbytery: Rev. Lawrence Bottoms, and Miss Dorothy Ray, Area D. C. E.

SESSION RECORDS, Rev. James B. Bradley, Chmn. presented the report of the committee on Records which was adopted and is as follows:

Your Committee through "The Committee of the Whole" has examined the Sessional records of 44 Churches of the Presbytery. Three Churches did not present their records; Bostic, Spindale and John Knox. Sessional Records of 32 Churches were approved without exception. Exceptions were taken in the examination of the records of 12 Sessions. The twelve Churches whose Sessional Records were approved with exception are, Belmont 1st; Cherryville; Dallas; Linwood; New Hope; Olney; Robinson Memorial; Grover (Shiloh); Kings Mountain 1st; Mount Holly; West View; and Tryon. The exceptions taken in each case were indicated in each Sessional Record.

The exceptions which were noted, in order of the frequency of their occurrence are: Statistical Report not ordered read before the Congregation; Books of the Treasurer were not examined and approved; Attendance at Presbytery of Synod not reported to the Session; Annual Statistical report not recorded; Name of Elders present not recorded; Record of Baptisms, and in some cases other rolls not kept; Minutes not read and approved. In one case Representatives to Presbytery were recorded as Delegates, and in one case the Minutes of Congregational meetings not kept in a separate place.

It was noted in Two records that Representatives were not elected to Synod, but in both cases it was noted that no one was available to attend these meetings.

Your Committee recommends:

1. That the Sessional Records of 32 churches be approved without exception.

2. That the Sessional Records of 12 Churches be approved with exceptions noted.

3. That, in cases where proper and adequate Sessional Record Books are not in hand, such record books be secured.

4. That expense of the Chairman of this committee, incurred in the purchase of Rubber Stamps for use by the Committee be paid. Two rubber stamps \$4.40.

5. That Bostic, Spindale, and John Knox be instructed to present their Session Records for examination at the July meeting of Presbytery.

The quota for each church over the three year period is 26 per cent of its current expense and budgeted benevolence giving.

Called to order and led in prayer by Rev. Murray Love.

RESOLUTION OF THANKS, Rev. Park Moore, Chmn., presented the Resolutions of thanks in the Dining Room at the close of Lunch, which was adopted with a rising vote of thanks and is as follows:

"The Presbytery of Kings Mountain stands in debt to the West Avenue Presbyterian Church for its gracious hospitality in entertaining the Fall meeting of Presbytery on October 10, 1961.

"Presbytery is grateful for the comfortable and worshipful sanctuary, for the able service of an organist, for the refreshments at recess, and for the delicious and bountiful meal at noon.

"Presbytery is appreciative of the efficient leadership of the Moderator and clerks, and of the careful preparation and presentation of the Committee reports.

"As a token of thanksgiving the Presbytery stands, approving this resolution."

CANDIDATES, Rev. James N. Brown, Chmn., reminded Presbytery of the reception of Richard Keever, Lincolnton, and Robert Wilson, Lowell at the Adjourned meeting Sept. 5, 1961.

SYNOD HOMES, Rev. J. C. Kovach, Chmn., which was adopted.

HIGH POINT, The Presbyterian Home, Inc. from its inception in 1952 has been and is providing our Senior Citizens in need with proper care, security and above all a sense of well being and belonging. The members of the Home contribute approximately 70% of the operational cost of the Home. The balance comes from Mother's Day offering, Synod's Benevolence and interested friends in the Home.

The Home, of which you are co-owners, has a capital worth of over one and one half million dollars, this is exclusive of the new addition worth one million. The structure is expected to be completed about June 1, 1962. There are also nine new cottage apartments under construction, making a total of 29, of which six of the nine are already applied for.

There are 100 residents in the home with approximately 42 employees. When present additions are completed, the home will accommodate 190 Senior Citizens.

The Board of Trustees, the Director, Mr. Richard Short, and Staff.

deserve the hearty support and commendation of the Presbytery, and of the Synod.

BARIUM SPRINGS, Presbytery is better acquainted with Barium Springs. The work and the cause has endeared it to all who know about its ministry to needy children through the years. There are at present 175 children in the home with available space for 210. During the past year, children in grades one through five have joined the High School ages in going to the Troutman Consolidated School.

Expenses for 1960 amounted to \$326,680, 62% of which was contributed by the churches of the Synod, toward a total income of \$345,762. Cost for one child, \$1,603. Thirty who graduated from High School, are now attending or training in 18 institutions, of which most of them are in North Carolina.

The Trustees and the Director, Rev. Albert McClure are to be commended for their untiring efforts and unselfish work in making this Home for Children.

CENTENNIAL, Rev. W. C. Neel, Chmn. read the report of the Committee which included early and significant sketches of churches in Kings Mountain Presbytery and pointed up some of the challenges this heritage presents to Kings Mountain Presbytery as presently constituted. The Presbytery reported last year 9,380 members of the churches, 385 Ruling Elders and 448 Deacons, and 8,310 enrolled in the Church Schools of the Presbytery. These 46 churches are served by 38 Pastors, (only three of the churches being without pastors at the present time). In addition to the installed pastors, there are enrolled two ministers as World Missionaries, and 4 serving in Theological seminaries. Five ministers are honorably retired but as opportunity affords and physical health permits, they too render faithful service.

RECOMMENDATIONS: 1. The Presbytery of Kings Mountain in celebrating the centennial of the Presbyterian Church in the U.S. is appreciative of the many efforts to make it a popular success:

to the Women of the Church of the Presbytery for sharing in the observance and contributing toward the program;

to the Olney Presbyterian Church for the gracious invitation and cordial welcome to the Centennial Service on October 10, 1961;

to Dr. Frontis W. Johnston for his interest in and for his inspiring address on "The History and Development of the Reformed Faith";

to Miss Norma Jean Yarborough and Mrs. Norman Morrow, Jr. and the members of the combined choir for the music;

Therefore, the Presbytery unanimously adopts this resolution of Thanks.

2. The Centennial Committee recommends that churches continue to compile historical data and to collect items of historical interest, and that records of histories sent to the Stated Clerk for future reference.

PLACE OF MEETING, Rev. A. R. Craig, Chmn., recommended that the invitation to meet at Goshen, January 23, 1962, 9:30 A.M. be accepted. Adopted.

MEMORIAL, Rev. Archie McNair read the memorial prepared as directed by Presbytery in the September Adjourned meeting. This memorial was directed to be inscribed on a separate page and Presbytery was led in prayer by Rev. Charles Alexander.

PRESBYTERIAN SURVEY, Rev. James Brown, Chmn., urged churches to adopt the Every Family Plan of subscribing to Presbyterian Survey.

MINISTER'S ANNUITY, Rev. Archie McNair, Chmn., emphasized the need for the Joy Gift in December. The Official Communication required by the General Assembly was ordered answered: "Kings Mountain Presbytery encourages all churches and ministers in the Presbytery to participate in the M.A.F."

WORK SHEETS, for Treasurers of local churches were offered to those Pastors of Ruling Elders present to take to the churches to save mailing them out, were accepted by a number of those present.

