RE: Information for our up-coming Business Meeting.

1. Bring to the Annual Meeting these items:
 - a. An "inventory" on the number of JOURNALS on hand of the various years ('66 - 773).
2. Have your Treasurer's Book audited by someone there at Bethel College, and bring the Auditor's Report to the Meeting.
3. Be ready to give both a "Secretary's Report," and "The Treasurer's Report." (Your back files ought to give you a good model to follow).
4. Did you not revise the minutes of the early February meeting held in our home? If so, I do not have that copy right at hand. I would like such a copy.
5. Dr. M. E. Dieter has two boxes of the 1973 JOURNAL which I left with him for you. He was to leave these, either at Bethel College, or with you at your residence. Did they arrive?

Other items:

1. Enclosed is a letter from Charles R. McCall, whom I am notifying by card will be hearing from you.
2. Under the pressure of a late application to the Office of Register, For a Copyright of the 1973 JOURNAL, I drew a \$6.00 check to this Washington D. C. office. We were so very late, due to an oversight, that I felt we dare not be too much later and still receive the confirmation of this application. That is the only Check, other than to you, that I've drawn on the Bank's account with W.T.S. here at Wilmore.
3. I've written Wilfred Fisher, Vancleve, KY, to see if he again wishes to tape the WTS Annual Sessions.
