Dear Dr. Thompson:

I have before me your letter of January 3, 1969, which was forwarded to me while I was on my midwest and eastern tour and which I brought along back for answering after I returned home to my western base office.

I am not sure where I stand in relation to my membership fees and at this particular point I am afraid that I do not sharply remember what the membership fee is. For some of us there can exist an occasional point of confusion in our memory between the Wesleyan Theological Society and the Evangelical Theological Society. So I enclose a check for six dollars and if this is not satisfactory please let me know as to the balance which I owe you.

Perhaps a good idea would be for you as Secretary-Treasurer just to have mimeographed reminder forms to send out to membership at some specified period with a statement of the membership amount due and perhaps an expression of request for this to be taken care of as soon as possible unless they have already done so in which case you could thank them for the same on the form. I hope I am not overly bold in making this suggestion.

I remember with appreciation our contacts with you several years ago when my wife and I were at Spring Arbor for the missionary conference. May you and your wife continue to know the Lord's blessings in double portion.

Yours in Christ,

Arthur M. Climenhaga