MEMORIAL TO OSCAR H. WELBORN

It is with deep sorrow and regret that we record the untimely death of a friend and co-leader for Christ, the Reverend Oscar H. Welborn, who went to his final place of rest on July 31, 1961.

Mr. Welborn was born to Mr. and Mrs. A. E. Welborn December 12, 1911 in Statesville, North Carolina. He received his early education in the Grade Schools of Statesville and attended the Oak Ridge Preparatory School for one year. He later attended Tulane University and spent one year studying at Duke University of Durham, North Carolina.

Mr. Welborn was married in December of 1942, and to him and his wife, Hugh Margaret, were born three children, Caroline, Hugh Margaret, Jr., and Oscar Howard, Jr.

After several years in business known as the Welborn Lumber Company in Waynesboro, Georgia, Mr. Welborn felt the calling of God leading him into the Gospel Ministry. He disposed of his business and embarked upon a program of preparation for his calling. He began his Theological studies at Columbia Theological Seminary in Decatur, Georgia. He then transferred to Due West, South Carolina, where he studied at Erskine College and Erskine Theological School. He then returned to Columbia Seminary where he graduated in 1956.

He was ordained to the Gospel Ministry July 29, 1956, in the Presbytery of Meridian and was installed as pastor of the Presbyterian Church of Taylorsville, Mississippi and the Calvary Presbyterian Church of Myers, Mississippi. He served these churches well for three and one half years. In November of 1959 Mr. Welborn was called to serve the Stanley Presbyterian Church in the Presbytery of Kings Mountain, which he served faithfully until his death.

"Blessed are the dead who die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

Attention was also called to omissions and errors in Annual Reports and the delay in getting reports in on time.

PRESBYTERY COUNCIL, Rev. Paul Ausley, Chmn. presented the report of the Council, which was adopted:

The Council of Kings Mountain Presbytery met January 9, 1962 in the First Presbyterian Church of Kings Mountain. Sixteen members were present and three were absent.

The Central Treasurer reported that over \$225,000.00 had been received for benevolences for 1961. This is much better than last year and we are very grateful to the churches for their co-operation. We sincerely believe that the one thing making this possible is the regular monthly payments on benevolences by the churches of Presbytery. We certainly urge the monthly payment of benevolences to continued during 1962 and those churches who did not follow this procedure to begin at once to follow the recommendation of Presbytery and Council to make monthly payments on benevolences.

The Council approved a request from the Christian Education Committee to appoint a special Committee in connection with the Camp. This recommendation will be presented by the Chairman with the approval of Council for adoption by Presbytery.

The approved formula now used by the Stewardship Committee in determining askings of Presbytery for Benevolences is a good one and hope that it will be retained. However, some churches do not properly understand this procedure and the Council recommends that the Stewardship Committee interpret this formula in writing to all churches so as to clear up any misunderstanding.

There is one recommendation that Council ask Presbytery to adopt.

1. That the Special Committee on Salaries be made a permanent Committee of Presbytery.

Paul K. Ausley, Chairman

MINISTER AND HIS WORK, Rev. J. B. Bradley, member of the Commission, presented the report which was adopted.

The work of the Commission on the Minister and His work, and thus the work of the Presbytery, has been greatly blessed during these past months. For the first time in many years there was a period when each pastorate of the Presbytery was filled and, at the present time, there is only one vacancy, that of the Armstrong Memorial Church. For this we are deeply grateful to God.

It is the privilege of your Commission to present to the Presbytery two ministers whose coming to our Presbytery made this record possible.

The first is the Reverend J. Arthur Beard, a member of Enoree Presbytery. A native of Mecklenburg County, Mr. Beard studied at Rutherford Junior College, and at North Carolina State College. He was graduated from the latter institution with the B. S. degree in 1950. He was graduated from Columbia Theological Seminary in 1958 and was ordained that year. Since his graduation from the Seminary he has been the pastor of the Beech Street Church, Gaffney, S. C. Mr. Beard is married to the former Mildred McConnell of Charlotte. He has been called to the Hephzibah Church.

The second of these men is the Reverend C. Randolph Terrell, a member of Fayetteville Presbytery, and a native of Rocky Mount, N. C. He was graduated from Presbyterian College in 1950, and from Columbia Theological Seminary in 1953. He served as pastor of the Henry Belk Church, Anderson, S. C., and comes to this Presbytery from the Laurel Hill Church, Laurinburg, N. C. Mr. Terrell is married to the former Jo Ann Shewey and has three children. He has been called to the Stanley Church.

The Commission on the Minister and His Work makes the following recommendations:

1. That the calls to the Reverend J. Arthur Beard and the Reverend C. Randolph Terrell, be found in order and approved, that they be examined at the time stated on the docket and, if the way be clear, they be received into the Presbytery and steps be taken for their installation in their respective churches.
2. That permission be granted the Cherryville Church to raise the Salary of its pastor by \$300.00.
3. That permission be granted the Forest City Church to amend its call to its pastor as follows: Salary from \$4,400 to \$4,600; car allowance from \$700 to \$750; utilities from \$700 to \$750.
4. That the Castanea Church be granted permission to amend the call of its pastor in order that it may assume \$100 more of the salary paid, reducing by this much the amount received from the Home Missions Committee.

Respectfully submitted,

E. D. Witherspoon

CHRISTIAN EDUCATION: Rev. George Webb, Chmn. presented the report and the information about Conferences, Camps, and Workshops was received and the recommendations adopted as follows:

Recommendation No. 1: The Christian Education Committee requests Kings Mountain Presbytery to appoint an independent Camp Study Committee. The committee will be constituted of an equal number of ministers and laymen. A member of the CE Committee, who is thoroughly familiar with camping and conferences, and a member of the sub-committee on the camp would be desirable members but not essential to the study.

The Camp Study Committee is to be instructed to explore the camp project in its entirety with particular emphasis on:

Can we establish, promote and maintain a program for 400-800 youths per year? If so, how?

Should we employ a year round director of the camp with idea of having full utilization of camp facilities for a minimum of 12 weeks? Should he publicize and promote the camp, direct conferences, supervise staff and property?

Is it advisable to have paid staff members for the entire 12 weeks with possibility of employing college students particularly those from our Presbytery who might be considering full time Christian work? The CE Committee would prepare the conference program and entrust the camp director to the supervision of the program. Ministers and DCEs would be available and assigned to counsel and guide.

If not practical to have a 12 weeks program, is it feasible to develop a six weeks program and enter into a lease agreement with another presbytery (s) for six weeks?

Could camp best be utilized by having a planned youth program not limited entirely to a given age level; i.e. - to have a normal senior, pioneer, and junior conference (s), followed by a series of supervised programs that will take care of all ages simultaneously?

Should Junior camps be established as well as the multiple pioneer or senior conferences?

How can camp best be utilized to attract adults?

What are other Presbyterians doing with their camps? What are the costs to them?

Should we have more comfortable facilities for adults? Do we need winterized facilities?

