REPORTS

No. 1, Temperance—We, your Committee On Temperance, beg to make the following report: Be it resolved that we leaders put more emphasis on intemperance, because we see more of its destruction daily. It is a thing to be guarded against as a great evil and a serious sin, since it brings to the surface all the most brutal and most degraded instincts in man. We recommend that the Pastor preach a Temperance sermon at his church every three months.—The Committee.

No. 2, Religious Literature—We, your Committee on Religious Literature, beg to make the following report: Be it resolved that all Baptist organizations of the Mountain and Catawba Association should select their religious literature from the National Baptist Publishing Board, of Nashville, Tenn.

Respectfully submitted,

YOUR COMMITTEE.

No. 3—Since the Bible is the Parent of Religious Literature and it is the one periodical from which all other types of religious literature originates—We recommend that the Bible be the leading Text Book, and that a monthly Forum be conducted, comprising all groups in the Church. We further recommend that each boy and girl, man or woman, who desire to further their education, will not give up because of adverse circumstances, but will continue on until they reach the ultimate goal.

Respectfully submitted,

THE COMMITTEE.

No. 4, Home and Foreign Missions—We, your Committee on Home and Foreign Missions, beg to make our report. Whereas, the great cause of Home and Foreign Missions is very necessary, and we are largely responsible for this great cause, we recommend that each church will continue to do Home and Foreign Mission Work.

Respectfully submitted,

YOUR COMMITTEE.

REPORT OF EXECUTIVE BOARD

We, the members of the Board, wish to make the following recommendations:

First—We recommend that the minutes be combined as before and that each auxiliary pay their quota per page, that the minutes be printed and mailed inside of 60 days.

Second—We recommend that the property owned by the Association, and the money obtained from the sales of the property, be converted into an Association farm, to be developed for the needs of a growing Association; and under the supervision of the Association, we further recommend that a committee be appointed to investigate and locate a tract suitable for the future development of the Association.

Third—We recommend a committee to control the operation of the said farm and report same at the annual meeting of the Association.

Fourth—That plans for the development of the said supposed premises be submitted to the General Board for approval and suitability before the next annual session.

Fifth—That the Constitution of the various auxiliaries be printed in a separate pamphlet, to save expenses each year.

Done by order of the Board. See Executive Board roll.

REV. T. R. RUCKER, Chairman;
J. A. PARKER, Secretary.

No. 4, Obituary—We, your Committee on Obituary, beg to make the following report: We find that the Lord has seen fit to take from our midst a number of our workers since last year. We bow in humble submission to Him, who is too wise to make a mistake, and too good to do wrong. Lost by death, St. John, two; Third Creek, one; St. Joseph, one; Davidsonville, one; Chestnut Grove, two; Mt. Pilgrim No. 1, one; Friendship, two; Clarks Chapel, one; St. James, two; Mt. Zion, one; Mt. Moriah, two. Total number, 16.

Respectfully submitted,
YOUR COMMITTEE.

No. 5—We, your Committee on Time and Place, beg to make our report:

We find that the New Zion Baptist Church, at Taylorsville, N. C., and Mt. Sinai, Catawba, N. C., have asked for the next sitting of the Association. We wish to recommend New Zion, Taylorsville, N. C.

Respectfully submitted,
THE COMMITTEE.

Religious Education—Man's physical body is gradually decaying and passing into certain changes remote and unknown. Because of these changes our thoughts are too forfeited to realize such, but, nevertheless, our spiritual and economical lives are affected by these changes, and we must prepare to meet them. Whereas, man's destiny is wrapped up in the invisible forces of God's power, by His wisdom, we must be led, and guided by those principles, which prepare a man's soul for that immortal awakening in Christ Jesus. This can only be brought about through religious education. We recommend that each church in the bounds of the Association create a fund for the purpose of religious education, through extension courses. We recommend that a monthly program be staged in each church, and that the subject of religious education be highly stressed. We wish to further recommend that each auxiliary of the church will organize and develop Bible story-telling units. Since the Bible is the parent of religious literature, it is the one periodical which all other types of religious literature originated. We recommend the Bible for the leading text-book and that a monthly forum be conducted, comprising all groups of the church. We further recommend that each boy, girl, man and woman, who desire to further their education, will not give up because of adverse circumstances, but will continue on until the ultimate goal has been reached.

