Wilmore, Kentucky 40390

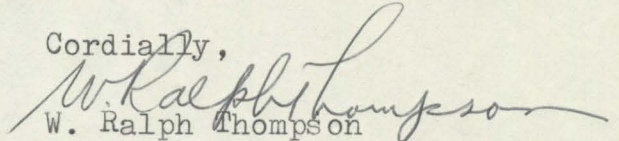

Dear Doctor Dayton:

In looking over personal cancelled checks which my bank returned to me I discover among them a check payable to Dr. Paul P. Petticord, for \$5.00. I see that I forgot to sign it "Wesleyan Theological Society, W. Ralph Thompson, Treasurer" and simply signed my own name.

I am writing to you about it because this will make your records incorrect. Check #29 will never come back to you. Also, the Wesleyan Theological Society should have a balance of \$471.76 instead of the \$466.76 which I indicated in my report. This leaves only Dr. Nicholson's check (\$11.00) out.

I trust you have received in good condition the materials which I sent to you.

Cordially,

W. Ralph Thompson