Is the proposed master plan recommendation feasible, should it be altered or amended, should it be adopted in light of usage evaluation? Would adoption of a master plan for immediate action not be a requirement to extend our program to effectively reach more of

our members?

Recommendation No. 2: Your committee recommends that in the light of the importance of the new Curriculum material to be presented to the churches in 1963 that every minister should attend Covenant Life Curriculum Seminar and therefore that this be made an assignment by presbytery. It is further recommended that the small expense incidental to the minister's attending the seminar be borne by the minister's church in keeping with the principle stated in par. 13-7 Book of Church Order (1961).

CHRISTIANITY AND HEALTH, the Rev. George Webb, Chairman, presented a verbal report which was received as information.

WORKSHOP ON CAMPUS CHRISTIAN LIFE, the Rev. J. S. Mann, Chairman, reported that the committee plans to have a Workshop as soon as it can be arranged. Approved.

CENTENNIAL COMMITTEE, the Rev. W. C. Neel, Chairman, reported that the Women of the Church in the Presbytery have prepared an extra copy of their annual "History of the Local Church" compilation which is sent to the Historical Foundation, Montreat. The Council has approved these being sent to the Stated Clerk of Presbytery.

EVERY FAMILY PLAN, the Rev. James N. Brown, Chairman of the Presbyterian Survey Committee, presented, which was adopted, and is as follows:

According to information I have received, Kings Mountain Presbytery has 20 churches who have enrolled in the E.F.P. and only 8 who have not. Let us make our Presbytery 100%.

The Survey has been referred to as a unifying force in the Church. Therefore we recommend that Kings Mountain Presbytery strive to reach 100% enrollment in the E.F.P. during the year 1962.

STANDING COMMITTEE: Bills and Overtures — No Report. Attendance: 40 Ministers enrolled and 43 churches represented by Ruling Elders. That the Rev. W. G. Somerville be excused for not attending; and that the following be excused for leaving before adjournment: Rev. A. H. Key, Rev. George Riddle, Ru. El. O. L. Carroll, Cherryville Church; Rev. A. R. McCain and Ru. El. Victor Logan from the Bostic Church; Rev. Eugene Witherspoon, Ru. El. Eldred Lewis from Belmont First Church; Rev. R. T. Baker and the Ru. El. Clyde Black, Unity Church; Ru. El. Fred Kirby, Westover Church and the Rev. Charles Kirkpatrick. The Report was adopted.

PLACE OF MEETING, The Rev. Paul Thrower, member of the committee reported that the Committee recommend the acceptance of the invitation of the Dallas, First Church for the July Meeting of Presbytery. Adopted.

RESOLUTIONS, the Rev. Edwin O. Byrd, Jr., Chairman, presented the following resolution in the Dining Room at the close of Lunch, which was adopted by a standing vote: the Committee on Resolutions wish to express our gratitude for the hospitality and delicious meal of the First Church of Gastonia. To express our appreciation to the ladies for the meal, let us stand and give them a hand.

CONGRATULATIONS, to the First Presbyterian Church, Gastonia, upon the accomplishment of their new Building Project and appreciation to Dr. Moffett for the explanation of the features of the Sanctuary centering around the reading of the Holy Scripture in unison by the Congregation and the placing of the Communion Table in the midst of the Congregation, with the Pulpit for the Gospel in behind the Table.

SESSION RECORDS, the Rev. J. B. Bradley, Chairman presented the report of the Committee on Records which was adopted and is as follows:

Your committee finds that of the 46 churches in the Presbytery, 45 churches presented their sessional records for review. The only record which was not submitted was Ironton.

Of the records presented, 28 were approved without exception and 17 with exception. These exceptions were noted and a record of them presented to the churches having exceptions in their records.

Of the exceptions taken, the most prevalent was, Statistical Report Not Recorded; the second most frequent omission was, the books of the treasurer were not examined; the third, the minutes were not read and approved; the fourth, no record appeared as to election of representatives to Synod or Presbytery and no report made by them; the fourth, records of members, etc. not properly kept; fifth, all business transactions were not recorded and finally the names of the Elders present were not recorded.

"Questions for Guidance in Preparation and Examination of Sessional Records" were placed in each Session book. It is hoped that each session will use these as a guide in holding and recording their sessional business. Each Session is directed to fill out this blank and present it with their session records for examination at each April meeting. It is desirable that ample space be left between the last meeting of a particular year and the new year for the sake of neatness and to facilitate proper approval stamps to be used by your committee.

WE RECOMMEND:

