Dear Harvey:

I hope you will not think me presumptuous in suggesting matters to consider for the new Volume of the WT JOURNAL.

Here are some:

Why not drop "No. 1" from the front cover, just using "Vol. 8" inasmuch as we're only publishing one volume per year. As it has appeared in the past it gives the idea that other "No.'s" will be forthcoming during the year. People have written about this very item.

Why not copyright our volume, instead of merely stating, "All Rights Reserved." The cost is minimal and the procedure simple? We might want to publish some of this materials in a book sometime later and we ought to have it fully protected, had we not?

On the inside of the front cover is a statement of "purpose" which has the wrong initials in the 1972 Vol(7). Instead of "NCA" as appears there, it should be "CHA".

On pp. 74-77 is the Constitution of the WTS. It should be up-dated in this sense: wherever "National Holiness Ass'n" appears it should be "Christian Holiness Association." [See p. 74, and p. 77].

And while we're on the "Constitution" would it not be wise to insert a copy of the "constitutional change" which was read to the WTS Meeting at Bethany? Just in case you do not have a copy of it, I'm enclosing a copy of it. This could appear at the book of page 77.

Prof. O. D. Lovell will have to furnish you a copy of the "Treasurer's Report". For the bottom of page 79 you could add this figure on MEMBERSHIP, which I'm inserting here just in case it is not in your hands already?

"Number members Nov. 1, 1972 454"

[I doubt if we would need that last line on "Membership gain for 1971-1972"....]. Each of us can figure that one!!!
