Dr. Wayne E. Caldwell  
Sec. - Treasurer  
Wesleyan Theological Society  
215 E. 43rd. St.,  
Marion, Indiana 46952

Dear Dr. Caldwell,

Thank you so much for your notification as to the dues for the year of 1983. Very sorry for being very late in paying in the dues to you.

Enclosed herewith please find a check of \$4.00 for payment of the dues for this year. I also appreciate your mailing to me one copy of the Wesleyan Theological Journal, which I acknowledge receipt of today.

By the end of May, 1983, I will be completing my dissertation (Ph. D.) at Hebrew Union College, whose title is "Late Old Babylonian Letters and Documents with Transliteration, Translation, and Notes."

What should I do for the dues, since after that (above date) I will be no longer a student? Please let me know at your earliest convenience. At this present time, I am looking for a position (teaching) in the area of the Bible and Semitic languages. If you would know anything of it, I would appreciate it very much for your information.

Sincerely yours,

*will file*