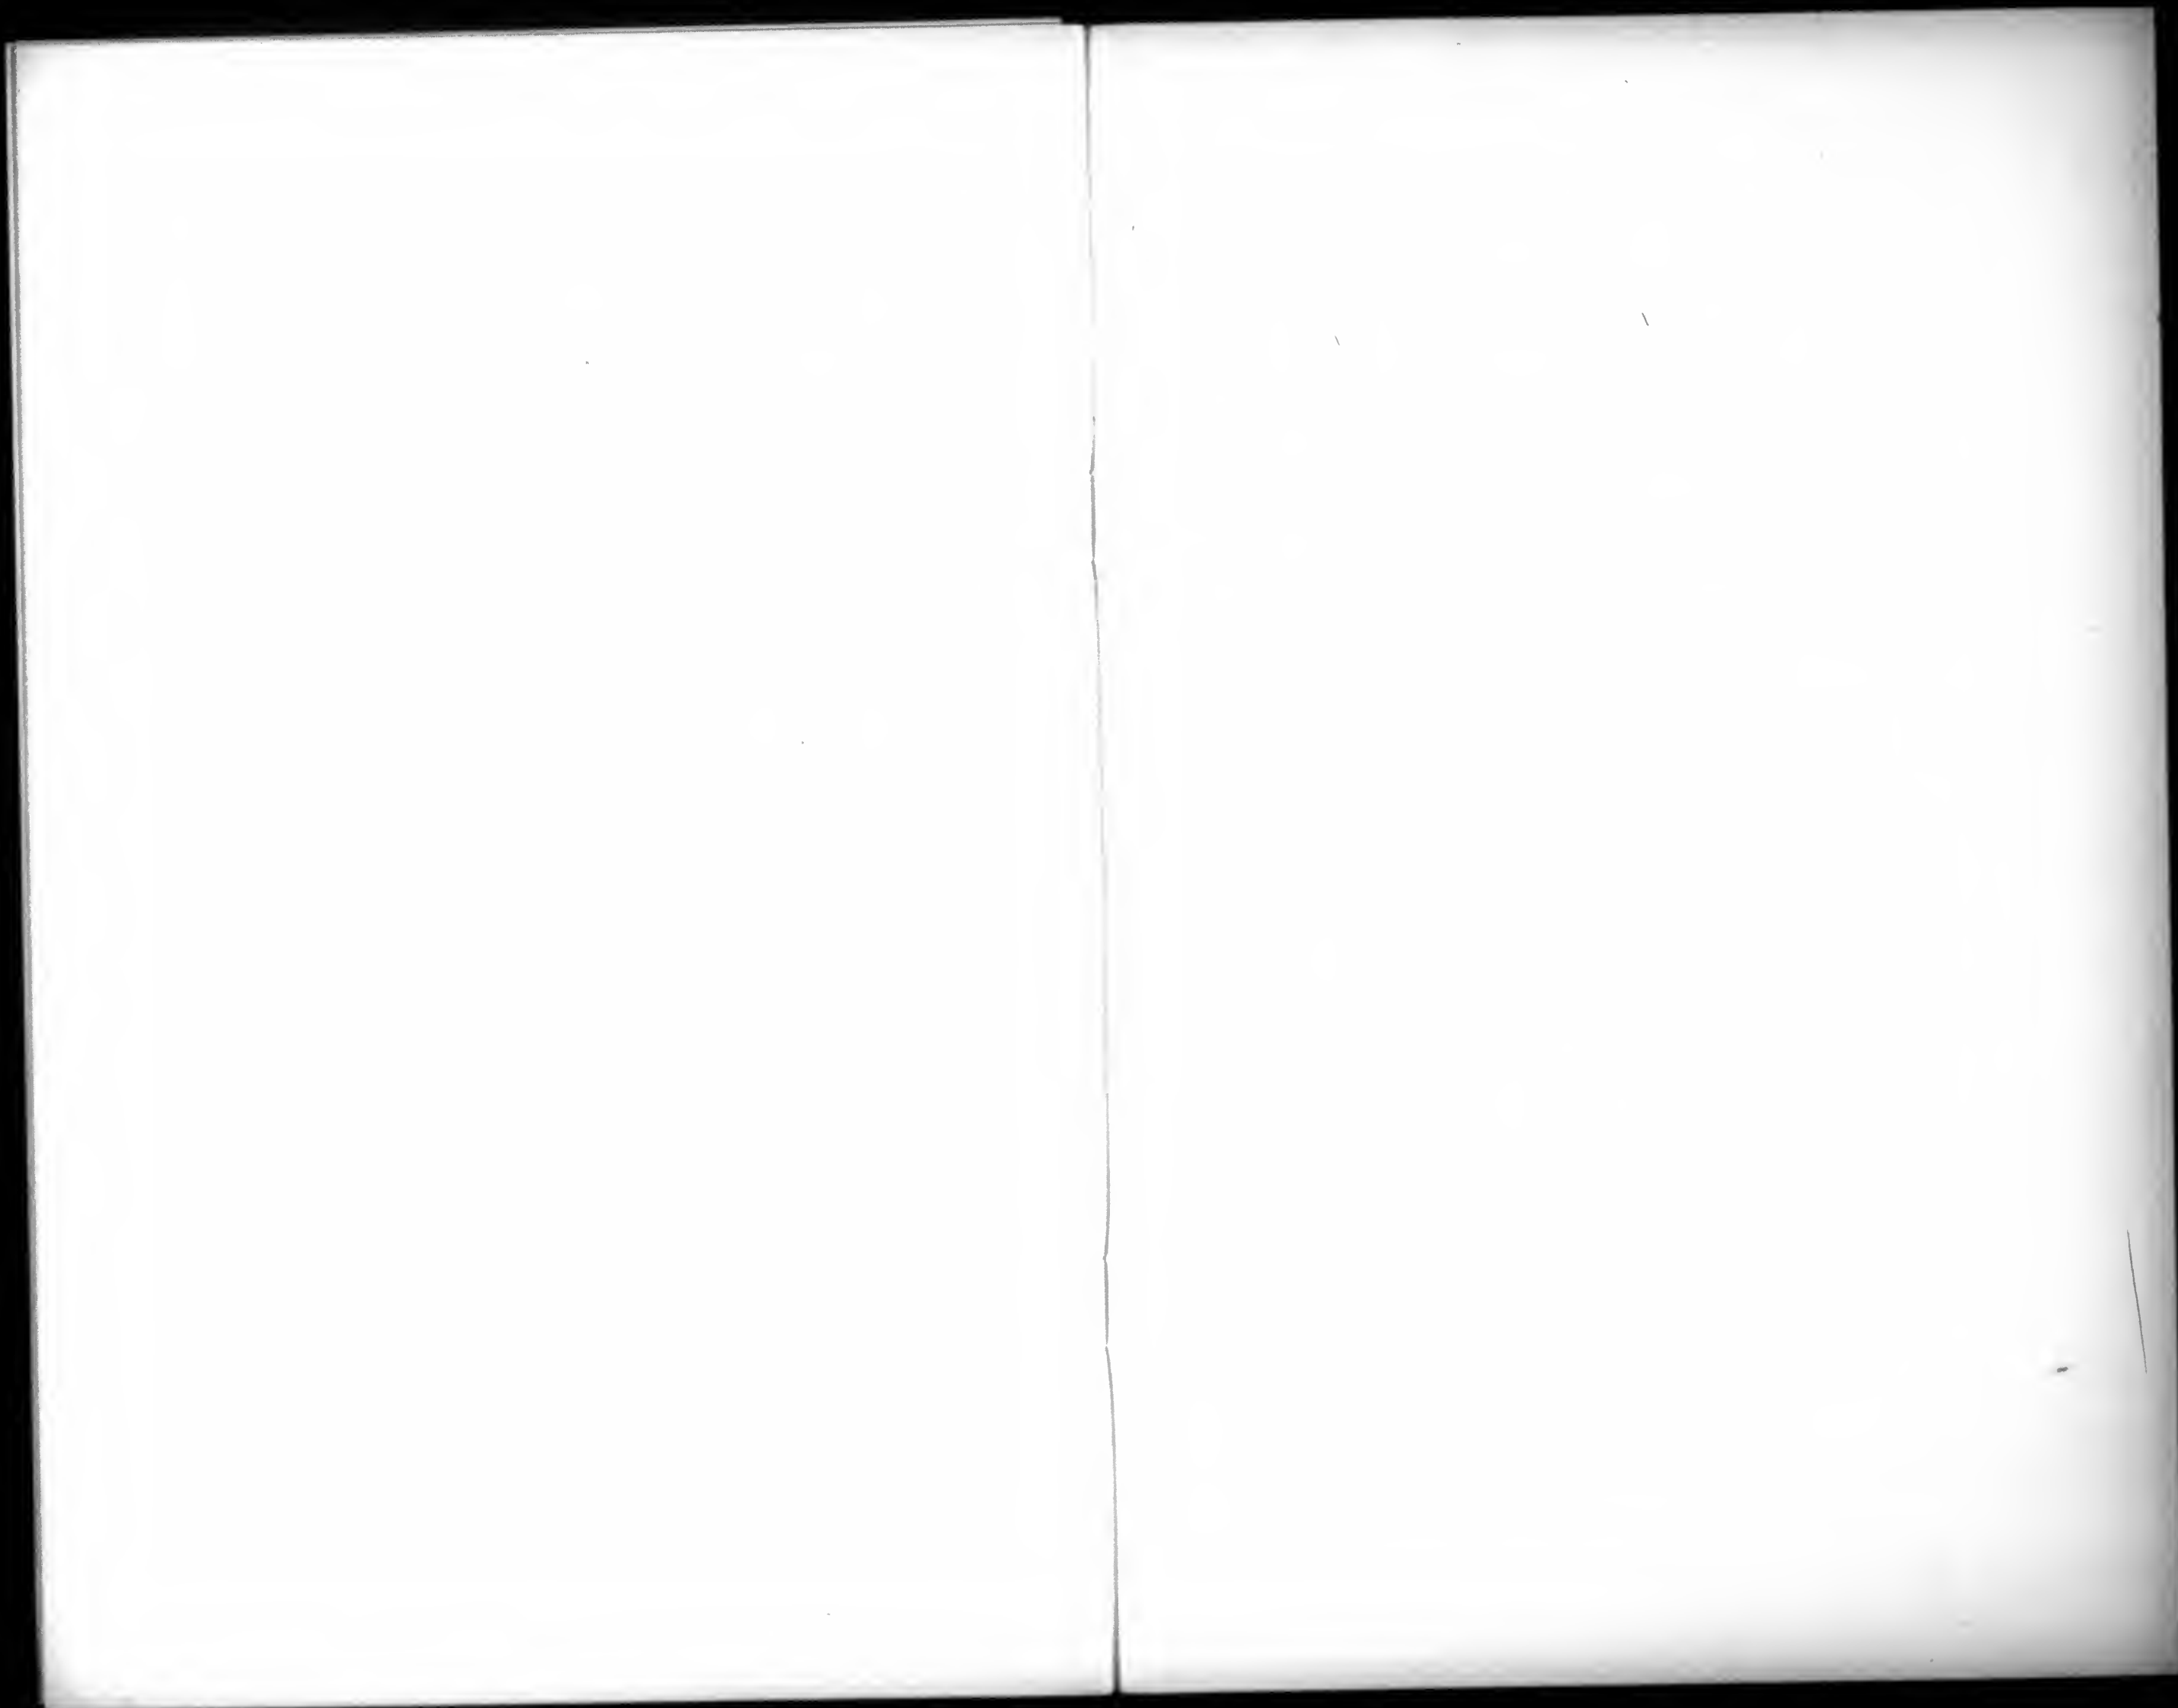

1. That the Ironton Sessional Record be presented at the July meeting of Presbytery.

2. That "Loose Leaf" Session Books be secured by all Churches (such as "The Church Register") supplied by the Presbyterian Book Store, or a book of like construction supplied by McMillan Book Co. (No. PF2H)

3. That the State Clerk send a copy of "Questions For Guidance and Examination of Sessional Records" to each church, either with the Reports in January, or with the proposed docket in April.

MINUTES READ AND ADOPTED, the Rev. Hoyt Pruitt, Permanent Clerk read the minutes, which were adopted and Presbytery adjourned to meet July 24, 1962, 9:30 A. M. in the First Presbyterian Church, Dallas.

The meeting was closed with prayer.

Called to order by Moderator, 11:20 A. M.

REPORT FROM COMMISSION ON THE MINISTER AND HIS WORK: By chairman, Dr. E. D. Witherspoon. Report, with its recommendations, was adopted.

The Commission on the Minister and His Work is grateful because of the high percentage of pulpits filled in our Presbytery has lightened its load and responsibility. We are happy to report to the Presbytery that there is only one vacant field in our Presbytery, namely, Saluda. We hope that we can continue this kind of report for some time to come.

Your Commission wishes to report to the Presbytery the following dismissals:

1. The Reverend James Mays to the Presbytery of Norfolk.

2. The Reverend W. C. Neel to the Presbytery of Asheville.

3. Candidate Ray Howe to the Presbytery of Congaree.

We also wish to present to the Presbytery the following recommendations:

1. That the Presbytery continue the pastoral relationship of the Adams Memorial Church and the Reverend Howard Wilson until the October meeting of Presbytery to enable the Commission and Church Extension Committee to study the matter.

2. That the Presbytery grant the request of the Reverend Andrew Cleveland Miller that he be honorably retired.

3. That Presbytery approve the call of the Armstrong Memorial Church for the services of the Reverend William F. Long, this call having been approved by the Commission, and that a Commission be appointed for his installation after Presbytery has approved his examination. The terms of this call include a salary of \$5,200, a car expense of \$500, a manse with all manse utility expenses to be furnished by the church, an annual vacation of one month, the payment into the Ministers' Annuity Fund of 7½% of the annual salary, the payment of life and major medical insurance as provided by the Board of Annuities and Relief, and the payment of his moving expenses.

Respectfully submitted,

REPORT OF COMMITTEE on the Presbyterian Foundation, presented by Rev. George Riddle. Noted steadily increasing funds, available speakers for those needing them. Received as information.

