Mr. Wayne E. Caldwell
215 East 43rd Street
Marion, Indiana 46952

Dear Mr. Caldwell:

Allow me first to introduce myself. My name is Dwight Taylor and I am a student of the Nazarene Bible College. As an ardent follower of the Wesleyan Theology I have over the years collected both John and Charles Wesley's works.

It has not been until recently that I have personally come across some pictures of John Wesley from the family collection in England. These pictures are about 14" x 19" and on heavy bond paper and are suitable for framing. One scene is of John Wesley at his mother's grave side in Bunhill fields burial ground A.D. 1783. The other is of John preaching from the steps of a market cross. The last picture is of his death-bed scene. It's titled: The Death Of The RER^d John Wesley A.M.

I have only three sets left of these fine pictures. There is a set that has been donated to the Nazarene Bible College in the Wesley Room by my brother John. I am thinking of making these pictures available to all members of the Wesleyan Theological Society for the price of \$25.00 a set, which will include all postage and handling. I wondered if I might be able to advertise these in your Journal and the price for doing it. If I may advertise these I will make these pictures available to you and your staff at no cost. I will need to know if I can so that I may tell the printer to go ahead with publication shortly thereafter.

Your co-operation is appreciated if you can be of assistance.

In His Service,

Dwight Taylor

PS: I will be able to send photographs of these pictures and any other information needed for publication, thank you.
