Thank you for the manuscript "John Wesley and Natural Theology" which came some days ago while I was away from the office in Bible Conferences.

I have this day sent your manuscript to our Editor for consideration. I am asking that he acknowledge its receipt and also his projection for publication in the Journal. In April he stated that he had enough material for both numbers (Spring and Fall) this year, but in 1983 I am certain additional material will be needed.

Thank you for submitting your manuscript and for your interest in the work of the WTS. I enclose a membership application form, in case you may be interested in affiliation.

Sincerely,

Wayne E. Caldwell
