Dear Dr. Thompson:

Relative to my telephone conversation of recent date, I conveyed your message regarding the paying of dues to Dr. Harris and he stated you were corrected in the way you were handling them.

Enclosed is a revised list which I have prepared for Dr. Harris stating the membership and dues which have been paid. Please feel free to let me know if you find any discrepancies between your record of dues having been paid and the dues which I have marked on the list.

According to my record Dr. Grider has paid dues for 1965 and 1966.

In answer to your letter of October 16 it is correct that Harry T. Reid and Willis Wilcox are associate members but Rev. L. S. Hoover is a full member since he does have the LL.D degree.

The name of Glen E. Allison should be removed from your record according to the enclosed letter which was written from Dr. Harris' office. I have made a sheet and inserted it in my records stating that Itty Matthews should be a member, but I do not have an application for my file. All of the other information in your letter has been taken care of.

Raymond Bryant is an associate member and Cecil McKee is a full member.

Enclosed please find the following checks and money for dues and Journals.

William M. Arnett (6 Vol. I and 41 Vol. II)	\$47.00 Journals
Vennard College Check (5 Vol. I, 10 Vol. II)	15.00 Journals
Roy T. McKinney	5.00 dues
Pat Brown - for Vol. 1 Journal -Azusa Pacific College.	1.00 Vol. 1 Journal
