Dear Dr. Harris:

Through the NHA Bulletin I noticed that there is a Wesleyan Theological Society. Since I am the one responsible for teaching in this field here at Messiah College, I would be interested in more information concerning the society. I believe also our library should receive any publications that are put out by the society.

I am a graduate of Messiah College and hold the Bachelor of Divinity Degree from Asbury Theological Seminary. I am an associate member of the Evangelical Theological Society. In addition to teaching a course entitled Doctrinal Studies, which includes sanctification, I am also responsible for correspondence courses at the college.

Thank you for your consideration of this request.

Sincerely yours,

David P. McBeth
Director of College Relations