REPORT OF PRESBYTERY COUNCIL, presented by Dr. Paul Ausley, Chairman.

Presbytery's Council met July 10, 1962 in the First Presbyterian Church of Kings Mountain, N. C. There were 14 members present.

The Council would like to call attention to the change that has been made in the Stated Clerk of Kings Mountain Presbytery. The Reverend Frank Elliott of the First Presbyterian Church, Lincolnton is the new Stated Clerk as of July 1, 1962.

The Council feels that special recognition should be given to the Reverend W. C. Neel for the splendid and faithful service he has rendered to our Presbytery in the office of Stated Clerk. The motion requiring action of Presbytery will follow later.

Many of our churches are failing to send their men to the various meetings in Presbytery. We would like to call attention to the Men's Fall Rally to be held September 9 in the First Church, Gastonia, and to urge that every church be well represented at this meeting. This is not a meeting for ministers but for laymen and it is the responsibility of the laymen to get their men to attend these meetings.

We are having complaints about too many speakers at the meetings of Presbytery which consume time that should be spent on business matters. Also, this has produced unnecessary confusion which can and should be eliminated. The Council feels that some action is necessary on the part of Presbytery to clear up this situation. Recommendation will follow.

Lengthy debate was encountered in Council over Presbytery's Budget for 1963. Inasmuch as the General Assembly and Synod held the line on askings for 1963 and requested that Presbytery follow their action, Council recommends that Kings Mountain Presbytery's Budget for 1963 be the same as for the current year: \$226,828.00. The formula for allocating apportionments should be the same as adopted by Presbytery last year. The main purpose in adopting the same budget is to get the churches to pay in full their apportionments and to eliminate the deficit in benevolence giving. Many causes receive only 60 to 70% of their budget and cannot function properly without adequate funds. In short, the churches in the Presbytery should pay in full what they have already assumed before undertaking greater responsibilities. Recommendation follows.

RECOMMENDATIONS FOR ADOPTION:

1. Special recognition be given The Reverend W. C. Neel; a copy of the letter be sent to Mr. Neel and to Asheville Presbytery Clerk will send this letter. (adopted).
2. All speakers at Presbytery ordinarily be cleared by Council before meeting of Presbytery. (adopted).
3. Presbytery approve the Development Fund Campaign for 1963. (adopted).

