Dear Dr. Rose:

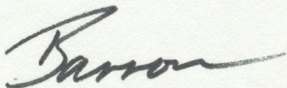

I hope all is going well at ATS in this new accademic year. It is exciting being out in the harvest fields full time now, but I do miss the good fellowship at ATS.

I would like information on the publications and membership of the Wesleyan Theological Society. I am very interested in making contacts that will help me grow as a United Methodist of the Wesleyan-Armenian persuasion.

I'll appreciate any information you are able to send me.

Give my love to all the brothers and sisters at Asbury, especially our good neighbors, Dr. and Mrs. Arnett.

Joyfully in Jesus,

Barron K. Brown
