

December 12, 1966

Dr. Charles W. Carter
4308 Wigger Street
Marion, Indiana

Dear Dr. Carter:

In reply to your letter of December 5, I would certainly have no objections to carrying an advertisement for Wesleyan Bible Commentary in the WTS Journal. This could, in fact, be one way of helping us in the over-all financing of the project if we could interest other publishers or even schools to advertise.

Sincerely yours,

Merne A. Harris
Dean of Seminars
