Dear Brother Lovell:

Thanks for your recent letter with the title of your WTS Paper in it.

The man who will be Moderator of the Discussion Period following the reading of your paper will be Everett I. Carver, Associate Professor Theology, Gulf-Coast Bible College, Houston, Texas. He and I have been corresponding quite a bit of late and in a recent letter he sent along the enclosed study he has made on I John. He included a copy both for you and me. So you are to keep this copy.

When you have completed your paper, please send Prof. Carver a copy of it. He ought to have it a week or ten days before the WTS Meeting (on November 3 and 4). Here is his address:

GULF-COAST BIBLE COLLEGE
911 West Eleventh Street
Houston, Texas 77008

Please be praying for the Lord to give a genuine visitation of His Presence at the WTS Meeting.

Yours because His,
