Dear Brother Rose:

Thank you for the check you sent to help in the expenses at the Wesleyan Theological Society meeting. That was very kind of you and of Professor Lovell.

I was very happy that I could attend the meeting. I found it stimulating and helpful. And you did a good job of coordinating the whole affair. Congratulations!

You recall, of course, that I did not record the one service that was held in the Seminary chapel. You said you would have that recording sent to me so I could reproduce it on cassettes. I have most of the others ready to go, but am waiting on that one.

I would still very much like to have you record a message for use on Radiant Cassettes. I am sure your message would be a great blessing to many people. I know you are an exceedingly busy man, but I still am hopeful that you will give some of your valuable time to this project. I deeply appreciate the interest you have shown by agreeing to pay for subscription renewals to go to WGM missionaries in India and Africa. The tapes are going to those places regularly, and are proving a rich blessing.

May the Lord continue to bless you as you live and work for Him!

Your friend in Jesus,

Wilfred Fisher
