National Holiness Association  
Box S-111

Dear Dr. Kindschi:

In behalf of Wesleyan Theological Society, I am expressing the appreciation of this group to National Holiness Association for its contribution of \$100.00 toward the publication of the society's first bulletin.

We will, of course, submit a formal report to N.H.A. at the time of the annual convention, but you will be delighted to know that we have been able to close the year solvent and that we have now made plans to enlarge the impact of the society through an expanded bulletin with a larger circulation.

Our second annual conference held on the campus of Asbury Theological Seminary last weekend was a signal success. We believe that God's blessing is upon this arm of N.H.A.'s ministry.

Sincerely yours,

Merne A. Harris  
Vice President-Dean  
Secretary Wesleyan Theological Society
