Dr. Ralph Thompson  
Spring Arbor College  
Spring Arbor, Michigan

Dear Dr. Thompson:

I am enclosing a statement for identification badges which I have ordered to be used at the study conference. Dr. Cox agreed with me that we should have some form for identifying the guests. It is my thought that as soon as the badges have arrived, I will send them on to you so that if at all possible you could have someone of the office staff prepare the badges ahead of time so there will be no delay in registration procedure. If this is not feasible the guests can, of course, write their own name on the badge as soon as they have registered.

The official program is going to the printer today. All of the speakers have either accepted the assignment which we gave them or they have suggested alternates, and these men have come through. I am delighted in the way which the program has shaped up.

In order to accommodate Dr. Willard Taylor who is coming as Dr. Richard Taylor's substitute we have scheduled you for 2:15 Friday afternoon - Dr. Taylor for Saturday morning. I thought that inasmuch as you were right there on campus this adjustment would not inconvenience you.

We expect the program announcements to go out the 15th, so shortly after that time you should begin to receive reservations as I have had the cards addressed to you.

Sincerely yours,

Merne A. Harris  
Secretary Wesleyan Theological Society
