Mr. Wayne E. Caldwell, Secretary-Treasurer  
Wesleyan Theological Society  
215 E. 43rd Street  
Marion, IN 46952

Mr. Caldwell:

I became aware of the Wesleyan Theological Society through an article by Dr. Donald W. Dayton, appearing in the November 1980 issue of the Catalyst: Contemporary Evangelical Resources for United Methodist Seminarians, entitled "Theological Societies in the Evangelical Renaissance." I would be interested in including it in the 1983/84 edition of National Evangelical--NAE's biennial directory of Christian book publishers, professional Christian associations, mission agencies, evangelistic organizations and other listings of interest to evangelicals and the NAE constituency.

This is a free listing and would help make your society more accessible to evangelicals interested in membership or in seeking more information on theological issues. If you could send me the complete name and address (including zip code and telephone number with area code) of your society no later than March 10, it would be here in time to be included in this valuable resource tool. Please send this information to National Evangelical, P. O. Box 28, Wheaton, IL 60187.

If you should have any questions or need further information, please feel free to call me at 312/665-0500. Thank you for your time and help.

Cordially,

Christopher M. Lutes  
Associate Editor, National Evangelical
