WESLEYAN THEOLOGICAL SOCIETY
Vennard College,
University Park, Iowa

Dear Merne:

Thanks for your letter concerning the WTS Journal, Vol. II. Since you need a little help in distributing them, I'll take 10 copies on consignment and see if I cannot help the Society liquidate on its investment.

Say, I am wondering, Merne, if you were able to compile one to three copies of the papers that were presented at the NHA Convention in Cleveland? You may recall that I mentioned to you I wanted a complete set for the Asbury Theol. Sem. Library and also 2 sets for the NHA Historical Collection. If you can do this for us yet, I'll surely appreciate it.

Then may I ask if you have any other compilations back across these recent years of Worship Papers that I might not have. I would very much appreciate a copy of these materials too. Drop me word on this and I'll be able to tell you in return what I already have.

Thanks again for writing. We'll be joining with you in prayer for your new president at V.C.

Yours and His,

Delbert

P. S. How did you feel that Fred Layman fit into your recent youth rally? Did he might a vital spiritual contribution? Schools I know of are inquiring about him.
