Dear Dr. Thompson,

I am wondering whether my letters are getting to you. I would like so much for you to appear on the program. The program had to be provisionally finalized about 2 weeks ago. Not having heard from you I presumed we would have to change the plan somewhat. But, you are still very much wanted. We understand that you will attend the Pacific Seminar in Winona Lake in June. Could you bring a report (along with Joe Sothers) of that meeting in a way to stimulate discussion at the WTS meeting?

I expect to be at the Winona Lake meeting and will bring a paper. If the physical examination in May does not indicate open-heart surgery I am, in any case, seeking to resign honorably from the WTS presidency. It is proving to be far too big a task for one with limited strength (or a steadily one with far too much to do and too little secretarial help to do it).

Very Sincerely
Mildred Wynkoop

Rough tentative program enclosed.
