Dear Merne:

Enclosed are ~~three~~ <sup>four</sup> letters inquiring about WTS. Since you have the material, I will forward them to you.

If you will send me a supply of the information and application forms, I then could answer these <sup>who write me</sup> directly, and supply you with the names and addresses.

Thank you

P.S. Rather than "Sins of the Sanctified," make my paper to be titled, "Sins in Believers." L.H.
