Dear Merne:

Thank you for the materials and information which came in the mail Saturday.

You did not express your opinion concerning the letters of Col. Tripp and Dr. Taylor.

I would be inclined to carry out their suggestions. Lt. Col. Agnew could be asked to take the subject assigned to Col. Tripp. Dr. Willard Taylor can represent Dr. R. Taylor. Unless you have reasons to oppose this arrangement, you may write to these two men assigning the subjects.

We will let the matter of the bulletin await the Spring Labor meeting.

Whenever the programs are ready for mailing, a card ~~enclosed~~ on which reservation of room and meals can be made should be enclosed. I'll send you a sample one soon.

Thank you very much for all you are doing.

Sincerely yours

Leo
