Dr. Merne Harris  
Vennard College  
University Park, Iowa

Dear Dr. Harris:

I thought I ought to drop you a note of apology for not appearing at the Wesleyan Theological Society meeting to read Dr. Richard Taylor's paper. Dr. Grider probably told you that I had some family matters which demanded that I not leave home this weekend. To make matters worse I took sick during the week, so it appeared that the trip was really not for me. I am sorry to have missed this first session and the privilege of meeting some of the men who are members of the society.

I trust that this double shift did not create any problems for you in keeping the program moving.

May God richly bless you in your work at Vennard.

Fraternally,

*Willard H. Taylor*
