Dean Merne A. Harris  
Vennard College  
University Park, Iowa

Dear Dean Harris:

I am in receipt of your letter containing the bill from the Jack-Bilt Corporation for the E-Z Stick-on Badges and am sending them a check for the same.

It is good to know that the details of the program for our approaching meeting are going so well. The time when you have scheduled my paper is fine.

I am sure that we can have the office staff at the college type the names of the registrants on their badges.

It looks now as though our new food center will be ready for us before the Study Conference date.

Sincerely yours,  
*W. Ralph Thompson*
