Dr. Wayne E. Caldwell
Wesleyan Theological Society
215 E. 43rd Street
Marion, Indiana 46952

Dear Dr. Caldwell:

In your letter of June 7, 1982, a copy of which is attached, you indicated that you were sending the manuscript that I had submitted "John Wesley and Natural Theology" to the editor of the Journal of the Wesleyan Theological Society and that he would acknowledge receipt of the manuscript and give his projection for publication. In the intervening six months I have received no additional communication. Is the manuscript under consideration for publication?

I am enclosing a check for \$28.00 which I understand will cover the purchase of the Journals of the WTS from 1966 through 1981. If this is not the correct amount, please notify me and I will pay the difference.

Sincerely,

M. Elton Hendricks
