Enclosed is one more membership application plus a tabulation and listing of membership. I probably will get few if any more requests for status changes in membership, so as promised I am sending these to you now for whatever review you may wish to make of them. Frankly, I think it is almost an impossible task to review very thoroughly the present doctrinal or service status, when they change up and down the membership scale.

I have changed all 39 of the requests (A. through J.) of my listing on my records and unless you direct otherwise my final count will be accordingly. The inactive list will have to await final counts of the Active lists before total membership can be made. W., X. & Y. will include those who have been received this year and that will not be finally known until later in the month. I plan to draw the line precisely on October 31st on all financial and membership totals as I have records, since my reports will have to be made out before I come to Mt. Vernon. We plan to be in on Thursday evening for the Executive Meeting.

It will be a great assistance if you will have a procedure for registering guests, much as Paul Feters did at Huntington. All that needs to be done is to have them sign their names and addresses, so we will have a total of registered members. It would be fine to have them check if they are F, A, or S for Full, Associate and Student membership, as well. My wife and I like to be free to care for membership dues and sales of Journals at a separate table, apart from the registration but at least near by in a strategic location.

We look forward to a great annual meeting and appreciate all you have done and are doing to advance the cause of Christ through WTS.

In Christian bonds,

Wayne

WTS ANNUAL CONFERENCE THE FIRST WEEKEND OF EACH NOVEMBER

*P.S. Dave - 2 am
the opinion that if
any membership
applications come in
after Oct. 31st or if
final action is not
taken on applications
by that date, they
should be held over
for the new year.*
