Dear Dr. Phillips:

Your welcome letter came today. We are glad to learn of your plan to attend the forthcoming WTS Annual Meeting. Enclosed are the following materials:

- a program
- a reservation card
- a list of the motels in the area

At present our housing situation is getting tight here in Wilmore. Perhaps to be sure of housing it might be well to make a reservation at a near-by motel. But if you still would like to room in Wilmore, we will do extra scouting to get you a room.

Please let us know what you want us to do about your housing.

Many thanks for writing. I personally am looking forward to greeting you here. My wife remembers you from a Christian Writers' Seminar at Green Lake, Wisc. She too will be pleased to meet you again.

Sincerely yours and HIS,
