TO: Wesleyan Theological Society

Dear Sir:

Could you please give me some information on the Wesleyan Theological Society. Dr. Wynkoop (my Theology Professor at Trevecca College) is a member of the Society. She is very enthusiastic about the Society and what it has accomplished over these many years. In times past, Dr. Wynkoop has presented many Scholarly Papers to the Society. Her Papers were well received by the Society. She is not only an excellent Theologian, but an excellent writer. Her most recent book: A Theology of Love is an excellent example of her. She is the one person that led me in choosing Asbury for my seminary work.

I will appreciate any literature that you could send me on the Society. Thank you so much for sending me the Seminary Bulletin. Congratulations on your FIFTIETH ANNIVERSARY at Asbury Theological Seminary.

Yours in Christ,
