Dr. Wayne E. Caldwell - WTS

DEAR WAYNE,

I need to get some checks to you for the sale of the WTS Journals. There are four of them for \$15.00 each from STEPHEN BOGGAN, DAVID HARRISON, ROBERT MACKMER, and JOHN T. STRONG. I think the one written by David Harrison was mistakenly dated October 3 instead of November 3. He may have had reasons for doing so, however.

Thank you for the box of WTS Journals that came the fore part of this week. I have not opened it yet. That gives me a good supply for future sales. I also appreciate your letters of October 15 and October 20. Both of them reached me in North Dakota where I was in revival services. My wife forwarded the October 15 letter from Wilmore. It arrived after I had left for North Dakota. The LORD gave us some good services and victories.

I thought we had a good meeting in Kansas City. It will be helpful to be able to read the papers in the Journal. Did you get to hear the papers by Larry Shelton and Jerry McCant? I am uneasy about some elements in both of those papers. It disturbs me that Larry Shelton was critical of inerrancy. He is one of our alumni. As I recall, he is a Wesleyan too, is that correct? Dr. McCant said he could not see Entire Sanctification as a second work of grace in Romans 6 through 8. At least, that is what I thought I heard him say near the end of his paper. But how can we be free from sin (Romans 6:7, 18, & 22) without implicating Entire Sanctification as a second work of grace? What about Romans 8? Dr. Larry Wood said he had a brief chat with McCant. I understand he is very sympathetic with the Bultmannian position and is a graduate of Emory. I wonder about the screening process in some of our holiness schools. I see that he is on the faculty of Point Loma College. When a teacher is not solid the result is the sowing of a lot of doubts among students. And it is easier to entertain doubt than it is to affirm our solid convictions, or so it seems.

The Search Committee is at work, or at least beginning its work for the quest for a new WTS president. Mel Dieter is our faculty representative of the Board of Trustees and is a member of the committee. It is holding its first meeting this next Monday in Chicago. There are about eight members on the committee, with another Ex Officio member.

Today is the fall meeting of the Board of Trustees at Bethany Children's Home, so I must be on my way to Bethany, Ky., in about an hour. It was so good to see the CALDWELLS again at the annual meeting!

Cordially, your brother in HIM,
