

WESLEYAN THEOLOGICAL SOCIETY
A FELLOWSHIP OF WESLEYAN ARMINIAN SCHOLARS

Feb. 19, 1973

Dr. Delbert R. Rose
Asbury Theological Seminary
Wilmore, Kentucky

Dear Brother Delbert,

I am gaining ground rapidly, will be taking my trip to England next week, and expect to be in full harness pretty soon.

I am presuming that the Journal is coming close to birth and am hopeful that my instructions were legible and sufficiently complete. Of course I will be anxious to see how it appears in finished form.

Wayne Thompson was somewhat concerned that his paper is not being published. He talked with Dr. Peisker about it and the latter called me. Enclosed is a copy of my letter to Thompson. Just thought I would share it with you.

Dr. Mattke writes from Houghton that he would like to have 50 copies of the Journal for re-sale. He says that for several years he has made available copies of previous issues and he hopes to interest these same people in the latest issue.

Dr. Carter writes from Taiwan that he would like his copy of the Journal mailed by air as soon as it is ready, also 35 copies sent book rate to him for the Taiwan Chapter of the WTS.

If you will send me 25 copies I can distribute copies to the members here (although that might be more of a nuisance than mailing them from the list) and I want to make them available to students and perhaps some pastors.

I received the minutes of the Executive Meeting from Dr. Lovell, also a copy of Dr. Wynkoop's letter to you with an outline for apparently a conference on "Wesleyan, in Perspective". I judge to be a follow-up of the vote to hold such a conference at some college this coming fall. One reference to chapel seems to suggest that Trevecca has been chosen. It sounds good to me and I will write her right back. Incidentally, she is coming to us this spring for lectures on Christian Perfection.

Faithfully yours, *Harvey* Harvey J. S. Blaney
