Dr. Leo G. Cox, President
Marion College
Marion, Indiana

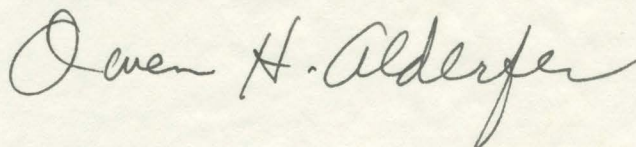

Dear President Cox:

The Fall bulletin of the National Holiness Association indicates the development of the Wesleyan Theological Society. Your name was given as a contact for further information or membership information about this Society.

As a seminary professor and a church administrator, I am interested in this organization. If there is any descriptive literature concerning the Wesleyan Theological Society or membership in the society, I should be happy to receive this.

Thank you.

Very truly yours,

Owen H. Alderfer, Secretary
General Conference of the Brethren in Christ