In connection with Recommendation 3, Rev. George Riddle spoke of plans for Development Fund Campaign. Report, with recommendations No. 1, 2, 3 adopted.

EXAMINATION OF REV. W. F. LONG. Mr. Long presented to Presbytery by Dr. E. D. Witherspoon, Chairman of Commission on Minister and His Work. Examined on Experimental Religion by Rev. Charles Alexander; on Theology by Dr. H. M. Moffett; on Church Government by Rev. A. R. Craig; on Sacraments by Rev. J. B. Bradley. Sustained, each part separately and as a whole. Call was placed in his hand on signing ex animo declaration. Commission to install approved as follows: Date, August 19, 1962; Time, 7:30 P. M.; Place, Armstrong Memorial, Gastonia, N. C.; Personnel, Rev. George Webb, preside and propound the constitutional questions; Dr. Harry Moffett, preach; Mr. Frank Elliott, charge pastor; Mr. J. Reece Huffstetler, Charge Congregation; Mr. J. E. Huffstetler, Prayer; Mr. C. K. Torrance, First Church, Gastonia.

REPORT OF COMMITTEE on Campus Christian Life, by Rev. James Mann, Chairman. Received as information.

ANNOUNCEMENT by Rev. Charles Kirkpatrick that he had resigned as Chairman of Committee on Church Extension, and that Rev. Richard Hobson had been elected the new chairman.

RECESS FOR LUNCH. 12:30 P. M. Led in prayer by Elder Hugh Arrowood, First Church, Shelby.

Following lunch, Resolution of thanks given by Rev. C. R. Terrell, Chairman of Committee on Resolutions. The Standing Committee on Resolutions presents the following resolution: "That Kings Mountain Presbytery express its gratitude to the Dallas Presbyterian Church for

their hospitality during the One Hundred and Fifty-seventh Stated Meeting of Presbytery. Also, that Presbytery give a standing vote of thanks to those responsible for our noon meal."

AFTERNOON SESSION — 1:30 P. M.

Called to order by the Moderator.

DEACONS who had come in following lunch were introduced: John Cole, J. A. Noisler, Jr., Bill Moss, Myers Hambricht, Ernest Jerkins, Terrell Wilkinson, D. W. Smith, P. W. Garland.

REPORT OF STEWARDSHIP COMMITTEE presented by Rev. A. R. Craig, Chairman. Recommendations adopted in following manner: 1-4; 5; 6; 7; 8-13. Report as a whole adopted.

STEWARDSHIP COMMITTEE

RECOMMENDATIONS:

1. That Stewardship Committees be organized in local churches to plan for and promote on a year-round basis the teaching of Christian Stewardship as an essential part of the Christian way of life.

2. That October 1-November 17, 1962, be designated as a season of emphasis on the stewardship of possessions; that each church be urged to conduct an Every Member Canvass; that the theme of this canvass be "First They Gave Themselves"; and that November 10, 1962, be designated "Dedication Sunday" for the Every Member Canvass; and that November 10-17 be the week to complete the canvass.

3. That the TITHE be recognized and taught as the minimum Biblical standard of giving for the Christian who would adequately express his gratitude to God for all His mercies to him.

4. That churches continue to give serious thought to the matter of the PRE-BUDGET CANVASS.

5. That Presbytery set the total Benevolent Budget at \$226,828, which is the same amount we set last year, to be divided among the various agencies of Assembly, Synod, and Presbytery, giving to each its proportionate share. The total askings were \$242,882. (See separate table).

6. That it be recognized in the case of each agency of the General Assembly, Synod, and Presbytery that the amount recommended is the absolute minimum the agency can receive and continue to operate as effectively as they should, and that each agency could use wisely and effectively for larger amounts than those presented; and that it is the responsibility of each church to ACCEPT and CONTRIBUTE its proportionate share of these amounts before making "Over and Above" gifts to any cause.

7. That the Benevolent Budget be apportioned to the churches of Presbytery as shown in the table on a separate sheet, determined by application of the formula ordered by Presbytery.

8. That churches be urged to pay benevolences to the central treasurer monthly.

9. That the central treasurer be instructed to continue to send to each church quarterly statements showing the standing of all our churches in the payment of budgeted benevolences.

10. That Presbytery's tax for 1963 be \$1.00 per member.

11. That each church be encouraged to invite the Stewardship Committee to send a team of two speakers to speak to their officers or congregations any time during the year on Stewardship and the Budget.

12. That Synod's Stewardship Committee of Synod's Council be given a place on our Fall Meeting of Presbytery.

13. That churches order stewardship materials early; also that films be booked for in advance.

(Report as a whole adopted).

MOTION BY DR. AUSLEY that recommendation No. 3 of the report of Presbytery Council be adopted. Adopted.

MOTION BY Dr. Moffett that Rev. Murray Love and Dr. Ausley prepare a motion regarding amending the manual on the Executive Committee on Stewardship and present it at the October meeting of Presbytery. Motion adopted.

ANNUAL REPORT OF THE CHURCH EXTENSION COMMITTEE

HOME MISSIONS: Kings Mountain Presbytery has 46 churches. Seventeen of these are partially dependent upon the financial support given them by the Presbytery through this sub-committee.

SUSTENTATION: Almost three-fourths of the budget requested by the Church Extension Committee for 1963 is designated for this program of salary support (\$28,709.70 of \$37,805.00). At present there is but one vacant Home Mission Church—Saluda.

SUMMER WORK: Mr. Robert Weaver, Columbia Seminary student, served the Springwood Presbyterian Church during three months of the leave of absence granted Mr. Somerville.

East Belmont was again assisted in its summer program at the Alexander Memorial Chapel through the employment of a Columbia Seminary student.

GRANTS: Grain-In-Aid funds prior to this year have come from the Church Extension budget and 80 percent of the special offering received during the Church Extension season. However, this year, by action of Presbytery, those funds received from the special offering (\$769.24) were designated for use in the church and manse Building Fund.

In February \$290.58 was received on the Church and Manse Building Fund call on behalf of the Glendale Church. The committee granted Glendale \$300.00.

Linwood was granted a \$500.00 challenge fund towards the purchase of additional property adjacent to the church.

In addition to these grants the Synod's Church Extension Committee granted through this committee a total of \$2,886.00 to be used as follows:

STEWARDSHIP: Rev. A. R. Craig. Presbytery accepted \$227,000.00 in 1962. Had paid \$129,000.00 of \$170,000.00 due by September, 1962. Plan, Pray and Push to Pay by year's end.

Presented Dr. J. H. Dudley who addressed Presbytery on Stewardship. Called attention to the gap between askings, acceptances, and receipts. There is a stalemate in stewardship; every agency is entitled to fair and full support. We have the solution in grace of God and the wealth of Synod (more than one billion dollars to work from).

RECESS—LUNCH: 12:35 P. M. Prayer by Dr. Harry Moffett and Report of Resolutions Chairman Rev. W. F. Long.

