Dear Dr. Parrott:

Thank you for your invitation for the Wesleyan Theological Society to come to Olivet for November 1 and 2 of 1985. We will keep in touch with you, Dr. Ted Lee and Dr. Ottis Says as the time approaches.

We hope that you will be able to be present. Though I would not commit the program chairman responsible for that year, who is yet to be elected, it is customary and thus probably that you as President will be asked to bring the opening devotions at the annual meeting. I hope that your schedule will be such that you will be able to do so.

Again, thanks for your very prompt and kind response.

Sincerely,

David
