Dear Bro. Lovell:

Thank you for your letter which came today, inviting me to share a guest room at your house with Eldon Fuhrman. Yes, I will be glad to do so. I will be driving through, probably getting into your community sometime before midnight.

At present I am offering to drive a carload from the Wilmore community, but I haven't learned how many are interested in coming. Dr. Layman has cancelled out inasmuch as he was unable to get his paper ready. Eldon has replaced him with a Nazarene from Amherst (or Amhurst?) College in New England. But I'll keep recruiting as many as I can.

Oh, yes, Dr. James Hamilton called and asked if there was anyone in the vicinity of Bethel College who might be willing to rent him a room. He thought if there were he'd be glad to pay a private home for hosting him for lodging, hoping thereby to save something on a motel bill. If someone is interested in taking him for the night just contact him at this number or address:

I'm enclosing a sealed letter to you which was placed in my box at the Seminary. I do not know its contents.

We're praying with you for a good meeting at WTS next month.

Sincerely yours and HIS,

Delbert R. Rose
