Dear Wayne,

Thanks for your call
and for your consistency
for the society. I am
unable to get the program
to you today as promised.
I am waiting for a
confirmation from Michael
Peterson as a respondent to
Al Tunesdale's paper. He
indicated his interest but asked
a few days to think through
his schedule. It seemed fair
to him to grant him his request.
With regards, & apologies,
David

Dear Wayne:

Well, Wayne, the program is finally complete. Thanks for riding herd on me. I should have given first priority to this at an earlier date. One item on the schedule, for which I would like your judgment, is the time schedule on Friday morning. I wonder if 15 minutes is a fair amount of time to give to Dr. Grubbs for his welcome and meditation. If you think that an earlier time, say 8:30 or 8:40 would be better, feel free to change it. You, of course, are more aware of the time needed for registration and whether the members would be ready by 8:30.

I am enclosing a copy of my letter to Dr. Newell in case there are any discrepancies between your communication to him and mine. Enclosed also is a copy of the guidelines which I have sent to the presenters, the respondents and the moderators. Any feedback regarding that, which you may have, would also be useful.

Though I am sure that we will be in contact again before you leave on Sabbatical, in case we are not, may you have a very rewarding year.

With regards,

David L. Cubie