CALLED TO ORDER by the Moderator at 1:30 P. M. Opened with prayer by Rev. Wilson P. Rhoton.

NOMINATION OF MODERATOR NOMINEE: Mr. Wesley Daniels, Elder, First Presbyterian Church, Gastonia, N. C. Nominations closed.

MOTION received action on the Order of the Day passed.

PRESBYTERY'S COUNCIL: Rev. Paul Ausley. Resolution to uphold religion in public institutions. Passed.

PRESBYTERY'S COUNCIL

Presbytery's Council met in the First Presbyterian Church of Kings Mountain, N. C., October 8, 1962. There were 16 members present.

Reports were received from the various committees and will be presented at Presbytery for consideration.

Council has followed the instructions of Presbytery and had an audit made of the Treasurer's books of the Women Of The Church for the period beginning September 23, 1961 and ending September 22, 1962. Receipts, bank deposits, and disbursements were found in order.

Council has two recommendations to present to Presbytery for adoption:

1. In light of the recent ruling of the Supreme Court on "Prayer in Public Schools," the Council presents attached resolution for adoption.
2. Council recommends that Presbytery set a mileage rate of 7c per mile for travel for members of committee and commission of Presbytery. Manual has provision for expenses of Presbytery, page 21, but no definite rate. Reimbursement will be made only when requested by the individual and approved in writing

by the chairman of the committee or commission involved.

PRAYER IN THE SCHOOLS

Whereas, this nation was founded upon firm belief in Almighty God by whose providence our founding fathers believed themselves to be peculiarly blessed and guided in bringing into creation a nation whose destiny they believed to be in the hands of their Creator; and

Whereas, the First Amendment of our Constitution not only guarantees religious liberty but also the free exercise of religion; and

Whereas, The Pledge of Allegiance acknowledges our nation to be a "nation under God," and our monetary coins bear witness to God in whom we trust, and our federal courts are convened with prayer that God save both our nation and court;

Therefore, Kings Mountain Presbytery petitions the Congressmen of the state of North Carolina to pursue and to endorse such proper action as to provide freedom for prayer and religious observances of a non-sectarian basis in our public schools and institutions.

MINISTER AND HIS WORK, Rev. E. D. Witherspoon.

REPORT OF

THE COMMISSION ON THE MINISTER AND HIS WORK KINGS MOUNTAIN PRESBYTERY

Your commission on the Minister and Its Work, after enjoying several months of relaxation from its arduous efforts, due to the fact that there were no vacant pulpits in the Presbytery, finds itself beset on every side. At present there are two churches vacant in the Presbytery. If the recommendations of your Commission are approved by Presbytery we shall have eight vacancies by the first of the year. Your Commission hopes this exodus fever does not contaminate other ministers of the Presbytery.

Your Commission offers the following recommendations:

1. That the Rev. Walter G. Somerville, at his own request and with the concurrence of the congregation of the Springwood Church, be honorably retired and that pastoral relationship be dissolved effective as of August 21, 1962, and that Presbytery hear a communication from the Springwood Church.
2. That the Rev. Hal Key, at his own request and with the concurrence of the congregations of Brittain and Union Mills Churches, be honorably retired and that pastoral relationships be dissolved effective December 31, 1962, and that Presbytery hear communications from Brittain and Union Mills Churches.
3. That Presbytery grant the request of the Rev. A. R. Craig, with which the congregation of the Rutherfordton Church has concurred, that the pastoral relationship be dissolved effective November 15, 1962, in order that he may accept a call from the Ashpole Presbyterian Church, Fayetteville Presbytery, and that Presbytery hear a communication from the Rutherfordton Church.
4. That Presbytery grant the request of the Rev. Carl McCain, with which the congregation of the Spindale Church has concurred,

- that the pastoral relationship be dissolved effective November 15, 1962, in order that he may accept a call from the Armistead Gardens Presbyterian Church, Potomac Presbytery, and that Presbytery hear a communication from the Spindale Church.
5. That the pastoral relationship between the Rev. Howard Wilson and the Adam Memorial Church be continued until December 31, 1962.

Respectfully submitted,
E. D. Witherspoon, Chairman

WORLD MISSION: Rev. T. P. Bradley requested Dr. Moffett to report on World Mission Consultation at Montreat.

REPORT OF MISSION CONSULTATION AT MONTREAT
BY DR. MOFFITT

"Purpose was to discover possible changes to present to board to keep up with pressures of revolution and change on all other mission fields—asked missions and national churches to send representatives; boards of other churches; secretaries and laymen and women of our church; Bishop Leslie New begin; Southern Baptist and Assemblies of God; great evidence of presence and power of Holy Spirit, with evidence of many powerful and constructive possibilities. Question is how we interpret the missionary calling in the light of new changes? What is role of mission, missionary, board, our church, national church?

Missionaries are needed. (Church is less than one per cent).

New relationship to replace mission is asked for.

Deeply disturbing to these is silence of the church in face of racial injustice.

First time all of our leaders from mission fields were all together in one place. "Leadership in those tiny churches are born again." Followed a reading of a statement from the consultation.

Invited all churches to take advantage of World Mission Conference December 1-5 in six churches. Reported on Books and Films for this year's study and listed those on hand. Initial showing of Sound Color Film "Taiwan Diary."

CANDIDATES: Rev. Paul Thrower. Adopted the following:

CANDIDATES COMMITTEE

Recommendations:

1. That the West Avenue Presbyterian Church be commended for taking so great personal interest in Mr. Harold E. Moffitt, Jr., ministerial candidate of the church, and for supporting him so generously in his pursuit of his seminary education.
2. That the Sessions of all churches of the Presbytery seek out their outstanding youth of high spiritual qualities and challenge them to face the call of the Lord for the ministry or other full-time Christian service through the church. And when a church has a candidate for service, it give to him its loyal prayers, its encouragement and its financial support as needed and according to its ability.

3. That Presbytery adopt as its guide the new Manual on Candidates which was approved by the 1962 meeting of the General Assembly. Motion to suspend standing rule wherein a member of a committee cannot succeed himself to permit Mr. Paul Thrower to succeed himself as a member of the Committee on Candidates, without affecting other standing rules of Presbytery. (Carried without dissent).
4. That the Presbytery make available to the Commission on Candidates an amount up to \$100 annually for its use toward the discharge of its duties in giving proper attention and concern in the care of its candidates.
5. That John R. Dover III, now a lawyer and business man in Shelby, be granted his request, that he be dropped as a candidate, feeling no longer the call to the ministry.
6. That James A. Ellis, formerly of Spindale, who is now in the U. S. armed forces and who plans to settle down later in Oklahoma, be dropped as a candidate, in as much as he is no longer considering himself a candidate.
7. That those who may be able to give the committee any information concerning the following in-active candidates, do so in writing: John G. Creech, John B. Gordon, John H. Williamson and Charles B. Duncan.
8. That Presbytery follow the wishes of our Seminary Presidents in not ordaining candidates until after they have completed fully their seminary work.
9. That at the close of this report, the Presbytery stand and be led in prayer by Rev. Edwin Byrd, member of the committee, in behalf of our church and the fields which are white unto harvest, for the enlistment of candidates, and, especially, in behalf of those who have been and of those who are now candidates under our care.

