

December 21, 1973

Dr. Mildred B. Wynkoop
TREVCCA NASARENE COLLEGE
Nashville, TN 37210

Dear Mildred:

Your two letters have arrived and I hasten to reply to the latter's questions.

First, I passed on to Duane Beals a week ago the folder on REGIONAL CHAPTERS, which contained all the correspondence I had inherited from previous officers, PLUS correspondence I had carried on with some of the possibilities! So Duane has as much "info" as anyone right now.

Second, the neg~~op~~ to whom you refer was the following, I believe:

Bishop M. E. Golder (or "n"--Golden; I cannot
7474 Holliday Dr. W. (make out the writing too
Indianapolis (well. He order WTS JOURNALS
IN 46260

As you may recall, he represented "The ONENESS" (or "Jesus Only") Group.

So glad to hear that Dr. Greathouse is taking the main CHA Paper. Now my question is this: What should be the length of the response that I and Dr. _____ (?) are to make? I'm much challenged by this, and have some ground-work laid out for myself already.

Yes, I felt we had a very profitable business meeting a week ago. The fellowship was refreshing as well.

Dorothy and I, D.V., are flying to Philadelphia to spend Christmas with our sons, Dan and David. Marilyn and her family are living in HOOD RIVER, ORE., as we ~~have~~ probably told you. So we won't get to have them near this Christmas--much as we'll miss them.

Trusting that you and Ralph have a joyous Christmas and a victorious New Year, I remain

Yours and the Savior's,

Delbert R. Rose
