Dr. Wayne E. Caldwell WTS Sec'y-Treas.  
215 E. 43rd Street  
Marion, Indiana 46952

Dear Wayne,

You will find enclosed the application form for student membership for REV. DAN P. KETCHEN, 11758 Vizcaya Ct., Florissant, Missouri 63033. His check in the amount of \$13.00 is enclosed -- \$3.00 for his student Membership dues, and \$10.00 for the set of the WTS Journals. He is a D.Min. student at Nazarene Theological Seminary.

I am also enclosing my check (No. 184) for \$20.00 for the sale of WTS Journals. Our Annual Ministers' Conference closed at noon today, and I had the journals on display, and the application forms for membership also on the table. In this case, the sale's pitch had to be very "low key" for several reasons, but nevertheless the journals were on display. Sometimes the results are more long range, and I hope it will be so in this case. About 340 registered for the Ministers' Conference, and it was a good one. Bishop Ellis of the Free Methodist Church and a Brother Tillsley of the Salvation Army were the speakers.

Your letter of January 25, 1979, was appreciated -- and is appreciated. If convenient for the Richeys, you could send 25 copies of VOLUME 13. Until volume 14 appears, the applicants are entitled to volume 13, so there is a greater drain on my supply of that particular volume. If convenient for them to bring the journals back to Wilmore, they could just give me a ring and I'll be glad to pick them up.

I'm sure you remember us prayerfully here, so I will mention a bit of information about "household affairs." Following the Holiness Emphasis Conference here and the WTS Annual Conference, which gave Dr. Bob Lyon "platforms" on which to present his views on holiness, he has pushed hard to get a course in the curriculum to be taught by him on a biblical exegesis of perfection. Several years ago he tried to introduce the same two hour course, but was turned down, primarily on the basis that other courses were already in the curriculum on that subject. It became quite a little issue this time, but the C & I Committee turned it down, primarily this time on the basis of theological issues, and that because of his views expressed in his public utterances. Tomorrow he is to meet with a committee of the faculty relating to his theological views. Please keep us in your prayers.

That is such good news about CHARLES BALDWIN at Nazarene Bible College in Colorado Springs and his 25 membership applications! Good for him! May his tribe increase!!

Cordially, your friend in HIM,

*Bill*
