Dear Dr. Wynhoop:

This is a rather tardy reply to your letter in which you graciously ask me to speak sometime in November. I believe you have been in contact with my wife since she has spoken to me about it.

I would be very happy to speak to the group if I'm in the country. As of the moment, it does not appear that I will be in the United States at that date, so I cannot give you an affirmative reply with any assurance.

Perhaps, we might talk about it over the phone sometime.

Sincerely yours,

DuVon Corbitt Jr. M.D.
