Dear Brother Harris:

In the current issue of VC Horizons, announcement was made of a Wesleyan Theological Society being organized, and that you are the secretary for providing information about memberships and the Annual meeting.

I am very much interested and would like to obtain such information that you can send. I would like to attend the meeting Nov 5th & 6th, altho it would be rather rough on my local schedule. What would be the cost of registration and entertainment, and who from Iowa may be going, either to share pride or expenses? And when would the meeting on Saturday conclude? As for memberships in the Society, please send details of arrangements for association.

Thank you ^{and} Very sincerely yours,

Thomas D Hersey
