Dear Mildred:

Enclosed please find a copy of the format for the WTS Seminars being held at the C.H.A. Convention in Portland next April. This assignment was given me--to arrange such a program last September. So am just bringing you up-to-date on our progress.

We're looking forward to your coming to Wilmore at the end of January and so will hold other things until then.

We'll be awaiting word from you as to when and where you would like to have us meet you--in case you do not drive.

Sincerely yours and His,

Delbert R. Rose
