Dr. Wayne E. Caldwell Sec'y-Treas. WTS
215 E. 43rd Street
Marion, Indiana 46952

Dear friend Wayne,

Thank you for your good letter of November 9, 1978, which came in yesterday's mail. I also appreciate your postcard of October 28, 1978, which came just before the WTS Annual Conference. It was an acknowledgment of my remittance for the sale of the Journals. I want to thank you again for bringing the supply of Journals to the Annual Meeting. I'm sure we can use some of these before the present school year is over.

Now for several items that relate to WTS business--

(1) You will find enclosed my personal check for \$10.00 (Check No. C-8297) for the 1979 Full membership dues.

(2) Yes, I have given the 1978, Vol. 13 Journal to: Brenda Ruth Jones, Neely C. Landrum, Thomas Markwood, and James H. Peake, Jr. I needed the new supply of Journals in order to get this fully taken care of, so now all is well. I'll always be glad to do this for you, for it will save both time and money.

(3) I am enclosing four checks for \$11.00 each, totaling \$44.00, for the sale of Journals. These checks are from some of our ATS students: Boyce F. Brooks, Bertram Demineck, James D. Ernest, and Edward R. Keeler.

Now for some inquiries--

(1) Is it understood that we now send the MEMBERSHIP APPLICATIONS to Dr. Wayne McCown? I assume so, but I thought I should inquire. From someone at the annual meeting I understood that Dr. David Cubie said he had not heard once from Wayne during the past year. I do not have Wayne's address, but I can get it from one of our offices, since he is a graduate of ATS.

(2) Will new members now applying not only get Volume 13, but also the two proposed volumes that will be published in the coming year? I just wanted to be clear on this. I assume so, but thought I should ask.

(3) The Bylaws of the WTS, distributed at the annual meeting, states that the Promotional Secretary "shall strive to increase the Society's membership, sell its Journals, etc." I do not remember hearing Don Dayton reporting on these two items, either in the recent meeting or at last year's meeting. Has he ever reported on the sale of Journals? What has he done in the way of getting new members (I think you said he had reported or signed four application blanks)?

The same mail which brought your recent letter also contained a letter which severely criticizes me "for the unprofessional manner in which you embarrassed your colleague and the whole Society in our recent meeting." My own conscience acquits me of any such intention. Dr. George Turner first proposed the questions to Bob Lyon, & Duane Beals picked it up. If the "sin question" was not net involved in Lyon's presentation, then my name is not "Arnett" and I know nothing about holiness theology. It was clarification that both George & I were ~~assigning~~ desiring.

Cordially, in HIM,

Wm. M. Arnett
