Dr. Wayne E. Caldwell, WTS
215 E. 43rd St.
Marion, Indiana 46952

Dear friend Wayne,

I am enclosing two checks, totalling \$139.00, for the sale of WTS Journals. One is written by Ted. S. Steedman for \$16.00, and the other is my personal check for \$123.00, representing cash sales. When I set up the utility table in our largest classroom which is next door to my office, I generally leave it up for two weeks, and this past week was the second week. From the sign-up sheet I see that we sold 22 sets, and with the sale of single issues, there was a total sale of approximately 402 issues. Will that lower your stockpile approximately $2\frac{1}{4}$ or $2\frac{1}{2}$ inches?? And does the \$139.00 close the gap for the goal of \$3,000.00? I hope so!

Thank you very much for your letter of October 6, 1981, which came in yesterday's mail. Also I am grateful for your sending the 15 copies of Vol. 7, 1972 Journal which arrived the day before your letter reached me. I'll need to replenish most of my own stock, though I seem to have a pretty good supply of VOLUMES 8 & 15 (nos. 1 & 2).

We had our HOLINESS EMPHASIS CONFERENCE this week, a student sponsored occasion. Dr. Wilford Fisher of Kentucky Mountain Bible Institute brought two excellent messages and there was a good response with seekers after he preached. Ken Kinghorn of our faculty says some good things, but he tends to "muddy the waters" in regard to Entire Sanctification. His two lectures were no exception to that tendency, and there were no seekers after his presentation. He did not give an invitation following his first lecture or message.

The RYAN LECTURES by Dr. James L. Packer with the general theme on "The Way of Holiness" were in a Calvinistic vein, and he jokingly referred to himself in the last lecture as a "Calvinist babe among Wesleyan wolves." For him, the Christian life is lived always in the latter part of Romans 7 and Galatians 5:17. Further, John Wesley did not experience what he preached in regard to Entire Sanctification (Ken Kinghorn said the same thing) and his definition of sin is inadequate and he further had a tendency of "substantialize" sin. He was a gracious Brother, but none of our division know who or why he was invited, though obviously it must have been the Administration.

We will look forward to seeing you on November 6 & 7. I do wish we could have had you and Mrs. Caldwell stay in our home, but my dear wife has a continual and increasing battle with a lack of energy. She will have some blood tests this coming Wednesday. If she is able, she will attend the banquet with me on Friday night, and I want her to meet the Caldwells, if possible.

We have 802 students this fall and I hope some of them will "choose the better part" and buy some of the Journals during the WTS Conference.

Cordially, your friend in HIM,

Bill
