Dear Dr. Rose:

It is wonderful to know that you will be participating on the 1974 Christian Holiness Association Convention program. I believe God will greatly use you.

Today, I need a glossy photo and a biographical from you for publicity. Will you rush this to our Central Office as per this letterhead address?

We believe God is leading in the formulation of a great CHA Convention. Please, pray for His guidance in these preparation stages.

Sincerely,

Thomas H. Hermiz
Executive Director
