Dear Dr. Thompson:

In order to compile a correct report for Dr. Harris for the convention in November it would be very much appreciated if you would check to see if the dues have been properly entered on the revised list of members which I have prepared. There may be some discrepancies in the information which I have received as to whether these men have paid dues for 1965, 1966 or 1967. For instance the dues which you recently sent me - that is the names of the men who paid dues, may have been entered for 1966 when they should have been 1967 and likewise dues that have been entered for 1965 may have been meant for 1966. In the future perhaps it would be wise for you to state if the dues are for 1966 or 1967.

The enclosed list of members was recently sent to Dr. Petticord and the list agrees with his with the exception of Ralph E. Perry of Olivet Nazarene College. Will you let me know what information you have on him? If I remember correctly I was told by Dr. Harris that he was a member, but somehow Dr. Petticord does not have an application for him, and I do not have one in my file. If you wish a list of these members, I could pull xerox copies at the cost of \$1.40. Please return this list to me as soon as possible. Perhaps if you could use a red pen or pencil to check the dues, it would be very helpful. If you do have any 1967 dues, you may add an extra column.

Enclosed are checks for the following:

Dr. Thompson, I do not find an Itty Matthews on my list of members for WTS. Please let me know if he could be listed by another name.

Just as soon as I count the Journals which we have on hand, I will let you know how many we have.

Please feel free to write me if there are any further questions.

Sincerely yours,
