Dear Wayne,

You will find enclosed an application for student membership in WTS by one of our students, W. DALE CIAMPA, 203 Gillispie St., Wilmore, Ky. 40390. His check for \$4.00 in payment of the annual dues is also enclosed. As you will notice, I have given the current issue of the WTS Journal, Vol. 15, No. 1.

We are emphasizing a final sale for this academic year of the WTS Journals and I am utilizing this mailing and the envelope that W. Dale Ciampa kindly furnished to send you eight checks written by students for purchase of the Journals, totalling \$101.50 (one for \$11.00 ~~(James D. Reever)~~; four for \$12.50 ~~(W. Dale Ciampa, Charles M. Gibson, Gerald D. Lewis, & Beau Watkins)~~; three for \$13.50 ~~(Charlie Graves, Robert C. Trego, Jr., & Wendell C. Van Valin)~~). The display and sale of the Journals continues this coming week, though I assume that the greater portion of this final sale is now over. There have been some cash sales, and while I do not have all the information before me now (the class room where the display is, also the sign-up sheet), I think we have sold from 12 to 15 sets, plus individual copies. ^{enclosed} So it was worthwhile. Mel Dieter brought me copies of the current issue (Vol. 15, No. 1) and I am glad to have them on hand.

Thank you for your letter of March 22, 1980. I was sorry to learn about the passing of your wife's father and this letter brings my deep sympathy to both of you. It was a delight to know you were in Clay Center for revival services from Palm to Easter Sundays. I do hope you had a wonderful meeting. It would be interesting to talk to you about it. I'm sure you met JOHN MUGLER who attends that church. He is my spiritual father, or at least one of them. I was converted in the kitchen of his farm home near the midnight hour in August, 1935. What a precious brother he is! You probably met HOWARD & MARIE HADEN. I was Howard's best man at his wedding many years ago in the CC Wesleyan Church (former church building). Howard and I sought God's sanctifying grace together one night in the Leonardville Methodist Church back in the 30s before I started at Asbury College. Perhaps you saw the WM. WILHOFS also. Your letter was forwarded to me while I was in a meeting in Streetsboro, Ohio (Primitive Methodist), during our Spring Vacation. We closed on Palm Sunday. We had a gracious time! After the first Sunday morning service, in which many requested prayer, we prayed with someone in every service, including the last Saturday night and both services on the final Sunday. The Lord be praised! Re. Bob Lyon -- I don't think the ATS Faculty Committee was satisfied with his "soundness" (or position) on Entire Sanctification. I do not know of any follow-up, however. May I quote you (guardedly) from the last paragraph, without identifying the "unofficial" source? (or denomination also)? (i.e., your own seminary).

Cordially, your friend in JESUS,

Bill
