Dear Doctor Harris:

I received your letter with the request to give my colleague's paper on The Dual Nature of Sin at the first session of the Wesley Theological Society. I will be delighted to render this service.

Since Dr. Richard Taylor's communication with you my plans to go on to Boston on Saturday have been changed. However, I find that it is impossible for me to get to Spring Arbor on Friday afternoon. If the shift to Saturday can still be made, I will plan to be there. If I hear no word from you to the contrary, I will proceed with my present plans to go to Michigan.

I am glad to know that you are receiving a good response to the W.T.S. I trust we have a large gathering for this initial meeting.

Fraternally yours,

Willard H. Taylor
