Dear Mildred:

Your letter is at hand today. We have cleared it with our neighbor so that both you and Ralph will be hosted there.

I had a talk by phone with Dr. Blaney this a.m.--about THE WTJ--and he informs me that we've got to get WTS business taken care of during the forenoon (and early afternoon) of Tuesday the 30th, because he has to fly back to Boston and be on his way the next day to England. So we'll have to pack the a.m. with a lot of things.

Plan to have breakfast with us at our house, and we'll start the business meeting right around the table and continue on there in our home for the balance of the a.m. Maybe I told you that we'll be hosting Dr. Blaney & Ora Lovell at our house--so we'll all be together for breakfast and on until we're through or have to break-up due to travel schedules of Lovell and/or Blaney.

You'll be interested to know that Harvey is having the JOURNAL printed here at the Asbury Seminary Press--and I'm somewhat the ^{agent}mediary between him and the printer on some matters. We're hoping it'll be ready by Jan. 30.

Stop at our house upon your arrival in Wilmore and we'll take you to the home of Rev. and Mrs. Jesse Greene where you folk will be staying.

Sincerely yours and His,

Delbert & Dorothy
