Dear Dr. Rose,

Thanks for your recent letter, also a copy of the W. T. Journal. I am sorry that it cost you so much trouble and anxiety. I am also sorry to have gotten involved with the W.T.S. and then to have been unable to attend necessary meetings; and then to be leaving the scene so soon. I certainly will try to organize a chapter in the old country. I want also to contact the Wesleyan Historical Society. Dr. Carter has been in touch, and I want to send the President a copy of our Journal.

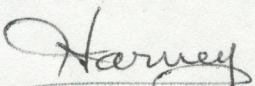

I enclose a letter from Dr. Carter which came just this morning. He has written a couple of times of his concern with the delay of the Journal. He is apparently coming home soon.

Wish I could be at the C. H. A. Meeting this week. I understand Tim Smith is there.

Mildred and I went over the program and it looks good. We are hoping and praying that she will feel led to come here. We need her rather desperately. With a number of young men, our program needs a mature person with standing. Especially our graduate work which is going well.

I hope that I may be kept informed of the progress of the W.T.S. while I am away, and Perhaps I shall be able to make some contribution in broadening its work.

Cordially yours in Him,

Harvey J. S. Blaney
