Dear Delbert, —
I was unable to find even one moment to write this past week -
Today, I have written the persons underlined in red. If you
find any errors or can suggest other ideas, please let me
know. As soon as the confirmations come in I'll type this
up in proper form for the committee to see.

Sincerely
Mildred

Delbert, is there any provision at all for a resignation in the
Executive personnel of WTS? I am able to put such a little time on this
task that I wonder whether it is fair to the Society to hand it by my
failure. I am so thoroughly interested in the health and mission of
WTS that I am reluctant to hinder it in any way -
Your reaction, please!