Respectfully,
THE COMMITTEE.

FRIDAY MORNING SESSION, 10 A. M.

The thirty-second annual session of the Ladies' Auxiliary, of the Mountain and Catawba Missionary Baptist Association, met on the above-named place and date, with Jones Chapel Baptist Church.

At the absence of the President and Principal, the Acting Principal, Rev. J. W. Caldwell came forward with encouraging remarks. He then declared the thirty-second annual session of the Ladies' Auxiliary open.

Devotion was opened by Third Creek and Chestnut Grove delegates. First song, "Let the Words of My Mouth," was sung, then Hymn 89, "A Charge to Keep I Have." Prayer by Sister Sarah Barnes. After many soul-stirring prayers and songs, the meeting was turned over to the President. Caldwell brought out many points of interest, such as: Have the mind of Christ, if the spirit is in you, you will not smoke, drink, nor anything that will bring shame and disgrace on Christianity; tarry and be filled, so many run away with the shadow, that's why they don't hold out. After singing, "Oh Wash and Be Clean," the President invited all visitors to meet the auxiliary; ten came. They were introduced by the President. Rev. J. C. "Life's Open Door to Success"

To the officers and co-workers of the Ladies' Auxiliary, it is again that the Lord, in all his goodness and mercy has allowed me the privilege to stand before you, and has given me health and strength enough to be able to deliver unto you my annual address.

We have had many friends and kindred to leave us since our last auxiliary that met in Lenoir, N. C., but we must realize that God does not make mistakes, and to do a wrong towards His people is unquestionable; therefore we are here to set forth a program or plan that we, who are spared of our lives, may prosper and be fully ready to answer when He calls us from labor to reward.

We are not making progress off of what we have done, but that which we are able to see, through the future, and those things which are now before us. We all know what we have done for the upbuilding of Christ's Kingdom, and we also know that there is plenty that lies before us to be done. So as we travel down "Life's Highway," or probably walk into "Life's Open Door," why not stretch out our hands to the opportunity that so firmly sets itself before us.

We affirm our conviction that the way of further progress lies in further development of the ideals of a unified program of education and cooperation through all of our churches and missions. As we enter into our programs, let us go praying and rejoicing. We should enter "Life's Open Door" consciously, in order that we might be able to really enjoy the peace and happiness, and feel His presence, assuring us that he is with us in all of our undertakings.

We must not forget to read our Bibles. In everything that is begun there must be a leader, so why not let the Bible be our guide, as well as depending on the Holy Spirit. As a leader, I

am praying for our continued success, and I want to leave with you something to **think** upon. First, I want to resolve that we continue working after we leave this Auxiliary; let us talk up our work, instead of talking it down. Second, that the presidents, as well as the missions and members of this Auxiliary meet and cooperate with their district workers. Let us all do as we say here, after we have gone to our different homes, and then a great big success is bound to be ours. May I close with this poem:

A Purpose High

You must have a purpose high,
And each day to God draw nigh,
If upon the shores of time
You would leave a name sublime.

Let no purpose, low or mean,
Make you in your life grow lean;
But upon the highest goal
Set your mind and heart and soul.

Purpose nothing that is less
Than to live a life to bless;
For you'll meet the life you live,
And receive for what you give.

You must have an honest heart,
And do well each day your part;
Wear a smile upon your face,
If you'll fill a noble place.

If you'd have the world to know
You have journeyed here below,
Give the best you have in store,
Trusting God to give you more.

This wonderful address was very interesting, and was enjoyed by all. Sister Bertha King came forward and made a wonderful response; she stressed cooperation. If we live with the President's program, success is sure to be ours. We were inspired by Sister King's message.