Committee on Candidates

2. That the Christian Education Committee instruct its Sub-Committee on the Camp to proceed with a reasonable program to maintain the present installation in a good state of order and repair.
3. That Christian Education Committee instruct the Camp Sub-Committee to investigate the possibility of the acquisition of additional land, either adjacent to the camp property or in a more desirable and more central location.
4. GENERAL FUND AGENCIES: Rev. Taylor O. Bird—The General Fund Agencies are made up of 1, the Board of Women's Work, 2, the General Council, our planning and publicity arm of the church, 3, the Presbytery School of Christian Education, 4, the Mountain Retreat Association which is in charge of the General Assembly grounds at Montreat and Montreat-Anderson College, 5, the Commission on Television, Radio, and Audio-Visuals which is our newest agency in the church, and has a most important job in working out ways and means

of using modern inventions for the glory of our Lord and His church, 6, Stillman College, our only Negro college, 7, the Historical Foundation, 8, the American Bible Society, and 9, the Presbyterian Foundation. These agencies are of great importance not only because of their number but because of the real and vital service they are rendering throughout the whole scope of our church. This committee would strongly urge upon Presbytery to remember that June is the month for emphasizing the General Fund Agencies; that April 28 is Presbyterian School of Christian Education Sunday, that June 2 is Montreat Sunday, that June 16, 1964, is our next Stillman College Sunday and that the American Bible Society is laying plans for celebrating its 150 Anniversary in this decade, and also to bring to your attention the Bible Reading schedules furnished by the American Bible Society for the period from Thanksgiving, November 28, through Christmas, December. Motion made that report be adopted. Passed.

Mrs. A. L. Tait, President of the Women of the Church of Kings Mountain Presbytery, was welcomed. Mrs. Tait read the report of Mrs. Hugh Query, the past president. She also spoke to Presbytery regarding the work of the Women of the Church during the past year, 1962.

PRESBYTERY'S COUNCIL: Rev. Paul Ausley.

Central Treasurer reports \$227,103.00 has been received on 1962 Benevolences; \$10,900.00 was from special offerings; balance of \$216,203.00 was for budgeted benevolences. The Budget for 1962—\$228,828.00. This is excellent and Council commends all churches for their fine cooperation and generosity.

New Treasurer for Kings Mountain Presbytery—Mr. Luther Cansler, Box 327, Kings Mountain, N. C.; telephone 739-5602. Mr. Cansler is new and will need the help, cooperation and patience of ministers, elders and local church treasurers until he learns his responsibilities. All ministers and elders please notify their local church treasurers about this change. All money for benevolences should be sent to Mr. Cansler at the above address.

Council feels that it would be remiss in its duty if it did not say a word about Mr. Roy Robinson who has served our Presbytery so faithfully, effectively, and efficiently during the past nine years. The job of central treasurer for Presbytery is a demanding one and only a person who is interested in his church and Presbytery would ever assume this responsibility. Mr. Robinson is a strong Presbyterian with a deep concern for the development and outreach of our church and has given liberally of his time and talent. This job of central treasurer requires approximately 15 hours each week of his time, plus the time and effort he puts forth in his own church. I believe it in order that Presbytery give a standing vote of sincere appreciation to Mr. Robinson for a job well done.

Council acted upon numerous requests to activate the "Committee on Ministers' Salaries." This Committee is to meet with Church Extension Committee and the Commission on the Minister and His Work to examine minimum and maximum salaries of Kings Mountain Presbytery in relation to the other eight Presbyteries of the Synod of North Carolina. The Chairman of the Committee on Minister's Salaries is to meet with Presbytery's Council when it meets. Also, this Committee is to report to the July meeting of Presbytery with its recommendations.

Kings Mountain Presbytery authorize Council to purchase equipment at a cost not to exceed \$750.00. Funds to purchase equipment will come from Presbytery's Tax Fund.

Presbytery's Council Report adopted. Passed.

ANNOUNCEMENT: Rev. T. P. Bradley—Dr. Moffett is Chairman of World Missions and his secretary is booking the film on World Missions. One filmstrip on Taiwan is lost—look for it.

Rev. Murray Love asked to be excused with other committee men for a few minutes. Granted.

NOMINATIONS FOR MODERATOR: Rev. Charles Alexander nominated for April meeting unanimously.

CHRISTIAN EDUCATION COMMITTEE—Oral by Frank Elliott. Sydney Maxwell announced a 12-hour adult workshop January 25-26. Ministers, members of C. E. Committee to attend. Wilson Rhoton announced Bible School Institute and Workshops. William Long announced: CLC in September previews on Adult classes material; CLC Seminar for all ministers who have not attended a seminar.

CHRISTIAN RELATIONS—B. L. Hellmuth. 1) Your Christian Relations Committee has met, is functioning once again, and hopes to be of service soon, especially to local churches in helping them to fulfill their mission in the realm of Christian relations of Christian action. 2) In order to fulfill our task, the committee requests that Presbytery give us \$150 to work with. 3) The committee also requests that Presbytery grant us a few minutes at the close of this report to determine which churches have Christian Relations or Christian Action committees and to get the names and addresses of the committee chairmen. Substitute motion: that recommendation No. 2 for \$150 be referred to Council. Seconded. Passed. Report adopted.

REV. AUGUSTUS ROCHESTER CRAIG

On the afternoon of November 6, 1962, our heavenly Father expressed His will by calling to his eternal home His devoted servant, Augustus Rochester Craig.

"Gus," as he was known to all his friends, was born at Pendleton, S. C., on July 8, 1898. His parents were David Jesse and Leah Elizabeth Miller Craig.

He graduated from Davidson College with a B.A. degree in 1917 and received his M. A. degree there in 1919. He received his B.D. degree from Union Theological Seminary, in Richmond, Va., in 1922. Davidson College voted him into Phi Beta Kappa in 1939.

In 1923 he married Mary Alberta Bellingrath of Atlanta, Ga., who survives him with their daughter, Mrs. Mary Ann Craig (Robert S.) Link.

He was licensed and ordained by Durant Presbytery in 1923. He served for two years as pastor of the Durant Presbyterian Church, Durant, Okla. From this pastorate he went to China as a missionary where he served faithfully until 1938. Upon returning to this country, he served the church in Spruce Pine, N. C., for ten years, and the Little Brick Church in Knoxville, Tenn., for three years. Since 1952 he has been pastor at the Rutherfordton Presbyterian Church, in Rutherfordton, N. C. He had accepted a call to the Ashpole Presbyterian Church, in Rowland, N. C., and was to move the following week when God called him home.

Gus Craig was one who endeared himself to those who knew him. He was a faithful Presbyter, serving his church in many capacities.

He was active in the Kiwanis Club and served as Lt. Governor of the district. He was a staunch supporter of the Boy Scouts and was awarded the Silver Beaver for service to that organization.
